HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. After a period of instability and a year in the wilderness away from senior football they were admitted to the Spartan League in 1989 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th. in the Premier Division South to secure membership of the new "combined" Premier Division in 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. The Women's Team, formed in 1999 were promoted to the top Division for 2002/03 of the Eastern Region Women's League where they have had notable success over the years. In 2005/06 they were losing League Cup finalists by the odd goal of seven in a thrilling contest with Norwich City Canaries. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat to Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was to be the Club's best ever season with an FA Cup run which took us into the First Round

Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat disappointing that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semifinal in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. Last season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team was always near the top of the table.

In the 2017/18 season the Club also entered an Under 18's Youth side into the Southern Counties Floodlit Youth League which will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The team won its Divisional Championship in its debut season. The Women over the years have steadily improved and were extremely fortunate to have been approached midway through the 2013/14 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. Last season, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double. The best ever season for the Women and a fitting lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which the ability to go one better and obtain promotion to the National League at the second attempt should be within the capabilities of our talented squad, The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF TUNBRIDGE WELLS FC

Senior football has been played in Tunbridge Wells since 1886 although the Club has had different names. Tunbridge Wells Wanderers might be the best, though un-used, name as eight different grounds have been used around the town. The post war years have, however, seen the town's team almost entirely based either at the present Culverden Stadium or the Agricultural Show Grounds on what is now the Showfields Estate.

In its heyday Tunbridge Wells played regularly in front of four-figure crowds and was a significant force in non-league football. The 1920s and 30s in particular were heady days when long cup runs were almost an expectation of the supporters and Football League opposition was not unusual in the FA Cup. Tunbridge Wells' first Kent League fixture took place in 1903 with Sittingbourne providing the opposition. Before World War II, the club also competed in the London and Southern Leagues.

After the war, The Wells briefly resumed playing as an amateur club, although success and a return to semi-professional status were not far around the corner. In 1954 during the reign of the former England International, Jim Taylor as manager, the club once more progressed to the First Round Proper of the FA Cup before being comprehensively beaten by Brighton. Honours in this era included a unique treble of Kent Senior Cup, Kent Senior Shield and Kent League Cup all in the same season. The last time that Tunbridge Wells reached the first round proper of the FA Cup was in 1961 when the team was narrowly edged out by Aldershot.

When England won the world cup in 1966 the football supporters of Tunbridge Wells must have thought everything was rosy with the town's club also, by now back in the Southern League. However, the club collapsed and in 1967 it was left to the determination of supporters, who knew that they and their town deserved better, to see that the present day club came into being. They entered the Kent Premier League and by the next year the regeneration of the club was so complete that the team finished as Kent League runners-up.

The Wells won the Kent League championship in 1985, and have also won the Kent League Cup on four occasions since the reformation of the club.

Floodlights were installed at Culverden in 1992 and the Club gained a 30 years extension to the lease of the ground in 1995. An impressive new bank of terracing was subsequently added behind one of the goals in addition to a new clubhouse.

On Wednesday, 31st August 2005 Tunbridge Wells made European football history by winning the longest penalty shoot-out for a senior cup match. 40 spot kicks were taken with The Wells triumphant by 16-15 over Littlehampton Town in the FA Cup Preliminary Round. The story attracted the attention of the national press with several carrying interviews and details of the record within their sports pages over the following days. A mid-season appointment of Martin Farnie resulted in Tunbridge Wells reaching their first senior cup final for 14 years, when the Kent Senior Trophy Final was reached. Unfortunately, The Wells lost the final to VCD Athletic on yet another penalty shoot-out, following a 1-1 draw after extra time.

Although the Courier Cup was won during the ensuing pre-season with a 4-2 win over Tonbridge Angels, Season 2006/07 never delivered on the promise shown, and a poor start to Season 2007/08 brought about the appointment of a new manager, Mike Robbins and his assistant Martin Larkin who had both been successfully overseeing the reserves, and who immediately looked to build a side capable of competing going into Season 2008/09.

The Mike Robbins era brought about an exciting finish to 2007/08 and an impressive start to 2008/09 with The Wells in the mix for honours moving in to Christmas, before a run of bad form led to a mid-table finish. In pre-season 2009/10 Robbins stepped down as manager, joining League One outfit Exeter City in a scouting capacity, and Martin Larkin was presented with his first senior management role - with former Port Vale and current Tunbridge Wells player Brad Sandeman as his assistant.

With no playing budget, Larkin set about assembling a squad of local players and achieved a 7th place finish in his first year in charge. Top six was achieved in Season 2010/11 along with the best progress in the FA Cup since 1969/70 Season (Dulwich Hamlet being among the scalps claimed), a lengthy run in the FA Vase (five rounds), and another Kent Senior Trophy final (lost 1-3 to Erith Town). More than 100 goals were scored in all competitions over the course of the season.

On the eve of the club's 125th Anniversary Season (2011/12), the Courier Cup was secured with Crowborough beaten 4-0 in the Final, and expectations were raised with a minimum Top 5 finish in the League, and another lengthy run in the FA Vase outlined as targets. Both were achieved with The Wells matching their best previous FA Vase performances to reach the last 32 (Fourth Round Proper).

Larkin's time in charge of The Wells is becoming established as one of continual improvements (all the while without a playing budget), and off the pitch the average crowd is reflecting those on-pitch improvements. Nevertheless, when Season 2012/13 approached, nobody could have reasonably expected what unfolded. The club became only the second from Kent to reach the FA Vase Final (lost 1-2 to Spennymoor) and won the Kent Senior Trophy for the first time, courtesy of a 2-1 win over Lordswood in the Final.

New post-1967 record crowds of 1,180 and then 1,754 were also recorded at Culverden in the FA Vase Quarter Final against Hadleigh United and the Semi Final (first leg) against Shildon respectively, while 16,751 watched the FA Vase Final at Wembley. Ultimately, these achievements represent what can happen when a talented core of local players - many of whom were unearthed as rough diamonds - can be brought together and kept together for a few seasons. Further cultivation would surely mean that the future again looks rosy at Culverden.

Chairman - Haringey Borough FC

A very warm welcome this evening to the players, officials and supporters of Tunbridge Wells. It's a long way to travel for a game of football, particularly on a midweek night, however in these trying times we are all I am sure grateful for the opportunity to watch our respective teams play in the prestigious Emirates FA Cup. Our success over the past three seasons has pushed our own profile to new heights and I am sure that we will want more of the same. No one will ever forget the exploits of two seasons ago and that magical live game with AFC Wimbledon, nor for very different reasons the disgraceful behaviour of the unpunished Yeovil fans for abusing and assaulting our players in the final qualifying round game last season. This season is so strange for all of us, with very little football and no one really knowing where the players and the squad are at even though we are near the end of September!! It was good to see the boys in the first league game last weekend and I thought we showed some real promise and good attacking intent throughout and thoroughly deserved our victory. I want to say a special thank you to our fans who travelled in their numbers and gave us amazing support again. It was good to reward you especially after our many failings away for home last season. Your support then did not waiver however and it certainly seems that you will once again follow the boys with the same enthusiasm as last season. I am relishing hearing the songs devised for the new boys and I have no doubt that Lennon and McCartney (you know who you are!!) will devise some lyrics that suit and the rest of you will soon bellow the same from the top of the grandstand. This evening's opponents will come with nothing to lose, no one expects a team from two levels beneath us to have a chance and we all know that if we have that attitude we will slip up. Tunbridge have started the season in great form with 3 wins out of 3 in their league and 11 goals already. That tells me that nothing short of total commitment will get us through this tie and together with your support I hope that we will do ourselves justice, respect our opponents and try and put them to the sword. Get behind the boys as usual and let's hope we can move forward again with another run in this world renowned competition - Come on Boro

Aki Achillea - Chairman Haringey Borough F.C.

Manager - Haringey Borough FC

I welcome you all to what I am sure will be another great game under the lights at the CVS Van Hire stadium. These games are always so special and even more so when it's the FA Cup at stake. I know the Chairman has spoken about our recent record and I for one want to extend it as far as possible in these strange circumstances which lead to us entering the competition with only one game under our belts. Having said that I was really pleased with the way we played last Saturday. I thought we controlled the game for large parts and I was particularly pleased with how the returning Tosin and Mikey played along with the way the two new boys Laste and Bobson settled in. The sense of togetherness that I thought was lacking last season appears to have returned and augurs well for the forthcoming season. The FA Cup seems to bring out the best in us and I am hopeful tonight that we will perform to the best of our ability and provide a searching test for Tunbridge. I have warned the boys against any form of complacency and we all know from experience that the Cup is a great leveller and we really do need to continue from where we left off last Saturday. I was pleased with our intensity and our fitness and we will I am sure improve further as we play more matches. We looked solid at the back, compact in midfield and the only area where I expect real improvement is the final ball and our finishing. Two good goals but several chances wasted particularly in the first half. There will be matches where we do not create as many chances and therefore it is imperative that in tight games we make the most of those that we do. The lack of composure in the final third will be addressed, I saw really encouraging signs for what was our first competitive game in six months. Thank you to the numbers who travelled and I have said before but will keep repeating that we as coaches and players love to hear the noise

you make and the encouragement you give. I am sure it has a positive effect on our players. Tonight we need you once more as we seek to beat a team that have won all 3 of their league games so far, will be fit and ready for the challenge of embarrassing a team that play at a higher level. Enjoy the game.

Tom Loizou - Manager Haringey Borough F.C.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

IF YOU'RE reading this, then it's good news – you're reading a football programme, an increasingly endangered species. Like many things post-covid and in this 'new normal' there are lots of things different at our Non-League grounds now.

The National League have given their clubs the option of not running programmes this year and we've seen similar in the EFL. In this digital world an increasing number of clubs are looking at those avenues rather than the printed page. Everyone will have their views on this traditional aspect of football match going.

But here we are, in a programme, talking about competitive Non-League football. Hopefully that is as good to read as it is good to write.

For many months now we've not had much competitive football to write about in The NLP. Yes, we had some play-off games, but the return this month of competitive football starting with the FA Cup has been most welcome. Of course, everything around the game is different. We're all getting used to the added things we have to do. Book a ticket online beforehand, fill out a test and trace form, sanitise our hands as we enter the ground, follow one-way systems.

It's very different to what we left in March when the 2019-20 season stopped in its tracks. Players are turning up in kit, staying out at half-time for team talks – the current weather helps – and sitting apart on the bench. But, when the whistle goes, it's back to the football we've all missed so much.

Crowds being allowed back in stadiums was a massive breakthrough. Hopefully Steps 2 and above will soon follow because all clubs need that money coming through the gate.

From a reporters point of view, we've never covered such a fluid situation. Things changed literally by the hour. Sometimes even within ten minutes of being told one thing, another call would come through saying it was now something else. It's been a challenge! Without crowds it would have been impossible to start the season. Then the fears for clubs as soon as the pandemic broke out would have been multiplied. I remember one week, way back in the summer, being told four different opinions on the start date for 2020-21. One said September/October, another ventured November, someone else thought January and another, informed person, feared not at all!

Thankfully the first person's guess was correct but we all are aware it's a fine line with cases on the rise again. Already we're getting used to clubs withdrawing from the FA Cup at the last minute because of positive tests and there will no doubt be late cancellations of games throughout the season.

We can all play our part. Help clubs stick to the crucial social distancing rules that need to be adhered to. Fill out test and trace forms and throw a couple of extra quid into the coffers.

Every little helps. Including buying this programme.

Enjoy your football!

THE SECRETARY'S MUSINGS

For our first competitive home fixture this evening it is our pleasure to welcome to the CVS Van Hire Stadium the players, Officials and supporters of Southern Counties East club TUNBRIDGE WELLS who are almost certainly making their first ever visit here. This is the First Qualifying Round of the Emirates FA Cup and there must be a winner tonight for if the scores are level after 90 minutes there will be neither extra-time nor a replay and the outcome will be decided by a penalty shoot out.

Likewise a warm welcome to our Match Officials, Matthew Norton who has the whistle; James Keane and Andrew Tregoning with the flags.

Our visitors currently have a 100% record in their Southern Counties East League campaign with 3 wins but, perhaps rather surprisingly, exited the Buildbase FA Vase last Saturday going down 2-1 to K Sports who occupy 12th place in the same League. This is our first game in the Emirates FA Cup this season but Tunbridge Wells arrive having defeated Erith Town 1-0 in the Extra Preliminary Round and Beckenham Town 4-1 in a penalty shoot out following a 1-1 draw in the Preliminary Round. In both matches the Wells were the home Club.

Last Saturday we commenced our competitive fixtures with a visit to Corinthian Casuals and made hard work of what looked like being a comfortable afternoon principally through wasting too many half chances before the interval. A close range finish from Daniel Akindayini in the 50th minute followed by a precisely placed drive from just outside the penalty area right into the 'keepers top left corner by Laste Dombaxe five minutes later seemed to have put us in total control; but as Casuals mounted some late pressure, and netted rather too easily with ten minutes to go, a nervous finish then ensued during which we picked up two yellow cards for timewasting

League Fixtures for all our 4 teams have been announced and the full list can be viewed via the Fixtures and Results tab on our haringeyboroughfc.com website and that for the First Team is also shown later in this programme. Bognor Regis Town will be here on Saturday 26th followed by Leatherhead on Monday 28th.

Don't forget to secure your FREE SEASON TICKET for our 21 Home Isthmian League Fixtures the first of which takes place this coming Saturday. They are obtainable via the Club's Official Web site which is haringeyboroughfc.net

Two days ago the Women entertained Fulham in the Womens FA Cup and were desperately unlucky not to take their opponents to a penalty shoot out at the least. A 2-1 defeat thanks to a scrappy goal midway through the second half was harsh on Borough who had their illustrious opponents at full stretch for much of the game. The noisy support they received from the eighty or so who turned up to cheer them on was really appreciated and it is hoped that the same level of attendance will now grace all future matches, starting this coming Sunday when Bedford will be the visitors.

The Under 18s shrugged off the disappointment of their early exit from the FA Youth Cup by starting their League campaign with a 1-0 away win at Walthamstow.

JORGE DJASSI-SAMBU - midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

SCOTT OLU DUROJAIYE - powerful midfielder who has rejoined us having moved to Woking towards the end of 2018/19. Has played in Scotland for Falkirk and several other National league sides.

ANTHONY McDONALD - fast tricky wide player entering his 9th season with us; excellent finisher with 13 League goals in an injury hit 2016/17; first team regular but appearances have been interrupted by injuries.

ROMAN MICHAEL-PERCIL - our first signing of 2020 from Potters Bar Town; a winger who has been with several Isthmian Clubs after moving on from Tottenham Hotspurs Under 21s.

JONATHAN MILES - December 2019 signing; goalkeeper most recently with Ramsgate whose other past Clubs include Ebbsfleet United and Margate after leaving Tottenham Hotspur Under 18s.

SCOTT MITCHELL - a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

JAMIE-LEE O'DONOGHUE - strong running striker re-joining us this season; was with Baldock Town last season and numbers Cleethorpes Town among his previous Clubs. Older brother of our full back, Michael.

MICHAEL O'DONOGHUE - powerful full back rejoining us after a year away at National League side Concord Rangers. Formerly a professional with Colchester United.

DAVID "TOSIN" OLUFEMI - attack minded full back who rejoins us this season after a year away with National League side Concord Rangers. Also numbers Colchester United among his former Clubs.

VALERY PAJETAT - goalkeeper signed in the 2017 close season with extensive playing time in Portugal and with Margate; commanding presence in his domain. Has won several monthly "Golden Gloves" awards.

RAKIM RICHARDS - versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

JOSEPH RUSSELL - defender/midfielder; January 2020 signing from Cheshunt who played against us in an August 2019 fixture; numbers Ware, Northwood, Hoddesdon Town and Egham Town among his previous Clubs.

CLAUDIO VILCU - tall, strong central defender signed shortly before the early close down last season; a very experienced player, who numbers Dinamo Bucharest, Enfield Town, Wealdstone, Kingstonian, Cambridge City, Hampton & Richmond Borough, Wingate & Finchley and FC Romania among his previous Clubs.

MANAGEMENT

TOM LOIZOU (MANAGER) - A man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club their toes - not just the players!

DAVID CUMBERBATCH (ASSISTANT MANAGER) - often sits in the main stand watching the game and recording bits for time to time known sometimes as 'Terry Connor or Howard the Halifax man' who gives you extra..."

JOHNNY FITSIOU (COACH) - his extensive knowledge and experience of conditioning has made the Borough players more aware of how to exert their power and pace game plan.

THOMAS O'DONOGHUE (COACH) - known as 'Tucker' is an experienced coach who joined the coaching staff at the Borough in 2016. Having started with the first team. Father of players Michael and Jamie.
