HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF BRIGHTLINGSEA REGENT FC

Brightlingsea Regent, previously Brightlingsea United, have completed around 100 years of competitive football. Firstly, in the Border league, between **1908/1909** to **1970** when they joined The Essex Senior league for 20 years having much success, before going on to join the then Jewson League in 1990 and then back to the Border league in **2001/2002**. Brightlingsea United FC and Regent Park Rangers FC amalgamated at the start of **2005/2006** season to become Brightlingsea Regent Football Club. During this time, the squad and club have continued to grow and develop, having success in the Border league Division 1 and cup.

In **2009/2010** new Management team James Webster and Mark Gridley guided Regent to a 4th place finish and followed up the following season in **2010/2011** by winning the Kent Blaxill Essex and Suffolk Border Premier League in a superb season by playing 34, winning 31, drawing 2 and losing just 1 game.

In season **2011/2012**, James Webster added Tom Rothery to the Management team in September and they finished their first season back at Step 6 with a creditable 5th place finish. They also reached the quarter-finals of the Essex Senior Cup before losing to League 2 side Dagenham & Redbridge. The **2012/2013** season was successful for many reasons. Firstly, an FA Vase cup run, which was the longest in the clubs history before bowing out in round 3 (last 64). The club gained promotion back to step 5 and the Premier Division with a third-place finish which included a 22-game unbeaten run during the season. In the final game of the season the team won the First Division KO Cup final with a 1-0 victory over Gt Yarmouth.

The **2013/2014** season in the Eastern Counties Premier Division again proved to be successful for Brightlingsea, gaining promotion after finishing Runners-up to Hadleigh Utd, losing out on the final day by goal difference. The club also reached the last 16 of the FA Vase and in doing so again created more history.

The **2016/2017** season saw Brightlingsea Regent crowned as champions of the Isthmian North Division, notching up an impressive 103 points and finishing 12 points ahead of their closest rivals, ensuring an historic promotion to the Isthmian Premier League.

In October 2017 long-standing manager James Webster left the club to be replaced by former assistant manager and coach Tom Rothery, assisted by Pip Boyland, who maintained the R's Isthmian Premier league standing and won the Essex FA's Tolleshunt D'Arcy Memorial Cup.

2018/2019 saw the Regent achieve their highest ever finish in the non-league pyramid, along with their best ever FA Cup and FA Trophy runs. They also retained the Tolleshunt D'Arcy Memorial Cup with a 1-0 victory at Maldon & Tiptree.

After Tom Rothery stepped down from the manager's position in September 2019, Colchester United legend Kem Izzet took the hot seat and avoided relegation in his first season in charge, In a season that was cut short in February due to Covid-19.

2020/2021 A later than usual start to the season saw Regent make an early management change as Kem Izzet departed the club in October, replaced with the management duo of Tom Austin and Ryan Salter, arriving from FC Clacton. The season was then curtailed in December and no more football was played.

2021/2022 Tom Austin and Ryan Salter resigned from their positions at the Beginning of November with the club positioned within the relegation places. The R's appointed Brett Munyard and his team of Mark Healy, Ricky Stubbs and Dave Limber who dramatically saved the club from relegation on the penultimate game of the season with a 3-0 victory over Haringey Borough to secure Step 3 football for the 6th season.

Manager - Haringey Borough FC

I write these notes at a time when there are so many aspects of our game and the team that I am really pleased with and at the same time a real frustration at the number of points we have lost in recent weeks. We should be so much higher up the league than we are and even if we simply talk about a missed penalty in injury time against Corinthian Casuals and the injury time goal conceded at Margate on Tuesday night we have 4 points less than we should have and would be sitting joint 6th and in a very good position moving forward. You will all know there are even more points that we have lost in the other games drawn. Having said that the team is really beginning to gel as the boys get to know each other's strengths and weaknesses. It was very clear that I wasn't at all happy on Tuesday and I apologise to those who were there and witnessed the aftermath at the final whistle. Every one knows I am an emotional man and each game brings it's own pressures but having put ourselves in a winning position creating a two goal gap with less than 20 minutes to go there can be no excuse for not seeing the game out. Too many players once again switched off at vital moments and these points lost will eventually harm us if we carry on in the same manner. I told the players it is unacceptable and I trust these players to learn from these lapses and not repeat them. They are a great group of individuals and very good players and I maintain high hopes for a productive season. I thought that in particular the introduction of Matt Young on loan from Orient was a real positive and he showed his quality in only his first game and without having any notion of how the other boys play. He will improve as he gets to know the boys and we will improve with him in the side, an assist, a goal and hitting the post showed what a shrewd deal the Chairman arranged with the O's as we try and help him on his path and we will of course only benefit ourselves from having him for however long we do. Another positive was the performances of Olu and Micheal in the middle of the park alongside Matt which was probably the most complete performance from our midfield to date this season. Kaylen too coming back from injury deserves a mention and I believe he will prove to be a very good player for us once he can get himself fit and back in the groove after an absence for some time. Today we play Brightlingsea in the FA Trophy which is a very important Cup for us after our embarrassing FA Cup first qualifying round exit. I was away when we played them in the league only 2 weeks ago but I hear we had a number of chances to have scored more than the only goal we did score and I hope that today we can capitalise on chances I hope we can create. I know they have danger at set pieces and we were undone by one at their place and they came close on other occasions. That is something we will be trying very hard to stop today. Get behind the boys as usual and I am sure they will seek to repay your support with a performance to make you proud – Come on Boro

THE SECRETARY'S MUSINGS

This afternoon we welcome the players, officials and supporters of BRIGHTLINGSEA REGENT FC to the CVS Van Hire Stadium and likewise, of course our Match Officials who are Jack Oxenham with the whistle, Samuel Gregory and Daniel Baines with the flags

It is only a fortnight since we met today's opponents and played out a 1-1 draw at their Taydal Stadium.

That game was the twelfth between the Clubs since we became Isthmian Leaguers for the third time in 2015 and the results to date have been

15/3/2016 Borough 2 Regent 2

19/3/2016 Regent 1 Borough 1

4/10/2016 Regent 1 Borough 0

25/3/2017 Borough 2 Regent 3

14/8/2018 Regent 0 Borough 2

4/2/2019 Borough 2 Regent 1

24/8/2019 Borough 5 Regent 1

Away game at Brightlingsea not played (Covid)

10/10/20 Regent 0 Borough 3

Home game at Haringey not played (Covid)

1/1/22 Borough 3 Regent 0

22/2/22 Regent 0 Borough 1 (Velocity Trophy)

18/4/22 Regent 3 Borough 0

24/9/22 Regent 1 Borough 1

So currently 6 wins for Borough, 3 wins for Regent and 3 draws. Borough 22 goals Regent 13 goals.

This is our last chance to avoid the unwanted quartet of 100% first game eliminations from this season's FA National Competitions for as well as the First Team's abject performance in the FA Cup at Maldon and Tiptree our Under 18's and Womens' teams also fell at the first hurdle; all three by a one goal margin away from home. There will be neither extra time nor a replay if the scores are level after 90 minutes today, The match would then be settled by a Penalty shoot-out.

Tuesday 20th September HARINGEY BOROUGH v BILLERICAY TOWN **(Pitching In Isthmian League - Premier Division)**

A reference to Jekyll and Hyde hardly begins to address the concerning nature of our performances. After the splendid display the previous Saturday against 2nd placed Horsham expectations were justifiably enhanced at the prospect of taking on visitors, Billericay Town, propping up the table. In fact they left having bagged the 3 points and lifting themselves 5 places to 17th. Our performance was abject to say the least and Billericay fully deserved their 3-0 victory since it would be pointless to deny they bettered us in every department. Absences through injury and holidays may have weakened our defensive ranks with the 34th minute withdrawal through injury of Captain for the night Scott Mitchell adding to our woes but to have rings run round us so easily by the bottom club is extremely worrying. Although we appear to be well entrenched in mid-table at 11th, we have played a game or two more (8) than most other Clubs and of the 11 below us six could climb above us by winning their game(s) in hand and two more could draw level on points. We have now played 4 of the bottom 6 Clubs without winning against any of them and our next two games are against

the other 2. It took only three minutes for Billericay to take the lead through Chris Dickson following some slack defensive play on our part. Things might have turned out differently had the visiting 'keeper not pulled off an outstanding save as we sought parity but apart from that we did not test him unduly with the familiar scenario of wasted chances asserting itself again. The visitors did not create that many chances but they certainly know how to take them. Their second goal arrived in the 56th minute, ironically at a time we were giving our supporters hope when, with us caught upfield in numbers, Bradley Stevenson raced through the left side of our defence from well inside his own half with no real challenge to his progress and slammed the ball home far too easily; leaving us with a mountain to climb which we never looked like achieving and a third goal in the 80th minute, a fine curling drive into the top corner by Alfie Cerulli, finished us off. If there was a comforting crumb for us it was the performance of William Dupray who slotted in well at centre back when Scott was forced off.

Saturday 24th September BRIGHTLINGSEA REGENT v HARINGEY BOROUGH

(Pitching In Isthmian League - Premier Division)

There was indeed a massive improvement in the level of commitment shown but unfortunately we were let down by poor finishing and ought to have had the game sewn up by the interval after 45 minutes we had dominated to the extent that the home team only looked menacing on two occasions; midway through the half they did have the ball in our net but when it was ruled out for offside there was little in the way of protest. Just before the interval the ball flew to and fro across our goalmouth in a rare spell of sustained pressure but fortunately no attacker could get a decisive touch. Apart from that we had been thwarted by a stupendous save by Regent's keeper who pawed away a very close range header from Stefanos among the otherwise wasted chances before and afterwards. It was a different story after the interval with end to end play now the order of the day and Brightlingsea, with plenty of height in their squad looked dangerous at set pieces and it was from a corner some 15 minutes in that they took the lead. We stationed no-one on the far post leaving an inviting target and the hosts took full advantage with a glancing header which would easily have been cleared by a defender in the customary position on the line. It was beginning to look as if that would be the decisive moment of the match but with a quarter of an hour to go Chaynie was in the right place to finish off an attack with a header well beyond the 'keepers reach. Both sides strove for a winner in the remaining period but without success.

Tuesday 4th October MARGATE v HARINGEY BOROUGH

(Pitching In Isthmian League - Premier Division)

A point away from home is generally not to be sniffed at but on this occasion it is difficult to avoid some teeth gnashing at two points thrown away in a match where we twice led – on the second occasion by two goals – only to be the authors of our own misfortune in stoppage time when yet again a vital result changing goal was conceded. A confident start saw Rakim power a header into the top corner after only 7 minutes when he net a corner from the right fired over by our debut making loanee from Leyton Orient, Matt Young; but 10 minutes later it was all square when slack marking left Margate's Champions League Medal winner (with Inter Milan) Ben Greenhalgh free to collect the ball on the edge of the area and move forward to smash a fierce shot into the near top corner. Chances came and went at both ends but things looked good on 70 minutes when Matt drove home a low swerving shot from just outside the penalty area low into the corner of the net to the 'keepers left and out of his reach; even better 3 minutes later when, with Margate still somewhat rattled Olu doubled the lead by poking home a loose ball in a goal mouth scramble. That should have been that but playing out time has never really been in our tactical armoury and it took only two minutes for Margate to get themselves back in with a chance as Korrey Henry's unchallenged close range header was netted when a corner was fired over by Greenhalgh. Worse was to follow for at the start of stoppage time our defence was completely out of shape with too many players upfield as we chased an unnecessary fourth goal and when a free kick was conceded just inside the Margate half, arguing with the referee was preferred to racing back to defend our area. Unsurprisingly, Margate took the opportunity for a quick free kick to set Greenhalgh (who else!) off on a gallop down the right and he picked out Cameron Brodie for his cross and he comfortably nodded powerfully home without challenge from a few yards out. At the final whistle it was difficult not to feel dejected – even the Margate match report writer felt moved to describe the point gained as "remarkable" which presumably arises from surprise at our not running the clock down as most other opponents in similar circumstances presumably have done to them. Tom left no one in doubt of his dis-satisfaction and who can blame him. Our 11 points appear to leave us comfortably in mid-table at 11th but such is not the case as all but one of the 11 teams below us have games in hand and if they were all to win them we would drop in to the relegation positions. Of course, that won't happen

as matches against each other will make it mathematically impossible but we could be left perilously close to the dreaded spots and in no doubt that we need a demonstrable improvement quickly and above all, consistency. Our next League game is against the sole team below us that has played the same number of games, at home to Bowers and Pitsea next Saturday, and if Bowers win it will be goal difference which decides which Club is higher in the table.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from the FA Cup leaves us depending upon the FA Trophy for some real knock out Competition excitement. It also meant that we were without a fixture on Saturday 1st. October when we should have visited Hornchurch who subsequently eliminated our FA Cup conquerors Maldon & Tiptree by 3-0. The trip to Hornchurch has been re-scheduled for Tuesday 1st November. The draw for the 3rd and final Qualifying round of the FA Trophy resulted in today's match and the draw for the next round - the First Round Proper - will take place this coming Monday.

The Velocity (ie League) Cup draw has not yet been made but in the London Senior Cup we have a bye in the First Round and will play the winner of the First Round tie between Glebe FC and Fisher FC, both those Clubs being members of the South East Counties League Premier Division. If victory ensued we would be away in the quarter final to the survivor from Dartford, Tooting & Mitcham United, Metropolitan Police and Hilltop FC.

NEWS OF OUR OTHER TEAMS

The Under 23s kicked off their League campaign in defence of their Northern Division Championship at Coles Park on Monday 5th September against Brentwood Town and turned a 0-1 half time deficit into a 3-2 win thanks to last years Development Division Golden Boot winner, Andre Odeku, netting a second half hat-trick. Because of the withdrawal from the Development Division of Potters Bar Town and Bowers & Pitsea they were not in action again until Monday 3rd. October when they made the long trek to Felixstowe & Walton United but returned pointless after a 2-0 defeat. Next Monday they should be at home to Heybridge Swifts but at the time of writing that seems to be in doubt. An announcement will be made today. Now only 6 teams in the Development North Division, which we won last season so the teams will meet each other 3 times.

The Under 18s started with a visit to Heybridge Swifts in the Preliminary Round of the FA Youth Cup on Friday 2nd September but exited at the first hurdle by 3-2. They opened their League campaign on Wednesday 7th at Langley with a 2-2 draw and on Tuesday 13th entertained Enfield Borough but went down 3-4 so were still searching for their first win which they secured last Wednesday with a 5-0 away win at Harrow Borough. Last Thursday they should have played the return game away to Enfield Borough but the match was postponed. Monday October 24th when Hilltop FC visit Coles Park is when they are next expected to be in action.

Our WOMENS TEAM's flying start hit the buffers at the third attempt as they were unlucky 3-2 losers at Luton Town on September 4th and were without a game on Sunday 11th but they did have a friendly game with Camden Town at Coles Park on the 18th. And what an extraordinary game that was. We camped in their half for the first 45 minutes but were a goal down at the interval as they had scored from one of their only two chances. We could have been in double figures by then but had given a masterclass - even by Haringey Borough standards - in making and wasting chances. The visitors defence tightened up considerably in the second half in which we were not quite so dominant, but poor finishing seemed sure to have cemented our defeat until at the start of stoppage time a harmless looking long shot of which we had fired in a considerable number without troubling her somehow slipped through their 'keepers' grasp. And there was still time for us to net a winner which on the overall balance of play we deserved but it would be hard hearted not to feel a twinge of sympathy for their 'keeper and her defenders. The men left it late the day before but the Women easily surpassed their timings. On 25th they had a Home League game with Kings Lynn Town and emulated the previous days First Team performance as the match was goal-less at the interval when we should really have been home and dry. Again the second half was a more even affair but it was a relief when what looked like a relatively simple catch just under the bar for the visiting keeper was fumbled into the net. There was no stopping the Kings Lynn equaliser which was a rocket of a cross shot from way out on the right which flew into the far top corner. Buoyed by that success Lynn upped their game and we were rather disjointed for a while and eventually some chaotic defending resulted in the award of a penalty for hand ball which was comfortably driven home low and hard. Although we quickly got into our stride again things were looking bleak until five minutes from time the 'keeper could only push a fierce 25 yard free kick into the top corner and parity was restored with no real scares at either end in the remaining few minutes. Looks like being a tightly contested League this season as the point - our 7th from 4 games - was enough to lift us into 2nd

place in the table. Last Sunday they undertook the long trek to the seaside to face Hastings United to start their Women's FA Cup campaign. It was one of the hardest draws they could have been handed and a stoppage time goal provided Hastings with a winner as it ended in 2-1 defeat.

HELP!!

AN AMBITIOUS, RAPIDLY GROWING CLUB SUCH AS OURS CAN NEVER HAVE TOO MANY HELPERS. IF YOU WOULD LIKE TO JOIN OUR "VOLUNTEER ARMY" WE WOULD BE DELIGHTED TO WELCOME YOU INTO THE FOLD. TO SET THE WHEELS IN MOTION THE FIRST STEP IS TO E-MAIL OR PHONE Dave BELL at **cfcdavebell@aol.com** or on **07976 606643**

Following on from the above, for example – you will see there are brief reports on the Corinthian Casuals and Carshalton Athletic games in these notes; a much longer and more detailed match report would be preferable so there is an opportunity for someone of a literary bent; and it doesn't have to be just for First Team games. Reports on matches for all our 4 teams would be welcome.

Many Clubs include in their programmes an article reporting on issues of general interest concerning other Clubs in the League - which can be compiled by trawling through the Isthmian League and other Clubs websites.

No need to contact Dave re the above suggestions – liaise with me.

Most Clubs run some sort of raffle or lottery at home games – eg time of first goal, 50/50 draw, scratch cards etc. Tickets do not sell themselves

Some teams have posters advertising the details of forthcoming home matches displayed locally in the windows of Newsagents and other small local stores. A distributor to liaise with the shopkeepers would be needed. And a supply of free Season Ticket Application Forms could be located in such stores - and as a "thankyou" the shops might get a free ad in the programme.

These are just a few ideas which randomly come to mind during a sleepless night and there must be many other ways in which the Club could be helped so its not meant to be an exhaustive list.

THE VIEW FROM THE BELL END

The best way to describe Boro's performances since we last offered a View from The Bell End is that we've been consistently inconsistent. We've gone from what some have called "the best away game EVER" in beating Carshalton with ten men, to "the worse away game EVER" in losing in the FA Cup to Maldon and, the often forgotten, Tiptree. We should have beaten Wingate & Finchley, should have beaten Canvey Island and should have beaten Brightlingsea Regent. I'll come on to Tuesday night in a sec.

We did however beat Horsham, in a game where I thought we were excellent, we then however, followed that up by getting beaten 3-0 by bottom of the table Billericay, although to be fair there's no way they will be anywhere near the bottom of the table, come the end of the season. See consistently inconsistent in the space of 4 days!

If you look at the league table, it is strange that a large number of teams have played as many games as they have points. Which implies that the league either hasn't settled down yet or the quality of the league is that anyone can beat anyone. I think from a Boro perspective the latter is true given as both Carshalton and Horsham were above us in the league when we played them.

For those that has read this column before and I believe that to be in the thousands rather than the factual single digits and when I say believe, I mean hope! You will know that The Bell End is all about the fans, the Yellow and Blue Army. As such it would be remiss not to pay homage to the significant numbers that went to Canvey Island, in the absolute pouring rain and stood both halves in open ends, superb! And to those that went to Brightlingsea on a rail replacement day, brilliant.

I've also got to applaud the fans that despite the game being cancelled, as a mark of respect for the Queen's passing, still travelled to Margate, everywhere you looked there was Boro faces and judging by the train home a good time was had by all. It was a bit harsh that someone said the happiness was due to the day not being spoilt by football.

On Tuesday we returned to Margate for the re-arranged game. We had a great start scoring after 7 minutes through joint top scorer Rakim with a header and despite being pegged back, we were in Dreamland when Matt Young and Olu made it 3-1. The signing turned to a mantra of "don't concede, don't concede, don't concede" which sadly only lasted two minutes until it was 3-2. We even had time to miss an open goal and time to hold the ball by the corner flag for a while before the inevitable happened, a decision to give a free kick to Margate which none of the Boro fans without their heads in the hands or pacing up and down felt was a free kick, was swung in and it was 3-3. So, another one for the list, we should have beaten Margate. Today we turn our attentions to the FA Trophy and it's been a while since we won a game in an FA competition. Hopefully that changes today. The run a few years back when there was a period of only being able to attend FA Trophy Games during lockdown, and we had two great nights under the lights at Coles Park beating Stortford and Eastbourne, live long in the memory. Sadly, that run was brought to an end by Oxford City after being 2-0 up.

Finally, if you actively scour the papers for how ex-players have got on, I mean we all follow Livingston and Sutton, right. Here's our recent starters, movers and leavers.

Welcome to Matt Young on a 3-month loan deal from Leyton Orient and already a very impressive display at Margate on Tuesday under his belt. On dual registrations to get valuable first team experience, Nathan Kpemou has registered with Hadley and both Ergis Kastrati and Andre Odeku have registered with Barking. Leaving us is Charne Lemba who has joined FC Romania, Charne made 11 starts and 1 sub appearance at right back and centre back whilst at Boro. We wish him well.

Get behind the team. The wins will come. Come on the Boro!

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

AS FA CUP draws go, there really is nothing like the fourth qualifying round.

Yes, the first round 'proper' (a word banned in NLP Towers), and third round draws will grab all the publicity but, for me, there isn't anything quite like the euphoria of the final qualifier before the 'big boys' come in.

Give the change of the Non-League landscape these last few years, I would argue that the Holy Grail for all FA Cup dreamers starts here – and this week's draw sure didn't disappoint.

Take Anstey Nomads for example. The lowest ranked club left in the competition as I write this, the Step 5 Nomads have progressed through five rounds to get to this stage for the first time in their history, culminating in a 5-0 victory over fellow minnows Shefford Town & Campton last weekend.

Their reward, a home tie with Chesterfield, second in the National League with average attendances of over 6,000 and FA Cup semi-finalists in 1996-97.

Who says the magic of the FA Cup only starts at round one?

And Nomads weren't the only ones to pick a dream tie in the live talkSPORT draw this week.

Beckenham Town, riding high in Isthmian League South East having won promotion from Combined Counties South last week, were rewarded for their 5-3 success over Binfield with a visit of Dagenham & Redbridge to their modest Eden Park Avenue ground. What a scalp that could be?

Elsewhere, Coalville Town were handed a dream trip to Notts County's famous Meadow Lane stadium, steeped in FA Cup history, Sevenoaks Town were given a short trip to National League South leaders and Kent rivals Ebbsfleet United and St Ives Town were pulled out a home tie against top-flight strugglers FC Halifax Town, no doubt dreaming of adding their names to the cup archives.

Underdogs Hanley Town, Stocksbridge Park Steels or Ashington and Clitheroe or Bury AFC - in their first FA Cup foray as a phoenix club - were also looking to continue the journey as this column went to press with Tuesday night replays – arguably the biggest games in their club's history.

One tie which will stand out to the FA Cup purist, however, is Blyth Spartans' visit of National League Wrexham.

You have to go back to 1977-78 to stumble across the history between these two sides and a fifth-round replay played at Newcastle United.

After a 1-1 draw in the initial tie at Wrexham, the replay was switched to a snowbound St James's Park and was watched by an official attendance of 42,187 – easily the biggest crowd of the season there and one which wouldn't be bettered for 22 years!

Wrexham won the replay 2-1 and went on to lose 3-2 to Arsenal in the quarter-finals that season.

These days, of course, the Dragons are owned by A-lister Ryan Reynolds and Rob McElhenney and have dreams of replicating such glory.

But in order for the Hollywood storyline to roll into action, they're going to have to rewrite history and get past old foes Blyth first.

Lights, camera, action!

BRIGHTLINGSEA REGENT PLAYER PROFILES 2022-23

CHARLIE TURNER – Goalkeeper; Charlie signed for Regent after an impressive season for Stansted where he won the Essex Senior League golden gloves trophy alongside two cup competitions, finishing runners-up in the league in 2018. Now into his fourth season at Regent where he has already picked up the plaudits from the Regent supporters. A Strong figure in between the sticks and a fantastic shot stopper to boot. The young keeper will continue to improve and attract admirers from clubs higher up the pyramid.

ANDREW GEORGE – Defender; Andy joined the R's in November from White Ensign where he had played over 150 times for the Essex club, also wearing the captains armband on multiple occasions. Andy can play as a full back and centre back with his great versatility, he is a solid, no-nonsense defender who has bundles of energy with a never give up attitude. Andy can become a club legend at Regent!

JERMAINE ANDERSON – Defender; Jermaine joins Regent this summer from Great Wakering Rovers where he finished the season last year with 13 appearances, the start of 2021-22, he was at Basildon United making 16 appearances. The young right back possesses plenty of pace and great positioning play. He is an exciting signing for the R's and we look forward to watching him progress over the course of the season.

TEMI OLADEJO – Defender; Temi joins the R's this summer from Fisher FC where he was a regular last season at left back. Oladejo has a fair few clubs on his CV, notably including Dunstable Town, Herne Bay, Egham Town, Aylesbury, Northwood and Chesham United. The strong, powerful left back possesses great ability going forward and can make things happen, as well as a great delivery on the wand of a left foot. We look forward to seeing what Tem's can do in a Regent shirt.

ZACK LITTLEJOHN – Defender; Zack joined the R's last November from White Ensign and quickly became an ever present in Red & Black. He's performances since arriving have been standout, earning him the Young Player of the season award at Regent. Zack is an assured solid centre back who is comfortable with the ball at his feet as well as in the air. He also has an eye for a goal too having scored 3 times last campaign. The R's had to fend off lots of interest for Zack over the summer and we are excited to see him in his first full season with Regent.

JAKE THOMPSON – Defender; JT returns to club where he initially joined in 2019 from Witham Town, but whilst studying at university, he only made a handful of appearances. JT started the campaign with Regent last season but departed in November to join rivals East Thurrock United. However, JT had a U-Turn and came back to Regent for the season finally. The 6'4 Centre back has been a great addition for us, not only does he bring a physical presence to our back 4, but he can also use the ball in key areas. Still only 23, he is someone who will keep improving.

SAMUEL JEREMIAH - Midfielder; Sammy is another summer recruit for Regent having signed from Basildon United. Samuel began the last campaign with Walthamstow, who helped him make the step up into Senior football. The young Wideman was previously part of the Bowers & Pitsea Under 23's Development side where he scored 26 goals for the club, making him the league top scorer. The quick exciting Wideman, has great skill and pace, he will get supporters off their seats. We look forward to seeing Sammy in an R's shirt.

LUKE SKINNER – Midfield; Luke was another White Ensign signing made in November last year. Luke is a ball winning Centre Midfielder who has a great attitude with tremendous work rate. Luke came in and hit the ground running for the R's as an ideal partner for Charlie Durling. We look forward to seeing Luke for his first full season with the club.

KANE GILBERT – Midfielder; Kane joined the R's from Canvey Island at the beginning of the 2019-20 season where he previously made 44 appearances, featuring in every game for The Islanders scoring 7 goals. Before this Gilbert played for Halstead Town where he made 97 appearances, netting on 25 occasions. Kane is a technically gifted player who works hard, with an eye for goal too. The former Peterborough United youngster has become a fan favourite with his constant energy and high intensity. He is certainly not to be underestimated this season.

CHARLIE DURLING – Midfielder; 'Durls' re-joined Regent from FC Clacton last season having been away from the club for 4 seasons. Charlie's last match for Brightlingsea Regent was back in 2016 under manager James Webster, when he departed in the summer to go to University in Brighton. Charlie is a strong, tireless midfielder, who will break up play with his never say die attitude and being a Brightlingsea lad, he will put in everything on the pitch with his love for the town. Charlie is key to this Brightlingsea team and his accolades prove this being a multiple

award winner last season. Durls is a big fan favourite among the Ultras!

DOMINIC LOCKE - Winger; Dom also came in last season with manager Brett Munyard from White Ensign, where he had made 18 appearances, netting 6 times. Dom netting on his debut in an R's shirt and is described as the best player in the Essex Senior League by his manager! Locke possesses a great delivery and loves running at defenders. Dom will be a fans favourite in no time at Regent and we are all excited with seeing him progress with us!

Oliver Bell - Midfield; Ollie followed his manager Brett Munyard across Essex from White Ensign where he has made 23 appearances last season for the Essex Senior League club. Prior to this, Bell had spells with Stansted and Witham Town before departing to go travelling. Bell brings good experience to a young side as-well as great quality on the ball, he also possesses a great set piece delivery and can score goals too. He will play a massive part in this team and will grow to be a great signing for the club.

HARRISON CARNEGIE - Midfield; Harrison joins the R's this summer from Walthamstow where he helped them to the league title last season. Harrison has previously played for Sheppey United, Whyteleafe and Sevenoaks. He is a wide attacking winger who likes a step over or two! He is very attacking, can use both feet and will add a lot to the team going forward this season. We are looking forward to seeing Carnegie in the Red & Black of Regent!

OLLIE SOTOYINBO - Forward; Ollie joins the R's in the summer from Welling Town where he netting 15 goals in 24 appearances last season. Prior to this, Ollie had spells with Hullbridge Sports and Walthamstow. Ollie has produced goals wherever he has played, he has great pace, likes to run at players and can head the ball too. Ollie has found the net 5 times in pre-season, and we are looking forward to seeing him continue this into the league season. A big Season ahead for Regent's new number 10!

CONNOR BARNBY - Striker; Connor joined from White Ensign last season where he has scored 10 goals in 17 appearances! Connor was previously with Runwell Town and Great Wakering Rovers before moving, signing in 2017. Connor will really put in a shift up front with great work rate, serious pace and a natural finisher too. He has had many offers to go to higher levels but has stayed loyal to his manager, this will be a big season for Connor as he settles to life at Regent!

LUKE WOODWARD - Striker; Woody joins Regent this summer from White Ensign to link up with his old gaffer Brett Munyard once more, where he made 39 appearances scoring 18 goals last season. Prior to this, Luke was at Frenford, where he notched 15 times in 19/20. Luke is a strong hard working forward who creates chances and brings others into the game. We look forward to seeing Luke make the jump in levels and become a big hit in a Regent shirt.

NATHAN FUMA – Midfield; Nathan joins the R's after an impressive pre-season. Nathan can play anywhere along the Midfield and either side, and was previously with Reading, where he played for the Under 23 side. He made nine appearances for Hertford Town in the Pitching In Isthmian South Central during the 2019-20 season, last season he made 11 appearances for the Basildon United.

ADALBERTO PINTO - Midfield; Adalberto has been on manager Brett's radar ever since taking charge of the R's and finally he was able to sign him in September. He signs from Walthamstow where he was instrumental in leading Stow to the Essex Senior League title last season.

He brings a wealth of experience and quality, with a winners mentality, and has had spells with Shamrock Rovers, Shelbourne, Aveley, Maldon & Tiptree, Heybridge Swifts and Great Wakering Rovers.

MANAGEMENT

BRETT MUNYARD – Manager; Brett joined Regent last November from White Ensign where he had been for the previous 6 seasons. Brett came to the R's during a very turbulent time and saved the club from relegation last season. Brett is a very bright young manager who is very passionate, ambitious and dedicated to football. Based in Billericay, the young manager has an extensive knowledge of football at all levels and is a perfect fit for the club's ethos. We look forward to our first full season under Munyard's leadership.

MARK HEALY – Assistant Manager; Mark arrived at the club with Brett, where he had been Assistant with him for the past 6 seasons at White Ensign. Mark is a more experienced head having previously been at Billericay Town and Stansted, also working previously with current goalkeeper Charlie Turner. Mark prides himself on working in the goalkeeping area of coaching and will be a huge asset to the club as he has shown that he is real clubman at heart.

RICKY STUBBS - Coach; Ricky also arrived with Brett last season, where he also had been with White Ensign for

the last 6 seasons. Ricky is more of a quiet, level-headed coach that will build a great bond with his players and help them with all areas of the game. Ricky will be someone that will work on the fitness side of the players and ensuring they are at the level required.

DAVE LIMBER - Coach; Dave come in to join Brett's coaching team in November last year. Dave has been with Brett as a player in the same teams, as well as coaching for around 10 years and are very good friends. Dave was a decent striker in his playing days before converting to a Defender in his final playing chapter where he was White Ensign's captain. Limber left Ensign to join Epping as Assistant Manager last season, only to be reunited with Brett at Regent.

ALAN WRIGHT - Kit Man; Alan has been with the club for several years in different positions, he has managed and led a team through from youth to men on two occasions at the club. Also, the vice-chairman, Alan is always keen to help and get stuck in on and off the field, he is a fantastic club man who bleeds Brightlingsea Regent. He will be a massive help to all the squad over the next 10 months.
