HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF ENFIELD TOWN FC

Formed on 23rd June 2001, Enfield Town FC started life in the Essex Senior League in 2001-02. The club finished runners-up in that first season before winning the league championship the following year. Their time spent in the ESL was successful, with two championships, two league cups, a Middlesex Charity Cup and wins in the Gordon Brasted Memorial Trophy and Capital Counties Feeder Leagues Trophy finals to show for their efforts.

After securing promotion to the Southern League (East) in 2005 under manager Jim Chandler, the Towners had a successful first season at that level, before eventually losing to Wivenhoe Town in the promotion play-offs. The following year, following a move into the Ryman League for 2006-07, the club again finished 3rd – this time losing out in the play-offs to AFC Sudbury. In 2009-10, the club yet again only just missed out on promotion, being beaten this time by Concord Rangers in the play-off final.

The club originally played at Goldsdown Road, the home of Brimsdown Rovers, in a ground share arrangement. But in October 2008, the London Borough of Enfield announced a deal with the club which paved the way for it to relocate to the Queen Elizabeth II Stadium. Realising a long-held dream, the club worked closely with the Council to see the old athletics arena restored and upgraded to be able to host Isthmian League football. At last the club had a home of its own, a short distance from the former Enfield FC stadium in Southbury Road. While retaining a running track as a training facility for local use, the club has been able to provide an atmospheric environment. The Stadium was formally opened in November 2011 with a match against a Tottenham Hotspur XI.

Following the move to the new ground, after finishing as Ryman League Division One (North) runners-up under manager Steve Newing, Town overcame Grays Athletic and Needham Market in two very close play-off matches to secure promotion to Step 3. Subsequently, after aiming for a period of consolidation, safety was only guaranteed on the final day of the 2013-14 campaign with a 2-1 win at Cray Wanderers.

Bradley Quinton succeeded George Borg as first team manager in August 2014 and, such was the team's improvement that a play-off place was achieved, only for three crucial points to be deducted in controversial circumstances towards the end of the campaign which consequently led to a final league placing of 7th.

In 2015-16, the side embarked upon an impressive late run, but missed out on a play-off spot by two points. Then in 2016-17, the club's Premier Division play-off dream was realised, but a 2-4 reverse at Dulwich Hamlet in the semi-final put paid to further progress.

Following the departure of Quinton to Braintree Town, Andy Leese took over the managerial reins at the start of the 2017-18 season and, under his management, the club have progressed further in the FA Cup and FA Trophy than ever before and won the Velocity Trophy (Isthmian League Cup) for the first time.

In June 2017, the club were awarded the Charter Standard Community Club of the Year by the Middlesex Football Association, one of several awards received in recognition of all the hard work being done to support the local community. In November 2017, a 3G training facility was opened adjacent to the club's stadium. This London Borough of Enfield project was made possible with a grant via the Football Foundation and is used primarily by Enfield Town FC as well as a range of local schools and other clubs. Subsequently, Enfield Town FC Community Sport Development Ltd, a not-for-profit organisation run independently of the football club, was formed to support local community activities, which currently include football schools, holiday clubs, disability football and walking football. This organisation was recently granted charity status.

In the summer of 2018, the QEII Stadium hosted eight matches (including the final) of the Confederation of Independent Football Associations (CONIFA) Football World Cup. Between January 2019 and January 2020 three players – Rian McLean, Josh Davison and Muhammadu Faal – were signed by EFL clubs. From September 2020 a partnership between the club and the EDSV Academy (now Level 7 Academy) was started with a view to providing a pathway for Under 18 players to progress, potentially into the first team squad in due course. Last season, the club's twentieth, Enfield Town celebrated ten years at their current home, the Queen Elizabeth II Stadium, and marked the occasion by showcasing the club's various teams at all age groups and abilities; a testament to its status as a footballing hub in the local area. The senior men's side had one of its best in recent memory, reaching the Third Round of the FA Trophy - a stage never before achieved

by the club - and finishing a highest-ever third place in the Isthmian Premier Division, before falling to two late Hornchurch goals in the play-off semi-final.

The first supporter-owned club in the country, growth continues at a sustainable pace. Over the years, successful Reserve, Youth and Ladies sides have been developed, alongside other teams of various age groups and abilities, including a learning difficulties squad and a walking football side. The club continues to pursue its vision as an inclusive club for all and a football and social centre for the community, with a range of teams playing at the highest sustainable levels possible.

THE SECRETARY'S MUSINGS

This evening it is our pleasure to welcome the players, officials and supporters of our near neighbours a few miles up the A10, ENFIELD TOWN FC to the CVS Van Hire Stadium; likewise, of course, our match officials who are Matthew Ball with the whistle assisted by Ka Ho Wong and George Younger.

It is the Velocity Cup (ie the League Cup) which brings them here for this Round of 16 contest. Although this is our 5th season as an Isthmian Premier Club this is only the sixth meeting of the Clubs as Covid put paid to three others. In 2018/19 we enjoyed the better of the exchanges with a 2-2 away draw and a 3-1 home win. Only the game at Donkey Lane took place in 2019/20 which Town won 5-3 and neither match took place in the following season. Last season they beat us at Donkey Lane in September by the only goal of the match scored in stoppage time and when they later visited us there were no goals at all thanks to a fine penalty save by our briefly resident goalkeeper Lamar Joseph-Johnson after he had committed the offence which caused it to be awarded.

Whatever the outcome this evening we hope everyone will depart having enjoyed witnessing or participating in an exciting evening's sport and have a safe journey home.

ADMISSION COSTS

There is still time to gain free entry to our remaining 12 home League games. An on-line application should be made via www.haringeyboroughfc.net for a FREE SEASON TICKET. Anyone encountering difficulty is welcome to see me for assistance.

For those not holding such a ticket the same charges as last season will apply - £10 standard adult, £5 Concessions*** and Under 16s FREE if accompanied by an adult.

*** meaning those of 60+, Students of 16+, NHS Staff, Unemployed, Armed Forces personnel, Disabled.

For Cup matches we are unable to offer free entry and the charge will also normally be as for League games. No charge is made for entry to our Under 18, Under 23 and Womens Team Home game

Full League fixtures for all of our 4 teams have been announced and are shown below in this programme.

Saturday 19th November 2022 HARINGEY BOROUGH v POTTERS BAR TOWN (Pitching In Isthmian League – Premier Division)

Not a great match but certainly a hard fought one in which the fairest result would probably have been a draw. But it wasn't for, in a match of very few dangerous shots on goal, "The Scholars" Kasim Aidoo unleashed two fine second half efforts and we could produce nothing similar; the visiting 'keeper was not severely tested and dealt easily enough with the succession of long balls and corners which were aimed into his area. The first half was an end to end affair with neither side looking particularly dangerous near goal. The nearest to breaking the deadlock came midway through the half when a melee in our goalmouth needed multiple blocks to keep it out before it was eventually cleared. The second half was only three minutes old when Aidoo opened the scoring as he arrowed a cross shot from the corner of the penalty area low into the far corner. Twelve minutes later we were two down as we lost the ball to him in a dangerous position in our own half allowing him to move forward and he drove a hard low shot just inside Luke's left hand post from a yard or so outside the area. Although we stepped up a gear after that, with no semblance of defeat being accepted as inevitable with half an hour remaining to turn things round, the lack of a finish to promising approach work sealed our fate. Our only success came in the 74th minute when two substitutes combined well. Chaynie who had only been on the pitch for 2 minutes drove a low ball across the goalmouth from the left and Tage scrambled it home at the far post. Hopes of a point were then high with plenty of time remaining but that was as good as it got for we could produce nothing to ruffle the feathers of the visiting keeper for all our possession and pressure. As regards our League position no change occurred and we remained in 14th place just 8 points behind the last play off spot, largely on account of the results of the other 5 matches played being quite favourable from our point of view and ten Clubs having no League game due to the FA Trophy. But the down side is that no Club has now played more League games than us.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from both FA Competitions leaves us depending upon the Velocity (ie League) Cup and the London Senior Cup for some knock out excitement at the end of the season. Maybe there is a hopeful precedent from last season when we went through to the Semi-Finals of both Cups, albeit aided by some

opponents withdrawals. We have reached the last 16 of the Velocity Cup and are, of course, playing Enfield Town at Coles Park this evening. In the London Senior Cup we had a bye in the First Round and will play at home to Glebe FC of the South Counties East League Premier Division on Tuesday 6th December. If victory then ensues we will be away in the quarter final to the survivor from Dartford, Metropolitan Police and Hilltop FC.

NEWS OF OUR OTHER TEAMS

The Under 23s A disappointing result last time out as Bury Town Under 23s visited Coles Park on 7th November and left having inflicted a 5-0 drubbing on us. That completed an undesirable hat-trick of games in which we have failed to score. Their next match, which should have been at home yesterday was postponed and their next action should be on Wednesday November 30th when they visit Heybridge Swifts.

The Under 18s Their scheduled game away to bottom Club Hilltop FC on Wednesday 9th was postponed, possibly unnecessarily, due to the weather but last Monday New Salamis "entertained" us at Coles Park and we did well to record a 3-2 win against a side which had reached the First Round Proper of the FA Youth Cup and were only eliminated by a goal which Colchester United netted around the 98th minute. Their next outing will be this coming Wednesday when they visit Edgware & Kingsbury at Silver Jubilee Park.

Our Womens Team After their see-saw 4-3 nail-biting win over visiting Bedford on Sunday 6th they had a blank week but last Sunday AFC Acorns of the London & South Eastern Regional League left Coles Park well beaten in the First Round of the Senior Section of the Capital Women's Cup. This was our first win in any knock out competition since season 2016/17 when we beat Cambridge City in the League Cup Final. As with the previous home match against Bedford it was a case of girls (us) against women (the visitors) and again it was the women who found our youthful athleticism too much to cope with and picked the ball out of their net four times. We seemed to have learned a valuable lesson from that Bedford game when after running up a three goal lead we relaxed and let them right back into the game to equalise before reasserting ourselves to administer the coup de grace. No such mistake this time as we maintained the pressure on them even when we were 4-1 up. Just as well since they did score a second minutes before the 90 minutes was up and we had to weather a lengthy period of stoppage time in which several corners and free kicks from dangerous positions were launched at our goal so had the two goal margin been only one nerves would really have been on edge. As it was all were successfully repelled. We made the breakthrough twenty minutes into the first half when the sheer speed of Shakira Roberts enabled her to out run the defenders as she chased a long ball over the top and she kept her composure to slot it home confidently past the oncoming 'keeper. A scrappy equaliser when a free kick was not effectively cleared fell conveniently for a visiting player to score and sent the teams in level at the interval. At half time we introduced Tori Campbell and what a difference she made with an assist for all three of the goals which put us in command of proceedings; Rimini Lowe and Kylie Manktelow (2) were the scorers. Our reward is a January 15th trip to Wadham Lodge to meet London Seaward (formerly Leyton Orient) of the National League Division One South in the 2nd Round. The squad of 16 was Tida YAKOMOTO; Emily PICKARD; Megan PETERS; Louise ASKEY; Sarah McDERMOTT; Amber LEIGHTON; Chloe IONS; Amy HAYNES; Kylie MANKTELOW; Shakira ROBERTS; Alena HUBBARD Substitutes (all used) Tori CAMPBELL; Cara BROMGOOLE, Lucy RANDING; Naomi RANDING; Rimini LOWE.

The proceeds of the 50/50 draws are passed on to the Womens team to help with its running costs, which are quite considerable for a League which embraces Clubs as far apart as the North Norfolk coast and the Thames Estuary, and is much appreciated. Those supporters who attended both the Saturday defeat by Potters Bar Town and this well merited victory will have noted that the money has certainly gone to a deserving cause.

LYLE DELLA-VERDE (FORWARD) - Lyle is in his second spell with the Towners after first signing from Hayes & Yeading United, making his debut - and scoring - in a 5-3 win against Haringey Borough in December 2019. He started out with Tottenham Hotspur as a youth before moving on to Southend United and Fulham, where he signed his first professional contract aged 17. After a loan spell at Bristol Rovers, he subsequently signed for Fleetwood Town and then Crawley Town before moving into non-league football with Braintree Town, Concord Rangers, Dartford and most recently Welling United.

He has previously been on the books at Brentford and Barnet's academies, as well as gaining experience in non-league with Staines Town and Chalfont St Peter.

ANDRE COKER (FORWARD) - 24-year-old forward Andre joined Enfield Town at the start of the 21-22 league campaign, scoring seven times and assisting six in his debut season. He has previously turned out for Kingstonian, Maidstone United, Cray Wanderers and Bromley.

MARCUS WYLLIE (FORWARD) - Nippy young striker Marcus signed forms at Donkey Lane over the summer, joining from Step 5 side Risborough Rangers. His former employers described him as having "the ability to score goals at will" - he chalked up an impressive 36 of them last term on their way to an astonishing 52-game unbeaten run.

ADAM CUNNINGTON (FORWARD) - In recent seasons, following spells at clubs including Barwell, Solihull Moors and Kettering Town, centre-forward Adam has enjoyed National League experience at Tamworth, Cambridge United, Ebbsfleet and Bromley. He has also made EFL appearances for Dagenham & Redbridge as well as for Cambridge. He enjoyed the best part of three seasons at Billericay Town, and prior to his Town arrival wore the colours of Hornchurch and Cheshunt. He made his debut against Maldon & Tiptree in the FA Trophy in December 2020 and has been back amongst the goals this season.

JAKE CASS (FORWARD) - Jake joined Town in January 2022 following his surprise release from Bishop's Stortford, for whom he had been top scorer in the 21-22 campaign with 15 goals. The 28-year-old is a powerful striker who brings with him a wealth of experience in non-league, having also represented Chelmsford City, Braintree Town, Maldon & Tiptree and Chesham United among others.

MANAGEMENT

ANDY LEESE (MANAGER) - Before joining Enfield Town in June 2017, Andy had spent over a decade as manager at Chesham United, having moved to the Meadow in the summer of 2007 from Potters Bar Town. His spell at Chesham included reaching the Southern League Division One Midlands play-offs twice, including promotion at the end of the 2009-10 season. In the Premier Division, he led the Generals to three consecutive play-off places. In 2015-16 the Second Round of the FA Cup was reached, and that was followed the following year with another appearance in the First Round. He began his management career at Somerset Ambury in the Spartan South

Midlands League in 2000, before departing for Cheshunt in 2002. The following year, he guided the Ambers to the Ryman League Division 2 title, before leading them to promotion to the Premier Division the following season. He has also enjoyed spells at Boreham Wood and Wealdstone. Under his management, Town have progressed further in the FA Cup and FA Trophy than ever before, and reached last season's Isthmian Premier play-offs for the first time in five years before losing narrowly to Hornchurch in the semi-finals.

MARIO NOTO (ASSISTANT MANAGER)

Mario started out with Tottenham Hotspur before moving on to Reading and then to Canvey Island. He subsequently had spells at Chelmsford City and Boreham Wood before joining Harlow Town in November 2015 prior to a move to Enfield Town in August 2017. He was appointed assistant manager in the summer of 2019.
