## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF BOWERS & PITSEA FC

After the war years, once stability had come to the nation, many new sporting clubs sprang up. One such club was our own, BOWERS UNITED, started in 1946 by Bert Salmon, playing at Gun Meadow, Pitsea, in the Southend District League as a junior club before moving across to Thurrock & Thameside Combination, he was to be joined a few years later by his brother Len Salmon, who passed away in 2002 and is still sorely missed by everyone within the club. The biggest tribute Bowers Sport & Social Club could give him was to name his beloved football stadium after him.

In 1965 Bowers United entered the Essex Olympian League and this was to be where they stayed until 1974 when the club was successful in their application to join the recently newly formed Essex Senior League. As well as moving to a new League the Club also moved from Gun Meadow (Behind the Gun Pub) into their current ground at 20 Crown avenue in 1975 a Tottenham Hotspur x1 helped open the ground on the day, Senior status was granted by the Essex FA in 1978.

Success was just around the corner as in 1980-1981 the club won their first Essex Senior League title under the guidance of ex Southend United winger Malcolm Slater. They also added the League Challenge Cup the following year. Before Slater departed the club.

In 1998-99 a clean sweep of all three cups was achieved as they won the The Essex Senior League title, League Challenge Cup and the Harry Fisher Trophy under Tony Cross's all conquering team. They also won the Don Douglas Trophy for top goal scorer with David Hope as he scored 52 League and Cup goals that season.

With the club unable to apply for promotion the team was soon broken up and it was not until 2004/05 when we saw a new name on the footballing map when Bowers United took Pitsea Football clubs name to produce BOWERS & PITSEA FOOTBALL CLUB, and with a new start and a new team at the helm success was just around the corner because a strong link was established with the local community. and the clubs facilities that offered the residence a large Clubhouse, Bar and Function room Together with a ground capacity for 3000+ spectators, which includes seating for 400 in a well-appointed stand, excellent floodlighting is also an advantage at a higher level in which to play our football on. This showed that after years of being in the wilderness, Bowers & Pitsea Football Club (formerly Bowers United) now intended to take the football side of the club forward.

Michael Barnard and Barry Hubbard joined forces to try to bring success to the club both on and off the field of play.

In season 2015/16 Rob Small topped his haul from the previous season by winning the Essex Senior League Championship, getting to the quarter finals of the Essex Senior Cup but more impressive was reaching the semi-finals of the FA Vase were Bowers were narrowly beaten by eventual winners Morpeth Town 2-1 away after drawing the home leg 2-2.

We finally achieved one of our goals to reach and play in the Isthmian League and we finished our first season in 6th place just three points outside the play-off positions. This followed with a third-place finish in season 2017/18 which saw us narrowly miss out on promotion, losing in the play-offs to Canvey Island.

The 2018/19 season saw us reach the Premier League as we finished the campaign with 92 points, 29 wins, 5 draws and 4 losses with a very healthy 71 goal difference.

Season 2019/20 saw our first ever season in the topflight and although sitting 14th the season was abruptly ended due to the Covid19 outbreak, and with the upgrade to a 3g pitch and new stands, changing rooms, bar and turnstiles things are heading in the right direction.

Season 2021/22 saw us hit another milestone as we reached the FA Cup 1st round, Gallantly losing to Lincoln City 1-0. This was also to be Rob Smalls last season at the managers helm as his departure was to herald a new era for the club.

In the summer of 2022 Ex Professional football Paul Hayes took on the role of Director of Football with the proviso to bring more experience to the football committee, one of his first tasks was to appoint a new manager and in James Collins the club believe they have the man to carry on the upward curve they have been on for the last decade that has seen them climb the Non-League pyramid.

## Chairman - Haringey Borough FC

A warm welcome to our friends from Bowers and I am sure that once again they will provide us with an entertaining game, there are normally plenty of goals when we meet and let's hope for some more today. Bowers arrive here today with a new manager in James Collins after Rob Small's departure in the summer. He certainly has big boots to fill and I am sure he is more than capable of doing so and he will have his team set up to deal with the threats we pose. That threat appears greater now after a good few weeks for the club on the field. I am sure Tom will have more to say about that but I have to say that with a couple of additions and players back from injury we are starting to play like the side we look on paper! You as fans have the banner "In Tom Loizou we trust " and I can confirm that I too trust him to get us on a winning streak and I can categorically state that regardless of today's result he will be in charge next week!!! Unbeaten in 3 and one defeat in 5 shows that after an inconsistent start we are finally on the right path.

Last season we drew too many games and again this season we have drawn several already and we need to convert those draws into wins to ensure we do not fall too far behind those above us. Of course some would say we need wins to pull away from those below us. With 4 going down this season it certainly keeps the season going to the very end . I'm more a half glass full man and see us moving up the table to challenge for a coveted play off place rather than looking over our shoulders although I am realistic enough to see how difficult that is going to be.

Last weekend's win in the Trophy was not only well deserved but very much needed to keep the interest in the competition going and give us something more than just the league to look forward to. Another home game and an opportunity to avenge our recent defeat by Billericay in the next round. I appreciate that in these times paying for entry is not easy and in that competition we share the gate proceeds so we have no choice but to charge but I should also say a big thank you to those of you who do come and can afford to come because the gate money does make a difference to the Club. We have just invested a lot of money in building the new bar in the beer garden which will be open for the next home game and this has been done to ensure that in busy periods fans can access the bar to get served and moreover can remain after the match regardless of whether there is a function in the Clubhouse . As always get behind the boys – Come on Boro

**Aki Achillea - Chairman Haringey Borough F.C**

## Manager - Haringey Borough FC

A good win last weekend, many chances created and although several were missed they did as you all saw have an inspired keeper who kept out almost everything we threw at them .Without him the match would have had a comfortable outcome and we would not have entered the last few minutes thinking that such a game could end up scoreless and down to the lottery of penalties. I was very pleased with the intensity of our game and that is what I have been trying to get this relatively new team to do from the off. We have started matches very slowly this season, too much respect for the opposition, too much playing the ball around simply for the sake of it with no end product. I am encouraging the team to get the ball forward and support and play in areas where we can be dangerous. We have an abundance of attacking options from both midfield and up front and we need to use those options and we will I am sure create chances like we did throughout the whole match last weekend. Today we play a team that are conceding very few goals so we know what we need to do and the areas where we need to push to create chances and I am confident in the players we have to do this. I am spoilt for choice at the moment and it is proving difficult to keep everyone involved but that is what I want. Competition for places is healthy . Players want to play and they do get upset when not in the side. The answer I always tell them is easy. Show me when you get your chance that you deserve a place in the starting line up. I base my team selection on performance not reputation and the boys know that and I maintain that is a healthy stance to take. Let us see where today takes us and with your support as ever I am sure the boys will respond and put on a show for you. Sing your songs and get behind the boys.

**Tom Loizou - Manager Haringey Borough F.C**

## THE SECRETARY'S MUSINGS

This afternoon it is our pleasure to welcome the players, Officials and supporters of BOWERS & PITSEA FC to the CVS Van Hire Stadium for this League match and likewise, of course our Match Officials who are Nathan Oakes with the whistle, Lukas Wood and Lewis Moore with the flags

Both Clubs have made underwhelming starts to the season and after 10 games we have 11 points and Bowers 8 so an away win today would leave the teams separated only by goal difference.

Matches between Bowers and Borough have been frequent since we were moved sideways from the Spartan South Midlands to the Essex Senior League in season 2013/14 and the results have been:-

2006/07 B&P 2 HB 0 (FA Cup Extra Preliminary Round)

2013/14 HB 4 B&P 1 B&P 1 HB 5

2014/15 HB 3 B&P 2 B&P 2 HB 1 HB 1 B&P 4 (League Cup) Borough gained promotion to the Isthmian League so there were no games in 2015/16 but Bowers were promoted at the end of that season and games re-commenced

2016/17 HB 5 B&P 4 B&P 2 HB 1

2017/18 HB 0 B&P 2 B&P 1 HB 2 B&P 0 HB 2 (FA Cup preliminary round)

2018/19 B&P 3 HB 1 (Isthmian League Cup) No League games as Borough promoted to Premier Divn

2019/20 HB 1 B&P 0 B&P 3 HB 2

2020/21 Covid curtailed season - no meetings

2021/22 B&P 2 HB 1 HB 0 B&P 0 - the only drawn game in 16 meetings

Borough 7 wins 29 goals, Bowers 8 wins 29 goals, 1 draw Could hardly be tighter. And its not only at First Team level that we are so regularly in opposition; our Womens' teams and our Under 23s also play in the same League and Division although unfortunately their Under 23s have withdrawn from this season's competition leaving only 6 Clubs in the North Division.

Whatever the outcome today we hope that everyone will depart having watched or participated in an exciting afternoon's sport and have a safe journey home.

### Saturday 8th October HARINGEY BOROUGH v BRIGHTLINGSEA REGENT (Isuzu FA Trophy 3rd Qualifying Round)

Just when it seemed that our customary litany of missed chances had condemned us to the lottery of a penalty shoot out Anthony Mendy took it on himself to lob home an 88th minute match winner. A carefully controlled and accurate effort far more difficult than those which he and many other team mates had previously wasted. It was as well he did for, no disrespect to Max Ovenden, the visitor's 'keeper Charlie Turner had been in inspired form throughout frustrating us with a sequence of astonishing saves and given our own dismal record from the spot this season (2 awarded, 2 missed) we would hardly have started as shoot out favourites. Goal line clearances and the framework came to his assistance on several occasions as the Brightlingsea goal seemed to enjoy a charmed life. The visitors did threaten occasionally and our narrowest squeak came early in the second half when Max mistakenly thought that a trundling shot would drift harmlessly wide only for it to hit the inside of the post and roll across the face of the goal just a foot or so on the right side enabling Max to throw himself down and safely clutch it. Had that gone in and been the winner, great would have been our displeasure for he who unleashed it clearly collected the ball in an offside position. Max later made an outstanding tip over from a free close range header and most present again felt

surprised that the flag stayed down. Midway through the half Georgios Aresti headed home a right wing cross but this time the flag did not stay down. All's well that ends well but it was an edgy, nervous 90 minutes nonetheless. At the end of the match we remained in 11th position but midweek results mean that we have dropped to 13th and if the five teams immediately below us were to win their game(s) in hand and we lost today we would be in the drop zone.

#### **KNOCK OUT COMPETITIONS FOR THE FIRST TEAM**

Our early exit from the FA Cup leaves us depending upon the Isuzu FA Trophy for some real knock out Competition excitement. The draw for 1st Round Proper of the competition pitted us against Billericay Town who will visit us on Saturday 29th October. After the mauling we received from them when they visited us in the League last month no room for complacency.

The Velocity (ie League) Cup draw will see us visit Division One North Club Hashtag United - who play at Bowers & Pitsea's Len Salmon Stadium – on Monday 24th October. Currently Hashtag are in 6th place with 13 points from 6 games and in a good position to challenge for a play-off place as they have game or two in hand on all bar one of the Clubs above them; and did what we could not in the previous Round by returning victorious from Maldon & Tiptree.

#### **NEWS OF OUR OTHER TEAMS**

**The Under 23s** playing in the Development Division North have played only 2 game - a home win and an away defeat – in what has become a very small Division of only 6 teams following the withdrawal of Potters Bar Town and Bowers & Pitsea .Even though they will play each other 3 times it still only provides a 15 match season. The third of them should take place next Monday when Brightlingsea Regent visit.

Last Monday they should have been at home to Heybridge Swifts who for reasons of their own felt unable to fulfil the fixture but a Friendly was arranged at very short notice against Arsenal in the Community Under 23s and a fine match took place ending in a 3-2 victory for Borough.

**The Under 18s** were eliminated from the FA youth Cup at the first time of asking and have played only 3 League games (W1 D1 L1). Last Wednesday they visited Potters Bar Town Under 18s (they now play at Silver Jubilee Park) in a hastily re-arranged game which they lost 3-1 and having dropped only 2 points from 6 games Potters Bar are now clear Divisional title favourites. Monday October 24th when Hilltop FC visit Coles Park is when Borough are next expected to be in action.

**Our Womens Team** joined the First Team and the Under 18s in exiting their FA Competition at the first hurdle. They could hardly have been given a tougher away draw than Hastings United and were cruelly thwarted by a stoppage time goal - or at least denied the chance of a penalty shoot out. But they bounced back in tremendous style last Sunday when they visited Wroxham and returned from their 240 mile round trip 8-0 winners. Think not that Wroxham are mugs as prior to this game they had a 50/50 League record and are still in the WFA Cup. No hidden factors - 11 v 11 throughout and our nearly all teenage team simply outplayed their more experienced opponents. Our performance was reported to me as "clinical" and I can't recall that word ever being applied to any Borough team before!! Sweet revenge for our last 3 visits which saw us return on the wrong end of scores of 9-0 , 19-0 and 5-2 and that gives some idea of the massive improvement. Next opportunity to cheer them on at Coles Park will be on 6th November when Bedford visit and before that they have a visit to Bowers & Pitsea scheduled for 30th October.

### **HELP!!**

AN AMBITIOUS, RAPIDLY GROWING CLUB SUCH AS OURS CAN NEVER HAVE TOO MANY HELPERS. IF YOU WOULD LIKE TO JOIN OUR "VOLUNTEER ARMY" WE WOULD BE DELIGHTED TO WELCOME YOU INTO THE FOLD. TO SET THE WHEELS IN MOTION THE FIRST STEP IS TO E-MAIL OR PHONE Dave BELL at **cfcdavebell@aol.com** or on **07976 606643**

Following on from the above, for example – a much longer and more detailed match reports than I pen would be preferable so there is an opportunity for someone of a literary bent; and it doesn't have to be just for First Team games. Reports on matches for all our 4 teams would be published.

No need to contact Dave re the above suggestions – liaise with me.

Most Clubs run some sort of raffle or lottery at home games – eg time of first goal, 50/50 draw, scratch cards etc. Tickets do not sell themselves

Some teams have posters advertising the details of forthcoming home matches displayed locally in the windows of Newsagents and other small local stores. A distributor to liaise with the shopkeepers would be needed. And a supply of free Season Ticket Application Forms could be located in such stores - and as a “thankyou” the shops might get a free ad in the programme.

These are just a few ideas which randomly come to mind during a sleepless night and there must be many other ways in which the Club could be helped so its not meant to be an exhaustive list.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

A FEW years ago, I took on the running of my son's youth football team to save it from potentially folding. For three seasons, from Under 14s through to Under 16s, the team's coach and I gave the boys a platform to enjoy their football safe, controlled and friendly environment.

They were by no means world beaters but, win, lose or draw, they loved it, as did I, and we all look back on those years fondly with plenty of life skills, both on and off the field, learned.

Without doubt, the most difficult and time-consuming job I had in that time was booking referees. Even though I had a list of qualified referees locally as long as your arm, finding one to officiate our game on a Saturday morning was nigh-on impossible. I'm talking in excess of 50-100 emails per week sometimes until I could find someone available.

At the time, I remember questioning why it was so difficult. Especially for a teen, it kept them involved in the game, it was good exercise and the pay wasn't bad either. I didn't get it.

Until kick-off that was.

Now, individually, and collectively as a team, we prided ourselves on our discipline and I can honestly say, hand on heart, I have never seen, first-hand, any incidents of abuse towards a referee. But, I have heard horrible reports of it happening and I can understand how it does happen. It has to stop.

A shortage of referees leads to a shortage of grass-roots football and, ultimately, in the Non-League game. In short, these young referees learning to officiate at grass-roots level are often promoted up the pyramid into the National League System.

Without them, it would not exist. I mean, would you take verbal, and occasionally physical abuse from players, coaches or spectators for a measly £30? No, neither would I.

With that in mind, I had mixed emotions I read proposals for referees to trial wear body cameras in the adult grassroots game in the first half of next year.

It came following reports that a referee in Lancashire was left with a broken nose, four broken ribs, a dislocated shoulder, a broken collarbone, concussion and whiplash during an alleged attack during a game. In fact, according to Football Association data, there were 1.1 'serious cases' reported per 1,000 matches, covering assaults, physical contact or attempted physical contact with match officials and discrimination cases. Last month, the FA have launched its 'Enough Is Enough' campaign to address behaviour within grassroots football, setting out that any unacceptable conduct will result in action being taken.

"The aim of the trial, the first globally of this nature, would be to explore whether the use of bodycams improves participant behaviour, while providing additional safety for match officials in the adult grassroots game," an FA spokesman said.

"We will be tracking the impact of the trial on behaviour and, if it's successful, will look to roll it out nationally and internationally."

Personally, I think it's very sad that football at grass-roots level has to go down this route but if a referee wearing body camera is to act as a deterrent and a means of their protection then the game owes it our whole-hearted support.

The FA's hands have been tied.

It is understood, that even if the trial proves a success in improving behaviour and enhancing safety, the International Football Association Board [IFAB] will be determined to ensure that it is not deployed senior football. But with reports of verbal abuse towards officials to us at NLP Towers still as rife as ever it's left the lawmakers with a decision to make.

No-one wants to see Big Brother watching Non-League football's every move and taking away its purity but unless we clean up our act from the bottom of our game up, then he may well have to.

Respect our refs, weekends would be very boring without them.

# PLAYER FOCUS

Our first two Player Focus entries concentrated on two of our longest serving defenders. We've changed gear this time around.

Before our FA Trophy triumph over Brightlingsea, we spoke with one of our newest recruits, and he plays up front to boot. Don't say we can't mix it up! CHAYNIE BURGIN is your Boro man in the hotseat today, and yes, we did ask him about THAT goal at home to Horsham...

WE SHOULD PROBABLY SAY WELCOME TO BORO BUT WITH A COUPLE OF GOALS ON THE BOARD ALREADY, YOU'VE CERTAINLY ANNOUNCED YOUR ARRIVAL! BOTH GOALS WERE MASSIVE IN THE CONTEXT OF THE GAMES - HOW DOES IT FEEL TO MAKE SUCH A BIG CONTRIBUTION?

First of all I'd like to say thank you all for the welcome. The squad is abundant in ability so positions are very competitive, I feel I've shown what I can do with the game time I've been trusted with so being able to score and contribute in games that could easily leave us battling at the bottom means more than I can express. The Horsham game was my first goal, but all the credit to Owusu with a sensational bit of skill. He's a player I've built a good relationship with, he's very passionate about football always giving positive reinforcement and someone your confident playing with so I'm glad we had the opportunity to win our first home game of the season and of course it means as much to the us as it does the fans as the reception was phenomenal - a feeling I won't forget.

TELL US MORE ABOUT THAT OUTRAGEOUS FLICK AGAINST HORSHAM - HOW DID YOU GET THE BETTER OF YOUR MARKER AND WHAT WENT THROUGH YOUR HEAD AS THE CROSS CAME IN?

It was honestly a goal I've scored before and a movement that when done smartly will get you a goal, so I made a decision and stuck with it. You need to be strong minded, confident, with a belief in your ability and your teammates to believe in you. The play from Owusu gave me enough encouragement to finish in style so I trusted my gut and executed! The run from Michael gave me room to attack the front post so I did without hesitation, the pass from Owusu was in the right area with the right amount of pace for me to guide it passed the keeper so cue the celebrations!

YOU'RE VERY COMFORTABLE WITH THE BALL AT YOUR FEET, NOT ALWAYS THE CASE FOR TALLER PLAYERS - HOW DO YOU MAKE THE MOST OF IT?

I've always been a skilful player. "Receive, hold and play" is what gives us time to get up the field and score goals. Right now I'm focused on results so keeping it simple and effective is key, but when it's the right time to express myself I have a flair for showmanship, I can definitely get the crowd on their feet!

YOU'RE A YOUNG PLAYER, WHICH CAN BE TRICKY UP FRONT ON YOUR OWN AGAINST BIG, EXPERIENCED CENTRE BACKS - HOW DO YOU PREPARE FOR THESE BATTLES?

I don't go to battle, I play to win. I don't have any limits, with me anything is possible so I don't worry about them, they should be worried about me. I know my game and capabilities as a striker, so as long as I stick to my game, I'll keep scoring.

IT'S ALWAYS INTERESTING TO HEAR FROM NEW PLAYERS ABOUT THEIR EXPERIENCES SETTLING INTO A CLUB - HOW HAS BEING AT HARINGEY BEEN FOR YOU SO FAR?

I'll be honest, it's been bittersweet. The club is amazing! A real close knit community, we engage with our supporters after games and interact with them like family. The hospitality is amazing, always greeted with a smile and everyone is treated with respect. I enjoy being around the lads, we're rich in character and passion. There's never a dull moment in the changing room, we stay focused and hungry no matter at training or game days. The staff have been a great support, very informative on how I can improve my game so that's always a positive. I believe we have the right qualities to do great things this year. I'm a bit gutted that I haven't had as much playing time as I'd like but that won't stop me from playing my best and working hard for us every week. I just need to take my opportunities like the Horsham game and keep contributing in every way I can. Like I said, the Squad is full of talented players and there is a lot of competition for places but that's a part of the game. Football is a game I love and a journey I'd love to continue with Haringey Borough!
