## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. After a period of instability and a year in the wilderness away from senior football they were admitted to the Spartan League in 1989 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th. in the Premier Division South to secure membership of the new "combined" Premier Division in 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. The Women's Team, formed in 1999 were promoted to the top Division for 2002/03 of the Eastern Region Women's League where they have had notable success over the years. In 2005/06 they were losing League Cup finalists by the odd goal of seven in a thrilling contest with Norwich City Canaries. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat to Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was to be the Club's best ever season with an FA Cup run which took us into the First Round

Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat disappointing that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semifinal in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. Last season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team was always near the top of the table.

In the 2017/18 season the Club also entered an Under 18's Youth side into the Southern Counties Floodlit Youth League which will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The team won its Divisional Championship in its debut season. The Women over the years have steadily improved and were extremely fortunate to have been approached midway through the 2013/14 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. Last season, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double. The best ever season for the Women and a fitting lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which the ability to go one better and obtain promotion to the National League at the second attempt should be within the capabilities of our talented squad, The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF HANWELL TOWN FC

Hanwell Town was originally founded in 1920 by a team of 'Geordies' working in the area and it is believed that this explains the black and white striped colours which are still used today.

The club were in the London League from 1924 to 1927 and it was in this period that they won their first major honour, sharing with Roxeth and Harrow Old Boys the Middlesex F.A Junior Charity Cup in 1926. Little else is known about the club before their disbandment at the outset of the second world war.

The club reformed in 1947/1948 playing in the Dauntless League where they climbed up through the divisions earning promotion in four successive seasons. Whilst remaining in the Dauntless League with a third eleven, the club switched allegiance to the Harrow Wembley and District League where they remained until 1969/1970. During their period in the Harrow and Wembley League the club reached eight cup finals in various league and county competitions and each time finished on the losing side.

In 1970/1971 the club gained promotion to the Middlesex County League and in their very first season the club won the League cup, the side being captained by the club's current chairman Bob Fisher.

The club remained in the Middlesex County League throughout the 1970's playing at Ealing Central Sports Ground, their home for over twenty years but in June 1981 they achieved their ambition of obtaining a ground of their own when they moved to the then derelict Reynolds Field, their current home. Thanks to a small group of volunteers the ground was able to be used from the start of the 1981/1982 season and the club was granted Senior status for the commencement of the 1983-84 season. This enabled them to join The London Spartan League and they immediately won the Senior Division to gain promotion to the Premier Division where they remained until the amalgamation of the Spartan League with the South Midlands League in 1997/1998.

During this period the club enjoyed considerable cup success winning The London Senior Cup in 1991/1992 and 1992/1993 and being losing finalists in 1993/1994. They also reached the final of the Spartan League cup in 1993/1994 and after drawing with Willesden Hawkeye at The Valley, home of Charlton Athletic F.C., they were beaten in the replay at the start of the following season. In 1992/1993 they reached the final of the Middlesex Senior Charity Cup where they lost to Harrow Borough at Uxbridge F.C. after extra time. They reached the final of the same competition in 2000/2001 when they were again beaten, this time by Ashford Town (Middx).

In 1997/1998, their position of 12th in the League meant that in the first season of the Spartan South Midlands League in 1998/1999 that they would be required to play in the Senior Division. At the end of the 1997/1998 season Roy Nairn who had managed the side since the 1986/1987 season stood down to be replaced by former player Ray Duffy with Roy continuing his association with the club in a coaching capacity. The side immediately gained promotion to the Premier Division finishing in runners up spot to Holmer Green. Both clubs finishing with the same number of points but with Holmer Green boasting a much better goal difference.

Following this promotion, the club maintained a top half position in the League table in each season except for one in the following seven seasons. In 2002/2003 the club won the Premier Division Cup when they beat Harefield United in the final, their first cup success in ten years.

In the same season to celebrate Roy Nairn's twenty years service to the club, Chelsea sent a side to meet the club at the start of the season. The Town ran out 5-3 winners with two of the goals being scored by Martin Rowlands of Brentford & QPR and Chris Boothe of Farnborough Town, both of whom have started their careers at the club during Roy's period of managership. The Rowlands's family have very strong links with the club with dad Arthur having played for the club in the 1982/1983 season and since then all five of his sons, Adam, Keith, Martin, Stephen and Anthony have worn the club's colours with Keith now the club's record goalscorer.

In 2004/2005, the club led The Premier Division for much of the season only to suffer a dramatic loss of form in the final weeks of the season which allowed Potters Bar Town to finish as comfortable League winners with the Town in second place. In season 2005-06 with promotion to level Four a key objective, the club

managed to finish in third place just edging out Harefield United on goal difference. Two-thirds of the way through that season Ray Duffy resigned and was replaced as joint managers by his former assistant Danny Vincent and former player Pat Gavin. Third place enabled Town to win promotion to The British Gas Business Southern League for the 2006/2007 season. However, Town's stay in the Southern League only lasted one season as they finished second from bottom and were relegated back to the Molten Spartan South Midlands League. During their stay in the Southern League, Town parted company with the management team of Vincent and Gavin with the reins being taken over by former player Chris Boothe, who himself resigned at the end of the 2007-08 season. The club finished in seventh place in the Premier Division of the Molten Spartan South Midlands League in the 2008-09 season and in 12th place in the 2009-10 season.

There was a further change in the managerial team at the start of the 2010-11 season with Boysie Wise departing and Jason Tucker stepping into the role of assistant manager to the club's leading goalscorer Keith Rowlands. After a very promising start to the season, the side fell away drastically at the end of the season eventually finishing in fifteenth position, the lowest spot that they have occupied since gaining promotion to the division at the end of the 1998-99 season. The club continued to struggle in the 2011-2012 season and midway through the season, the club reluctantly accepted the resignations of club stalwarts Rowlands and Tucker. They were replaced by a new managerial team of Tommy Williams and Luke Evans. Despite results improving, the club were unable to climb out of the relegation zone and faced relegation but the demise of clubs at level four resulted in Town being reprieved from relegation. At the end of the season, both Williams and Evans resigned their managerial roles and the club turned again to Ray Duffy to hold the managerial reins for the 2012-13 season. He was aided by Mark Adams and Vince Perdue. The club enjoyed a successful season finishing in 6th position and looked forward to the challenge that a new season would bring. Season 2013-2014 turned out to be the most successful in the club's history as they won The Spartan South Midlands League by a margin of fourteen points over Ampthill Town. They were beaten just once in their forty-two games, drawing six and winning the other thirty-five with a goal difference of ninety-one, having found the net one hundred and twenty-seven times and conceding just thirty-six. They also reached the fifth round of the FA Vase for the first time in their history, losing 3-1 to league rivals Ampthill Town after extra time having had to play their fourth-round tie against Ashford Town just thirty-six hours previously on Thursday evening. Promoted back to the Southern League Central Division, the 2014-15 season proved to be another very successful season for the club as playing at their highest ever level and aware that there only previous season as a level Four club had resulted in immediate relegation, they not only held their own but finished in seventh place, just outside of the playoffs. They also reached the final of The Middlesex Senior Cup for the first time in their history, a penalty in the final minutes proving to be a 1-0 defeat to Harrow Borough. Unfortunately, club manager Ray Duffy tendered his resignation at the end of the season so the club started afresh in Season 2015-2016 under the managerial reins of Phil Granville, a former player and manager of Uxbridge FC and more recently manager at Harefield United. However, things did not work out as expected and Granville was relieved of his duties at around Christmas and Duffy, fresh from his break, returned to take up the reins. It proved to be a stressful run into the end of the season and only two 1-0 wins in the space of forty-eight hours against Uxbridge and Ware respectively prevented the club from being relegated. With the management team having had the time to rebuild the squad over the close season, the 2016/17 season proved to be one in which the club held a relatively comfortable mid-table position throughout and hopes are high that the 2017/18 would see the club finish higher up the table. However, it was not to be with the club finishing too close to the bottom of the table for comfort. At the end of the season, manager Ray Duffy who had been involved in 997 games for the club as either a player or a manager tendered his resignation and the club commence the 2019/20 season with joint managers in Chris Moore and Wayne Carter.

Since arriving at Reynolds Field, the club has steadily improved the facilities with the installation of floodlights in 1989, the erection of a small stand and more recently, thanks to a grant from The Football Foundation, the erection of a stand and toilets for disabled persons. During 2005-2006 to ensure that the club met The Football Association's ground grading requirements, the seating capacity of the stand was extended to 180 seats and covered terracing was erected behind one of the goals. That this work was possible was entirely due to the generosity of the club's president Dave Iddiols and the club's then sponsor Gowing & Pursey Ltd. Tottenham Hotspur led by the Republic of Ireland international and current Brighton and Hove Manager Chris Hughton and managed by former England goalkeeper Ray Clemence were Town's first opponents

under lights and since then Spurs again, Chelsea, Brentford, and QPR have all played games on the ground. At the end of the 2004/2005 season club chairman Bob Fisher was awarded a medallion by The Football Association in recognition of his fifty years service to the club and very recently, Bob, completed sixty years service at the club, a remarkable achievement, which was recognised by the club in naming the stand after him. The club has a thriving Youth Section and this season will be fielding over 20 Youth sides, Both the Senior Club and Youth section has achieved charter standard and are highly regarded in the county and the local community.

The club has been enormously fortunate over the years to have benefited by the commitment and effort of so many to ensure that the club survived and prospered. There are too many to name them all but special mention should be made of the Conn family, Jim, Mike and Jack, the Haynes family, Les, Stan and Reg, the Rowlands family, the Swift family, Bob, Stuart and Kenny, Sam Kelso, Phil Player, John Wake. Phil Scott, Roy Nairn, Ray Duffy and of course Dave Iddiols but no history of Hanwell Town would be complete without a mention of the club's secretary from its reformation in the 1940s to 1988, Ron Walker. Without a home ground of their own for the majority of this period, Ron's total dedication and commitment meant that the club were able to keep going whilst many around them folded. Until he passed away at the age of 90 in November 2011, Ron continued in his role as a trustee to take a keen interest in the club's fortunes.

## Chairman - Haringey Borough FC

I write these notes in a confident mood after our second first team fixture last Tuesday against Aldershot Town FC. It was a special moment to see everyone who came again and it felt as though you had never been away. The first thing I need to do is thank you all for observing the changes in layout and the ground rules designed to comply with government and FA advice and to ensure your safety. I wish to also thank the volunteers who arrived early and helped by guiding the fans to where they needed to go. It took the pressure away from the few of us who normally try and make your experience a safe and enjoyable one. Overall a very successful return and made even more special by the performance on the pitch. I was truly surprised by the way the boys played bearing in mind it was the first game they have played for 5 months. Last seasons existing players performed well and the return of others such as Mikey, Tosin and Jamie plus the way the new boys played made for an excellent game against a National League side. It fills me with hope for the new season and I know how hard Tom and the other coaches have worked in the intervening months to secure the services of the players on show. We know that they will need more time to gel but the early signs are very encouraging. Today we meet our friends from our Spartan league days who themselves have progressed well over the last few years and were desperately unlucky to have had their ambitions curtailed by the cancellation of last season. They were sitting in second place and looking for all the world to have secured at the very least a play off place if not the title outright. They will be a formidable test for us as they are clearly a level 3 team in the making. We played them last season in pre season and it is a pleasure to welcome them back. The programme for Tuesday found it's way on to our website as promised and hopefully this one will also find it's way there too. There will be additional announcements made in the next week or two as we seek to put matters in place for the restart. The new season ticket application form should be available shortly. The idea is to do away with the hard copy tickets and you will be able to have the same on your phone or a paper copy to have scanned when you attend. That's the plan!!! If it doesn't work we revert to the tried and trusted!! Watch this space. In the interim, whilst you are waiting, watch the boys hopefully put on another performance that will make us all eagerly await the start of the season. Fixtures have just been announced (they are shown later in this programme) and now we can believe we really are about to kick off again – Support the boys and above all else enjoy the game and stay safe – Come on Boro

## Manager - Haringey Borough FC

A great day all round last Tuesday. I was obviously pleased with the way the boys set about their task against a National League side and I felt that throughout the first half we kept control and allowed them very few chances. It was great to see the fans present as I thought for a long time that the game would be played behind closed doors which would have been real shame. The fixture for us is a prestigious one and all credit to Aldershot who having played us last pre season clearly felt it was a good place to come and play us again. I appreciate the gesture and it makes us all feel as though we are creating good friends who are willing to help us out in our preparations. They must also feel it is beneficial for them as well and to their credit they adhered to our ground rules, played the game in a great spirit and cleaned up afterwards which was very much appreciated. To see you lot in the stands and to hear you once again supporting the boys and giving me a vote of confidence was very pleasing. Long may it continue, well at least for a week!! In addition to the way we played in the first half I was equally impressed by the performance in the second half. As you know I changed the entire team at half time as we are so early into our preparations I couldn't carry on in the second half with the boys who had played so well. I have to say I was tempted but common sense did win in the end. The new look second half team contained some exciting young boys who will look to break into the squad this season. I'm not worried about score at this stage of the preparations and I was really impressed by the way a totally new group of players, most of them had never played together, performed. I know Aldershot

had the majority of the play and could have scored more but overall we defended well, created a little and looked near the end as though we were going to nick the win. A good workout that we will look to improve upon this afternoon against a decent Hanwell side. I want to see some more cohesion in our play and I want us to look after the ball better. In our league I know that if you can keep the ball and move it quickly we have pace everywhere to cause teams problems and that is what I am looking for in these games. Its all about collecting information, passing it on and watching the improvement as we near the start of the season. Keep up the support for the boys, encourage and enjoy.

## THE SECRETARY'S MUSINGS

This afternoon it is our pleasure to welcome to the CVS Van Hire Stadium the players, Officials and supporters of very familiar visitors HANWELL TOWN for what is their second visit of 2020 and our third pre season friendly; their earlier visit was way back in those carefree pre-Covid days of January for a London Senior Cup game and a real thriller it was finishing 4-3 in our favour.

Likewise a welcome to our Match officials who are Tommy Breen in the middle with Chris Henry and John Noblemunn with the flags.

Our second pre-season game last Tuesday was against National League opposition Aldershot Town and the 200 or so attendees at the first "some spectators permitted" game of the season were treated to a real cracker of a match. Borough changed the whole team at half time at which point they were one nil ahead thanks to a cool and precise finish from Jamie O'Donoghue. Borough rode their luck somewhat in the second half but only a comical defensive mix-up which gifted The Shots an equaliser denied Borough their first scalp of a National League top Division side. The performance bodes well for the coming season and on that form a challenge for a play-off place, or even the top spot, looks perfectly feasible.

The First Teams Isthmian League Fixtures have been announced and we start with an away trip to Corinthian Casuals on Saturday 19th September. The following Saturday will see Bognor Regis Town at Coles Park and in between we will have started our FA Cup campaign - the draw for our Round not yet made. The full list can be viewed via the Fixtures and Results tab on our [haringeyboroufgfc.com](http://haringeyboroufgfc.com) website and is also shown later in this programme.

The fixtures for two of our other teams have also been released and are shown on the aforementioned website. Only the Under 23s are still waiting for the information. The Women start with a long trip to St. Ives Town (the Cambridgeshire one, not Cornwall) on Sunday 13th September, Their first Home match will be a week later when they face a tough challenge in the 1st Qualifying Round of the WFA Cup as Fulham will be the visitors.
