HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table and continued to do well in the following seasons

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect.

The foundations are in place for an eventual assault on the title to secure a National League place for the

men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF MARGATE FC

The club was founded in 1896 and joined the Southern Football League in 1933. After a spell in the Kent League after World War II the team returned to the Southern League in 1959 and remained there until 2001 when they gained promotion to the Football Conference, the highest level of English non-league football. Their stay at this level saw the team forced to ground share with other clubs due to drawn-out and problematic redevelopment work at their Hartsdown Park stadium, and during the three years spent away from their own ground they were expelled from the Conference National and subsequently relegated to the Isthmian League.

After the Second World War the Gate continued to play in the Kent League under new manager Charlie Walker, who led the team to two Kent League championships but was then controversially sacked. The team slumped during a succession of rapid managerial changes which only ended in 1950 when Almer Hall was appointed manager, a post he was to hold for the next twenty years. Under Hall the team won a host of local cup honours and reached the rounds proper of the FA Cup on several occasions, but never managed to match this success in league competition.

In 1959–60 Margate returned to the Southern League after the Kent League folded, and in 1962–63 won the Division One championship and with it promotion to the Premier Division. Two years later the club turned full-time professional but this policy proved financially untenable when the team were relegated back to Division One in 1965–66. Nonetheless, they won promotion at the first attempt and returned to the Premier Division in 1967.

During the 1970s Margate endured severe financial problems and a series of mediocre league seasons but took part in two famous FA Cup ties. In 1971 the Gate lost 11–0 to Bournemouth, with Ted MacDougall scoring a cup record nine goals. Then, a year later, Margate beat Swansea City and Walton & Hersham to set up a third round tie against First Division Tottenham Hotspur, then UEFA Cup holders. A record crowd of over 14,000 packed into Hartsdown Park for a match which Margate lost 6–0.

In 1996, the club's centenary year, the club appointed Chris Kinnear as manager. In 1997–98 he took the team to the first round proper of the FA Cup where they played Fulham in a home tie that drew a crowd of 5,100. Although the Gate took the lead, the Cottagers eventually won 2–1. The following season saw the club finally win promotion to the Southern League Premier Division, albeit only after an appeal was lodged against the league's initial refusal to allow the team promotion due to the club failing to carry out necessary ground improvements in time. The Premier Division championship followed in the 2000–01 season, and with it promotion to the Football Conference.

The 2001–02 season was Gate's first ever season of Conference football and they finished the season in eighth place. In the 2002–03 season the team began ground sharing at Dover Athletics' Crabble while redevelopment work took place at Hartsdown Park, but various problems stalled the planned redevelopment. On the pitch, Margate enjoyed more success in the FA Cup when, after defeating Leyton Orient in the first round, they were drawn at home to Cardiff City in the second round, but lost 3–0 at Crabble. The following season, despite finishing sixteenth, the Gate were forcibly relegated one division due to the ongoing delays and problems with the redevelopment plans for Hartsdown Park.

Margate spent the 2004–05 season in the Conference South, now ground sharing at Ashford Town. Amidst ongoing issues with the redevelopment work, which at one point made it seem very likely that the club would fold completely, Margate were again relegated to the Isthmian League Premier Division.

After 10 years in the Ryman Premier Division Margate won promotion back to the Vanarama National League South after beating Hendon in the play-off final at the Earlsmead Stadium. Ryan Moss scored the winning goal as Terry Brown's side celebrated promotion back to second tier of Non-league Football.

Margate's first season back in the National League South was a rollercoaster ride with survival secured on the final day of the season despite a 2-0 defeat to Bath City. A run of 11 defeats from their final 12 games left

Margate needing results elsewhere to keep them in the division and Weston Super-Mare's 1-1 draw away at Havant & Waterlooville meant Havant were relegated.

Since the 2017-2018 season Margate have been in the Isthmian Premier League, where under new ownership the Club have installed a state of the art 3G Pitch, plans are in place to develop the stadium further and build a hotel on site. The Club narrowly missed out on the play offs in the 2017-18 season and after the departure of manager Steve Watt the Club went through a period of transition and were able to avoid relegation in the 2018-2019 season thanks largely to the presence of Jay Saunders as temporary manager. At the start of the 2019-2020 campaign fan favourite Jay became our permanent manager and is still at the helm for season 2021/22, after season 2020/21 was made null and void.

**Proud Sponsors of
Haringey Borough F.C**

Manager - Haringey Borough FC

This evening we have a real chance to avenge our defeat of only 3 days ago when we lost 3-1 away to the same opponents. That being our 4th game in 8 days and now we face our 5th in 11 days. I have never experienced so many injuries and unavailable players. On Saturday we were forced to introduce 2 players, Hassan and Ferdinand who we had never seen play along with my son Andy who last played over 2 years ago!! Along with them we played Charne and Nathan from the under 23's along with debutant Samir who came on in the second half. I told the players afterwards how proud I was of all of them, the astonishing efforts in such a short space of time during which we drew one, won one and lost 2. I thought we did well early on Saturday and should have done better when we were on top, we let them get back into the game midway through the first half and in truth they dominated possession after that and we created little. All 3 centre halves were new and hadn't played together, our entire midfield is out apart from Sambu and all our strikers are injured!! Some like Tosin, Mikey, Adam and Rakim have played in all of the games which is a great credit to them. I hope we can perform better tonight and get to the final which these boys deserve. The narrow semi final defeat to Hendon last week was a bitter pill to swallow and we have another chance tonight to make something of the season. In truth we haven't achieved that which I had hoped for at the start of the season and I am keen to try and win a trophy for you the fans for your incredible support. Last Saturday at Margate was amazing, so many of you and youngsters as well shows how far this Club has come. I've seen the videos of your return on the train and the songs you sang all the way back, what a credit you are and we all recognise and thank you for being the way you all are. Get behind the boys tonight and sing your way to Aveley for the final – Come on Boro

Tom Loizou - Manager Haringey Borough F.C.

THE SECRETARY'S MUSINGS

This evening it is our pleasure to welcome the players, Officials and supporters of MARGATE FC for this semi-final tie of the Velocity Cup, which is the Isthmian League Cup, and the reward for the winners is the Final tie in Aveley's Stadium on Wednesday 13th April against the winner of the other semi-final tie between Horsham and Folkestone Invicta. We have played only two matches to reach this stage as pitch problems caused the withdrawal of our 3rd Round opponents; in the 4th Round we went to Brightlingsea Regent and edged through by the game's only goal, a Tosin penalty. Last Thursday Cheshunt visited Coles Park and left 2-1 losers. Margate's third, fourth and quarter final wins have been at home to Herne Bay (2-1), Tooting & Mitcham United (2-1) and Carshalton Athletic (4-1)

We welcome also, of course, our Match Officials for the day who are Craig Barnett with the whistle while Luke Scottow and Leigh Ballinger are on the lines.

Matches between Margate and ourselves have been few for until we became an Isthmian Premier Division Club we had never been in the same League. Results so far:-

29th September 2018 Margate 0 Haringey Borough 1

12th January 2019 Haringey Borough 1 Margate 0

12th October 2019 Haringey Borough 1 Margate 0

25th January 2020 Margate 4 Haringey Borough 2

No games in 2020/21 due to Covid

6th November 2021 Haringey Borough 2 Margate 2

19th March 2022 Margate 3 Haringey Borough 1 - about which more later

Whatever the outcome today we hope that everyone will depart having watched or participated in an exciting evening's sport and have a safe journey home.

After swallowing the bitter pill of defeat in the London Senior Cup Semi Final last Tuesday it was pleasing to be able to take some comfort from a Quarter Final win against Cheshunt in the Velocity Cup last Thursday thus setting up this evening's encounter which will be the 5th game for us in 11 days. The match with Cheshunt is not one which will linger long in the memory of the disappointingly meagre 118 attendees. But it was one of those games where the result was all that really mattered rather than how it was achieved. It might have developed differently had Adam Morgan's fierce early long shot not crashed against the bar but after 33 minutes of even end to end play Samuel Owusu finished some fine approach play with a crisp shot that gave the 'keeper no chance. In the interest of blush sparing we will not record the details of how we gifted the visitors their soft equaliser a few minutes before the interval. The second half continued in much the same end to end fashion with plenty of goalmouth action at both ends but only Jorge Djassi Sambu could break the deadlock when he blasted a close range shot high into the net with fifteen minutes left to play. Cheshunt's team seemed relatively young and speed appeared to be their particular speciality on the night. A one goal lead is always nervy but we survived without too much nail biting being needed

Our injury ravaged "Yellow Army" acquitted itself well last Saturday despite wearing green and returning from Margate's Hartsdown Park empty handed. 8 of the 16 squad are still in their teens and 4 of the 11 starters were making their first starting line up of the season and 2 had only been signed up on Friday. Those being striker Hassan Nalbant who has been plying his trade in Turkey, Sweden and Gibraltar and briefly at Basildon United since returning to England; and seventeen year old Ferdinand Okoh on Work Experience Loan from AFC Bournemouth's Academy. His debut game will always be remembered for in less than 4 minutes he drove a cross shot through a crowded penalty area to put us ahead after some desperate earlier blocking by Margate failed to bring about an effective clearance and he pounced on the loose ball at the angle of the penalty box. He acquitted himself well in his hour long debut. Borough's defence had survived some close shaves before Kennedy Frey headed the equaliser after 35 minutes and although he was standing on the goal line at the time the flag stayed down. End to end play ensued thereafter but Borough fell behind to a Ben Greenhalgh 69th minute penalty following a mis-timed tackle in the area. Borough looked quite capable of grabbing a point but being forced to push forward in numbers ever more urgently were finally undone in the 88th minute when the ball was lost in midfield and Margate took full advantage as they tore forward in numbers and Benas Vaivada applied the coup-de-grace. We remained in 15th place until Sunday afternoon's 4-3 win by Bowers & Pitsea at

Cray Wanderers put them above us on goal difference.

Are we safe from the drop? Probably, unless we go on a dreadful run and all the other teams in the Premier Division currently below us embark on successful runs. The 21st and 22nd positions look destined for Leatherhead and East Thurrock United and the teams occupying 13th to 20th place are currently:-

TEAM	PLAYED	POINTS	PPG
CORINTHIAN CASUALS ***	33	40	1.212
HORSHAM ***	34	39	1.147
BOWERS & PITSEA +++	35	39	1.114
HARINGEY BOROUGH	35	39	1.114
WINGATE & FINCHLEY	36	38	1.056
MERSTHAM	34	33	0.971
BRIGHTLINGSEA REGENT***	35	33	0.942
CRAY WANDERERS	36	32	0.889

*** = Borough yet to visit them +++ = yet to visit Coles Park

The two 20th placed teams in the 4 Step 3 Divisions with the worst points per game records get relegated. It seems that all those in the Northern Premier Division currently have a ppg of 1 or more so it looks like being any 2 from 3 between the two Southern Premier Divisions and the Isthmian Premier. There are a considerable number of teams in both the Southern Divisions who could end up 20th but at the moment the two most likely occupants seem to be Kings Langley with a ppg of 0.806 and Lowestoft Town 0.906

As for our other teams, the Under 23s are one win away from the Development North Division Championship and frustration has followed frustration as their scheduled away games at Bury Town and Potters Bar Town have both been postponed due to waterlogged pitches. They need 2 points from 2 games to be crowned Champions and the first clinching opportunity will be at Bury St. Edmunds on 29th March as the Potters Bar game has been rescheduled for April 21st.

The Under 18s outside chance of the Delphian Division Championship disappeared last Tuesday week when visiting Hendon left Coles Park as 4-1 winners and also as confirmed Divisional Champions. Barring an astonishing collapse by Woodford Town in 2nd place Borough will finish 3rd or 4th and with last Tuesday's home game with Langford having not been played and the likelihood being that the points will be awarded to us 3rd is now the more likely.

The Women took a massive step towards safety with a 2-0 win at Bedford last Sunday which was their first match since 6th February; and their first "clean sheet" of the season. A marvellous team effort in which Shakira Roberts and Captain Tori Campbell deserve particular mention. Even if they lost their final League game at home to Colney Heath on April 3rd, for Borough to finish in a relegation spot St. Ives Town would have to get at least 2 wins and a draw from their remaining 3 fixtures AND AFC Dunstable would need at least 3 wins from their remaining 4 fixtures. Borough can now concentrate on seeking Cup glory and it remains to be seen if they will go through to the Semi-Final of the League Cup without yet having kicked a ball in anger for after Borough drew the solitary bye in their entry round their Quarter Final opponents, Needham Market, failed to fulfil the Quarter Final fixture on 13th March and an "award or re-schedule" decision is awaited from the League. If they progress to the Semi-final they will play League Champions Wymondham Town either at Coles Park or on a neutral ground. The other semi-final is between AFC Dunstable and Wroxham.
