HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF GLEBE FC

Founded 1995

Nickname The Foxes

Glebe FC were founded (as the junior side Glebe Globetrotters) in 1995 by chairman Rocky McMillan and his wife Grace. Initially based in West Wickham and starting with just a sole Under 8's team, the club progressed through the age groups. Regulars in Kent's Youth Leagues we won every junior trophy possible – including 10 London County Cups.

After their exceptional beginnings as a Junior side, their committee voted to form a Senior section in 2010 and the newly established team joined the Kent Invicta League (KIL) in 2013-14. In 2014, we also won the prestigious London FA Standard Charter Community Club of the Year Award, as voted for by the Executive Committee of the London FA.

But for years Glebe were nomads, seemingly unable to secure a permanent home. For the first two seasons the senior side ground shared with Holmesdale, but, in 2014, we signed a 25 year lease to take over Old Elthamians Rugby Club. This was a historic day in the club's history, when we had a base to be a focal point for sport in the community, at last.

With the help of the Football Stadia Improvement Fund, we have since built a modern sports complex. The club resides in 15 acres in Chislehurst, comprising 7 pitches, a stadium pitch, a separate floodlit training area, gym, bar and reception rooms. In 2022/23 season we have over 400 members. There are over 25 Junior teams, for boys and girls; a Ladies senior side; midweek teams in the Isthmian Youth League; a new Sunday team; Vets team and of course the First XI.

Glebe FC's history as a senior side is brief - but exciting. Life began in 2013-14 finishing 10th following up with 7th in 2014-15. The next season we experienced the disappointment of narrowly missing out on promotion, finishing 3rd behind Bearsted and Sheppey United. However, we did win the Kent Invicta League Cup and the London FA Senior Trophy.

Last season (2021-22) we reached the 3rd round of FA Vase and our highest ever league position, finishing 3rd. This is now our 9th season in the SCEFL Premier Division.

Off the pitch, we have signed a new sponsorship deal with Nush Foods and JDM Estate Agents are our new tracksuit sponsors. Our sponsorship deal with Hugo App continues for another year.

THE SECRETARY'S MUSINGS

A welcome feature of Cup Competitions is the pairing of Clubs with no past meeting history and so it is with this Second Round tie of the London Senior Cup (Sponsored by Veo). It gives us the opportunity to welcome GLEBE FC to the CVS Stadium certainly for the first time. Our visitors hail from Chislehurst and are members of the Southern Counties East League Premier Division currently in mid-table with 7 wins, 7 losses and 3 draws. See full table below. Equally welcome, of course, are our match officials who are Tommy Breen with the whistle assisted by Nick Reece and Andreas Anastasiou. Whatever the result tonight we hope that everyone will depart having witnessed or participated in an exciting evenings sport and have a safe journey home.

Full League fixtures for all of our 4 teams have been announced and are shown below in this programme.

Last Saturday saw League action at Coles Park when LEWES visited us and it was difficult not to feel rather disappointed at the end for although the match itself was by no means dull – quite fiery at times – yet again the anticipated “new dawn” in the form of a prolonged run of successes which it was hoped might be in the offing following the wins over Enfield Town and Bognor Regis Town failed to materialise. Perhaps we

are too easily gulled into a belief that we should be up there challenging for promotion for it was only by courtesy of a post we reached the penalty shoot out stage against Enfield and how Bognor failed to at least equalise in the closing stages will forever remain one of life's mysteries. Our losses after taking leads have just been too many for a team with National League ambitions to shrug off. This was the ultimate mid table fixture for Lewes arrived in 13th, a place behind us, and left with the three points which lifted them to 11th and we replaced them in 13th spot and were fortunate that the other Clubs who could have overtaken us failed to pick up the points they needed. Nevertheless, we still have but 24 points (9 below the last play off spot) but the 3 Clubs immediately below us all have 23 with either one or two games in hand. Obviously we are far from out of the play off position chase but unless our finishing sharpens up and the defence is not caught napping so often its probably a pipe dream. Things started so well as Willian Dupray powered home a fierce header as he met a corner from the left after only 9 minutes. Lewes had made a sluggish start but the setback stirred them into life and an end to end match, quite feisty at times, then ensued for the remainder of the half in which Borough squandered several chances to make their lead greater with Luke Mewitt being also called on quite frequently to deal with fairly routine shots which he dealt with quite comfortably. But in first half stoppage time Lewes drew level and their attacker TQ Addy will probably never again get so free a header from a few yards out as we granted him when he raced in from the left to meet a cross. Worse was to follow five minutes after the interval when a snap shot from Razzaq de-Grafft from a few yards outside the penalty area on our left flew across goal to nestle low in the corner of our net. We responded with some vigour but our finishing both before and after our three substitutions just did not carry enough venom to earn us any reward. Lewes's attacks were neat and looked threatening but they too could not find a killer touch. The match ended after four minutes of stoppage time during which our frantic efforts produced no clear cut chances. A draw would probably have been a just result but yet again we got nothing from a match in which we deserved something, or even more than we actually got.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from both FA Competitions left us depending upon the Velocity (ie League) Cup and the London Senior Cup for some knock out excitement at the end of the season. Maybe there is a hopeful precedent from last season when we went through to the Semi-Finals of both Cups, albeit aided by some opponents withdrawals. We have reached the last 8 of the Velocity Cup via 2 penalty shoot out successes and in the London Senior Cup following a bye in the First Round we are at home this evening to Glebe FC of the South Counties East League Premier Division. If victory then ensues we will be away in the quarter final to the victor of the Dartford v Metropolitan Police tie but we have a long wait as they are not meeting until 17th January

NEWS OF OUR OTHER TEAMS

The Under 23s On Wednesday November 30th they visited Divisional leaders Heybridge Swifts and returned after inflicting the first defeat of the season on their hosts with a 3-1 win. A very pleasing result coming on the back of 3 successive defeats without even a goal scored and culminating in the home five goal rout by Bury Town. Tomorrow they face the long trip to North Essex to meet Brightligsea Regent currently propping up the table. Following the withdrawal of two Clubs reducing the complement to 6 Clubs there was a move to increase the number of times each Club would meet the other 5 from 3 times to 4 but after a "ballot" resulted in a 3-3 draw the League cast its deciding vote for the status quo of 3 times.

The Under 18s Lost by the odd goal in 7 yesterday when Harrow Borough visited Coles Park. Their next outing will be next Monday when Langley come to Coles Park

Our Womens Team Last Sunday they visited Royston Town and returned with a point for the second week running; but not so many goals this time as it finished 1-1. This report by Karla Parker, Womens Team Secretary:-

"Boro ladies travelled to Royston this Sunday wishing to get back into winning ways following the 4-4 disappointment away to Stevenage last week. Boro were delighted to have Kevin's grand daughter, Sky, walk out with the team as team mascot having travelled with her family to support the team. Boro had the best chances and had the lion's share of possession but were unable to finish decisively in front of goal. League top goalscorer Shakira toyed with the much slower defenders but was unable to convert in front of the Royston in-form goalkeeper. The second half saw Royston go up 1-0 when they were awarded a soft penalty with the striker deceiving Boro keeper Tida sending her the opposite way. Boro were not done yet and continued to dominate possession with the Royston keeper making several saves and shots being off target. At about 30 minutes into the second half Boro had a corner. Royston scramble around to defend; double

save by the Royston keeper but an overhead kick from Kylie proves too much for Royston. The ladies will be disappointed not to take all three points, the game ending 1:1. The ladies sit in 5th place, top goalscorers in the league with 31 goals in 9 games."

There will be an opportunity to see them at Coles Park next Sunday 11th when second placed AFC Sudbury visit which annoyingly clashes with the Mens teams League visit to Cray Wanderers, who ground share at Bromley FC and thus have to move many fixtures a day back from the Saturday. So it is hoped there will be a good turnout of those supporters who do not feel inclined to undertake the trip to South London.

The proceeds of the 50/50 draws are passed on to the Womens team to help with its running costs, which are quite considerable for a League which embraces Clubs as far apart as the North Norfolk coast and the Thames Estuary, and is much appreciated. Those supporters who attended both the Saturday defeat by Potters Bar Town and this well merited victory will have noted that the money has certainly gone to a deserving cause.

JORGE DJASSI-SAMBU – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

MICHEAL AWAAH DOME-BEMWIN – defensive midfielder with experience in Spanish, Cypriot and Swedish football. Lewes, Whitehawk, Enfield Town and Braintree Town are among the English Clubs he has played for – all but Lewes after his last spell abroad.

WILLIAM DUPRAY – tall, strong defensive midfielder in his second spell at Borough. Signed in the close season having been with Ware last season. A much travelled player who has had spells at Northwood, Corinthian Casuals, Bracknell Town, Harlow Town, Wingate & Finchley, Welwyn Garden City, Chalfont St. Peter, Cambridge City and Scunthorpe United.

SCOTT DUROJAIYE – a familiar name who re-joined us this season. “Olu” is a very experienced and widely travelled midfielder with experience at several National League sides including Hungerford Town, Welling United, Braintree Town, Maidstone United, Woking, Dartford and most recently Peterborough Sports for which Club he played two games earlier this season and is now dual registered.

KAYLEN HINDS – dangerous striker who moved on from Arsenal Under 23s and a loan to Stevenage to play in Germany for VFL Wolfsburg and Greuther Furth. Returned to England in August 2019 firstly with Watford and then Aldershot Town, Welling United and finally in January this year with Hayes & Yeading United.

NATHAN KPEMOU – tall powerful central defender or wide midfielder who has come through our Under 18 and 23 ranks and patiently awaited his opportunity; when injuries gave him his chance he seized it and he will not easily relinquish his starting place status.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve 2021 who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has firmly established himself as a serious starting line up contender.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

MATTHEW YOUNG – Leyton Orient midfielder on three month Youth Loan with us. Made 18 First Team Appearances last season including an FA Cup win by 4-0 over Tranmere Rovers.
