HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football .Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF BILLERICAY TOWN FC

Billericay Town Football Club was formed in 1880 making it the 11th oldest club in Essex. It moved into the Romford & District League in 1890 competing in this league until 1914.

After the 1st World War, BTFC entered the Mid-Essex League where they remained until 1947. Between 1947 and 1966 they played in the Southern Essex Combination League. In 1966 they became founder-members of the Essex Olympian League.

Five years later, in 1971, Billericay Town Football Club became founder-members of the Essex Senior League and the club's six-year stay in that competition saw them win the Championship three times and be Runners-Up twice (and third the other season). The League Cup was won four times and they were Finalists once. In addition they won the League Challenge Cup the only time that it was competed for.

Whilst members of the Essex Senior League, the club won the FA Vase in 1976 beating Stamford 1-0 after extra-time at Wembley Stadium. The following season, 1976/1977, the club again reached the FA Vase Final. After a 1-1 draw at Wembley, the replay was played at Nottingham Forest F.C. Billericay Town emerged victorious with a 2-1 victory over Sheffield.

Billericay Town also became the first Non-League club to win the Rothmans Merit Award in 1978 for "having made a worth-while contribution to the wide spectrum of the game in 1977/78" - the only club previously to have won this Award was Liverpool, the previous season, when they were the European champions. Progressing to the Athenian League in 1977, Billericay won the Championship and the League Cup in their first season. They became Champions again in 1978/1979 and were promoted into the Isthmian League.

Billericay Town became the first club to win the F.A.Vase for a third time in 1979 when they defeated Almondsbury Greenway 4-1. This match was notable for a hat-trick by Doug Young - the first hat-trick in a Cup Final at Wembley Stadium since Geoff Hurst's in the 1966 World Cup Final.

After their success in the Athenian League, Billericay's league successes continued in the Isthmian League when in their first season they won the Division 2 title with a winning margin of 17 points, scoring 100 goals in their 36 league matches. The following season, in Division 1, they finished as runners-up to Bishops Stortford - the first time in the history of the Isthmian League that a club had won promotion in two successive seasons on entry into the League.

Billericay then had five seasons in the Premier Division before being relegated in 1986. They then spent two years in Division One before again being relegated - this time into Division Two North.

Following re-organisation of the League, Billericay finished in third place in the newly formed Division Two and so gained promotion to Division One. That season, 1991/1992, they finished the season winning the Essex Thames-Side Trophy.

Promotion back to the Premier Division was obtained in 1998. The club finished runner-up in 2004/2005 before losing in the playoffs, they again reached the play-offs in 2006/2007. In what probably ranks as the most remembered game in recent years, Billericay beat local rivals Chelmsford in the semi-finals on penalties in front of a crowd of over 2,000. The final however ended with a less successful penalty shoot out and defeat to Bromley.

In November 2007, the club staged its biggest ever competitive game at New Lodge - reaching the First Round Proper of the FA Cup for the third time, Billericay finally drew league opposition for the first time in the form of Swansea City. The Blues took a first half lead before going down to two late goals.

The 2010/11 season saw much local success. The first team lifted the Essex Senior Cup for the first time in 35 years and the club were in fact triple County winners as the youth development programme was rewarded with the Under 18 and Under 16 sides also winning their respective County Cup competitions. This success was built on in 2011/12 as the club finally secured promotion to the Blue Square Bet South as Ryman League Champions.

However, it proved to be a one season stay, despite a good start, the second half of the season was blighted by poor weather and despite hanging on until the penultimate game, a return to the Ryman league beckoned. Subsequent seasons have seen the club steadily rebuild itself. A mid-table finish in 2013/14 was followed in 2014/15 by a respectable 8th place finish in the league and appearances in the final of the Essex Senior Cup and the semi final of the League Cup. The 2015/16 campaign saw the club enter April in the play-off places, eventually finishing 9th.

The club's profile changed in 2016 with new owners leading a push for the play-offs that just fell just short but Town lifted the League Cup with a record 8-3 victory in the Final. This however provided a springboard to the clubs most successful season ever – runs to the first round proper of the FA Cup and to the last 8 of the FA Trophy were followed by a treble – retaining the Isthmian League, Essex Senior Cup, and finally in the 74th of 75 competitive game, the Isthmian league title to secure promotion.

2018/19 saw the club lead the National League South Division early on in the season and remain in the play-off places all season until the final day where they eventually finished 8th. The club also reached the 1st Round of the F.A.Cup earning a 1-1 draw at Chesterfield before losing the replay 3-1 at New Lodge.

2019/20 saw the club taken over by a consortium of local businessmen. Once again the club reached the first round of the F.A.Cup where they were beaten by League Two side Forest Green at The New Lawn Stadium. Last season saw the club win the Essex Senior Cup for a fourth time when they beat Bowers & Pitsea 1-0 in the final at Colchester United. However the clubs five year spell in the Vanarama National League South came to an end as they finished bottom of the table and were relegated back into the Isthmian League.

THE SECRETARY'S MUSINGS

This evening we welcome the players, officials and supporters of BILLERICAY TOWN FC to the CVS Van Hire Stadium and likewise, of course our Match Officials who are Stuart Kyle with the whistle, Josh Burns and Neo Neophytou with the flags

Our visitors are making a return to the Isthmian League this season after four seasons in the National League South and like us will be disappointed with their start to the season having secured only 4 points from their first 6 games which leaves them currently propping up the table.

Competitive First Team matches with our visitors have been few but 4 did take place in the late 1970s when for seasons 1977/78 and 1978/79 both Clubs were members of the Athenian League. Billericay were Champions in both years and following their second success were admitted to the Isthmian League. In season 1977/78 they also visited us in the 2nd Qualifying Round of the FA Cup and were 3-1 winners. and there have been pre-season friendlies the most recent being in July 2021 which ended 0-0. The Clubs Women's teams have met on many occasions

ADMISSION COSTS

For Cup matches we are unable to offer free entry and the charge will also normally be as for League games. No charge is made for entry to our Under 18, Under 23 and Womens Team Home game

Full League fixtures for all of our 4 teams have been announced and are shown below in this programme.

Saturday 17th September HARINGEY BOROUGH v HORSHAM (Pitching In Isthmian League Premier Division)

Our high flying visitors arrived in 2nd place with 13 points from 6 games and left with 13 from 7 thereby missing the chance to go top of the League on a day when there were no other Premier Division matches because of FA Cup commitments. So on the face of it not the match which was the obvious candidate for our first home win after 3 disappointing failures to put what might be thought of as lesser lights to the sword and who now occupy the three spots immediately above Billericay. And until the last 10 minutes it looked as if they too would make us wait for that elusive first home victory but in the end it all came good. At the end of it we now have a 50/50 record of 2 wins, 2 losses and 3 draws with a goal difference of 0 having scored and conceded 9. At this stage of the season it is too early to be calculating what we need to do to reach the play-offs but if we continue to show such sparkling form then it is realistic to think that we must have a very good chance of being in them – or might even dare to dream of something better for there seems to be no team looking likely to emulate Worthing's success of last season which had looked odds on from quite early in the proceedings. Chances came and went at both end in the first half probably shaded by the visitors who had the best chance midway through when a prolonged goalmouth scramble as we could not get it clear seemed sure to give Horsham the lead when it fell conveniently to an opponent with the goal at his mercy just a few yards out but to great relief he drove it just wide. The second half belonged to us without doubt and even after Andronicos had his penalty saved in the 50th minute we continued to look the more likely winners. But it was not until the 82nd minute that a forceful attack by Sam Owusu who had battled his way to the goal-line got its reward as Chaynie Bergin was on hand to divert his low cross into the net from almost point blank range. And at the start of stoppage time Georgios Aresti – never one to give up the chase on what looks like a lost cause - got his reward on this occasion as hesitancy in the visitors defence enabled him to double our lead and great were the celebrations including the obligatory removal and waving of the shirt; but it was good to see the passion that was displayed - worth a yellow card, although it wasn't his first of the season and he will need to be careful to avoid picking up 5 too soon and with them a ban. An interesting "first" for us was the appointment of a referee from Ukraine and despite language limitations he was fine.

IMPORTANT NOTICE - a fault with our PA system prevented us from announcing the winner of last Saturdays 50/50 draw and other efforts to find the ticket holder were unsuccessful. If you have kept your ticket and it is Number 59 then do bring it up to the Press Desk to claim your £60 winnings.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from the FA Cup leaves us depending upon the FA Trophy for some real knock out Competition excitement. It also means that we will be without a fixture on Saturday 1st. October when we should have visited Hornchurch who eliminated our FA Cup conquerors Maldon & Tiptree by 3-0 last Saturday. The trip to Hornchurch has been re-scheduled for Tuesday 1st November. But it is not until 26th September that we will know our first Trophy opponents on 8th October for Step 3 Clubs are exempted until the 3rd Qualifying Round.

The Velocity (ie League) Cup draw has not yet been made but in the London Senior Cup we have a bye in the First Round and will play the winner of the First Round tie between Glebe FC and Fisher FC, both those Clubs being members of the South East Counties League Premier Division.

NEWS OF OUR OTHER TEAMS

The Under 23s kicked off their League campaign in defence of their Northern Division Championship at Coles Park on Monday 5th September against Brentwood Town and turned a 0-1 half time deficit into a 3-2 win thanks to last years Development Division Golden Boot winner, Andre Odeku, netting a second half hat-trick. Because of the withdrawal from the Development Division of Potters Bar Town and Bowers & Pitsea they will not be in action again until Monday 3rd. October when make the long trek to Felixstowe & Walton United Now only 6 teams in the Development North Division, which we won last season so the teams will meet each other 3 times.

The Under 18s started with a visit to Heybridge Swifts in the Preliminary Round of the FA Youth Cup on Friday 2nd September and also exited at the first hurdle by 3-2. They opened their League campaign on Wednesday 7th at Langley with a 2-2 draw and last Tuesday entertained Enfield Borough but went down 3-4 so are still searching for their first win .They will not be in action again until Wednesday 28th September when they will visit Harrow Borough

Our WOMENS TEAM's flying start hit the buffers at the third attempt as they were unlucky 3-2 losers at Luton Town three Sundays ago and were without a game on Sunday 11th but they did have a friendly game with Camden Town at Coles Park last Sunday. And what an extraordinary game that was. We camped in their half for the first 45 minutes but were a goal down at the interval as they had scored from one of their only two chances. We could have been in double figures by then but had given a masterclass - even by Haringey Borough standards – in making and wasting chances. The visitors defence tightened up considerably in the second half in which we were not quite so dominant, but poor finishing seemed sure to have cemented our defeat until at the start of stoppage time a harmless looking long shot of which we had fired in a considerable number without troubling her somehow slipped through their 'keepers' grasp. And there was still time for us to net a winner which on the overall balance of play we deserved but it would be hard hearted not to feel a twinge of sympathy for their 'keeper and her defenders. The men left it late yesterday but the Women easily surpassed their timings. On 25th they have a Home League game with Kings Lynn Town before the long trek to the seaside to face Hastings United to start their Women's FA Cup campaign.

HELP!!

AN AMBITIOUS, RAPIDLY GROWING CLUB SUCH AS OURS CAN NEVER HAVE TOO MANY HELPERS. IF YOU WOULD LIKE TO JOIN OUR "VOLUNTEER ARMY" WE WOULD BE DELIGHTED TO WELCOME YOU INTO THE FOLD. TO SET THE WHEELS IN MOTION THE FIRST STEP IS TO E-MAIL OR PHONE Dave BELL at cfcdavebell@aol.com or on **07976 606643**

Following on from the above, for example – you will see there are brief reports on the Corinthian Casuals and Carshalton Athletic games in these notes; a much longer and more detailed match report would be preferable so there is an opportunity for someone of a literary bent; and it doesn't have to be just for First Team games. Reports on matches for all our 4 teams would be welcome.

Many Clubs include in their programmes an article reporting on issues of general interest concerning other Clubs in the League - which can be compiled by trawling through the Isthmian League and other Clubs websites.

No need to contact Dave re the above suggestions – liaise with me.

Most Clubs run some sort of raffle or lottery at home games – eg time of first goal, 50/50 draw, scratch cards etc. Tickets do not sell themselves

Some teams have posters advertising the details of forthcoming home matches displayed locally in the windows of Newsagents and other small local stores. A distributor to liaise with the shopkeepers would be needed. And a supply of free Season Ticket Application Forms could be located in such stores - and as a "thankyou" the shops might get a free ad in the programme.

These are just a few ideas which randomly come to mind during a sleepless night and there must be many other ways in which the Club could be helped so its not meant to be an exhaustive list.

NEXT HOME FIRST TEAM MATCH

Will be on October 8th if we are drawn at home in the FA Trophy (draw to be made on 26th September)

On the day in question there will likely be no Greater Anglia trains out of Liverpool Street running beyond Ingatestone with rail replacement buses from there to Colchester. Stopping bus services from Colchester Station leave for Brightlingsea - either number 87 (Heddinghams Bus) or 62/62A (First Bus). every 30 minutes. PLAYER FOCUS

The games are coming thick and fast as we head into the autumn and winter, and we're doing our best to keep up with the pace.

This time around, we hear from Boro's captain marvel, the finest footballer we've seen. After our midweek draw on Canvey Island, RAKIM RICHARDS took us through his vital statistics, and spoke about Boro's start to the new season.

WHAT'S YOUR VIEW ON BORO'S START TO THE LEAGUE SEASON?

Unfortunately, it hasn't started how we planned having lost our first two. However, it is still early in the season and things can change. We are trying to make changes that will put us back on the path we want to be on and creep up the table.

IN SATURDAY'S PROGRAMME, SCOTT MITCHELL MENTIONED WHAT AN IMPORTANT RESULT THE WIN AT CARSHALTON WAS - HOW WAS IT FROM THE OTHER SIDE OF CENTRAL DEFENCE?

It was a massive victory for us. Off the back of our two defeats, we needed a victory and it was a well earned and grafted W. All players pulled their weight. That is the foundation level of work rate that is expected from everyone. To also go to a place where, correct me if I am wrong, we have never won at [Ed: Correct, Raks! John told me...], play with 10 men and win has an even better feeling.

WHAT DOES IT MEANTO LEAD ATEAM OUT AS CAPTAIN?

It's a great feeling doing so. Having been here for such a long period of time and watching several captains lead us out to now it being me is somewhat empowering. I have pretty much grown up at this club. I most definitely define myself as an individual that leads by example on the pitch.

YOU'RE AN EXPERIENCED HEAD IN A FAIRLY YOUNG TEAM - DOES THAT CHANGE YOUR APPROACH?

I think if the team had more experienced players my approach along with the conversations had with players would be different. With such a young team things become more repetitive, I suppose. We have good young players who will only become better.
