HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF WALTHAMSTOW FC

The history of our great club is not what you'd call straightforward. Having reformed on at least three occasions, we've played under seven different names, but can lay claim to being the second-oldest club in London, and one of the oldest in the country.

The initial Leyton FC was formed in 1868 when The Reverent Morgan Lloyd obtained a pitch behind The Lion & Key public house. The first Leyton played mainly friendlies, but did take part in the FA Cup, before folding in 1880 when they lost their ground.

Seven years later, the members of Matlock Cricket Club, based on Hoe Street established a football club named after the Matlock Villas, which overlooked the club's pitch. In 1894, Swifts moved out of Leyton, to a new ground in Blackhorse Road, Walthamstow. This lasted just a season though, as the club moved back to Leyton and changed their name to Leyton FC in the process.

The club won the Essex Senior Cup on no fewer than five occasions, and the London Senior Cup, as well as the South Essex League four times.

Leyton turned professional in 1904, joining the London League. The following year, Leyton moved to Osborne Road, which would later become Leyton Orient's Brisbane Road.

In April 1912 a loan by a donor was called-in, and without any hope of paying it, the club disbanded for a second time.

Only a year later a third Leyton was formed, but this incarnation was extremely short-lived. The outbreak of war meant there was essentially no one to watch or play for the club, and it was suspended.

The fourth Leyton was established in 1919, and it would be arguably the most successful period for the club, now back at the Hare and Hounds. Leyton won the FA Amateur Cup (now FA Trophy) twice, and were runners-up on four more occasions. They also reached the first round of the FA Cup four times and the second round three times.

After a successful 1950s and 60s, things dried up for Leyton, and by the 1970s they could not carry on, so a merger was completed with Wingate from north London.

The pinnacle of this club was winning the Athenian League in 1982, but by the early 90s with most of the former 'Wingate' committee now either deceased or having had left, the newly-merged Wingate & Finchley requested Leyton drop the 'Wingate' title from their name.

By 1995, the Hare & Hounds was really beginning to show its age, and with Leyton not having the funds to bring it up to standard, a merger was completed with Walthamstow Pennant, with the new club being Leyton Pennant and playing at Wadham Lodge.

This club spent most of its life in Divisions One and Two of the Isthmian League, with no notable success, save for two London Challenge Cup final appearances. Its first season in 1995 saw the club finish 4th in Division One, but it was mostly mid-table obscurity after that.

In 2003 the club changed names to Waltham Forest and were bankrolled heavily with aspirations of playing in the Football League. Sadly, these never came to fruition and an Essex Senior Cup was the only thing to show for it.

Disputes with the then-management at Wadham Lodge in 2008 saw the club exiled for five seasons, playing in Ilford. The first season back at Wadham Lodge, in 2013 ended in relegation to the Essex Senior League for the first time in the club's history.

In 2018, the club changed names once more to Walthamstow FC. This kick-started the club and saw the highest attendances in many years, and a third-placed finish in the Essex Senior League, the club's highest finish since the 1980s.

The two most recent seasons have seen Walthamstow again challenging for promotion, at the time when they were cut short by the Covid-19 pandemic. Stow have also enjoyed excellent FA Cup runs both times, reaching the second qualifying round and being one of the standout Essex Senior League performers.

Season 2021/22 saw Walthamstow, under the stewardship of joint-managers Terry Spillane and John Mackie, secure their first league title for 37 years by winning the Essex Senior League title with a total of 92 points, 28 wins and equal the best defence in the 156 year history of the club with 20 clean sheets. This saw Stow

return to Step 4 after eight years in the ESL. June 2022 saw the news that Stow will return to the Southern League after a sixteen-year absence and look forward to meeting old friends whilst visiting new places too.

THE SECRETARY'S MUSINGS

This evening we take pleasure in welcoming Walthamstow FC to the CVS Van Hire Stadium. Our visitors are newly promoted to Step 4 and allocated to the Southern League by the FA having been Champions of the Essex Senior League last season. Like us they are no strangers to name changes and amalgamations and although the Clubs have never met in a "Haringey Borough v Walthamstow" fixture there have been plenty of earlier meetings under previous names. Despite their name Walthamstow have never had any connection with the famous Walthamstow Avenue but are really the successors to Leyton FC who in earlier times were giants of the Amateur and Semi-Professional game. And Tom, our Manager spent considerable time at Leyton before subsequently joining us. It was sad to see the old Leyton ground at the Hare and Hounds in Lea Bridge Road in such a state of disrepair. Walthamstow now operate out of Wadham Lodge.

We welcome too, of course, our March Officials who are Jimmy Keane with the whistle, Peter Panayiotou and Steve Bodell with the flags

Our first game of the season attracted a sizeable crowd last Friday for the visit of Leyton Orient's First Team and while our supporters were not treated to a giant killing neither did they have to witness a humiliation which could have been on the cards. In truth we had ridden our luck somewhat in the first half and could have been behind by more than one goal at the interval. As it was we trailed only to an early goal scored by Anthony Georgiou thanks being due to a fantastic save by our debut making goalkeeper Luke Mewitt, a sequence of desperate but successful blocks by our defenders and on one occasion an obliging crossbar. Both Clubs made multiple changes at half time but there were to be no further open play goals, just two rather unnecessary penalties clumsily conceded when no real danger threatened. "The O's" used theirs to double their lead after some ten minutes play and, rather against the run of the proceedings, Anthony Mendy took the opportunity to open his scoring account for his new Club about ten minutes from time. As was to be expected Leyton largely dictated the proceedings and although there was no lack of effort on our part we really gave the visiting 'keepers little to worry about apart from the penalty. Our squad was effectively a 50/50 mix of last seasons established players and new faces.

HARINGEY PLAYER PROFILES 2021-22

EMMANUEL AGBOOLA – much travelled goalkeeper signed in the close season whose previous berths include Corinthian Casuals, Letherhead, Chesham United, Barking, Billericay Town, Romford, Solihull Moors, Banbury United, Staines Town, North Leigh, Hampton & Richmond Borough and Oxford United Under 23s.

GEORGIOS ARESTI – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and near automatic selection last season.

JOHNNY ASHMAN – close season signing from East Thurrock United. A wide midfielder who scored ten goals in 46 appearances for “the Rocks” last season (including one against us). Has also appeared for Aveley, Barking, Witham Town, Clapton and Cheshunt.

SAMUEL COOK – tall strong central defender making a challenge for a first team starting berth having just returned from a spell with German Clubs. Has made several starts after a number of substitute appearances.

CHRISTOS DJAMAS – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

JORGE DJASSI-SAMBU – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

ANDRONICOS GEORGIU – mid season signing; a forward who graduated from Stevenage Academy and played in their EFL team. Last season was with Wycombe Wanderers. Has also been loaned to Kings Langley, St. Albans City and Middlesbrough Under 23s.

STEFANOS GEORGIU – younger brother of Andronicos signed from St. Margaretsbury a few days before the Registration deadline; a right sided midfielder who immediately looked at home at this higher level of the game.

CALLUM ISMAIL – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

NATHAN KPEMOU – tall powerful central defender or wide midfielder who has come through our Under 18 and 23 ranks and patiently awaited his opportunity; when injuries gave him his chance he seized it and he will not easily relinquish his starting place status.

CHARNE LEMBA – tall powerful defender who has made steady progress through our Under 18 & 23 teams and has seized the chance to step up which absences and injuries presented. Already looks at home at Senior level and will certainly challenge to keep his place.

MEKHI LEACOCK-McLEOD – Recent signing lastly with Romford. Wide attacker who numbers Halifax Town, Accrington Stanley and Eastleigh among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

ALFIE MARIGLIANI – recently signed young goalkeeper currently with Wealdstone and dual registered with them. Made promising debut in hard fought draw with Hornchurch and now a regular in every squad, often as starter.

LUKE HEWITT – a young goalkeeper recruited in the close season with several years experience at Huddersfield Town and a season on loan at Hyde United of the Northern Premier League. Has also appeared for Hertford Town.

ANTHONY McDONALD – fast tricky wide player entering his 9th season with us; excellent finisher with 13 League goals in an injury hit 2016/17; for a long while a first team regular but appearances have been interrupted by injuries.

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

HASSAN NALBANT – a striker signed from Basildon United just before this seasons Registration deadline who has previously plied his trade in Turkey, Sweden and Gibraltar; a constant thorn in the side of opposing defenders.

ANDRE ODEKU – speedy striker who has stepped up from our Under 23s and after several appearances from the bench is now a serious contender for a starting place and will doubtless continue his free-scoring habit when he gains more Senior level experience.

MICHAEL O'DONOGHUE – powerful full back rejoining us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United.

MAX OVENDEN – a goalkeeper signed in the close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has started in most games thereafter.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive

SAMIR SEDAUI – Under 23 player whose introduction has strengthened our injury hit squad late season who has already made a starting line up after several substitute appearances; an all action central midfielder.

ALEXANDER ZAMANI – a goalkeeper signed on Christmas Eve 2021 having played in Poland and after returning to England for Tonbridge Angels and Bexhill United. Made the bench on Boxing Day and now a regular in every squad often as starter.

MANAGEMENT

TOM LOIZOU (MANAGER) – a man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club their toes - not just the players!

DAVID CUMBERBATCH (ASSISTANT MANAGER) Often sits in the main stand watching the game and recording bits for time to time known sometimes as 'Terry Connor or Howard the Halifax man' who gives you extra..."

JOHNNY FITSIOU (COACH) Has a wealth of experience in professional and non-league football. He supports Tom and the Chairman, Aki, in everything football related.

THOMAS O'DONOGHUE (COACH) known as 'Tucker' is an experienced coach who joined the coaching staff at the Borough in 2016. Having started with the first team. Father of players Michael and Jamie. Tucker is also managing the Under 18s.

JUSTIN MOSELEY (COACH & KIT MANAGER) has worked with Tom previously and joins the Haringey Borough staff as first team goal keeping coach and kit manager.

MUSTAFA BASHKAL (COACH) "Bash" has joined the first team coaching staff, having previously managed Leatherhead football club 1st team.

MONTANA CAMERON (PHYSIO) is a newly qualified sports therapist. A former Charlton Athletic academy therapist now looking after the players physical health on and off the pitch.
