HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table and continued to do well in the following seasons.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect.

The foundations are in place for an eventual assault on the title to secure a National League place for the

men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

However, the Club reserves the right to refuse admission to any person and the right to remain within the ground is conditional upon compliance with directions given by Club Officials. THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

LAST WEEK, we at NLP Towers received an email from the father of an 11-year-old football enthusiast who has found a passion for Non-League.

Young Jack Arnfield had just come back from watching his local team, Stalybridge Celtic take on Northern Premier rivals Workington and had written a report on his visit for us to browse.

On reading it, it struck us straight away that enticing the likes of Jack to football at this level is the exact reason that James Doe suggested the idea of a Non-League Day back in 2010.

So, with Non-League Day returning after a two-year Covid absence this weekend, what better way to do our bit than to put Jack's account into the print, making the young man's day at the same time.

"One of the beauties of Non-League football is that you can hear [witty] conversations all over the ground with rival fans sat so close to each other and no need for away sections," Jack wrote.

"It is sad that 73,000 people chose to go to Old Trafford but only 400 decided to visit Bower Fold last Saturday.

"Only 11 miles separate the two grounds and I wish more people would get down and support teams like Stalybridge Celtic rather than go to Premier League games or worse just watch them on TV.

"When you buy a programme or a drink it's helping that club to survive, it's not going to some mega-rich person in another country.

"All the volunteers that keep clubs running at lower levels deserve our support so get to your local non-league ground on Saturday!"

We couldn't put it better ourselves, Jack!

Once again, clubs have been pulling out all the stops in support of Non-League Day, while their big brothers from the Premier League and Championship take the weekend off due to the international break.

Ticket offers and often bizarre incentives – free mushrooms at Bungay FC being my particular favourite – are employed to bring in the punters and the results in previous years have shown to reap rewards with clubs often announcing record crowds.

This year is no different with various offers and special events taking place up and down the country.

Harrow Borough, for example, have dished out free tickets for their Isthmian Premier Division visit of Bowers & Pitsea to several local schools, and offered half-price entry for Premier League and EFL season ticket holders, as well as those attending the England v Switzerland game just down the road at Wembley later in the day. It's free also for Under16s and to NHS and Emergency Service workers and the Armed Forces.

The majority of supporters reading this will have already caught the Non-League bug but you too can play your part.

By just bringing one friend, work colleague or member of the family you are spreading the word and helping your local football club to become a vital cog in the community wheel.

Happy Non-League Day everyone.

HISTORY OF BOWERS & PITSEA FC

The club began life in an old wooden cricket pavilion in 1947 on the site of what is now Pitsea Market. A move to Gun Meadow, Pitsea saw the purchase of a prefabricated building which was used as changing rooms. The building of the new A13 from Canvey to the Five Bells roundabout saw the compulsory purchase of the ground and the club's move to its current home at Crown Avenue, Pitsea. The ground was purchased from Basildon Development Corporation along with a prefabricated building which still serves as the dressing rooms. After the war years, once stability had come to the nation, many new sporting clubs sprang up. One such club was our own, BOWERS UNITED, started in 1946 by Bert Salmon, playing at Gun Meadow, Pitsea, in the Thurrock & Thameside Combination, he was to be joined a few years later by his brother Len Salmon, who passed away and is sorely missed by everyone within the club. The biggest tribute Bowers Sport & Social Club could give him was to name his beloved football stadium after him.

Bowers United won the Essex Senior League title and the Essex Senior League cup in 1998/99 under Tony Cross and were also runners up in the Harry Fisher Trophy. They won the Don Douglas Trophy for top scorer with David Hope as well as the secretary of the year award.

Season 2004/05 saw a new name on the footballing map when Bowers United took Pitsea Football clubs name to produce BOWERS & PITSEA FOOTBALL CLUB, and with a new start and a new team at the helm success was just around the corner because a strong link was established with the local community and the clubs facilities that offered the residence a large Clubhouse, Bar and Function room Together with a ground capacity for 1500+ spectators, which includes seating for 180 in a well-appointed stand, excellent floodlighting is also an advantage at a higher level in which to play our football on.

This showed that after years of being in the wilderness, Bowers & Pitsea Football Club (formerly Bowers United) now intended to take the football side of the club forward.

Michael Barnard and Barry Hubbard joined forces to try to bring success to the club both on and off the field of play.

The recent improvements to the ground and surrounding area as well as the Social Club helped Bowers & Pitsea Football Club to achieve their goal when Rob Small was appointed manager in 2014/15 and in his first season took the club to runners up in the league as well as winning the Essex Senior League Challenge Cup alongside his team of Harry Stevens and Wayne Franklin and with the leagues top scorer award and the league secretary of the year award things were finally looking up for the football club.

In season 2015/16 Rob Small topped his haul from the previous season by winning the Essex Senior League Championship, getting to the quarter finals of the Essex Senior Cup but more impressive was reaching the semi-finals of the FA Vase where Bowers were narrowly beaten by eventual winners Morpeth Town 2-1 away after drawing the home leg 2-2.

We finally achieved one of our goals to reach and play in the Ryman's League then called the BetVictor Isthmian League and we finished our first season in 6th place just three points outside the playoff positions. This followed with a third-place finish in season 2017/18 which saw us narrowly miss out on promotion, losing in the play-offs to Canvey Island. This season 2018/19 saw us reach the Premier League as we finished the campaign with 92 points, 29 wins, 5 draws and 4 losses with a very healthy 71 goal difference. Season 2019/20 saw our first ever season in the topflight and although sitting 14th the season was abruptly ended due to the Covid19 outbreak. The Development U23 side finished top two years running as well and with the upgrade to a 3g pitch and new stands, changing rooms, bar and turn styles things are heading in the right direction.

**Proud Sponsors of
Haringey Borough F.C**

Chairman - Haringey Borough FC

A warm welcome to all from Bowers who we have always classed as our friends for many years. Our paths have followed closely over the last few years and as I write we are neck and neck in the table with only a point between us. Both of us have struggled at various times this year but it certainly looks as though we will both avoid the dreaded points per game 3rd bottom scenario which may lead to relegation. We now have only 7 games left and we have, as I have said before, a big part to play with who may go up or down so we certainly intend to play our strongest team in all of those games to maintain the integrity of the League competition. The last few days have been somewhat difficult for the Club with the unfortunate incidents we experienced with Margate both away last Saturday and home last Tuesday. I have to confirm that I reported the Club to the FA after an horrendous chant aimed towards our Physio Montana last weekend. I had no option to do so and I do not intend to repeat the chant here suffice to say it was misogynistic and has no place anywhere in society let alone at a football stadium. What really shocked me with the chant was that we took so many away supporters to the Club, we provided them with considerable income by way of food and drink and turnstile entry money and we had so many first time away supporters as well as women and children and to have them subjected to that is totally unacceptable. I am sorry they were so subjected. That is not what an away day experience following our Club is about and I hope those fans will understand that is not the norm when Boro play away. Last Tuesday at home in the Cup no respect was shown to us as a Club by the same supporters, no one felt safe going into our own Clubhouse and our players were subjected to beer being thrown over them during the game. The Club hierarchy have since apologised but in truth that is not enough. Our players were abused during the game last weekend and I believe that the fact no action was taken during the game the chants that followed were encouraged by such inaction. I do however feel it is right and correct to excuse those genuine supporters of the Club, of whom there are many, and who conducted themselves as they should have done and I am sure many of them feel ashamed by the actions of that minority in the name of their Club. I am so pleased that our fans have a totally different agenda and that the ethos of our Club is so far removed from the vile chanting we were all subjected to in both games. I love the fact that I can say I am so proud of the way you all represent the Club home or away. Many of you know that I travelled to Margate by train last week and absolutely enjoyed being in the presence of all of you throughout the day. Even better the journey home where we held our own with the Sheffield Wednesday fans who boarded at Gillingham. All good fun and we have certainly broadened our fan base.

Whilst the season has not been the best and two semi final defeats in a week have deflated us all we still have as I say have plenty to play for yet this season as we certainly look towards building a challenging squad for next season – Get behind the team and enjoy the game – Come on Boro

Aki Achillea - Chairman Haringey Borough F.C

Manager - Haringey Borough FC

Another semi final defeat, the second in a week, is so hard for us all to take after the schedule we have had to endure in the last couple of weeks. I felt we could have won on Tuesday against Margate and we were unfortunate that a couple of errors proved so costly. We know that we are short of many first team players but I have to say I am so pleased with the youngsters who have taken their opportunity. Samir on Tuesday made his debut and Charne and Nathan looked like they have been there for years. A great sign for the future, Sami (not Samir!) will be back this weekend and the signs are good with the under 23's showing the way forward. Last Saturday we didn't create much going forward but I thought overall we conceded too much possession but defended well and we were a bit lightweight going forward and hence the result. We had chances and at 1-1 we were well in it, the penalty forced us to push more and at that stage we looked like we may get an equaliser. Being caught short at the back in the last minute does not concern me as we pushed forward in search of an equaliser. As the Chairman has said the other incidents last weekend and Tuesday were very disturbing and for my part I am disgusted by what happened in both matches and I feel no need to excuse anyone. The Club is totally responsible for the behaviour of it's fans and that is due to

the way the Club conduct itself and the messages it sends to fans about what is and what is not acceptable. You cannot just avoid responsibility by saying we cannot stop people doing this or that. I sat in the dugout hearing my players abused particularly throughout much of the first half last Saturday and owing to the fact that no action was taken we had the incident where Montana was abused early in the second half. The less said about their behaviour last Tuesday the better, to have my players doused in alcohol during a game is beyond the pale. If I remonstrated guess what? I would be in front of the FA, for the perpetrators nothing happens. Don't say sorry, don't let it happen in the first place. I will cite as an example your behaviour. Everywhere you go you behave with absolute dignity and sometimes I hear abuse directed at you and you do not say anything, you control any desire to answer back and that is what makes you all so special. Thank you for the way you behave and I hope you see the same in the players who represent the club, today we have another tough game and I certainly want to avenge that last minute defeat we suffered against Bowers earlier this season. Perhaps you will get the opportunity to sing "Bowers get battered everywhere they go" In jest obviously after they sang it to you!! Enjoy the game

THE SECRETARY'S MUSINGS

This afternoon it is our pleasure to welcome the players, Officials and supporters of BOWERS & PITSEA for this League match the outcome of which is vital to both Club's endeavours to avoid the dangerous 20th spot in the table. No-one has been asked to pay to see this match and we do hope that will encourage generosity as regards our collection for the Ukraine Refugee Fund.

We welcome also, of course, our Match Officials for the day who are Daniel Todd with the whistle while Andrew Halladay and Jordan Lee are on the lines.

Matches between Bowers and Borough have been frequent since we were moved sideways from the Spartan South Midlands to the Essex Senior League in season 2013/14 and the results have been:-

2006/07 B&P 2 HB 0 (FA Cup Extra Preliminary Round)

2013/14 HB 4 B&P 1 B&P 1 HB 5

2014/15 HB 3 B&P 2 B&P 2 HB 1 HB 1 B&P 4 (League Cup)

Borough gained promotion to the Isthmian League so there were no games in 2015/16 but Bowers were promoted at the end of that season and games re-commenced

2016/17 HB 5 B&P 4 B&P 2 HB 1

2017/18 HB 0 B&P 2 B&P 1 HB 2 B&P 0 HB 2 (FA Cup preliminary round)

2018/19 B&P 3 HB 1 (Isthmian League Cup) No League games as Borough promoted to Premier Divn

2019/20 HB 1 B&P 0 B&P 3 HB 2

2020/21 Covid curtailed season - no meetings

2021/22 B&P 2 HB 1

So that's 15 games without a draw ! Borough 7 wins 29 goals Bowers 8 wins 29 goals.

Could hardly be tighter.

And its not only at First Team level that we are so regularly in opposition; our Womens' teams and our Under 23s also play in the same League and Division. In fact, at the moment our respective Under 23s are in a neck and neck battle for the Development North Division Championship.

Bowers arrive on the back of a fine result last Wednesday when they returned from King Georges Field having come from behind three times to garner a point from Kingstonian. We will be going to St. Georges Field ourselves next Tuesday and will be hoping to do at least as well when we face Corinthian Casuals.

Whatever the outcome today we hope that everyone will depart having watched or participated in an exciting afternoon's sport and have a safe journey home.

Last Tuesday we had to swallow the bitter pill of a second Cup elimination in a week as Margate visited Coles Park to compete for a place in the Velocity Cup Final at Aveley on April 13th thus meeting us twice in four days. And it is "The Gate" who will face Horsham on that occasion. Our injury crisis which caused us to field such a young team on Saturday had eased a little and we were able to welcome back into the starting line up Scott, Rakim, Georgios and Bobson; but we were without Mikey O'D and Charne Lemba. The first half was a cagey affair with little of note except a mid-half disallowance of a Margate "goal" on the strength of a flag which prompted lengthy heated protests but the 2 match officials stood by their original decision. The second half was a thrill a minute spectacle as both teams upped their game with Margate taking a 60th minute lead through a Ben Greenhalgh penalty awarded apparently for a hand ball in the course of a prolonged goalmouth melee about which it was our turn to protest in vain. But we were level 5 minutes later as Adam took a through ball wide of the outcoming 'keeper and slotted home accurately and in the process evened up his contest with the visiting 'keeper who had made a superb block to thwart him in a one-on-one right at the start of the half. However, we paid the penalty for dreadful marking at a throw in some six minutes later as Greenhalgh was left in splendid isolation on our goal-line and easily set up a team mate to score from close range. But Borough hit back strongly and it was no surprise when Scott Mitchell met a corner with one of his trade mark thumping headers in the 77th minute to restore parity. That such lasted only a minute is rather disappointing as Margate seemed to secure their winner far too easily.

Sadly, as had also been the case on Saturday, the game was marred by the dreadful behaviour of a noisy and small minority of Margate's quite substantial fan base for which both their Chairman and Manager have apologised profusely and we wish them well in their efforts to identify and ban those responsible for besmirching their Club's reputation.

We now have three difficult away games to negotiate starting next Tuesday with the always awkward

midweek trip to Corinthian Casuals and then to Champions elect Worthing next Saturday followed by a trip to Horsham on Saturday 9th. There is a possibility that the kick off time of our next home match against Cheshunt may change or possibly the match will be brought forward to Friday evening. For latest updates watch our haringeyboroughfc.com website.

Are we safe from the drop? Probably, unless we go on a prolonged losing run and all the other teams in the Premier Division currently below us embark on successful runs. The 21st and 22nd positions look destined for Leatherhead and East Thurrock United and the teams occupying 13th to 20th place are currently:-

TEAM	PLAYED	POINTS	PPG
CORINTHIAN CASUALS ***	33	40	1.212
HORSHAM ***	34	39	1.147
BOWERS & PITSEA +++	35	39	1.114
HARINGEY BOROUGH	35	39	1.114
WINGATE & FINCHLEY	36	38	1.056
MERSTHAM	34	33	0.971
BRIGHTLINGSEA REGENT***	35	33	0.942
CRAY WANDERERS	36	32	0.889

*** = Borough yet to visit them +++ = Here today

The two 20th placed teams in the four Step 3 Divisions with the worst points per game records get relegated. It seems that all those in the Northern Premier Division can more or less be ruled out of contention as their 20th placed team already has 39 points Kings Langley look to be in a difficult position in the Southern Premier South Division with only 29 points from 36 games. But the Southern Premier Central Division is too close to call with any one of the bottom seven teams likely to occupy 20th spot with a respectable points total and that Division is a team short so will be playing only 40 games hence the need to employ a points per game formula instead of just using points gained. The most endangered Isthmian teams appear to be Merstham, Brightlingsea Regent and Cray Wanderers – all Clubs it is a pleasure to visit – and we do hope that the Isthmians 20th will not be one of the two doomed teams. As for our other teams, the Under 23s are one win away from the Development North Division Championship and frustration has followed frustration as their scheduled away games at Bury Town and Potters Bar Town have both been postponed due to waterlogged pitches. They need 2 points from 2 games to be crowned Champions and the first clinching opportunity will be at Bury St. Edmunds on 29th March and it is particularly disappointing that the game clashes with the First teams visit to Corinthian Casuals. If they do not clinch it at Bury they will have to wait until April 21st for the opportunity to do so at Potters Bar Town.

The Under 18s outside chance of the Delphian Division Championship disappeared on 8th March when visiting Hendon left Coles Park as 4-1 winners and also as confirmed Divisional Champions. Barring an astonishing collapse by Woodford Town in 2nd place Borough will finish 3rd or 4th and with our home game with Langford having not been played as they could not send a team the likelihood is that the points will be awarded to us making 3rd more probable

The Women took a massive step towards safety with a 2-0 win at Bedford last Sunday which was their first match since 6th February; and their first “clean sheet” of the season. A marvellous team effort in which Shakira Roberts and Captain Tori Campbell deserve particular mention. Even if they lost their final League game at home to Colney Heath on April 3rd, for Borough to finish in a relegation spot St. Ives Town would have to get at least 2 wins and a draw from their remaining 3 fixtures AND AFC Dunstable would need at least 3 wins from their remaining 4 fixtures. Borough can now concentrate on seeking Cup glory and as the League have awarded us the Quarter – Final tie for which Needham Market failed to raise a team for Borough’s visit on 13th March, they will go through to the Semi-Final of the League Cup without yet having kicked a ball in anger for Borough drew the solitary bye in their entry round (the 3rd). The Semi-final opponents will be League Champions Wymondham Town, probably on a neutral ground, on 10th April. The other semi-final is between AFC Dunstable and Wroxham

Accordingly any form of discriminatory abuse whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association." HARINGEY PLAYER PROFILES 2021-22

GEORGIOS ARESTI – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and near automatic selection last season.

BOBSON BAWLING – attacking midfielder who joined us from Enfield Town at the start of this season having previously been with Crawley Town, Woking and St. Albans City.

SAMI BESSADI – attacking midfielder who has come right through the ranks with the Under 18s and Under 23s and is now a challenger for a First Team berth.

SAMUEL COOK – tall strong central defender making a challenge for a first team starting berth having having just returned from a spell with German Clubs. Has made his first start after several substitute appearances.

CHRISTOS DJAMAS – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

JORGE DJASSI-SAMBU – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

ANDRONICOS GEORGIU – recently signed forward who graduated from Stevenage Academy and played in their EFL team. Last season was with Wycombe Wanderers. Has also been loaned to Kings Langley, St. Albans City and Middlesbrough Under 23s.

CALLUM ISMAIL – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

CHARNE LEMBA – tall powerful defender who has made steady progress through our Under 18 & 23 teams and has seized the chance to step up which absences and injuries presented. Already looks at home at Senior level and will certainly challenge to keep his place.

MEKHI LEACOCK-McLEOD – recent signing lastly with Romford. Wide attacker who numbers Halifax Town, Accrington Stanley and Eastleigh among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

ALFIE MARIGLIANI – recently signed young goalkeeper formerly with Wealdstone and dual registered with them. Made promising debut in hard fought draw with Hornchurch.

ANTHONY McDONALD – fast tricky wide player entering his 9th season with us; excellent finisher with 13 League goals in an injury hit 2016/17; first team regular but appearances have been interrupted by injuries.

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

ADAM MORGAN – striker signed in early February. A product of the Liverpool Youth Academy who includes Rotherham United, Yeovil Town, St. Johnstone, Accrington Stanley, Hemel Hempstead Town, FC Halifax Town, Sligo Rovers, Romford, Chelmsford City and, most recently, Braintree Town among his previous Clubs. Holder of 17 England Under 17 caps and 5 at Under 19.

ANDRE ODEKU – speedy striker who has stepped up from our Under 23s and after several appearances from the bench is now a serious contender for a starting place and will doubtless continue his free-scoring habit when he gains more Senior level experience.

JAMIE-LEE O'DONOGHUE – strong running striker re-joining us this season; was with Baldock Town last season and numbers Cleethorpes Town among his previous Clubs. Older brother of our full back, Michael.

MICHAEL O'DONOGHUE – powerful full back rejoining us after a year away at National League side Concord Rangers. Formerly a professional with Colchester United.

DAVID "TOSIN" OLUFEMI – attack minded full back who rejoins us this season after a year away with National League side Concord Rangers. Also numbers Colchester United among his former Clubs.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United.

TYRESE OWEN – tall ball playing central defender or midfielder who was with National League South Hemel

Hempstead Town last season. Numbers Potters Bar Town and Carshalton Athletic among his previous Clubs and spent a season in Sweden.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

ALEXANDER ZAMANI – a goalkeeper signed on Christmas Eve having played in Poland and after returning to England for Tonbridge Angels and Bexhill United. Made the bench on Boxing Day.

MANAGEMENT

TOM LOIZOU (MANAGER) – a man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club their toes - not just the players!

DAVID CUMBERBATCH (ASSISTANT MANAGER) Often sits in the main stand watching the game and recording bits for time to time known sometimes as ‘Terry Connor or Howard the Halifax man” who gives you extra...”

JOHNNY FITSIOU (COACH) his extensive knowledge and experience of conditioning has made the Borough players more aware of how to exert their power and pace game plan.

THOMAS O’DONOGHUE (COACH) known as ‘Tucker’ is an experienced coach who joined the coaching staff at the Borough in 2016. Having started with the first team. Father of players Michael and Jamie. Tucker is also managing the Under 18s.
