HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CHELMSFORD CITY FC

The original amateur Chelmsford club originated in the County town in 1878 and moved to their New Writtle Street ground in 1922, however, when that club folded after sixty years the present club was formed as a professional side in 1938. Immediately, they were admitted to the Southern League as one of five new sides who increased the membership to twenty-three.

Under the leadership of Billy Walker they quickly made their mark and in that first season reached the fourth round of the FA Cup after knocking out both Darlington and Southampton before going out to Birmingham City at St Andrew's in front of 44,494 fans, but their league form suffered and they finished in tenth place.

The outbreak of war meant that football was severely curtailed, however, in the Southern League's only wartime season in 1939/40 Chelmsford won the Eastern Section and drew the play-off with the Western Section winners Lovells Athletic. In that season City also reached the final of the League Cup where they lost both legs to Worcester City.

The club were quick to reform and under Arthur Rowe, who was later to rise to fame with Tottenham Hotspur, they won the championship in season 1945/46, pipping Hereford United to the title. City went on to complete a famous double by winning the League Cup and gaining revenge against Worcester City, thumping them 6-1 at New Writtle Street after a 3-3 away draw.

In 1955 the club are forced to appeal to the public to raise the funds that were to keep them alive. The two sides met again in the 1960 final when Chelmsford again ran out victors winning both legs by two goals to one. However, it was to be thirty years before they again lifted the trophy when Hythe Town were overcome 5-3 on aggregate in 1991.

In the FA Cup the early success was not repeated but in 1967 Oxford United were defeated albeit by a lone goal at the third attempt after two 3-3 draws in the First Round Proper. After the Oxford victory, City were defeated at home in the Second Round by Colchester United in front of a crowd of well over 16,000; in the 1970s they got to the Rounds Proper on several occasions, invariably going out to League opposition.

In 1972/73 City almost recreated the successful F.A. Cup run of the Thirties. A series of home draws enabled The Clarets to dispose of Hillingdon Borough (2-0) and Telford United (5-0) before Ipswich Town were entertained at New Writtle Street. 15,557 spectators saw the tie which the visitors won by three goals to one. The Southern League title did not return to New Writtle Street until 1968 but was then repeated four years later, however, there then followed a steady decline in City's fortunes and their first-ever relegation came in 1977 despite having a side that included a budding Nigel Spink in goal and a not so young Jimmy Greaves in attack.

There was not another appearance in the competition proper until 1994 when they went out to Wycombe Wanderers (0-4), again reaching that stage in 1999/2000 before losing by the same scoreline at Oldham Athletic's Boundary Park and later going out to Aldershot Town after a replay in 2006.

The idea of using The Stadium for greyhound racing was soon diffused when the Council demanded alterations to be made to the ground to meet safety standards, costs which were far more than City would have earned in the long run. In 1974 a £500,000 re-development of The Stadium to include 8,500 square feet of offices was then rejected by Council planners.

The following year plans to include squash courts at the ground were also thrown out as City were desperately seeking money to ease their financial crisis. City reclaimed a place in the Premier Division as a consequence of the re-organisations which followed the formation of the Alliance (now the Conference) League and in 1986 they were almost elevated to join that elite group but finished as Runners-Up behind Welling United. The Eighties saw another Cup run as City twice met Gillingham away, with the results being 6-1 and 2-0. Relegation returned in 1988 but their stay in the Southern Division was short-lived and they were promoted back as champions a year later. In 1993 a supporters' group, led by Trevor Wright, stepped in to take over the club at the last minute following the resignation of Dennis Wakeling due to a fruitless High Court battle which effectively left Chelmsford City without a future.

Subsequent life in the Premier Division became uncomfortable and after just avoiding the drop in four

consecutive seasons City finished bottom in 1997, despite remaining one of the best-supported sides both home and away. Since August 1997, the club's history has taken further new twists but none so major as the loss of the famous old New Writtle Street ground which was sold by the official receiver.

Help, in the form of ground sharing arrangements, came from Chelmsford's neighbours Maldon Town and subsequently at Billericay Town both ten miles out of Chelmsford. In May 1998, City thought that they had achieved their immediate ambition of a return to the Premier Division when they finished second to Weymouth. However, a seating technicality meant promotion was refused.

This was especially frustrating as hosts Billericay were promoted to the Premier Division of the adjacent Ryman League with no such problems. In April 2000, however, New Lodge finally received an 'A' grading from the Dr. Marten's League that would allow promotion to the Premier Division. A constant push for a return to the Premier Division finally bore fruit in 2000/01 and Chelmsford then spent most of the next season consolidating in mid-table, until a late slump in form saw them finish one place above the drop zone. A reversal of that end-of-season form the following year saw them finish a very respectable ninth, while a rare piece of silverware came City's way that March when they lifted the Essex Senior Cup for the first time in a decade after hammering Aveley by a 5-0 margin at Southend United's Roots Hall ground.

Paul Parker's departure as Manager at the end of that season led to his replacement by former player Steve Mosely, who endured some of the most difficult years of the club's exile, missing out on a place in the new Conference South set-up in a play-off final at Tiverton Town. He was eventually succeeded by Craig Edwards as boss, who injected life back into the squad with his brand of hard-working players who had performed well for him at previous clubs.

Edwards was proud to lead the Clarets out in their first game back in Chelmsford at a reformed Melbourne Community Stadium where a capacity crowd on 2nd January 2006 saw the culmination of the club's toil to secure a home under the chairmanship of Paul Hopkins, a loyal Board of Directors, and with the assistance of the Council.

From that point, the Clarets have gone from strength to strength and consolidation in the top half of the Ryman League Premier Division during that campaign was followed by the arrival of former Canvey Island supremo Jeff King as Manager for the start of 2006/07. King brought a number of his talented players and backroom staff with him from Canvey, a club that had emerged from the Essex Senior League to establish themselves at the top level of non-league football.

His side just missed out on promotion via the play-offs in his first season but the Ryman League championship was secured the second time around in a comfortable fashion after overcoming a challenge from AFC Wimbledon. At this stage Peter Webb had become the new Chairman at Melbourne and, despite racing to a commanding lead by the New Year in their first Blue Square South season, Chelmsford fell away and succumbed in the play-offs once more, this time to Hampton & Richmond Borough. They did, however, secure another Essex Senior Cup crown.

2009/10 saw the club take stock of its position, place an even higher value on youth and community work within the Borough, and with new Chairman Mansell Wallace and his Board were keen to progress and appointed Glenn Pennyfather in charge of First Team activities. Several flirtations with the play-offs proved exciting and frustrating in equal measure, but there have been plenty of positives from each campaign.

In November 2012 Colchester United were beaten 3-1 in an F.A. Cup first-round tie, the first time the Club had beaten a Football League side since 1967. Although the Club lost at Crawley Town in the second round it was the second season in a row that that particular round had been reached.

Glenn Pennyfather left the Club in the summer of 2013 with Dean Holdsworth appointed to replace him. Unfortunately, the former Newport County Manager did not have a successful time at the Melbourne Community Stadium and he left after less than three months of the 2013-2104 season. Mark Hawkes was appointed to replace him having previously been in charge at Heybridge Swifts. Having qualified for the play-offs in four of the Club's first five years in what is now the National League South the subsequent three seasons saw the Club finish in a mid-table position.

THE SECRETARY'S MUSINGS

This afternoon we take pleasure in welcoming the players, Officials and supporters of CHELMSFORD CITY FC to the CVS Van Hire Stadium for our third pre-season Friendly. Our visitors are members of the National League South and this is the third consecutive season we have enjoyed a tussle with them and we are hopeful that this will be the first season we avoid defeat. It will undoubtedly be a sterner test than we faced last Tuesday when newly promoted to the Southern League, Walthamstow FC, visited us and were defeated 4-0 rather easily. Anthony Mendy flicked home 2 close range goals in the first half, the second of them being a cheeky back heel. Nine half time changes did nothing to diminish our momentum but it was the two first half stayers who added the goals; Johnny Ashman, a new recruit who was with East Thurrock United last season, bundled home the third and Georgios Aresti added a screamer to complete the rout.

We welcome too, of course, our Match Officials who are Tommy Breen with the whistle, Andreas Anasasiou and Jide Ogunba with the flags

THE VIEW FROM THE BELL END

As we look forward to the fixtures being released, it doesn't feel that long ago we were celebrating a 4-4 draw with Folkestone on the last day of last season.

What a game that was 0-1, 1-1, 1-2, 2-2, 2-3, 2-4, then with two minutes to go player of the season Scott Mitchell makes it 3-4 and then George "The Gift" Aresti gets a last-minute equaliser 4-4. More of that never-say-die attitude this season please.

So, this coming Thursday (14th) we will know who we are playing and when, albeit this side of Christmas is always affected by rearrangements due to cup games. I'm sure we won't mind that though if it means we are on long cup runs.

In terms of the new teams in our league it's not long ago we were in the same league as Aveley and Canvey Island, do I need to mention Austin Byfield or the Play-Off Final to raise a smile of past encounters, there's been 6600+ views of Austin's goal on YouTube against Aveley. If you haven't watched it, you should.

We played relegated Billericay last season in a pre-season friendly and maybe the 0-0 draw was a sign of things to come for both of us. Us struggling for goals and them ending up struggling and dropping down a league.

Finally, seaside trips are always welcome so the visits to Herne Bay and Hastings will be particular highlights. Let's hope the Isthmian computer is kind and those away trips are in August, September or April.

I know I sound like a scratched record but the support we get is special and its incredible how it has grown over a few years, yes, the free season tickets help hugely with the home support but away games take up most of the day. We have to pay admission money and with the expense of the travel it can be a big commitment.

Please make sure you apply for the free season ticket for the Isthmian League games at Coles Park. It would be amazing if we could get our average home attendance beyond 400 this season. Come on what's not to like, local club, heroes on the pitch and friendly environment and atmosphere. Sales pitch over.

Back to the fixtures being announced, I'm going to state the obvious, but it is very relevant for those supporters that may also follow teams in the Premier League or Championship, when the Isthmian fixtures are produced at least we know all the weekend games will be 3pm on a Saturday and you can plan accordingly. No Sky interference, no BT interference, no silly kick off times, no pampering to the armchair fans. Those reasons alone should make following a non-league side a huge attraction.

This season we also have the novelty of having the domestic football calendar without the Premier League and Championship playing during most of November and December, it will be interesting to see what effect the winter World Cup has on attendances and the interest in watching games at our level. Let's hope it is a positive one!

HARINGEY PLAYER PROFILES 2021-22

GEORGIOS ARESTI – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and near automatic selection last season.

JOHNNY ASHMAN – close season signing from East Thurrock United. A wide midfielder who scored ten goals in 46 appearances for “the Rocks” last season (including one against us). Has also appeared for Aveley, Barking, Witham Town, Clapton and Cheshunt.

SAMUEL COOK – tall strong central defender making a challenge for a first team starting berth having just returned from a spell with German Clubs. Has made several starts after a number of substitute appearances.

CHRISTOS DJAMAS – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

JORGE DJASSI-SAMBU – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

ANDRONICOS GEORGIU – mid season signing; a forward who graduated from Stevenage Academy and played in their EFL team. Last season was with Wycombe Wanderers. Has also been loaned to Kings Langley, St. Albans City and Middlesbrough Under 23s.

STEFANOS GEORGIU – younger brother of Andronicos signed from St. Margaretsbury a few days before the Registration deadline; a right sided midfielder who immediately looked at home at this higher level of the game.

CALLUM ISMAIL – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

NATHAN KPEMOU – tall powerful central defender or wide midfielder who has come through our Under 18 and 23 ranks and patiently awaited his opportunity; when injuries gave him his chance he seized it and he will not easily relinquish his starting place status.

CHARNE LEMBA – tall powerful defender who has made steady progress through our Under 18 & 23 teams and has seized the chance to step up which absences and injuries presented. Already looks at home at Senior level and will certainly challenge to keep his place.

MEKHI LEACOCK-McLEOD – Recent signing lastly with Romford. Wide attacker who numbers Halifax Town, Accrington Stanley and Eastleigh among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

ALFIE MARIGLIANI – recently signed young goalkeeper currently with Wealdstone and dual registered with them. Made promising debut in hard fought draw with Hornchurch and now a regular in every squad, often as starter.

LUKE HEWITT – a young goalkeeper recruited in the close season with several years experience at Huddersfield Town and a season on loan at Hyde United of the Northern Premier League. Has also appeared for Hertford Town.

ANTHONY McDONALD – fast tricky wide player entering his 9th season with us; excellent finisher with 13 League goals in an injury hit 2016/17; for a long while a first team regular but appearances have been interrupted by injuries.

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

ANDRE ODEKU – speedy striker who has stepped up from our Under 23s and after several appearances from the bench is now a serious contender for a starting place and will doubtless continue his free-scoring habit when he gains more Senior level experience.

MICHAEL O'DONOGHUE – powerful full back rejoining us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United.

MAX OVENDEN – a goalkeeper signed in the close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve 2021 who immediately took a

place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has firmly established himself as a serious starting line up contender.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

SAMIR SEDAUI – Under 23 player whose introduction has strengthened our injury hit squad late season who has already made a starting line up after several substitute appearances; an all action central midfielder.

ALEXANDER ZAMANI – a goalkeeper signed on Christmas Eve 2021 having played in Poland and after returning to England for Tonbridge Angels and Bexhill United. Made the bench on Boxing Day and now a regular in every squad often as starter.

MANAGEMENT

TOM LOIZOU (MANAGER) – a man with wealth of experience and knowledge of the game who is always running around for the club; his passion is there for everyone to see and he keeps everyone at the Club their toes - not just the players!

DAVID CUMBERBATCH (ASSISTANT MANAGER) Often sits in the main stand watching the game and recording bits for time to time known sometimes as ‘Terry Connor or Howard the Halifax man’ who gives you extra...”

JOHNNY FITSIU (COACH) Has a wealth of experience in professional and non-league football. He supports Tom and the Chairman, Aki, in everything football related.

THOMAS O'DONOGHUE (COACH) known as ‘Tucker’ is an experienced coach who joined the coaching staff at the Borough in 2016. Having started with the first team. Father of players Michael and Jamie. Tucker is also managing the Under 18s.

MUSTAFA BASHKAL (COACH) “Bash” has joined the first team coaching staff, having previously managed Leatherhead football club 1st team.

ALEXI NICOLAIDES (COACH) coach who has joined the club to gain experience in senior football is always willing and able to assist when required.
