## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. After a period of instability and a year in the wilderness away from senior football they were admitted to the Spartan League in 1989 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th. in the Premier Division South to secure membership of the new "combined" Premier Division in 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. The Women's Team, formed in 1999 were promoted to the top Division for 2002/03 of the Eastern Region Women's League where they have had notable success over the years. In 2005/06 they were losing League Cup finalists by the odd goal of seven in a thrilling contest with Norwich City Canaries.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat to Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute.

2018/19 was to be the Club's best ever season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat disappointing that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semifinal in which a 45 minute second half onslaught on the

Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards.

The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team was always near the top of the table.

In the 2017/18 season the Club also entered an Under 18's Youth side into the Southern Counties Floodlit Youth League which will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The team won its Divisional Championship in its debut season.

The Women over the years have steadily improved and were extremely fortunate to have been approached midway through the 2013/14 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. Last season, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double. The best ever season for the Women and a fitting lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which the ability to go one better and obtain promotion to the National League at the second attempt should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF ALDERSHOT TOWN FC

### Formation and the Isthmian League Years

On March 25th 1992, Aldershot FC became the first Football League team to fold during the season since Accrington Stanley in 1962.

From the ashes came phoenix club Aldershot Town, who were formed on April 22nd 1992 and managed by ex-Aldershot FC centre back Steve Wignall.

The "new" Shots began life in Isthmian League Division 3 and opened the 1992-93 season in a carnival atmosphere at the Recreation Ground against Clapton. Braces from Mark Butler and Steve Stairs secured a 4-2 win in front of 1493 fans, which was more than watched their predecessors' last home game at the same ground.

Aldershot Town won their first 10 games and didn't suffer their first (and only) defeat of the season until losing a league game at Clapton on January 2nd (at Clapton) in what was their 24th outing in all competitions. By then, they had broken attendance records at most grounds at which they had played, buoyed by a superb away following of around 1000. The campaign finished with the Shots as champions by a commanding 18-point margin, whilst strikers Mark Butler and Steve Stairs scored a combined total of 62 goals in all competitions.

A second successive promotion (via a third-place finish) followed in 1993-94 together with a run to the FA Vase quarter-finals.

From the start of their inaugural season, Aldershot Town went 20 months (35 games) before suffering their first-ever home league defeat – to Banstead Athletic in April 1994.

Steve Wignall departed in January 1994 to take charge of Division 3 side Colchester United and was replaced by ex-Nottingham Forest winger Steve Wigley. Despite a strong finish to the 1994-95 season, the Shots missed out on a third successive promotion on goal difference. Following fifth- and seventh-place finishes over the next two seasons, Wigley left to take up a post in (former club) Forest's youth set up in the summer of 1997.

Following a spell under the caretaker management trio of Andy Meyer, Mark Butler and Joe Roach, Enfield boss George Borg was appointed in September 1997 and his first season yielded increased crowds and the Isthmian League Division 1 title. In 1998-99, striker Gary Abbott scored 48 goals in all competitions as the Shots won both the Isthmian League Cup and the Hampshire Senior Cup. In 1999-2000, they retained the latter trophy, won the Isthmian League Charity Shield and ended the campaign as runners-up (to Dagenham and Redbridge) in the Isthmian League Premier Division.

A fourth-place finish was claimed in 2000-01, whilst November 2001 saw a club record crowd of 7500 fill the Rec for the 6-2 defeat by Brighton and Hove Albion in the FA Cup first round. Following a run of poor results and pressure from fans, Borg resigned in mid-January 2002.

Borg's assistant Stuart Cash took temporary charge before Terry Brown left his post at Hayes in late March to come to North East Hampshire, thus beginning a five-year love affair with the Shots fans. Following a third-place finish and a third Hampshire Senior Cup win in 2001-02, the squad was overhauled and, having attained top spot in mid-November 2002 (ironically by way of victory over Brown's former club Hayes), the Shots remained in top spot to claim the title and, with it, promotion to the Football Conference; they also retained the Hampshire Senior Cup with a victory over Bashley.

### The Conference Years

Following a home victory over Accrington Stanley, Aldershot Town remained in the play-off positions for the entire 2003-04 season as well as winning the Isthmian League Charity Shield (for a second time) and reaching the FA Trophy semi-finals, where they lost to eventual winners Hednesford Town. Further disappointment followed, when the Shots were beaten on penalties by Shrewsbury Town (after a 1-1 draw) in the play-off final at Stoke City's Britannia Stadium.

That summer, one era ended as another began: record appearance-maker Jason Chewins left the club having worn the red and blue of Aldershot on 489 occasions. Meanwhile, the club went full-time.

More play-off heartache was experienced in 2004-05, this time in the shape of a shoot-out defeat at Carlisle United in the semi-finals. The next two seasons were disappointing for the Shots (13th and ninth places respectively being secured), whilst the only silverware came by way of a fifth County Cup in 2006-07.

In March 2007, Terry Brown resigned to take care of his wife, who had been ill for some time. Assistant Manager Martin Kuhl took caretaker charge for the remainder of the season.

### **Promotion to the Football League**

Gary Waddock was appointed as Aldershot Town manager in May 2007, whilst Martin Kuhl stayed on as his assistant. The Shots played an attacking brand of football, especially at home, where they lost just three times and, having won the Conference Premier title by drawing 1-1 on an emotional night in Exeter, they finished the 2007-08 season with an 18-match unbeaten run and two divisional records: 31 wins and 101 points. A "double" was achieved as a 3-3 extra time draw against Rushden and Diamonds at the Recreation Ground was followed by a win in the shoot-out to claim the Setanta Shield.

Sixteen years after the quest had begun, the town of Aldershot had a Football League side to cheer again. A club record £130,000 was received from Crewe Alexandra for winger Joel Grant in the summer of 2008.

### **The Football League Years**

Scott Donnelly (the Shots' scorer "that night" at Exeter) scored the only goal of the club's first-ever Football League game, a 1-0 win at Accrington, and the club finished a respectable thirteenth in League 2 in 2008-09. In mid-October 2009, Waddock and Kuhl left the (now named) EBB Stadium to join Wycombe Wanderers. Jason Dodd and Paul Williams took caretaker charge before ex-Reading assistant manager Kevin Dillon was appointed as boss. An unexpected sixth-place finish was attained in 2009-10, but a 3-0 aggregate defeat to Rotherham United halted the Shots at the semi-final stage.

With the 2010-11 season having yielded several poor performances, including a toothless 2-0 loss at Conference South outfit Dover Athletic in the FA Cup second round, Kevin (and assistant Gary Owers) were dismissed in early January having attained just a dozen wins from 39 games in all competitions. When Kevin departed the EBB Stadium, Aldershot were in 20th place in League 2 and just six points above the drop zone. The next occupant of the Shots hot seat was Dean Holdsworth, who resigned from his post at Newport County to come to Aldershot, eventually guiding the club to a mid-table finish that season.

Aldershot Town gained nationwide attention in 2011-12, when FA Premier League giants Manchester United visited the EBB Stadium for a League Cup fourth round tie; 7044 fans saw the Red Devils win 3-0 in front of the Sky Sports cameras. The Shots had a good end-of-season run-in and eventually finished just six points outside the play-offs in 11th. Unfortunately, despite paying a club record fee to Stevenage for striker Craig Reid, neither the home form nor the style of play from the previous season was evident very much in 2012-13 and Holdsworth was sacked in mid-February with the team in 20th spot.

Former Rotherham United boss Andy Scott was brought in, but couldn't stem the tide and relegation back to the Conference Premier (the club's first such event) was confirmed at end of the season as the Shots eventually finished rock-bottom of the table.

### **Administration and Return to the Conference Premier**

On May 2nd 2013, just five days after their relegation from League 2, Aldershot Town officially entered administration with reported debts of £1.4 million.

Following a period of uncertainty over the club's survival, which led to the departure of the majority of the playing staff and numerous redundancies behind-the-scenes, the club exited administration under the auspices of a CVA on July 30th, with a consortium led by former chairman Shahid Azeem taking ownership of the club on August 1st.

The Shots began the 2013-14 season with a 10-point deduction as a punishment for the aforementioned entry into administration. With a hastily-assembled squad (some of whom were signed in the hotel the night before the season's opener at Grimsby Town) that hadn't trained together, even the most ardent Shots fan wasn't expecting the draw and three wins in the opening seven games that saw the deficit wiped out by the first week of September. However, within two months of that achievement, Andy Scott's men were knocked out the FA Cup by Gloucestershire side Shortwood United, who were three divisions and 65 places below them in the football pyramid; what made the 2-1 replay defeat (following a 1-1 draw) more embarrassing was that it occurred in North East Hampshire! An eight-game winless run across January, February and March saw the Shots eliminated at the quarter-finals stage of the FA Trophy (by Havant and Waterlooville) and plunged into a relegation fight. However, Brett Williams' 24 x league goals coupled with the return of Brentford loanee midfielder Manny Oyeleke and the arrival of centre half Mark Phillips (on loan from Southend United) resulted in the club's Conference Premier place being retained. The team attained four wins out of seven at the end of the season, with safety being assured by a 2-1 win on Easter Monday at local rivals Woking in the penultimate game – Mission Accomplished!

## **Exiting CVA and Starting From Zero in 2014-15**

On July 31st 2014, Aldershot Town announced that they had paid off all of their debts, which enables them to exit the auspices of the CVA after just 12 months – a massive two years ahead of the required date! The icing on the cake came with the additional news that the club had made “a modest profit” in the first year of trading under the new owners.

Even though the fans’ expectation levels were low, the 2014-15 campaign still yielded very little joy. The only real highlight was the 1-0 victory over League 2 side Portsmouth at home in an FA Cup first round replay following a well-deserved 2-2 draw at Fratton Park. Another strong home display saw a goalless draw claimed against League 1 Rochdale in round 2, although many criticised the fact that the Shots’ dominance didn’t materialise into a victory. A season-defining four days was endured in mid-December – they were surprisingly dumped out of the FA Trophy at home in a first round tie by Isthmian League Division 1 South side Burgess Hill Town (who were 55 places below the Shots in the football pyramid) before being brushed aside by Rochdale in their FA Cup second round replay (4-1). Following constant criticism of his playing style, a run of just one win in 12 games in all competitions (including five successive home league defeats and just two wins in 11 league games that had seen the Shots drop to 18th in the table) led to Andy Scott being sacked in mid-January 2015.

Defender Chris Barker took over the reins for the season’s remaining 15 games on a player-caretaker basis and led the Shots to Conference safety before stepping aside in the summer to become player-assistant to newly-appointed ex-Dundee boss Barry Smith.

## **2015-16 onwards**

The 2015-16 season was another one of disappointing performances, epitomised by a club record 8-2 defeat by Chester in early March. The Shots finished the campaign having scored just 23 home league goals, equalled the club record for fewest home league wins (7) and most home league losses (12) as well as setting new club records for most league losses in a season (22) and lowest average home league attendance (1607); the season was also the fourth in succession in which the aforementioned crowd figure had dropped. Conversely, the nine away league victories was the club’s best tally since they won the Conference Premier in 2007-08. Another lasting memory will be the dearth of attempts on goal that the Shots had over the course of the season.

With boss Barry Smith having decided to return to his native Scotland, May 2016 saw Gary Waddock become the first-ever Shots boss to return, which ultimately led to the Shots starting a campaign with a higher level of hope than had been seen for many a season.

That optimism proved well-founded, as Waddock’s new-look side lost just three of their first 16 National League games and, after a sticky period in October and November saw them win just twice in ten games, then embarked upon a superb run from the start of December. The Shots lost just two games in the second-half of the season to secure fifth place in the table and a Play-Off semi-final against Tranmere Rovers. Unfortunately, The Shots lost the home leg 3-0 but at least restored a great deal of pride with a battling 2-2 draw in the Prenton Park return.

Having retained the vast majority of his squad, Waddock entered 2017-18 with optimism. The squad picked up where they left off and spent the majority of the season challenging for the title. They lost 2-1 at home to eventual champions Macclesfield Town in February where a win would’ve put the Shots top of the league. Form dipped afterwards but the Shots still managed to finish 5th in the table and faced Ebbsfleet United in the new play-off eliminator format, with penalties and play-offs again proving to be the Shots’ ‘Achilles heel’, a fiercely contested 1-1 draw was played out at the EBB Stadium with former-Shots player Dave Winfield equalising in the final minute of extra time for Ebbsfleet, the Shots had two chances to win on penalties but failed to convert either and the Fleet progressed through.

With key players from the play-off squad departing in the summer and replaced with a young squad, the Shots struggled to reach the heights of the previous two seasons, that, coupled with an injury crisis mid-season that saw a youth team sent to an FA Trophy game against Bedford Town culminated in the Shots relegation from the National League and Gary Waddock departing the club by mutual consent once the season had finished. A reprieve from the National league allowed Aldershot Town to remain in Step 1 of the National League and a new chapter begins with Danny Searle at the helm as we hopefully get back to normality for the 2021/2022 season.

## Chairman - Haringey Borough FC

Once again we as a Club are so pleased to welcome everyone from Aldershot Town and again I thank them for their time and effort in travelling here to give us a game. I say it nearly every week but the quality of our opponents feels surreal to me. I am sure you as fans love to see such quality and although this season we haven't scored as many as we would have all liked against these teams we certainly have not disgraced ourselves. On Saturday against a very impressive Oxford City side we played well at the start but ultimately their quality shone through. It is what we expect when we play teams of this quality so I am certainly not downhearted. The very purpose of these pre season games is for the benefit of our players and fans and try in our own way to reward you all and to show we are prepared to put ourselves out there to welcome these quality sides. Then it is up to you and the players to support and perform and to ensure that the teams feel it is a worthwhile exercise. Certainly Aldershot do and this is now the third year running so again my gratitude to Danny Searle and Anwar Uddin for coming back again with a full strength side. Congratulations are in order for Anwar who's unwavering work in the field of inclusion and diversity has been recognised as his recent appointment to the FA Council as National Game and Communities Representative bears testament. I am sure we all wish him well and he will have a pivotal role to play towards change for the good at all levels of the game. As the new season comes upon us the eagerness and excitement is being ramped up and with just over a couple of weeks before we start I have to say I am really looking forward to it. The last couple of years have been awful for so many and if we can do our bit to bring a smile to people's faces then I will be more than content. It seems like the virus is going to be here to stay so caution must still be exercised and I do thank you for the way you are maintaining your distances and still complying with the requests made of you by the stewarding staff. It is important, the infection rate is still high as you all witness daily in the news and we really do need to comply with requests that ultimately are only required to secure, as best we can, the safety of all who attend our ground. I hope we will get a full season in and the FA are working with the Leagues to have a contingency plan so that there will be relegation and promotion whatever happens (assuming we get a fair proportion of games in). Nothing has yet been set in stone but as soon as there is an announcement I will keep you all informed, Enjoy the game, show your appreciation to Aldershot Town – Come on Boro!

Aki Achillea - Chairman Haringey Borough F.C.

## Manager - Haringey Borough FC

Regardless of recent results I have been looking more at the team's shape and performance and I have to say I am pleased with the way pre season is working out. I want this group who I have the utmost faith in to learn as a unit, to follow my direction and philosophy and engineer the performances required to win games at this level. We have had three very tough games recently but we showed in patches we can compete evenly and I hope against another strong side tonight we will be able to enforce our will upon Aldershot and see if we can break down what will be a very strong side. Playing any National league team is hard but we have seen at first sight that they are an excellent side, they had some very good wins in the last campaign and were never in any trouble in securing their future at such an elite level. Everyone has seen the money that other sides in the National League are throwing at a shot of league football. Aldershot have their own football league history but to get back is going to be exceptionally difficult for any team. Sutton United with our own Coby Rowe playing a part showed last season that it is not all about money. Aldershot had our very own Joel Nouble in their ranks last season but he has now moved onwards and upwards and Aldershot will I am sure have replaced him with someone of equal quality. Our boys did reasonably well last Saturday against Oxford City, we did not hold the ball up well enough in forward areas to give us a chance to stay in the game but we did well initially before once again sloppy defending cost us, I just hope our boys learn from their mistakes and if we use these games to learn then I am sure we will have a very good season ,enjoy the game as usual, cheer the boys on and see if we can manage to finally score a goal after 270 minutes of firing blanks!!!

Tom Loizou - Manager Haringey Borough F.C.

## THE SECRETARY'S MUSINGS

This evening it is our great pleasure to welcome the players, officials and supporters of ALDERSHOT TOWN FC to the CVS Van Hire Stadium for our 7th pre-season game of 2021/22. This is the third consecutive season in which they have visited us for a pre-season game. Last August we drew 1-1 but in the 2019/20 season they were convincing 4-0 winners. The Clubs have never met in any competitive fixture. Whatever the result we hope everyone will have a safe journey home after witnessing an entertaining evenings sport.

We extend a warm welcome too, of course to our Match officials who are Tom Bishop with the whistle, Michael Mackey and Neil Bailey on the lines.

Our pre-season schedule and results to date:-

Saturday 3 July	3pm	ROMFORD	Lost	1-2
Tuesday 6 July	7.45pm	ROYSTON TOWN		Won 4-1
Saturday 10 July	3pm	CHELMSFORD CITY		L 1-3
Saturday 17 July	3pm	BILLERICAY TOWN		Drew 0-0
Tuesday 20 July	7.45pm	SUTTON UNITED		Lost 0-4
Saturday 24 July	3pm	OXFORD CITY		Lost 0-4
Tuesday 27 July	7.45pm	ALDERSHOT TOWN		entry £10 adults £5 Concessions U16s free
Saturday 31 July	3pm	Opponents being sought		
Saturday 7 August	3pm	MARLOW		entry £5 adults Under 16s free

At the moment it looks as if there will be no game next Saturday but we are still hopeful that we may source opponents at the last minute – possibly a team left free because of their opponents Covid issues. If we do succeed it will be shown immediately on the [www.haringeyboroughfc.com](http://www.haringeyboroughfc.com) website.

Last Saturdays match against National League South Oxford City ended with us on the wrong end of a four nil scoreline for the second successive match. We do hope we will avoid making it a hat-trick of defeats by that score but if it did happen it would not be the first time Aldershot had inflicted such a defeat upon us as mentioned above. More pertinently, even if we lose or draw we do hope we will put an end to our goal drought which now extends to 270 minutes. The Oxford game followed the same pattern as the Sutton game as we conceded an early goal, another one by half time and two more in the second half. As before plenty of effort and promising approach work but no end product.

Borough's last season's results, up to the time of abandonment of the League Competition, are shown further on together with the League tables for both our Premier Division and the National League which was played to a conclusion. It appears that we were quite well placed to challenge for a play-off spot, as were many other Premier Division teams. Our highlight was obviously the Buildbase FA Trophy run which ended in the 4th Round Proper defeat at last Saturdays visitors

All League fixtures for all our teams are shown on our supporters website [www.haringeyboroughfc.com](http://www.haringeyboroughfc.com) with the actual dates for the First Team games and the Under 23 games now shown. The dates for our Under 18 and Womens teams games are expected very soon and will be shown on the same website immediately. Cups and the weather invariably enforce changes and these are always recorded promptly on the supporters aforementioned website.

This season, the First Team will be playing 42 League games against the same teams as were in the Premier Division last season, there having been no promotion, relegation or sideways movements.

The League highlight for all Clubs will probably be the two games against Hornchurch in the light of their fantastic achievement in winning the Buildbase FA Trophy and we congratulate them heartily. You can see our 21 League home games without admission charge as we are maintaining the Free Season Ticket offer for another season. To obtain one go to the Club's official website [www.haringeyboroughfc.net](http://www.haringeyboroughfc.net)

and use the "Ticket Store" option. It is also worth bearing in mind that by becoming a Club Member for the sum of £50 (again via the "Ticket Store" option) you would have been able to see all of our pre-season friendlies at no cost and the aggregate charge for all such matches will exceed the cost of Membership. Of course there are many other benefits which Membership will bestow. The draws have not yet been made but

the team will again be competing in the FA Cup (exempt until the 1st Qualifying Round on 4th September and FA Trophy (exempt until the 3rd Qualifying Round on 30th October) in which we hope for our now customary extended run in one or both, as well as the London Senior Cup and the Isthmian League Cup (all these being Competitions where we are obliged to charge for entry and share the proceeds 50/50 with the opposing Club so the Free Season Ticket will not be valid). No charge is made for the Under 23, Under 18 and Women's team home matches.

Rather disappointingly, the Under 23s League contains only 7 Clubs which will provide them with 18 games as they will play each other three times; if the weather is kind and the League season is completed reasonably early it is likely that the League will introduce some kind of supplementary competition

The number of teams in the Southern Counties Floodlight Youth League Nemean Division has increased to 10 which will also provide the Under 18s with 18 matches. The possibility of a supplementary competition may also arise in the event of early League match completion. They will also be competing in the FA Youth Cup their first game in which will be at Home to Southend Manor in the week commencing 30th August, on a day yet to be agreed, as well as their League Cup

The Women will play 22 League games as they remain in the 12 team Eastern Region Women's League Premier Division with one change from last years list as Harlow Town have been promoted to the Womens Premier League and Kings Lynn Town promoted from the League's First Division to replace them. Harlow Town will actually be visiting Coles Park next Sunday for a friendly. Our Women will also be playing in the Womens FA Cup, their League Cup and the Capital Womens Cup. Their first friendly on Sunday 10th July produced a fine all round performance against visitors Billericay Town Reserves who returned home 9-1 losers although the game was by no means as one sided as the score suggests and our opponents would certainly have been dangerous up front had our defence not shown them full respect throughout. On the following Sunday Hutton FC were our visitors and anyone frustrated by the lack of goals in the previous Saturdays First Team game would have been well pleased had they attended the match which produced no less than 19 goals. 15 - 4 is not a common score but that's how it finished and Hutton actually scored first but their lead was very short lived and by half time Borough were 7-3 up. It is a measure of just how much we have improved over the last year under the stewardship of Bobby Cato, for we played Hutton in our first pre-season friendly of 2020/21 and lost 3-6.

The Womens team undertook a brief East Midlands tour last weekend and won 4-2 against Derby County Academy on Friday but on Sunday lost by the same score against Long Eaton United who are a step above us in the Womens Pyramid being members of the National League Division 1 Midlands. Only our wasteful squandering of a host of good chances brought about the defeat. Next Sunday, 1st August, a National League Division 1 side – Harlow Town - will be the visitors to Coles Park.

The normal midweek home match day will be Tuesday for all our teams except the Under 23s who will usually play on Mondays but keep an eye on the .com website which is updated daily as cancellations and re-arrangements are inevitable, especially in the early weeks of the season, due to the unpredictable insertion of Cup Competitions and the weather, and maybe even Covid this season.

Finally, we can confirm that our Groundshare with New Salamis FC, now promoted to the Premier Division of the Spartan South Midlands League, has been renewed for another season and Potters Bar Town Under 23s will also be ground sharing at Coles Park and will play their games on Monday evenings.
