HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

HISTORY OF KINGSTONIAN FC

The Kingstonian club came into being in 1919 as a result of the merger between Kingston Town FC and Old Kingstonians FC. However, the club can trace its origins even further back and celebrated its centenary in 1985; the reason for this is that one of its forerunners, Kingston & Surbiton YMCA FC played its first match on a ground in Bushy Park in November 1885. In 1887 the YMCA changed its name to Saxons FC. Then in 1890 it changed to Kingston Wanderers FC and once again to Kingston-on-Thames Association Football Club (KAFC) in 1893. Unfortunately, in the early 1900s there was trouble in the camp and in 1908 the club split in two with Kingston Town playing at Norbiton Sports Ground and Old Kingstonians on what became known as the "back pitch" at Richmond Road.

The new Kingstonian set-up started life in the Athenian League, a competition that it won in both seasons 1923/24 and 1925/26, playing its home matches at a brand new ground in Richmond Road that remained its home until 1988. In 1929 the Kingstonians, widely known as the K's, accepted an invitation to join the Isthmian League as a replacement for the Civil Service FC, and remained in that league until 1998.

The K's have a credible history and their blue ribbon period of the early 1930's produced players such as Frank Macey, Doug Whitehead, George Lee and the Whittaker brothers achieving in April 1933 its then greatest accolade by winning the FA Amateur Cup which well and truly put Kingstonian on the football map. Wins over Portland United (after a replay), Leyton, South Bank, Dulwich Hamlet, and Whitehall Printeries took the K's through to the final, staged at Dulwich, against Stockton, which resulted in a 1-1 draw. For the replay Kingstonian had to travel to Darlington, but despite going one goal behind after only four minutes, the K's came back to win 4-1 thanks to goals from Gibson, Urpeth (penalty) and Whitehead (2).

In the following season, 1933/34, K's bowed out of the Amateur Cup in a second round replay to Wimbledon at Plough Lane, but went on to successfully win the Isthmian League, a feat they repeated in season 1936/37 and, of course in 1997/98.

In season 1959/60 it seemed as though the Amateur Cup was going to return to Kingston as the legendary Johnny Whing headed K's into the lead against Hendon in the final at Wembley Stadium. Two goals in the last three minutes, though, had the FA officials busily changing the red and white ribbons for green and white ones as Hendon won the cup for the first time. To qualify for the final, Kingstonian disposed of Histon, Letchworth Town, Ferryhill Athletic, Carshalton Athletic, and Crook Town in a semi-final tie played at St James' Park, the home of Newcastle United.

The Kingstonian teams of the early 1960's were arguably as good as those of the 1930's and many trophies were won. After winning the Surrey Senior cup for the 9th time (as Kingstonian) in 1967, the club's successes dried up and despite the endeavours of many managers and countless players, the team went into decline. In 1979 relegation to Division One was suffered, but in 1985 the club bounced back as runners up to Farnborough Town. K's were a mite fortunate as Leatherhead, who finished above them on goal difference, had three points deducted for fielding an ineligible player. Kingstonian remained as members of the Premier Division until the end of the 1997/98 season when promoted to the Nationwide Conference.

The famous Richmond Road ground, which was loved by so many, became increasingly dilapidated and subject to vandalism, so a decision was made to relocate and develop the site for housing - a move that also assisted the club's finances. The last game played there was in January 1988 against Bromley. After one and a half season's ground sharing at Hampton's Beveree ground. K's opened their brand new Kingsmeadow Stadium (on the site of the old Norbiton Sports Ground) in August 1989, when Slough Town were the visitors. After achieving a draw with Peterborough United in 1992, the club recorded a fine FA Cup win at Kingsmeadow by beating Brighton in 1994; they also competed well the following year against Plymouth. In front of 3,495 supporters the K's held Leyton Orient to a 0-0 draw only to lose 2-1 in the FA Cup 2nd Round Replay in 1998. Drawn away to Luton Town in the First Round of the FA Cup in October 1999 saw the K's come in at half time 1-1 only to go down 4-2 at the end.

At the beginning of the 1997-98 season, the club appointed Geoff Chapple as manager. He brought about an exciting change of fortune for the club. In his first season, he took the club to the Isthmian League Premier Division Championship. In the following season, their first in the Football Conference, the club finished a creditable 8th, but they capped it all off by winning the FA Trophy at Wembley in May 1999 with a 1-0 victory over Forest Green Rovers. The following season 1999/2000, in the last FA Trophy Final between the famous

Twin Towers, the K's retained their title with an exciting 3-2 win over Kettering Town, giving Chapple his 5th FA Trophy Final win in seven seasons (the other three with Woking). The club also reached their highest position of 5th in the Conference.

However, season 2000/2001 proved to be extremely mixed. The K's made the headlines again with a tremendous run in the FA Cup. A home win against Devizes Town was the start of an incredible run that saw the K's defeat Brentford, Southport and Southend United all away from home. In the Fourth Round, K's were thwarted in the last kick of the game at Ashton Gate as Bristol City scored a very last gasp equaliser before winning the replay at Kingsmeadow in a live televised match. Unfortunately, the club's league form proved to be exactly the opposite, as the K's finished next to bottom and were relegated back to the Ryman Football League.

Season 2001/2002 and it was time again for a change, as the club and Geoff Chapple parted by mutual consent. Kingstonian quickly appointed former Dover Athletic man Bill Williams as their new manager, who had working alongside him former Tottenham Hotspur player Steve Sedgley as his assistant. In late 2001 Williams departed the club and Sedgley moved up to the position of manager and his assistant was Kim Harris who was promoted up from the position of reserve team manager.

December 2002 saw the sudden resignation of the highly promising Sedgley as manager. The club immediately promoted Harris, a former K's striker, to manager and appointed former Woking man Scott Steele as player/coach. The club had ups and downs over this period but only failed to make the new Conference South following a single goal defeat to Lewes in a Ryman League playoff.

Following a poor start to season 2004/05 Harris decided to call it a day after just four games. Scott Steele was promoted to manager but, despite encouraging good football from his side, was unable to prevent what became an inevitable relegation to Division One. However, good news arrived off the field when local businessman Jimmy Cochrane bought the football club, giving the club a positive outlook for the first time in several years. Steele's resignation followed towards the end of the season when former assistant manager Ian McDonald was brought in along with Stuart McIntyre as his coach with a view to resurrecting the club's fortunes.

The 2005/06 season saw K's move up the table only to miss out on playoffs on the final day of the season, though silverware was achieved following a 1-0 win over AFC Wimbledon in the Surrey Senior Cup Final. McDonald was almost immediately succeeded by McIntyre as manager, whilst the club was jointly bought by Mark Anderson and Malcolm Winwright – the board would be completed by the presence of John Fenwick as chairman from May 2011 to June 2014 and then co-chairman with Anderson and Winwright until January 2018, when he became sole chairman again.

Stuart McIntyre's time as manager was unfortunately short-lived and unsuccessful, and midway through the 2006/07 season he was replaced as manager by former Walton and Hersham manager Alan Dowson. Dowson and his team immediately transformed the club, and achieved a semblance of stability. There was plenty of expectation for the 2007/08 season, though inconsistency led to the K's missing the play-offs once again on the final day of the season.

The 2008/09 season was successful from start to finish. A run to the Third Qualifying Round of the FA Cup was highlighted by a 4-0 home win over Conference South team Braintree Town, all four goals scored by midfielder Dean Lodge. This performance led to the K's player winning the Performance of the Round award from the FA. But it was in the Ryman League Division One South that the biggest success came, as a very strong start and a storming finish led to Kingstonian winning the division by seven points ahead of Cray Wanderers.

After an absence of four years, the club almost passed straight up through the Ryman Premier Division, recovering from a difficult start to reach the end of the season playoffs. It was Boreham Wood, however, who won the controversial final match. Heartache followed in the following 2010/11 season when a final day collapse at Margate cost another attempt at the playoffs. The following two seasons saw mid-table finishes in the league accompanied by successive London Senior Cup final appearances, before a return to the playoffs in the 2013/14 season, after the club finished runners-up in the league. A semi final defeat against AFC Hornchurch however denied the chance of promotion, in what turned out to be Alan Dowson's last game in charge.

With former K's midfielder Tommy Williams installed as manager, the club again reached the FA Cup Third Qualifying Round, losing 3-2 to a last minute goal against Eastbourne Borough. The league campaign was a roller-coaster, a late challenge for the play-offs falling short in the last couple of weeks of the season. In his second season, the 2015-16 campaign saw the K's lift their first cup in ten years, winning the Isthmian League Cup with a 5-0 victory over Faversham Town.

The 2016-17 season proved to be a difficult campaign, as the club flirted dangerously with relegation thanks to a dreadful run following Christmas; with six games left and hopes almost lost, Tommy Williams was replaced as manager by former Billericay Town man Craig Edwards. He turned the club around immediately and K's moved up to 16th after a five match unbeaten run to end the season. K's left the Kingsmeadow Stadium at the end of the season and moved to Fetcham Grove with Leatherhead FC; Edwards resigned in October 2017 and was replaced by former Whyteleafe manager Leigh Dynan.

At the beginning of the 2018-19 season, Kingstonian moved back to the Royal Borough of Kingston-upon-Thames and started a ground share with Corinthian-Casuals at King George's Field. A difficult season saw K's have three managers, as Leigh Dynan was replaced by Dean Brennan and then very quickly by stand-in manager Kim Harris - K's moved from second place in the table on New Year's Day to escaping relegation by a single place after a horror run of results.

The 2019-20 season may have been curtailed by the COVID-19 pandemic, but new manager Hayden Bird's arrival gave the club an enormous boost, and the K's supporters were rewarded amply with fine runs in both the FA Cup and the FA Trophy - the club reached the First Round of the FA Cup for the first time since 2000-01, and defeated Macclesfield Town 4-0 at Moss Rose in Round One before bowing out in Round Two at home to AFC Fylde on a day that saw the club host that afternoon's edition of BBC Football Focus. Their FA Trophy run also ended in Round Two but was most notable for a fine 3-1 victory over Alan Dowson's Woking team at King George's Field. The 2020-21 season was curtailed even more than the previous season, ending in November with K's sitting in fourth position in the Premier Division.

The 2021-22 season started out extremely well, with K's topping the Premier Division for a lengthy period before Christmas, but form then disappeared, and the club had to settle for an ultimately disappointing tenth place and a place in the Surrey Senior Cup Final, which was lost on penalties to Dorking Wanderers after a 1-1 draw. During the summer, the club moved temporary home once again, this time to Imperial Fields at Tooting and Mitcham United, and Lee O'Leary was appointed manager after the resignation of Hayden Bird.

Chairman - Haringey Borough FC

A warm welcome to all from Kingstonian tonight for this re-arranged league match, with our records in the league being identical we both know the significance of the match in terms of our ambitions for this season, a win for either will certainly provide some confidence going forward. One tip to the coaching staff from me – mark Tyrese at set pieces !!! We had a great win last Saturday against a Folkestone side who are certainly not a bottom side and I'm sure will pull away from their current position as the season progresses. The atmosphere was special again and that is as a direct result of your support throughout, there were tense moments during the game and your unwavering support drove the boys forward culminating in the late goals that sealed a much deserved win. I have seen so many new faces this season and it really is a privilege for us to see, we have many more people helping now and it shows we are doing something right. On the subject of helpers / volunteers I am going to repeat something I said at the start of the season. I am afraid there is still a large swathe of fans who arrive after kick off. It is a conscious decision by the Club not to charge you and allow you to watch this quality level of football for nothing. We are the only Club in the Country at our level of football that do this. Our Volunteers are exactly that Volunteers. They have offered to help the Club so they man the turnstile, man the entry points, provide assistance to attendees for the car park to make sure people know where to park and also to ensure they do not get tickets, there are additionally other roles, manning the Club shop now situated in the Clubhouse for the time being, watching over security at the dressing rooms, accompanying the officials to and from the field of play etc etc. Having fulfilled those roles the very least I want is for them to watch the match!! Fans arriving late are now showing, in my view, little respect to those of us at the Club who are assisting you. I often take over at the turnstile as well to try and ensure that as many people as possible see the match in its entirety, as a consequence I then miss it!!! Please do what you can to arrive at least 10-15 minutes before kick off so that we know once the game is about to start we can leave our posts to watch the full game, thank you, apologies for pointing this out, it may be that fans do not realise the effects of arriving late, I hope you all now understand and appreciate where I am coming from on this point and will do what you can to help everyone – get behind the boys – enjoy the game – come on Boro

Aki Achillea - Chairman Haringey Borough F.C

Manager - Haringey Borough FC

I am a lot happier after the win on Saturday which followed what I said last week was an excellent performance against Hornchurch. Make no mistake this Folkestone side are not a bottom Club. They have had considerable upheaval with the manager changing but they have a good crop of players as we saw and they will win plenty of matches moving forward. That is what was so pleasing for me, turning over a good side, that is 3 in a row have played Folkestone, Hornchurch and Billericay and we have played really well in all of them and it shows me we are certainly moving in the right direction. Next up is Kingstonian who have a similar league record and will push us hard, anyone who has seen their improvement of late will know it will be a tough game. They have our ex player Tyrese at centre back and I am sure he will have a point to prove although he knows it was his injury that forced us to look elsewhere during the summer, we all wish him well, just don't score tonight!! I have been warned by the Chairman and I know where he is coming from when you see how many he has scored thus far this season. We will be missing a couple of squad members again tonight through injury but I keep repeating that gives opportunity for others, we have a fairly large squad, there are matches when at least 3 or 4 do not make the 16, that is disappointing for them I am sure but I keep telling them it is a long season, we are a squad and I pick players on form and players for the opposition. Everyone is a valued member of the squad and will get their chance and when they get it they need to take it. We cannot carry players, we have an aim this season and I want everyone pulling in the same direction. I feel we have that at the moment, a unified squad and players who want to achieve something special. Let us carry on tonight where we left off on Saturday – support the boys as ever – Come on Boro

Tom Loizou - Manager Haringey Borough F.C

THE SECRETARY'S MUSINGS

This evening we take the opportunity to welcome the players Officials and supporters of KINGSTONIAN FC to Coles Park; and, of course our Match Officials who are Michael Smith with the whistle assisted by Sobastian Frazer and Billy Morgan.

Since we became an Isthmian Premier Division Club we have played the K's six times. Matters got off to a good start for us in 2018/19 for we completed the double with a 4-0 win at St. George's Field and a 2-0 win at Coles Park. In the following season only one match was played thanks to Covid and that saw Kingstonian win by the only goal at Coles Park. Only one match was played in 2020/21, a never to be forgotten nightmare on the evening of December 4th which was the last day before the December lockdown started and put paid to the season. The whole of London was on the road to partake in that last evening of freedom and an indulgent referee allowed the match to kick off at 8.30pm by which time two of our players were still marooned in the traffic and never arrived at all. The match ended in a 3-1 win for the K's and in the final scheme of things mattered little. We were certainly not all tucked up in bed at home when the lockdown started at midnight! No such complicated circumstances surrounded our visit which was the 2021/22 season's opener and we returned losers from St. George's Field of a rather drab game courtesy of the solitary goal – a penalty midway through the first half. The K's visit to Coles Park in January this year saw them complete the double in a game to which the classic "game of two halves" cliché certainly applied. It was a particularly bitter pill to swallow for only three days earlier Leatherhead left Coles Park 3-2 winners thanks to an 89th minute goal. Kingstonian did the same but scored their clincher two minutes earlier; this despite our having led 2-0 at the interval thanks to a brace from Jorge. When we visit them later this season it will be at the Imperial Fields Stadium in Morden for that is where they now groundshare at the home of Tooting and Mitcham United.

Prior to these recent encounters it is necessary to go back to the 1950's for previous matches between the Clubs as Kingstonian joined the then single Division Isthmian League in 1929 at which time the Tufnell Park half of our subsequently merged Club had been members for 10 years. Apart from the war years interruption matches were played every year until Tufnell Park resigned in 1952 following four years propping up the table. Those matches took place at the various grounds used by Tufnell Park and Kingstonian during that period, none of them at Coles Park.

The results of those 34 matches (home team score first in both columns) were:-

SEASON	At Tuf Pk	At K's	Final position out of 14	
			Tuf Pk	K's
1929/30	0-3	3-0	14	3
1930/31	2-0	1-3	10	9
1931/32	2-0	1-0	7	6
1932/33	3-0	3-2	6	3
1933/34	1-5	3-1	4	1
1934/35	5-1	2-2	5	6
1935/36	6-1	2-3	11	13
1936/37	0-5	5-1	13	1
1937/38	3-1	4-1	3	7
1938/39	1-3	3-0	13	3
1945/46	1-4	0-2	5	14
1946/47	3-0	1-2	10	6
1947/48	1-1	2-0	12	2
1948/49	1-3	1-0	14	9
1949/50	1-3	4-1	14	3
1950/51	1-2	6-0	14	10
1951/52	3-3	5-1	14	5

So that was 11 wins for Tufnell Park 3 draws and 20 wins for Kingstonian.

Tufnell Park 53 goals Kingstonian 81 goals.

Almost 4 goals a game (3.94) and draws quite scarce with no goal-less matches.

Kingstonian have remained Isthmian's apart from a three year spell in the Conference (as the National League was then known) following their Isthmian Championship in 1997/98.

Saturday 5th November 2022 Haringey Borough v Folkestone Invicta (Pitching In Isthmian League – Premier Division)

Before the match we took pleasure in recognising the tremendous service given to Invicta by Neil Cugley who has just stepped down after 26 years as Manager and well deserved the round of applause and the bottle of red wine presented to him by our Chairman a few moments before kick off. It is believed that his relinquishing of the reins leave Tom as the longest serving Manager in the Country at Senior level.

A great start then saw Borough ahead after only 3 minutes when Anthony Mendy burst clear down the right and sent over a hard low cross which the onrushing Tage Kennedy blasted into the roof of the net from close range. After that it was game of few clear cut chances and neither side's goalkeeper was given the opportunity to produce anything spectacular. Folkestone's approach play often seemed promising but they never looked like being able to maintain the threat once they got into the danger area. Much credit for that is due to our two centre backs – Jorge Djassi Sambu and William Dupray who formed a formidable barrier despite midfield rather than central defence being their erstwhile recognised position and maybe they will make it their own. Borough looked comfortable but a one goal margin is never safe and a minute before half time they could have been pegged back when a deep cross from the left reached an unmarked striker on the right but his powerful first time volley was straight at Luke Mewitt who held on to it and the danger passed. There was a second half passage of play when Folkestone exerted quite sustained pressure but again without managing to cause Luke too much concern. The game was rendered fairly safe for Borough in the 72nd minute when Folkestone defender Ian Gayle stuck out a leg to intercept a cross but could only direct it into his own net well beyond the reach of his 'keeper. But the best was yet to come as Jorge took charge of the ball inside his own half and powered forward relentlessly – he is not easily dispossessed when on the rampage - and having at one time seeming to have been forced out wide to the left smartly changed direction and ran along the edge of the penalty area to create a shooting opportunity centrally and the visiting keeper had no chance as it flew low just inside his right hand post to make it 3-0. So three vital points gathered in a League so tight that every Club is either in with a chance of a play off spot or in danger of finding themselves in the drop zone – and as regards those in the middle like us both possibilities. Scribes addicted to clichés might well have attributed the overworked "bread and butter win" description to the match and such it may have been but all successful Clubs need a good sprinkling of them over the season; and this win was very welcome coming as it did a few days after our exertions at Hornchurch ended with only one point being brought back when in truth we deserved all three but came within a whisker of gaining none.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from both FA Competitions leaves us depending upon the Velocity (ie League) Cup and the London Senior Cup for some knock out excitement at the end of the season. Maybe there is a hopeful precedent from last season when we went through to the Semi-Finals of both Cups, albeit aided by some opponents withdrawals. We have reached the last 16 of the Velocity Cup and will be playing the winner of the tie between Felixstowe & Walton United and Enfield Town which is being played this evening. A date has not yet been fixed but it cannot be long delayed as the League have stipulated that this Round must be finished by the end of November. In the London Senior Cup we have a bye in the First Round and will play at home to Glebe FC of the South East Counties League Premier Division on a date yet to be agreed. If victory

ensued we would be away in the quarter final to the survivor from Dartford, Metropolitan Police and Hilltop FC. My guess is that the matches will probably take place on 22nd and 29th November - dates will be shown on www.haringeyboroughfc.com as soon as they are agreed with the opponents

NEWS OF OUR OTHER TEAMS

The Under 23s Yesterday they entertained Bury Town and completed an undesirable hat-trick of games in which they have failed to score. No such problem for the visitors who found the back of our net five times. Only Brightlingsea Regent prevent us propping up the 6 team Division. Their next match, also at home, will be on Monday 21st November when Felixstowe & Walton United visit Coles Park.

The Under 18s last outing was a disappointing 1-1 draw at home to bottom Club Hilltop FC and it is that Club who will be their next opponents when they visit them tomorrow. Hilltop play at an erstwhile very familiar venue to us – Hillingdon Borough's Middlesex Stadium.

Our Womens Team After their tremendous 8-0 demolition of Wroxham on 9th October they had two blank Sundays but last Sunday week they were back in action at Bowers and Pitsea's Len Salmon Stadium. Unfortunately they were unable to carry on from where they left off at Wroxham and returned 3-1 losers. Last Sunday they played at home to Bedford and our very youthful team came close to suffering what would have been a galling outcome against more experienced and physically stronger players. Having run up a three goal lead in half an hour through two fine finishes and a visiting 'keepers howler they immediately switched off and allowed the visitors back into the game with a goal they ran in far too easily, almost straight from the kick off. There was no doubt that we were the better team in that first half hour but equally it was obvious that Bedford were no pushover and would hit back given half a chance. Which they duly did, and in a second half they dominated it was no surprise when they equalised ten minutes from time. At that point a Bedford winner looked the more likely outcome but Borough did step up a gear and forced a number of corners from one of which a winner was scrambled up into the top corner for a 4-3 win. Sweet revenge for last season's 3-4 defeat to Bedford's injury time winner. The win kept them third in the table with 13 points from 7 games but only one team, the table footers Harlow Town, has played more games. Borough are the Premier Division top scorers with 26 goals, even allowing for the disparity in games played. Their average is 3.71 per match while the two teams above them average 2.50 and 3.00. Unfortunately the same favourable situation is not replicated by an analysis of goals per match conceded. Only the bottom five teams have a worse record than our 2.29. Their next home game will be on Sunday 20th November when AFC Acorns visit in the First Round of the Senior Section of the Capital Women's Cup. They have no fixture this coming Sunday 13th. The proceeds of the 50/50 draws are passed on to the Womens team to help with its running costs, which are quite considerable for a League which embraces Clubs as far apart as the North Norfolk coast and the Thames Estuary, and is much appreciated.

PLAYER FOCUS

Goalkeepers. As any Boro fan who saw much of last season might attest, not having a good one can cause serious headaches. Lucky for us, we seem to have come across two at once this term.

Velocity Trophy shootout heroics, playing for the Boro and the man's philosophy on taking the most unique of footballing positions - between the sticks. Read that and more as we turn the spotlight on LUKE MEWITT.

GOES WITHOUT SAYING THE FIRST POINT OF DISCUSSION HAS TO BE THOSE HASHTAG SHOOTOUT HEROICS - WHAT'S THE SECRET?

The secret is simple: guess. Well technically it's a logical guess; I try to look at the run up and body shape of the penalty taker and make an assessment of which side they are more likely to go. But in a lot of instances that gets a bit complicated, and so I tend to make a decision off a gut feeling. When facing Hashtag I looked at the penalty takers body positioning and felt most of them would reverse the penalty into my bottom right corner. My guess paid off.

RECENT INJURIES HAVE FORCED THE MANAGER TO SHUFFLE YOUR BACK LINE - HOW DO YOU DEAL WITH THIS AS A GOALKEEPER?

First of all I have a lot of trust and respect for all my teammates to do the best they can despite some of them playing out of position. Being part of the defensive unit is a tough role that often goes under-appreciated and yet all of the players that were asked to do a job have done so without complaint and with the utmost effort. With all the changes that have occurred it has been the players' adaptability and willingness to work for the team that has made it easier for me but also everyone around them. So all credit goes to those players.

YOU OFTEN COME AND HAVE A SOFT DRINK [HONEST] WITH THE BORO FAITHFUL IN THE CLUBHOUSE AFTER GAMES - HOW IMPORTANT IS CONNECTING WITH THE FANS FOR YOU?

I love coming into the clubhouse after a game and seeing everyone enjoying themselves and being part of that community fills me with a lot of joy, honour and faith in what the future holds for this club. So to say that it plays a big role for me in my personal life would be an understatement, because I believe that is one of the big reasons that makes this club so fantastic to play for.

THE ARRIVAL OF YOU AND MAX OVENDEN IN THE SUMMER ENDED A PERIOD OF UNCERTAINTY BETWEEN THE STICKS. HOW DO YOU FEEL THE SEASON'S GONE SO FAR?

I think it's had ups and downs. In my personal opinion I think we have had the opportunities to gain points from certain games but on the other hand we have also had games where we could have easily lost points, so overall I think everything has evened out so far. But the main thing I wish to comment on is our ability as a team to continually move forward in spite of hardship to constantly improve both as a team and as individuals. In turn I believe this could be a main driving force to potentially move us higher in the table.

THE OLD STEREOTYPE IS THAT ALL GOALKEEPERS ARE A BIT ODD! IS THAT TRUE FOR YOU, AND WHAT ARE YOUR LITTLE QUIRKS?

This is a difficult question for me to answer but here is the way I see quirkiness. I believe that individuality should be celebrated, this is because we are all different and so many positive connections and experiences stem from that fact, and that is just from living a day to day life. If you look at some of the insane achievements of the human race, do you really think that would happen if we were all the same? Plus life would be insatiably boring.

If I'm going to live, I will live how I want and leave a mark on this world. Or at least not do the world a disservice with a fake version of myself. I believe one of the most freeing ways to live is being as close to your true nature as possible even if it is hard and takes a ton of time. I'm just being me and if that makes me odd so be it! I don't like standing in a crowd anyway.

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

MICHAEL O'DONOGHUE – powerful full back rejoining us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United.

MAX OVENDEN – a goalkeeper signed in the close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve 2021 who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has firmly established himself as a serious starting line up contender.
