HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

HISTORY OF BISHOP'S STORTFORD FC

The club was formed on Thursday 28th January 1874 at the Chequers Hotel in the town. Just over two weeks later the first match was played with the East of England Non Conformist Grammar School (now Bishop's Stortford College) being defeated 2-1, with goals coming from Rev. R J Tomes. In that first season 15 games were played, three of which were won, with seven others drawn. The club colours at that time were vivid crimson and olive green. After several years of playing just friendly matches the club became one of the founder members of the Hertfordshire Football Association in 1885 and played in the first ever County Senior Cup competition that same season, beating Aspley 2-1 away from home in their first match.

The club progressed into league football in the 1890s by joining a succession of locally based competitions. The highlights between 1889 and 1929 were the "double" seasons in 1912-13, when both the Saffron Walden & District League and the Stansted & District League titles were secured, and 1919-20, when the East Herts League and the Stansted & District League were won.

The club was accepted into the FA Cup for the first time in the 1924-25 season and then it was in 1929 that the next milestone was reached when the club was accepted into Division Two (East) of the Spartan League. A good start was made with the Ministry of Health being well beaten 5-0. Three years later, at the end of the 1931-32 season, the Division Two (East) championship was won and with it promotion to Division One of the Spartan League. A year later Stortford won the Herts Senior Cup for the first time.

During the Second World War the club played mainly friendly matches against locally based service units. The 1945-46 season saw Stortford compete again in the Spartan League, where they stayed until the formation of the Delphian League in 1951.

The 1950s saw steady progress in the club's fortunes with the Delphian League title being won in season 1954-55. Until this time progress in the FA Amateur Cup had been nothing but a dream but in season 1962-63 Stortford found themselves only two games away from Wembley.

In a tense quarter-final, in front of 9,000 people, Stortford were defeated 1-0 by the Isthmian League champions Wimbledon at Plough Lane and Wimbledon went on to win the cup. The mid 1960s turned out to be a very exciting period for the club as in the space of three years, the Bishops having by now joined the expanded Athenian League, were runners-up in Division Two, champions of Division One and runners-up in the Premier Division.

The Premier Division title was eventually captured in the 1969-70 season. Then, a long-term ambition was realised when an application to join the Isthmian League was accepted for the 1971-72 season. The early 1970s was also another very successful period in the club's history, third place in the League was achieved in season 1973-74, Stortford's best ever position, whilst six cup final victories were achieved in the space of four seasons. The undoubted pinnacle of these highlights came fittingly in the club's centenary season when the FA Amateur Cup was won at Wembley Stadium by beating Ilford 4-1 in front of over 30,000 spectators. This in fact was the last FA Amateur Cup final ever held. Scorers for Stortford were Dave Lawrence, Peter Leakey, Dennis Murphy and lastly Martin Smith from the penalty spot.

The rest of the decade was something of an anti-climax, with the club being relegated to Division One, but there was another huge upturn in the club's fortunes as the 1980-81 season was another memorable one in the Bishop's history. The club won the Isthmian League Division 1 title and the "double" came in May 1981 in the final of the FA Trophy when Terry Sullivan scored a late goal to leave Isthmian League Premier Division side Sutton United defeated 1-0. This victory came after a record breaking run of 13 games that had begun in the preliminary round in the September of the previous year. In achieving this success, Stortford became the first ever club to capture both the FA Amateur Cup and the FA Trophy.

After reaching the quarter final of the FA Trophy again in 1982 and setting the record for consecutive unbeaten matches in that competition (17), Blues turned their attention to the FA Cup. Though they had reached the competition proper five times before, it was in the 1982-83 season that they really made an impact. After disposing of local rivals Harlow Town, third division Reading were beaten at Elm Park in the first round and then Slough Town were defeated in the second round. The third round saw the Bishops drawn away at Middlesbrough, then managed by Malcolm Allison. In the tie at Teesside, Stortford fought back from a two goal half-time deficit to earn a well merited replay thanks to two Richie Bradford goals. The following Tuesday over 6,000 people packed into the Rhodes Avenue ground for the replay. Lyndon Lynch gave Stortford the lead on the stroke of half-time but Middlesbrough's superior fitness told in the end and

they fought back and eventually won through with two late goals. Stortford again faced League opposition in 1985 going out after a replay to Colchester United.

Towards the end of the 1980s, two former favourite players of the Rhodes Avenue crowds returned as Managers. Firstly, former England international John Radford, who had played in the FA Trophy winning side, became manager in 1987. He took the club to success in the Herts Senior Cup in his first season and continued the following season, 1988-89, by winning the AC Delco Cup (Isthmian League Cup). Apart from the cup run in, he also took the team on a promotion challenge, which only faltered in the closing weeks and the club finished seventh in the table. Terry Moore, a record holder in his days as Stortford's goalkeeper when he collected both FA Amateur and FA Trophy cup winners' medals – the only player to do so for the same club, then became manager and he led the Blues to victories in the Premier Inter-League (Clubcall) Cup and Isthmian League Full Members (Loctite) Cup.

In more recent times, the club was relegated to Division 1 at the conclusion of the 1991-92 term, but with ex-Arsenal star John Radford now as the Blues manager Stortford regained Premiership status by winning the Division One championship in season 1993-94. Life back in the Premier Division was not easy, with a best position of 12th being achieved in season 1995-96. Off the field the club suffered delays moving to its new ground at Dunmow Road having left the Rhodes Avenue ground at the end of 1997, which they had been at since 1919.

After 18 months during which home league matches were played at Boreham Wood, St. Albans City, Hitchin Town, Dagenham & Redbridge and Ware, the club were once again relegated to Division One at the end of the 1998/99 season. But a new and eagerly awaited chapter in the club's history began on Saturday 17th July 1999 when the new Woodside Park Stadium finally opened with a pre-season friendly against Norwich City. The match ended in a 2-2 draw in front of a 918 crowd.

On Friday 3rd September a crowd of 2,444 saw the official opening of the stadium performed by George Graham followed by a match against a strong Tottenham Hotspur side including Hans Segers, David Ginola, Chris Armstrong, Ruel Fox, Jose Dominguez, Mauricio Tarico, Steffen Freund, Stephen Clemence and Justin Edinburgh. Blues made the record books on Thursday 30th December 1999 when they won 5-3 at Chertsey in a Ryman League match, which was the last competitive match played in England in the 20th Century.

The club, supporters and team finally settled in at Woodside Park but only after some serious problems with the pitch had seen many postponed games and fixture headaches in those first two seasons. In the 2000/2001 campaign, Blues came with a late challenge after making wholesale squad changes at Christmas and narrowly missed out on a promotion place. However, by season 2001/2 the playing surface was immaculate and hosting Ryman and England representative games along with many local and junior league cup finals and Blues themselves were faring better in the League. Promotion back to the Ryman Premier after a three years absence was secured on the 6th April 2002 with a 2-0 home win against Walton & Hersham.

The 2002/3 campaign saw Blues back in the Premier Division and the near disaster of the Rhodes Avenue sale and ground sharing were fading in the memory. On Tuesday 14th January 2003, Martin Hayes team travelled to Tring in the semi-final of the Herts Charity Cup and recorded the club's best ever win in a competitive match away from home with a 9-1 victory. Blues fortune in that cup continued as Hemel Hempstead Town were defeated 3-1 in the May final and Captain Rob French lifted Blues first silverware for six years. Back in February, the club had sold star striker Vinnie John to Hornchurch FC for a club record fee.

2003/04 saw the restructure of the football pyramid with Blues among the founder members of Conference South thanks to an 11th placed finish and manager Martin Hayes led them to first round proper of the FA Cup where 600 Stortford fans saw them go down 6-0 at Mansfield Town. In April, exactly 30 years to the day that Blues won the last ever Amateur Cup Final at Wembley Stadium, Stortford retained the Herts Charity Cup by defeating Cheshunt 4-1 to match that Wembley scoreline. The last game of the season saw tearful scenes as the fans said goodbye to midfield supremo, inveterate goal scorer and triple winner of the player of the season trophy, Glen Southam. His £20,000 fee to Dagenham & Redbridge set a new club record.

A brave new world opened for Blues in August 2004 as they kicked off their Conference South campaign with a 2-1 win at home to Eastbourne Borough. It was a journey into the unknown with league trips as far afield as Weymouth and Newport but Blues held their own in the autumn with a position on the fringe of the play offs before finishing tenth.

By contrast the 2005-06 season was a disappointment and yet it ended with a trophy as the Herts Senior Cup was won for the first time in 20 years with a 1-0 win over Stevenage and the season was rounded off with a record Woodside Park league crowd of 1,016 as champions elect Weymouth visited. The Blues' leading goal scorer at this time was Steve Morison who went on to play in the Premiership for Norwich City.

In 2006-07 the club flirted with promotion to the National Conference, the top echelon of non-league football. A top-six league finish led to a play-off semi final against Salisbury City. The home leg, played in

front of 1049 spectators ended in a 1-1 draw with Greg Pearson scoring for Stortford. Back at Salisbury, the score was again 1-1 after 90 minutes. But two extra time goals saw Salisbury march to the final and the Conference. The FA Cup first round was reached, but Blues lost 5-3 against Kings Lynn.

The 2008-2009 season saw Martin Hayes record 500 games and 10 years in the job. However, a shoestring budget and poor results led to his surprise dismissal and the promotion of reserve team manager, Mark Simpson assisted by Gordon Boateng. The new management team rung the changes and Stortford rallied to move from 20th in the league table to finish 9th.

Simpson remained at the helm until February 2011 during which time, in season 2009/10, Stortford again won the County Senior Cup. Simpson was replaced by ex-England and Spurs goalkeeper Ian Walker. A late three game winning run saw Walker save Blues from the drop and his side lifted the Herts Charity Cup with victory against Cheshunt. But the club were hit by a bombshell at the Conference AGM in early June when they were placed in the northern section following the demise of Rushden & Diamonds. Despite the signing of future Premier League star Dwight Gayle and on-loan Spurs keeper Jordan Archer, Blues struggled in their new surroundings and with the team in the relegation zone Walker departed early in December 2011 following a 5-0 FA Trophy at Isthmian League side Carshalton Athletic.

Under former Braintree boss Rod Stringer Blues had an excellent finish to the season, finishing tenth and winning both the Senior Charity Cups. The 2012/2013 season saw Blues drop to 17th as recruitment of players able to travel to the likes of Manchester and Workington on Tuesday evenings became an issue, but Stringer's side did win their way through to the first round proper of the FA Cup before going out to Hastings United.

A return to Conference South saw a fine first half to the 2013/2014 campaign contending for a "play-off" place and reaching the 1st Round of the FA Cup once again. They were handed a tie at home to Northampton Town that was televised live on ITV and attracted a record crowd of 2,548. Form dipped in the New Year however when faced with playing 22 games in final 50 days of the season and they finished below halfway in the League table. A small consolation was that the Herts Charity Cup was won once again.

The 2014/2015 campaign was not a great one for the Blues but after some inconsistent form up until the last few months of the season they improved to steer clear of the relegation zone to ensure another year as a member of the Vanarama National South.

Stringer resigned after four and a half seasons at the end of the 2015/16 campaign to take charge of Chelmsford City. That season saw the Blues again finish around midway in the League table and win the Herts Charity Cup. Striker Elliott Buchanan was the top goalscorer in the league and won the Vanarama Conference "Golden Boot" award.

The 2016/17 season was a disaster for the club and probably the worst in the history finishing in the second-from-bottom place to be relegated to the Evo Stik Southern League after 13 seasons in the Conference set-up. Stortford had two management teams running affairs before ex Spurs, Swindon, Rotherham United, Reading and Colchester United midfielder Kevin Watson was appointed manager late in the season. Stortford did reach the Senior Cup final but lost 2-1 to Hitchin Town.

A first season in the Southern League saw Watson's young side finish 18th in the 24 team league. A switch back to the Isthmian League saw former Witham Town boss Adam Flint step into the manager's shoes but he failed to win a game and was replaced in mid-September by club owner Steve Smith and former Norwich City striker Jamie Cureton. The pair took the club to seventh place in the table, just missing out on the play-offs as well as reaching the league cup semi-final.

Cureton celebrated the achievement of playing 1000 competitive games in the 3-2 win against Brightlingsea Regent, netting twice on the way to finishing as leading scorer in the Isthmian Premier.

Smith took sole charge ahead of the two COVID hit campaigns, although the Blues did manage to reach the FA Cup First Round during those difficult years, eventually going out on penalties to National North side Brackley Town having had the BT Sport TV Camera's in town for the previous round with a famous 2-0 victory over St Albans City coming in front of a sell out crowd 600, all that was allowed during the pandemic, with most fans having to settle for watching live on TV.

The 2021/22 campaign was one of the most memorable in recent years with a settled squad setting about on a remarkable campaign that saw the club taste defeat just five times in 42 league outings, amassing 87 points to finish second behind Champions Worthing. The club's all time clean sheet record was also broken, with an astonishing 1088 minutes without conceding a goal during the season. Unfortunately the team fell just short, suffering injury time heartbreak in a 2-3 defeat at home to eventually promoted Cheshunt but with the bulk of the squad retained and new additions strengthening the playing options, the club are hopeful of going one better in 2022/23.

Chairman - Haringey Borough FC

Welcome to you all and our friends from Stortford tonight, although that friendship may be strained if they repeat last season's 5 goals in the first half!! How they are still in this division I do not know but in a game of football we all know anything could happen and unfortunately for them, despite being by far one of the top two teams in the division, they fell in the play off stages. This season they are expected to be up for it again and I am sure they would rather go up as Champions than risk another play off heartache. We on the other hand will not be winning the league but we have much still to play for. Three wins in four is progress but with games fast running out we need more in quick time if we are to get anywhere near a play off position. Hence tonight's match is equally significant for both teams despite the points differential between us. I was so pleased with last Saturday's game as we put another play off hopeful to the sword with a superb all round performance, the atmosphere you are now creating (over 500 present again) is infectious and having a great effect on the team and the boys I know are loving it. It leaves us all looking forward to the next game and tonight is certainly one that has wetted the appetite, can we keep it going? Time will tell but I know that whatever the outcome it will not be for the want of trying if we do not manage to secure a win. I have to say this is fast becoming one of our most enjoyable seasons of late. I think the new squad we have assembled is filled with good characters who all get on well. It has proved difficult as we were under pressure in the summer to put a side together and not all of the signings have been successful but I feel that the recent signings have had an immediate impact and that is reflected in the results. I am also, as I have said before, full of admiration for you the supporters we have and this of course includes the new ones this season. My only gripe is a constant re occurring theme and that relates to the time some turn up!!! Please please try and get here at least 15 minutes before ko so we, the volunteers, can watch the start of the game and not miss the first 15-20 minutes as is often the case now. As I have often said we as a Club let you in free and I truly believe that in return the very least you can do is show some consideration for the others, the volunteers who do not get paid and devote their time to help your experience on a matchday. That said we want to see you all, keep telling your friends and your families about what they will experience, bring them and let them see for themselves the atmosphere a match day has and also the incredible number of young kids who watch the game and even get on the pitch at the end to have a few minutes kick about. Our crowds this season are incredible but I am on a mission to get them even higher and I need your help, spread the word and together let us try and increase the numbers, there are still so many in the Borough and beyond who do not know about the free season ticket offer, It cannot be any easier than going online and applying. Enjoy the game tonight, sing your hearts out and drive the boys forward once more - Come on Boro!

Aki Achillea - Chairman Haringey Borough F.C

Manager - Haringey Borough FC

A great 3 points on Saturday and in particular the fact that we scored a second goal after 70 odd minutes to give us that cushion which made us all relax and enjoy what was a very good all round performance. I'm very pleased with what I have seen most recently, a couple of new signings Erald and Ben have had an immediate impact and with another signing in the pipeline hopefully by the weekend I feel we are getting close to the squad I want as we mount what is hopefully a belated challenge. I believe the boys now have got the bit between their teeth and are taking on board the optimism we as coaches have shown recently. However ridiculous this may sound I still believe we have a lot to play for this season. It is funny though looking at our position which never seems to change however many wins we put together. 3 out of 4, we started 14th when we won the first and we are now.....14th!!!! I hope other teams just look at our position and write us off, we all know the league table is not a true reflection of our season, even tonight's opponents will, I am sure, acknowledge they were a little fortunate to beat us in the first game of the season. Since then as I have said on many occasions we have thrown so many points away that we should be much higher. Tonight we play one of the best teams in the league and we will need to show the same determination we did on Saturday to have any chance of a result. The boys have taken on board much that we have talked about in training recently, there is a real buzz around the place at the moment. Along with the incredible support we hear every game from the terraces we are playing as well as we have all season and I can promise tonight that Stortford will know they have been in a match whatever the final score. Get behind the boys as ever.

THE SECRETARY'S MUSINGS

This evening we take the opportunity to welcome the players Officials and supporters of BISHOP'S STORTFORD FC to Coles Park for our fourth home League match of 2023. We can be under no illusions as to the magnitude of the task we face this evening for our visitors arrive buoyed by a 5-0 win at Kingstorian last Saturday. "The Bishop's" are now firing on all cylinders in a determined chase for a play off spot at the very least. Since we became an Isthmian Club again in 2015/16 we have played them eight times. Honours were even in 2018/19 as we won 3-1 at home and lost 2-0 away; in 2019/20 season we completed a 2-1 double. Neither of the League fixtures got played in the second Covid disrupted season of 2020/21 but as the FA Trophy was granted elite status that was allowed to continue and just days after the League season was terminated in December we played them in the 1st. Round proper at Coles Park and won 2-1 and then went on to beat National League opponents Eastbourne Borough and Dartford before going out at Oxford City in the 4th Round. Isthmian League Hornchurch went on to win the Trophy that season. Last season we drew 1-1 away in October and even mentioning the return fixture in February is a painful experience as "the Bishop's" left Coles Park 6-0 winners, five of them netted before the interval. This season our visit to them was our first game of the season and that too is not without painful memories as we conceded 2 second half goals in quick succession – the first a truly horrendous defensive mix up and the second an o.g to turn what had looked a quite likely victory into a 2-1 defeat. Before that "The Bishops" had probably not been seen at Coles Park for some 70 years after leaving (in 1951) the Spartan League in which the Wood Green Town half of our merged Club also competed, as did Stortford from around 1930. There were many matches with the Tufnell Park / Tufnell Park (Edmonton) / Edmonton / Edmonton & Haringey half of the Club - have we set a record for name changes? - as both were members of the short lived Delphian League for 9 seasons beginning in 1954/55 and it would be an understatement to say that "The Bishops" enjoyed the better of the proceedings for we managed only 2 wins and 4 draws the other 11 being losses (season 1962/63 was abandoned because of prolonged adverse weather hence the odd number of matches) and then for a further two seasons following it being absorbed into the Athenian League with Stortford winning all four games. There were 7 matches in League Cup and FA Competitions where we fared little better winning one, drawing 2 and losing 4 – the solitary win being the first of the seven in 1934 when we won 2-1 away in the FA Cup. But Home matches after the Spartan days would have taken place at Edmonton's Henry Barrass Stadium. A welcome too, of course, to our Officials for the day who are Teddy Osborn in the middle while Alphie Ibrahim and Jack Owen have the flags.

Whatever the outcome of the match we hope all will enjoy themselves and have a safe journey home, after witnessing or participating in an entertaining evening's sport

Saturday 28th January 2023 HARINGEY BOROUGH v HASTINGS UNITED (Pitching In Isthmian League Premier Division)

For the second home game in succession a very satisfying afternoons work with 3 points deservedly garnered and another clean sheet. Our 2-0 win went some way towards compensating our doughty supporters who travelled to Hasting's earlier this season to witness our abject second half performance which turned a half time lead into a 1-4 defeat. Never the remotest likelihood of a repeat for although we were again just 1-0 ahead at the interval the totally committed 100% effort for 90 minutes by every player could not have been more different to the flabby display at Pilot Field. It will certainly be a contender for our best performance of the season. So dominant had been our first half performance that it was a surprise that we did not take the lead before the 44th Minute when a superbly angled cross shot from Georgios flew low into the corner to the 'keepers right. In the first half little threat had been posed by the visitors and the Hastings 'keeper probably had more touches of the ball than any other player on the field. Not that we peppered his goal with that many shots but so persistent was our pressing that the visitors took every opportunity to pass the ball back to him to gain some respite. In the second half the visitors did show more enterprise and only a wonderful interception by Sam Owusu who somehow managed to intercept and divert for a corner a low cross which seemed sure to reach an unmarked striker just a few yards out prevented an early equaliser which might have changed the flow of the game. And in the course of the 45 minutes Max sprawled low to his left to pull off three outstanding saves. It was noticeable that although Hastings created few chances they were not wasteful and got most on target thus requiring Max to stay alert. But by and large we still

enjoyed the majority of possession and bossed the game which was virtually made safe in the 71st minute when Georgios fed Ban Allen, our debut making centre forward signed from Aveley in the morning, and he supplied the clinical finish we have lacked so often this season. So Tom was then able to enjoy the luxury of substituting off both scorers without there being any slackening of our intensity and concentration; there never looked to be any serious threat to our three points. Again for such a magnificent team effort it would be unfair only to mention some names of the squad which in full was:- Max Ovenden, Sam Owusu, Mikey O'Donoghue, William Dupray, Scott Mitchell, Helge Orome (Callum Ismail 81), Bobson Bawling, Georgios Aresti (Jorge Djassi Sambu 72), Ben Allen (Erald Desa 72), Christos Djamas, Tage Kennedy, Unused Subs Stef Georgiou and Daniel Aldana Ortiz.

KNOCK OUT COMPETITIONS FOR THE FIRST TEAM

Our early exit from both FA Competitions left us depending upon the Velocity (ie League) Cup and the London Senior Cup for some knock out excitement at the end of the season. Maybe there is a hopeful precedent from last season when we went through to the Semi-Finals of both Cups, albeit aided by some opponents withdrawals. We reached the quarter finals of the Velocity Cup via 2 penalty shoot out successes against Hashtag United and then Enfield Town, and after two postponements our quarter final with Potters Bar Town has been re-scheduled for Tuesday 7th February - which will mean two trips to Parkfield in the space of 4 days as we are there in the League on Saturday 4th February. In the London Senior Cup following a bye in the First Round we progressed to the third round, none too convincingly by 3-1, when Step 5 Glebe FC of the Southern Counties East League Premier Division visited Coles Park early last month. Our next opponents in the quarter finals will be either Dartford or Metropolitan Police whose tie has twice been postponed and is now re-scheduled for 31st January. We will be the away team.

NEWS OF OUR OTHER TEAMS

The Under 23s. Its an extraordinary competition they are in as yesterdays 4-0 demolition of visiting Felixstowe and Walton United lifted them back to the top of the table. Staying there will probably be too difficult as so tight is the Division that the 4 teams below them all have games in hand which if won will lift them above us. Only rock bottom Brightlingsea Regent whence Borough will be trekking next Monday are out of the running for the Championship. Following the withdrawal of two Clubs reducing the complement to 6 Clubs there was a move to increase the number of times each Club would meet the other 5 from 3 times to 4 but after a "ballot" resulted in a 3-3 draw the League cast its deciding vote for the status quo of 3 times.

The Under 18s. A mid-table finish looks to be on the cards; their most recent game was the visit of Edgware and Kingsbury. on 3rd. January when six goals were shared and they are not scheduled for any further action until 13th February when they visit Hayes and Yeading United.

Our Womens Team. Having disposed of National League opponents the previous Sunday, Borough had no reason to feel nervous about taking on League leaders Stevenage when they visited Coles Park two days ago and so dominant was their first half performance it was a surprise that they were only one-nil up at the interval. That was in part due to an astonishing denial of a penalty for a foul obviously within the area and it was not a good idea for the referee to consult a Club linesman to confirm exactly where the foul had occurred with the inevitable advice that it was outside the area. Having been a Club linesman I could not but feel a bit of sympathy for his having been put in such an invidious situation. But disappointment was short lived as soon afterwards a corner was not cleared and Kylie Manktelow smashed the loose ball into the roof of the net from the six yard line. Little had been seen of Stevenage as an attacking force as the young Borough team was simply too fit and quick for their older and more experienced opponents and never allowed them to develop any periods of sustained pressure. The second half was a little more even but only the framework prevented the doubling of the lead; which was somewhat unfortunate as midway through the half two quick yellows for Megan Peters (an instinctive kick away when a free kick was awarded followed by involvement in a minor melee) meant that our commanding centre half was banished. But Borough remained calm and composed and made light of their numerical inferiority. There was a little trepidation as a flurry of late free kicks and corners were conceded, with the memory of the away game 4-4 draw, when all four Stevenage goals had been from set pieces, not forgotten. But fortunately the delivery was rather lacklustre this time and Borough never looked like conceding. In fact it was Borough who so nearly scored a second goal late on when Shakira Roberts, who had been too much of a handful for the Stevenage defence throughout, raced clear, but as the advancing goalkeeper and a defender closed in, her finishing effort rolled just the wrong

side of a post. Stevenage left in second place behind Luton Town who won 3-0 at home to Royston Town but Borough are now only two points behind them with a game in hand. AFC Sudbury pip Borough for 3rd place on goal difference. Unfortunately its probably true to say that the Championship and with it promotion are now Luton's to lose as they have dropped only two points from their eight games while Borough have dropped twelve from ten. Pleasing to note that a team which can win 8-7 can also win 1-0. So the Women made it a great weekend for the Club as their performance mirrored the superb 100% commitment shown by the First Team on Saturday and made it a 2 win weekend at Coles Park with three goals all in the right net and none conceded. Next Sunday they are again at home with Royston Town being the visitors. Harlow Town have withdrawn from the League so that's goodbye to 3 points and the +3 goal difference we secured when they visited Coles Park in August. The proceeds of the 50/50 draws are passed on to the Womens team to help with its running costs, which are quite considerable for a League which embraces Clubs as far apart as the North Norfolk coast and the Thames Estuary, and is much appreciated. £95 was raised at last Saturdays well attended (540) game with Hastings United which was some consolation for the odd "stoppage time" goal in three WFA Cup defeat at Hastings earlier in the season; but it was a Hastings supporter who had purchased the winning ticket.

HARINGEY PLAYER PROFILES 2022-23

BEN ALLEN – attacker signed from Aveley on the last Saturday morning of January 2023 who made a scoring debut that afternoon. He was a young player at Phoenix Sports when snapped up by Gillingham, where he turned out for their Under 18 side and a few times for the first team. Loan time at Greenwich Borough followed, and then he moved to National League Bromley, before having some loan time at Lewes. Also has National League experience with Welling United, Concord Rangers and Hungerford Town.

GEORGIOS ARESTI – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and near automatic selection last season.

BOBSON BAWLING – attacking midfielder in second spell with us who left for Hendon at the end of last season but came back at Christmas. Originally joined us from Enfield Town at the start of the 2020/21 season having previously been with Crawley Town, Woking and St. Albans City.

KWAME DANSO – tall, commanding central defender signed in the close season. As a youth player had spells with West Ham United and Crystal Palace and is still under 20. Was with Hackney Wick last season.

ERALD DESA – attacker recently signed who has considerable past Isthmian experience with Merstham, Cray Wanderers, Cheshunt and, most recently, Corinthian Casuals and has also been with Welwyn Garden City and Brimsdown. Has represented Albania at Youth International level.

CHRISTOS DJAMAS – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

JORGE DJASSI-SAMBU – midfield powerhouse now in 7th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

WILLIAM DUPRAY – tall, strong defensive midfielder in his second spell at Borough. Signed in the close season having been with Ware last season. A much travelled player who has had spells at Northwood, Corinthian Casuals, Bracknell Town, Harlow Town, Wingate & Finchley, Welwyn Garden City, Chalfont St. Peter, Cambridge City and Scunthorpe United.

SCOTT DUROJAIYE – a familiar name who re-joined us this season. “Olu” is a very experienced and widely travelled midfielder with experience at several National League sides including Hungerford Town, Welling United, Braintree Town, Maidstone United, Woking, Dartford and most recently Peterborough Sports for which Club he played two games earlier this season and is now dual registered.

ANDRONICOS GEORGIU – mid season signing; a forward who graduated from Stevenage Academy and played in their EFL team. Last season was with Wycombe Wanderers. Has also been loaned to Kings Langley, St. Albans City and Middlesbrough Under 23s.

STEFANOS GEORGIU – younger brother of Andronicos signed from St. Margaretsbury a few days before the Registration deadline; a right sided midfielder who immediately looked at home at this higher level of the game.

KAYLEN HINDS – dangerous striker who moved on from Arsenal Under 23s and a loan to Stevenage to play in Germany for VFL Wolfsburg and Greuther Furth. Returned to England in August 2019 firstly with Watford and then Aldershot Town, Welling United and finally in January this year with Hayes & Yeading United.

CALLUM ISMAIL – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

ALPHANSO KENNEDY – Goalscoring winger signed in close season. Was with Wingate & Finchley last season and also played for FC Romania; played against us when we lost 1-0 at Wingate & Finchley on August Bank Holiday Monday 2019.

MEKHI LEACOCK-MCLEOD – wide attacking midfielder who has just re-joined us from Farnborough; also numbers Halifax Town, Accrington Stanley, Eastleigh and Romford among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

LUKE MEWITT – a young goalkeeper recruited in the close season with several years experience at Huddersfield Town and a season on loan at Hyde United of the Northern Premier League. Has also appeared for Hertford Town

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham &

Redbridge. Almost an ever present in 2017/18 season and now an established member of the squad.

ANDRE ODEKU – speedy striker who was the League “Golden Boot” winner for the Development Section in 2021/22 with 25 goals. After several appearances from the bench became a serious contender for a first team starting place and will doubtless continue his free-scoring habit when he gains more Senior level experience. Rejoined us after a brief spell with Brightlingsea Regent earlier this season

MICHAEL O'DONOGHUE – powerful full back rejoining us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United.

HELGE OROME – much travelled defender who joined us at Christmas from Faversham Town. Has a wealth of experience with Isthmian and National League Clubs including Margate, Cray Wanderers, Grays Athletic, Oxford City, Lordswood (Southern Counties East), Whyteleafe, Sheppey United and Herne Bay.

MAX OVENDEN – a goalkeeper signed in the close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

SAMUEL OWUSU – midfielder signed from East Thurrock United on Christmas Eve 2021 who immediately took a place on the Boxing Day bench and made a 20 minute debut appearance. After several further such appearances made his first start in the London Senior Cup game against Tooting & Mitcham United and has firmly established himself as a serious starting line up contender.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive.

PLAYER FOCUS

It's a universal truth that football is bonkers. Take events at Needham Market earlier this month; despite fighting hard our Boro women found themselves 7-5 down in the last 10 minutes. Well, you probably know the rest. 3 goals, including one right at the death, and Boro had 3 points to bring back with them. See? Bonkers.

Find out about all that, as well as their superb follow up cupset, as we turn our focus once again on our women's team - midfield maestro KYLIE MANKTELOW is in the spotlight.

WE SIT DOWN AFTER A COUPLE OF REMARKABLE RESULTS FOR THE BORO WOMEN IN 2023! STARTING WITH THE CRAZY DAY UP IN NEEDHAM MARKET; BORO LED FOR ALL OF ABOUT A MINUTE, BUT IT WAS THE IMPORTANT ONE AT THE FINAL WHISTLE! WHAT WAS IT LIKE TO BE INVOLVED?

We knew it was going to be a tough game which could have gone either way with both teams sitting mid table with similar points. However, to be part of a 15-goal game was a different experience. For me having come off sooner than expected due to injury, it was difficult and frustrating watching on from the side lines. I can now fully appreciate how nerve wracking it is for Karla each week! But a really satisfying achievement which showed great determination from the team.

THE TEAM HAS TAKEN SOME REAL STRIDES FORWARD THIS SEASON, AND TO COME FROM TWO GOALS DOWN TO WIN SHOWS JUST HOW STRONG THE GROUP IS. TELL US ABOUT THE ATMOSPHERE IN THE SIDE GENERALLY AND HOW IT CONTRIBUTED TO THE TURNAROUND IN SUFFOLK?

I think as a team we really work hard for each other, especially when points are needed in the current state of the league. We want to get as many points as possible to remain in the top half of the league and as a collective we know we have the ability to gain points in every game.

NOT HAPPY WITH JUST ONE CRAZY CONTEST, BORO ALSO HOSTED LONDON SEAWARD IN THE SECOND ROUND OF THE CAPITAL CUP LAST WEEKEND. TORI CAMPBELL SCORED A SUPERB FREE KICK AND YOU NODDED ONE HOME TO MAKE IT 2-2 - THEN CAME THE DREADED PENALTIES. WHAT WAS IT LIKE FROM YOUR PERSPECTIVE?

As the game went on, we knew their fitness and quality was going to carry them through the game so as a group we understood that we needed to work hard off the ball and make sure we were clinical with the chances we did create. Penalties are always a horrible way to decide a great game; however I feel that the work we put in together deserved the result we achieved.

SEAWARD ARE AN FA NATIONAL LEAGUE SIDE - ONE LEAGUE ABOVE BORO. AS YOUR FIRST TEAM COACH JACK PUT IT, WHEN YOU PLAY THAT WELL ANYONE WOULD STRUGGLE TO BEAT YOU - BUT THAT'S ONLY HALF THE STORY! WHAT DOES IT MEAN TO YOU TO BEAT HIGHER LEAGUE OPPOSITION AND ADVANCE IN THE CUP?

For us this was a bonus game to compete against a high-level national team. We went into the game as the underdogs playing at our home ground, we knew we had a point to prove. Definitely a big achievement for the women's team who have never beaten a national league side before which just goes to show the character and determination of us as players and staff included.

SEVERAL SUNDAYS AT COLES PARK HAVE BOASTED SOME HEALTHY NUMBERS IN THE STAND, AND PERFORMANCES LIKE THOSE AGAINST NEEDHAM AND SEAWARD WILL ONLY PUSH THAT UP EVEN MORE! WHAT WOULD YOU SAY TO OUR READERS WHO MIGHT BE CONSIDERING A TRIP TO WHITE HART LANE ON A SUNDAY AFTERNOON?

I would say it's worth the trip, one thing we can promise as a team is that we will work hard and put on a good performance. We are a team that is rapidly growing and adapting whilst making history.

The Women's team next game is against Royston Town at Coles Park this coming Sunday 5th February, kick off 2pm.

You can support the Boro Women's team by buying a 50/50 ticket - 50% of the prize pot goes to team running costs! Bring your pound coins!
