## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League which should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

However, the Club reserves the right to refuse admission to any person and the right to remain within the ground is conditional upon compliance with directions given by Club Officials. ## HISTORY OF MARGATE FC

The club was founded in 1896 and joined the Southern Football League in 1933. After a spell in the Kent League after World War II the team returned to the Southern League in 1959 and remained there until 2001 when they gained promotion to the Football Conference, the highest level of English non-league football. Their stay at this level saw the team forced to ground share with other clubs due to drawn-out and problematic redevelopment work at their Hartsdown Park stadium, and during the three years spent away from their own ground they were expelled from the Conference National and subsequently relegated to the Isthmian League.

After the Second World War the Gate continued to play in the Kent League under new manager Charlie Walker, who led the team to two Kent League championships but was then controversially sacked. The team slumped during a succession of rapid managerial changes which only ended in 1950 when Almer Hall was appointed manager, a post he was to hold for the next twenty years. Under Hall the team won a host of local cup honours and reached the rounds proper of the FA Cup on several occasions, but never managed to match this success in league competition.

In 1959–60 Margate returned to the Southern League after the Kent League folded, and in 1962–63 won the Division One championship and with it promotion to the Premier Division. Two years later the club turned full-time professional but this policy proved financially untenable when the team were relegated back to Division One in 1965–66. Nonetheless, they won promotion at the first attempt and returned to the Premier Division in 1967.

During the 1970s Margate endured severe financial problems and a series of mediocre league seasons but took part in two famous FA Cup ties. In 1971 the Gate lost 11–0 to Bournemouth, with Ted MacDougall scoring a cup record nine goals. Then, a year later, Margate beat Swansea City and Walton & Hersham to set up a third round tie against First Division Tottenham Hotspur, then UEFA Cup holders. A record crowd of over 14,000 packed into Hartsdown Park for a match which Margate lost 6–0.

In 1996, the club's centenary year, the club appointed Chris Kinnear as manager. In 1997–98 he took the team to the first round proper of the FA Cup where they played Fulham in a home tie that drew a crowd of 5,100. Although the Gate took the lead, the Cottagers eventually won 2–1. The following season saw the club finally win promotion to the Southern League Premier Division, albeit only after an appeal was lodged against the league's initial refusal to allow the team promotion due to the club failing to carry out necessary ground improvements in time. The Premier Division championship followed in the 2000–01 season, and with it promotion to the Football Conference.

The 2001–02 season was Gate's first ever season of Conference football and they finished the season in eighth place. In the 2002–03 season the team began ground sharing at Dover Athletics' Crabble while redevelopment work took place at Hartsdown Park, but various problems stalled the planned redevelopment. On the pitch, Margate enjoyed more success in the FA Cup when, after defeating Leyton Orient in the first round, they were drawn at home to Cardiff City in the second round, but lost 3–0 at Crabble. The following season, despite finishing sixteenth, the Gate were forcibly relegated one division due to the ongoing delays and problems with the redevelopment plans for Hartsdown Park.

Margate spent the 2004–05 season in the Conference South, now ground sharing at Ashford Town. Amidst ongoing issues with the redevelopment work, which at one point made it seem very likely that the club would fold completely, Margate were again relegated to the Isthmian League Premier Division.

After 10 years in the Ryman Premier Division Margate won promotion back to the Vanarama National League South after beating Hendon in the play-off final at the Earlsmead Stadium. Ryan Moss scored the winning goal as Terry Brown's side celebrated promotion back to second tier of Non-league Football.

Margate's first season back in the National League South was a rollercoaster ride with survival secured on the final day of the season despite a 2-0 defeat to Bath City. A run of 11 defeats from their final 12 games left Margate needing results elsewhere to keep them in the division and Weston Super-Mare's 1-1 draw away at Havant & Waterlooville meant Havant were relegated.

Since the 2017-2018 season Margate have been in the Isthmian Premier League, where under new ownership

the Club have installed a state of the art 3G Pitch, plans are in place to develop the stadium further and build a hotel on site. The Club narrowly missed out on the play offs in the 2017-18 season and after the departure of manager Steve Watt the Club went through a period of transition and were able to avoid relegation in the 2018-2019 season thanks largely to the presence of Jay Saunders as temporary manager. At the start of the 2019-2020 campaign fan favourite Jay became our permanent manager and is still at the helm for season 2021/22, after season 2020/21 was made null and void.

The 2021/22 saw Margate enjoy their most successful season in a while as they finished 8th in the Isthmian Premier Division, and reached the Velocity Trophy final for the first time in 24 years. The final ended in a 4-0 defeat to Horsham, however the Blues also reached the Quarter-final of the Kent Senior Cup, where they were beaten by eventual winners Dartford FC. At the end of the campaign, Manager Jay Saunders was approached by National League South side Tonbridge Angels, and he decided on a new chapter with them and left Margate in May 2022 to take up the position as Manager at the Longmead Stadium.

The Club moved quickly to install a new Manager as Andy Drury was appointed on the same day as Saunders departed. A former Ipswich, Luton Town and Stevenage player, Drury possesses extremely good knowledge of the game. He had spent just a handful of games in charge at Whitstable Town, however this is his first full season in Management.

Sadly after just six months in the job, the Blues dismissed Drury and Reece Prestedge and Ben Greenhalgh were installed as interim joint managers on 26th December 2022.

## Chairman - Haringey Borough FC

A warm welcome to everyone from Margate for our penultimate home game of the season which in truth, aside from the London Senior Cup final appearance has been something of a disappointment. High hopes when we started in August of a top 5 finish have effectively been dashed by our own inconsistencies rather than the quality of opposition we have faced. There are some very good teams in this division as the battle at the top demonstrates but we have been involved in many games this season when a little bit more focus at the right times and a bit of guile in front of goal would have yielded better results and we would have been much closer to where we want to be. I think the same can be said of our opponents who have of late picked up but have also struggled. As the summer approaches and we close down for a couple of months I would urge you all to keep promoting the Club so that we can yet again increase our fan base next season. The free season ticket as I have said has been renewed for next season. The method of obtaining one is simple by logging on to the website and following the instructions set out. I anticipate the new tickets will be available early June and keep an eye on the social media mediums for confirmation of that and also our pre season games which will start in July. As in the last couple of years there will also be a means of becoming a Haringey Borough member for a small annual donation and more details will be published shortly in this regard. There will be some benefits attached to membership and it is a means whereby those of you who can and wish to help have an opportunity to do so. We have already advertised that our last game at home on 22 April against Cray Wanderers will be absolutely free for everyone and for those of you who have the time we will be hosting our annual presentation to all of our teams straight after the game in the Clubhouse. I formally invite all of you who have the time to cram into the Bar area for the presentation and show your appreciation to the clubs players. There will be a short gap between the game ending and we propose to start the presentation at around 6.15 pm. There will additionally be some food made available for those who wish to partake and it is a small way of us saying thank you to all of the fans for your incredible support this season. With nothing riding on today's game we would hope for an entertaining end to end match and in true Boro style encourage the boys as you always do and be respectful of the opposition – Come on Boro!

**Aki Achillea - Chairman Haringey Borough F.C**

## Manager - Haringey Borough FC

Those of you who know me will know that it is not often when I am short for words but last Saturday certainly made me think about how I can explain to you that performance. The basis of a strong side is here and on our day we are a match for anyone but how often we have our day has been the key missing ingredient throughout the season. As John refers later, how can a team that lost to Bowers go out the following week and run Hornchurch so close? How can the same team then demolish Kingstonian and then wilt against Aveley a week later? This last month has been indicative of the whole season with both good and bad performances over a matter of days. I know the 120 minutes on Tuesday in the Cup will have had an impact but I do not know how so many players were off their game at the same time. I know we can match all opponents on a man to man basis but the difference to me seems to be these sides do the basics well and that gives them a chance. We, on the other hand, have developed a habit of shooting ourselves in the foot and leaving ourselves a mountain to climb. The two horror goals we gave away last Saturday are an indication of what we have been doing this season. Whilst Aveley were not brilliant they had a champions look about them, never flustered, efficiently protected their early lead, plugging away whilst waiting for an opportunity which we proceeded to give them and taking it. They were no better individually but they were as a team and that is where we lack and something I must address if we wish to push on next season. Wholesale changes no but changes yes. We need a bit of experience, a couple of leaders to demand from the boys and to settle everyone down when required. Once I get the players in I want I am hopeful that this group of players who have been supported by you for the whole season will be able to perform better next season. Today have some fun as we play with no fear, cheer the boys, sing whatever you want to them (in your usual respectful manner of course)!! Enjoy the game – come on Boro!

**Tom Loizou - Manager Haringey Borough F.C**

## THE SECRETARY'S MUSINGS

This afternoon we take the opportunity to welcome the players Officials and supporters of MARGATE FC – a Club who, like us, are marooned in mid table so it is to be hoped that with nothing serious at stake an entertaining spectacle will be provided. This will be the last such game for us as our three remaining League games are all against teams in the promotion/play off dog-fight before we end our season with the London Senior Cup Final.

We welcome too, of course, our Match Officials who are Lawrence Torz-Brown with the whistle assisted by Alphie Ibrahim and Dwayne Uylett with the flags.

This will be the 9th meeting of the Clubs since we regained Isthmian status in season 2015/16. Matches between Margate and ourselves have been few for until we became an Isthmian Premier Division Club we had never been in the same League. Results so far:-

29th September 2018 Margate 0 Haringey Borough 1

12th January 2019 Haringey Borough 1 Margate 0

12th October 2019 Haringey Borough 1 Margate 0

25th January 2020 Margate 4 Haringey Borough 2

No games in 2020/21 due to Covid

6th November 2021 Haringey Borough 2 Margate 2

19th March 2022 Margate 3 Haringey Borough 1

22nd March 2022 Haringey Borough 2 Margate 3 (Velocity Cup Semi-Final)

4th October 2022 Margate 3 Haringey Borough 3 - in which we provided a prime example of why our season promised much but has petered out as we contrived to let a 3-1 lead after 70 minutes end in a 3-3 draw as we were caught out, deep into stoppage time, too far upfield in numbers and chasing an unnecessary 4th goal; the ball was lost with the inevitable consequence.

### HAVE YOUR SAY

**Saturday 1st April 2023 HARINGEY BOROUGH v AVELEY  
(Pitching In Isthmian League Premier Division)**

Truly if there were a trophy awarded for the most inconsistent team of the season we would be hot favourites for after the sparkling performances in our last 2 League games against Hornchurch and Kingstonian hopes were justifiably high. But they were well and truly dashed and promotion chasing Aveley must have left wondering how on earth we managed to do them such a favour by denting the challenge of Hornchurch in our last home game. Apart from the late penalty blasted past him by Ben Allen it is difficult to recall their 'keeper actually facing any shots at all - and he certainly faced no efforts which would have troubled any 'keeper at any level. Our brittleness at dealing with set pieces was revealed after only 3 minutes when a corner was only half cleared and fired back into our danger area for Aveley Captain Harry Gibbs to fire his side ahead. Rakim then prevented the lead being doubled with a goal line clearance. Although enjoying plenty of possession we never looked particularly threatening when near the visitors goal and Aveley never gave the impression they were greatly stretched to retain their lead. An uninspiring match continued in the same vein after the interval but there was a lively last few minutes when another set piece led to a second

Aveley goal, this time when an indirect free kick was awarded almost on the goal-line and was taken from our defensive right hand side 6 yard line. A difficult angle but Aveley managed to by-pass our defensive wall and Oliver Coker raced forward to smash it home low and hard. Max had mistakenly picked up a very short pass from Rakim instead of hacking it clear. Straight from the kick off we attacked and a clumsy challenge led to an undisputed penalty which Ben drove confidently past the underworked visiting 'keeper. But too little too late for although we awoke to the possibility that some serious pressure might lead to an equaliser it was not to be. Hopes were particularly raised in the dying seconds of stoppage time when we were awarded a free kick in a central position around twenty yards from goal but the visiting 'keeper was denied his chance of glory as Ben's kick cleared the bar by a comfortable margin. Lifting the ball over the massed ranks of Aveley's lofty defenders and getting it down again was a very difficult "ask". Despite the defeat it was the day we reached mathematical safety thanks to Herne Bay not winning. True we have no obvious reward to play for, but it is a little disappointing that our players did not seize the opportunity to put on a display of such quality and commitment that Tom would have found it difficult not to select them for a Cup Final starting place. Maybe the absence of any Under 23s - bar one – champing at the bit to grab a spot for themselves is a factor?. And, of course, the composition of next seasons retained list will soon be on the Agenda.

#### NEWS OF OUR OTHER TEAMS

**The Under 23s.** Just one game to go for us in the 6 team division. We will not finish top, bottom or 5th so it matters little if we end up 2nd, 3rd or 4th.

**The Under 18s.** Mid-table also for this team following an inconsistent season which has seen some surprising results, both good and bad. Postponement has followed postponement this season, the latest being last Monday when our game at Hanwell Town was called off. Still three matches to play, all away from home.

**Our Womens Team.** A "bad day at the office" last Sunday as we returned from the team now probable Championship favourites, AFC Sudbury, having lost 2-0 and failing to score for the first time this season. Mathematically we are far from out of it but it is difficult to see all of our four rivals failing to get at least 43 points and we can only now reach 42 if we win all four of ours. AFC Sudbury need 7 from 5 games one of which is their visit to us on 30th April. Stevenage need to win all 4 of theirs. Needham Market need 13 from 6. Luton Town need 18 from 8 one of which is their visit to us in two days time. Of course it helps that all five must take points off each other and as well as two visits to us there are particularly vital games – AFC Sudbury v Needham Market and Luton Town v Stevenage. Unfortunately it doesn't help that there will be no relegation from Division One this season so teams who might otherwise have fought tooth and nail in pursuit of safety will not need to do so. We can but concentrate on our own campaign so failure to beat Luton Town when they visit us on Easter Sunday is not an option.

UP TO DATE LEAGUETABLE BELOW.

# THE **NON-LEAGUE** PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

MANAGERS have this saying which is often spilled during the second half of the season that baffles and amuses us journalists in equal measure.

Some say it more regularly than others, some more genuinely than others, but the fact of the matter is – and whisper it quietly - that we actually don't believe a word they say.

Asked how they assess their team's current form or overall league position, it's quite commonplace to receive a response along the lines of: "I don't look even at the league table until around Easter".

So, I ask myself a) does a manager really not compare his team's fortunes to that of their rivals until three quarters of the season have passed; and, if so, at what point do they finally cast their eye over the standings? Are we scoring enough goals? Are we conceding too many? Are our rivals outperforming us? One glance at a league table can answer all.

Nine times out of ten, a winning manager will not need to scroll down on their digital subscription to The NLP on a Sunday morning or rush out to the local newsagents, they know themselves whether their team have been good enough to compete in the higher reaches of the division.

One only hopes, however, that Notts County boss Luke Williams is not one of those managers who vow not to regularly check his side's progress.

Losing just two their 41 matches this season, scoring 103 goals along the way, Williams and his Magpies would be celebrating an emotional return to the Football League any other season, but in the most exciting two-horse title race in the National League for years, they don't even find themselves on top of the pile.

That honour is bestowed on Wrexham, who lead by three points with a game in hand going into the Easter weekend. Monday's game between the two at the Racecourse Ground promises to be an absolute classic, dare I suggest, the biggest game in Non-League history?

The fact that neither Williams or Parkinson aren't the first managers to be celebrating a promotion or title-winning campaign up and down the country shows just how many top performances we have enjoyed so far this term.

By our reckoning, Worksop Town were the first English champions of 2022-23 after sauntering to the Northern Premier League East division having lost just once all season.

They were followed on top of the winners' rostrum by North Ferriby, who continued their rise back to the top tiers by clinching the Northern Counties East Premier division, similarly Macclesfield FC, who made it back-to-back promotions from Step 5 to Step 3 by cruising to the Northern Premier League West title.

And then there's Berkhamsted, who are also celebrating title success after a storming campaign in Southern League Division One Central.

One thing's for sure, the Easter bunny will be delivering more title success this weekend with the likes of Ebbsfleet United and South Shields among a number of clubs chasing confirmation this Bank Holiday.

One thing's for sure, you can be certain that Fleet boss Dennis Kutrieb and Mariners chief Kevin Phillips will have lived through every permutation and will know exactly what their teams have to do to ensure success.

## MARGATE FC PLAYER PROFILES 2022-23

**BEN GREENHALGH** – Midfielder – Ben Greenhalgh joined the 'Gate' in the summer of 2021 to team up with his former Maidstone United manager Jay Saunders. The 29-year-old can play as either a Midfielder or Striker and will provide extra firepower to the Blues. Greenhalgh shot to fame after winning Sky Sports reality show 'Football's Next Star' where he fought off 20,000 other entries to win a six-month professional contract, which was then extended another further year upon its expiry. Despite never playing for Inter, Greenhalgh did impress whilst in Italy scoring eight goals in 12 games for Como. Back in England the 29-year-old played a crucial part in a successful Maidstone United side managed by Margate Manager Jay Saunders. Other clubs include Concord Rangers, Dartford, Tonbridge Angels and Hemel Hempstead as well as time spent in Scotland playing for Inverness and Stenhousemuir.

**SAM BLACKMAN** – Midfielder – Midfielder Sam Blackman returned to Hartsdown Park in the summer of 2021 having previously played for the Blues during the 2017/18 season. The combative midfielder will provide manager Andy Drury additional experience in the middle of the park. Blackman started his career at Leatherhead before moving to Hartsdown Park in 2017. After leaving the 'Gate, Blackman moved to Concord Rangers for the first of his two spells at the Aspect arena, where he featured as a Concord Rangers player in his second spell in the delayed 2019/20 season FA Trophy at Wembley Stadium. Other clubs include Dartford and Hythe Town.

**JAMES BESSEY-SALDANHA** – Striker – Winger, James Bessey-Saldanha signed for The Gate having played most recently at fellow Kent side, Sevenoaks Town. The 25-year old impressed in behind-closed-doors friendlies, so much so, Jay Saunders was quick to secure his services for the 2021/22 campaign. Bessey-Saldanha was the latest player to renew his stay with the Blues in the summer of 2022 after the appointment of Andy Drury.

**HARRISON HATFULL** – Defender – The 20-year-old played for Margate in the 18/19 season before signing for Bearsted. He re-signed for the Gate in October 2021 and is now an important part of Manager Andy Drury's plans ahead of the 2022/23 season.

**TAYLOR FISHER** – Defender – Left-back Fisher joined the 'Gate during the summer of 2022 having won the Players, Players of the Year, Supporters Player of the Year and Manager's Player of the Year at the club's end of season awards night for the 2021/22 season. 22-year-old Fisher has previously played for Dartford FC as well as Sittingbourne.

**HARRY HUDSON** – Defender – 21-year-old Hudson started his career in the West Ham Youth set up before signing for Watford U18's. Hudson went on to make appearances for the Hornets U23's side. The talented centre-half later signed for Billericay Town, before making the switch to the Tonbridge Angels where he featured 32 times in all competitions during the 2021/22 season. Hudson signed for new Manager Andy Drury in June 2022.

**PETER OJEMEN** – Defender – The 21-year old Defender can play at Left-Back or in the Centre, and adds further versatility across Andy Drury's new look back-line. Ojemen featured 23 times last season for Corinthian Casuals in the Isthmian Premier League as they finished 14th in the final standings. Before signing for the Casuals, Ojemen enjoyed stints at Barking FC, Fisher and Welling Town.

**ADEYINKA COLE** – Midfielder – The box-to-box Midfielder became Manager Andy Drury's eighth signing of the summer. Cole featured last season for Isthmian Premier side Haringey Borough. The 27-year old has vast experience in the non-league game, with former clubs including Leiston Grays Athletic, Dulwich Hamlet, Enfield, Hemel Hempstead, Billericay and Braintree Town.

**DANIEL JINADU** - Goalkeeper – Jinadu joined Margate in October 2022 on fial registration from National League side Dartford FC. The 20-year-old shot stopper spent the 2021/22 season with Barnsley where he impressed largely for the U23 side after joining from West Ham. After departing Oakwell, Jinadu linked up with Dartford where he has played back-up to the Darts current number one Joe Young.
