## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF WOODFORD TOWN FC

In the season 2021/22 Woodford Town Football Club returned to its original roots in Woodford at Ashton Playing Fields, which is our new home.

We are very excited that we are taking opportunity for the Club to create history this new era.

The club's name itself provides a sense of geography, history, purpose and destination.

The club was established in 1937 and were founder members of the Delphian League in 1951 before switching to the Metropolitan League in 1961. The club then joined Division One of the Greater London League in 1967 only to rejoin the Metropolitan League in 1970.

At the end of the 1970-71 season the club participated in the top tier of the Southern League but left after a single season after finishing bottom of the table. In 1976 the club played in the Essex Senior league for the first time before switching to the Athenian League in 1979. The club rejoined the Southern Division of the Southern League in 1982 and played in the Anglo Italian Cup in 1986 losing 4-0 to Piacenza in the semi final and 3-2 to Merthyr Tydfil in the third place play off. Despite finishing third in the 1986-87 season and reaching the first round of the FA Cup for the first time the club dropped back into the Essex Senior League at the end of the season.

In 1993 the club lost its historical Snakes Lane Ground and joined Division one of the Spartans League which eventually merged with the Spartan South Midlands League in 1997 with Woodford Town being placed in there.

The club was reformed by the current Directors some years ago who cherish and understand the rich history of this great club. The club have now returned and now proudly play in the Essex Senior League.

## THE SECRETARY'S MUSINGS

This evening we take pleasure in welcoming the players, Officials and supporters of WOODFORD TOWN FC to the CVS Van Hire Stadium for our 7th pre-season Friendly.

We welcome too, of course, our Match Officials who are Deryll David with the whistle; Derrick Coe and John Noblemunn with the flags

Our visitors are members of the Essex Senior League and finished in mid-table last season (full table below) but the name Woodford Town has been around at various levels of Non-League football since the late 1930s although the present Club was formed through a name change by Bush Hill Rangers of the Spartan South Midlands League in 2017. (Bush Hill Rangers later reformed and now play in the Hertfordshire County League). In a previous incarnation Woodford Town joined the Athenian League in 1978/79 and in an early season game at Coles Park one Jimmy Greaves turned out for them. A sizeable crowd anticipating a cricket score was to be disappointed as the great man was in the absolute last throes of his post Football League playing career and in fact Borough won 1-0 and Jimmy played only a few more games for them. Woodford's upward trajectory saw them move from the Athenian to the Southern League in 1982 although their membership of that League was to be rather short lived. In season 1986/87 they visited Coles Park for a 2nd Round FA Vase tie and Borough distinguished themselves by running up a 3 goal lead after an hour and ending up 3-5 losers!! More recently our respective Under 18s met in the Southern Counties Floodlit Youth League last season and again the score was 3-5 at Coles Park but honours were shared as we won away 4-3. Their Under 18s will be here again shortly to play in an FA Youth Cup game on Friday 2nd September, not against us but against the Under 18s of our ground-sharers New Salamis.

Last Tuesday QPR Under 23s visited Coles Park for our 5th pre-season friendly. Those who participated will be able to boast to their grand-children they actually participated in a match played on the day the hottest temperature had ever been recorded in the UK – although by then 40 degrees will probably be the new norm if the doomsters worst fears are realised. A splendid game vindicated the decision to go ahead and putting the kick off back to 8.15pm certainly helped. All the players deserve great credit for disregarding the less than ideal conditions and putting on such a committed performance.

It was a contest between two teams with very contrasting styles and in the end it was the greater physical strength and experience of Borough which overcame the intricate and entertaining play of the younger visitors. We were one up at the interval through a close range finish by Tage Kennedy but only thanks to a superb sprawling penalty save by 'keeper Luke Mewitt a few minutes from the end of the half. A fine finish, again by Tage, midway through the second half seemed to have wrapped it up for us but complacency was dangerous and QPR well deserved their late goal which was the culmination of a really concerted spell of approach play. Naturally this spurred them on and an equaliser looked to be quite a possibility but in a late Borough flurry William Dupray stabbed home a low cross after QPR had failed to clear a corner effectively. Even before the season has properly started BOROUGH have winning a trophy to boast about for last Saturday they took part in a 3 team Tournament at Cheshunt's Theobalds Lane Stadium. All the more commendable as the other 2 teams are members of the Vanarama National League South Division. Cheshunt gained promotion to it via the Isthmian League Play-offs and Kings Lynn Town were relegated from the National League top Division last season. The matches were 30 minutes each way and we kicked off the proceedings with the match against Cheshunt. After 15 minutes or so Johnny Ashman finished a flowing move with a precise shot from close range and in no way was that a surprise in the light of the preceding activity. Half time changes and further second half substitutions did nothing to dilute Borough's general domination of the proceedings and again it was no less than was expected when Jorge Sambu doubled the lead late in the second half. After a brief respite Borough then took on Kings Lynn Town and after five minutes or so of even exchanges a goalmouth melee led to the undisputed award of a penalty to Borough which Tage Kennedy confidently drove goalwards to the 'keepers left and although he did manage to touch it the shot carried too much power to be forced wide. As was to be expected Borough did suffer from a degree of tiredness midway through the second half and "The Linnets" were on top for a while and equalised with a swerving shot just inside the far post from a few yards outside the left corner of the penalty area. But Borough dug deep and by the end of the game looked the more threatening side but there were to be no further goals. So it came about that the final game meant that Kings Lynn would be Tournament winners if they beat Cheshunt by a 3 goal margin or would share the prize with us by winning by 2 goals. In the event there were no goals at all in a game quite fiercely contested at times but it took 2 really excellent saves by the Cheshunt 'keeper – beating away a close range header and then parrying a penalty - to prevent Lynn sharing the honours with us. Maybe there was a degree of misunderestimation of us on the part of the National League sides who certainly seemed to field stronger squads against each other but Borough were good value for their win and would certainly have been capable of matching the teams fielded in the final game had that been demanded of them. With every passing match the prospects for a memorable season seem brighter and brighter.

Isthmian League fixtures for the First team and Under 23s have been announced and are shown below. Really looking forward to that Tuesday mid-December trip to Herne Bay!! ## HARINGEY PLAYER PROFILES 2021-22

**GEORGIOS ARESTI** – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and near automatic selection last season.

**JOHNNY ASHMAN** – close season signing from East Thurrock United. A wide midfielder who scored ten goals in 46 appearances for “the Rocks” last season (including one against us). Has also appeared for Aveley, Barking, Witham Town, Clapton and Cheshunt.

**LEWIS BYRNE-HEWITT** – a well travelled forward signed in the close season; made debut in friendly with Chelmsford City and scored within 5 minutes. With Coggeshall Town at the end of last season and before that with Brightlingsea Regent, Witham Town, Bishop’s Stortford, Ware, VCD Athletic, Whyteleafe, Billericay Town, Norwich City Under 18s and Arsenal Under 18s.

**SAMUEL COOK** – tall strong central defender making a challenge for a first team starting berth having just returned from a spell with German Clubs. Has made several starts after a number of substitute appearances.

**CHRISTOS DJAMAS** – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

**JORGE DJASSI-SAMBU** – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

**ANDRONICOS GEORGIU** – mid season signing; a forward who graduated from Stevenage Academy and played in their EFL team. Last season was with Wycombe Wanderers. Has also been loaned to Kings Langley, St. Albans City and Middlesbrough Under 23s.

**STEFANOS GEORGIU** – younger brother of Andronicos signed from St. Margaretsbury a few days before the Registration deadline; a right sided midfielder who immediately looked at home at this higher level of the game.

**CALLUM ISMAIL** – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

**ALPHANSO KENNEDY** – Goalscoring winger signed in close season. Was with Wingate & Finchley last season and also played for FC Romania; played against us when we lost 1-0 at Wingate & Finchley on August Bank Holiday Monday 2019.

**NATHAN KPEMOU** – tall powerful central defender or wide midfielder who has come through our Under 18 and 23 ranks and patiently awaited his opportunity; when injuries gave him his chance he seized it and he will not easily relinquish his starting place status.

**CHARNE LEMBA** – tall powerful defender who has made steady progress through our Under 18 & 23 teams and has seized the chance to step up which absences and injuries presented. Already looks at home at Senior level and will certainly challenge to keep his place.

**MEKHI LEACOCK-McLEOD** – Recent signing lastly with Romford. Wide attacker who numbers Halifax Town, Accrington Stanley and Eastleigh among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

**ANTHONY McDONALD** – fast tricky wide player entering his 9th season with us; excellent finisher with 13 League goals in an injury hit 2016/17; for a long while a first team regular but appearances have been interrupted by injuries.

**ANTHONY MENDY** – close season signing whom netted 25 goals for Uxbridge last season and three in our first two pre-season friendlies. A much travelled player who has been with Wingate & Finchley, Bedford Town, Beaconsfield Town, Leatherhead, Enfield Town, Chalfont St. Peter, AFC Hayes, Slough Town and Maidenhead United and has also played in Italy.

**LUKE MEWITT** – a young goalkeeper recruited in the close season with several years experience at Huddersfield Town and a season on loan at Hyde United of the Northern Premier League. Has also appeared for Hertford Town

**SCOTT MITCHELL** – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

**ANDRE ODEKU** – speedy striker who has stepped up from our Under 23s and after several appearances from the bench is now a serious contender for a starting place and will doubtless continue his free-scoring habit when he gains more Senior level experience.

**MICHAEL O'DONOGHUE** – powerful full back rejoining us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United.

**MAX OVENDEN** – a goalkeeper signed in the close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

**SAMUEL OWUSU** – midfielder signed from East Thurrock United on Christmas Eve 2021 who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has firmly established himself as a serious starting line up contender.

**RAKIM RICHARDS** – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

## MANAGEMENT

**TOM LOIZOU (MANAGER)** – a man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club their toes - not just the players!

**DAVID CUMBERBATCH (ASSISTANT MANAGER)** Often sits in the main stand watching the game and recording bits for time to time known sometimes as 'Terry Connor or Howard the Halifax man' who gives you extra..."

**JOHNNY FITSIOU (COACH)** Has a wealth of experience in professional and non-league football. He supports Tom and the Chairman, Aki, in everything football related.

**THOMAS O'DONOGHUE (COACH)** known as 'Tucker' is an experienced coach who joined the coaching staff at the Borough in 2016. Having started with the first team. Father of players Michael and Jamie. Tucker is also managing the Under 18s.

**MUSTAFA BASHKAL (COACH)** "Bash" has joined the first team coaching staff, having previously managed Leatherhead football club 1st team.

**ALEXIE NICOLAIDES (COACH)** coach who has joined the club to gain experience in senior football is always willing and able to assist when required.

**PHIL STONE (GOALKEEPING COACH)**

**JESS DEHAAN (PHYSIO)**
