## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF HARROW BOROUGH FC

Roxonian FC was founded in the summer of 1933. The Club spent their first season in the Harrow and District League (playing their home games at a ground on Northolt Road), finishing runners-up in Division 1. They were accepted into the Spartan League, which coincided with the move to Earlsmead.

1938 saw Roxonian finish runners-up in Division 2 (West) but they had to wait for promotion until the following season, as only the champions went up. This was achieved under the new name of Harrow Town. War intervened though the Club continued to play in, first, the West Middlesex Combination, then the Middlesex Senior League. Peace brought a return to the Spartan League until 1958 when runners-up spot enabled the Club to move to the Delphian League. 5 seasons were spent here, until mergers saw Town accepted into Division 2 of the Athenian League in 1963.

In their first season at this level they finished runners-up, denied the championship only by goal difference. However, only 3 seasons were spent in Division 1, whence a name change to Harrow Borough coincided with relegation in 1967. 8 seasons were played as occupants of Division 2, during which it seemed that the club might withdraw from senior football, and only the efforts of a few hardy individuals kept the Club alive. Negotiations with the local council saw the Club sell its second pitch, now the site of a school, and build a new clubhouse, floodlights and terracing. This progress was matched on the field; Boro' were elected to the Isthmian League in 1975 after having to wait a year for the complex to be completed. 4 years later they won promotion to the Premier Division as runners-up.

The early 1980s saw the Club's most successful spell so far. The Middlesex Charity Cup was won in 1980, the Middlesex Senior Cup three years later. Also in 1983 Harrow Borough reached the semi-finals of the FA Trophy, losing to the eventual winners, Telford United, over two legs.

A year later, the Club's Golden Jubilee was celebrated with a drawn match against Manchester United, Harrow's best FA Cup run so far, losing to Newport County (then of the old Football League Division 3) in the 2nd Round Proper and best of all, winning the Isthmian League Premier Division championship by a staggering 17 point margin.

Under astute manager Micky Tomkys, Harrow had enjoyed continuous success but his retirement in 1985 saw a gradual decline in the Club's fortunes. On three occasions a win in the final game of the season has been required to enable the club to retain their treasured Premier Division status.

1992/93, however, saw a dramatic improvement, with both the Middlesex Senior Cup and Middlesex Charity Cup returning to Earlsmead. The semi-final of the latter saw Chelsea defeated 4-1. A league placing of 8th was also their best for 6 seasons. This form continued over the next three seasons under the management team of Harry Manoe, with the Club finishing 9th in 1993-94, 10th 1994-95 and 9th again in 1996-97. A dip in the Club's fortunes saw his departure, to be followed by a succession of managers. A disastrous run of form during the 1999/00 season saw the Club avoid relegation by just a single goal.

Despite an encouraging start to the season to the 2000/01 season, which saw Boro' reach the 1st Round Proper of the FA Challenge Cup for only the second time (losing 0-3 at Wycombe Wanderers), a poor run of performances after Christmas saw the Club finish 4th from bottom again with just 2 points to spare.

2001-02 saw the club commence a long-term plan, targeting youth development. As well as fielding a young side, which managed to retain Premier Division status once more, close partnerships were formed with local youth football clubs. The summer of 2004 saw the formation of an Allied Counties under 18's squad, designed to bridge the gap between youth and senior football.

Under the stewardship of manager David Howell Boro' continued their youth and community development and they now have links with a number of local youth football clubs and schools.

Season 2006/07 saw Boro' finish in a relegation position only for their Premier Division place to be saved by Lancaster City whose financial difficulties saw them being relegated instead.

On a pleasanter note season 2005-06 saw Boro' win the Middlesex Senior Charity Cup for the 3rd time with a 2-0 success over Enfield Town. Season 2006-07 saw the feat replicated with victory over Brook House 5-4 on penalties following a 0-0 scoreline with that game being played at Staines Town FC. Season 2008-09 saw Boro' finish as Runners-Up in the Isthmian League Cup, losing out to Tilbury 2-0 in the Final played on the

ground of Staines Town FC. That season also saw Boro' reach the Semi Final of the London Senior Cup, a competition which they had entered for the first time in a considerable number of years.

Enforced cost cutting during the summer of 2008 saw the Club resigning its membership of the Allied Counties Youth League. This proved to be only a one season absence from youth team football as Boro' entered the expanded Ryman Youth League for the 2009-10 season.

Season 2009-10 saw Boro' finish in a very creditable 14th position in the Ryman Premier Division, At Reserve Team level Boro's Capital League side, under the stewardship of Stuart Crawford, brought much success to the Club by winning the double of the Capital League: Western Division Title to go along with that of Capital League: President's Challenge Cup winners. Added to the fact that Boro' had cleared their longstanding debt with HM Revenue & Customs and the Club entered the 2010-11 season with new found optimism.

A final position of 5th at the end of that season was their highest placing for a considerable number of years and earned the Club a place in the end of season play-offs for promotion to the Conference South. Defeat at Tonbridge Angels in extra time in the Semi Finals saw an end for the timebeing of that dream but it was still a brilliant season for the Club. And Boro' were the highest goalscorers in the Ryman Premier Division with 77 goals scored. They also reached the 1st Round Proper of the FA Cup, losing out narrowly to the eventual League 2 Champions, Chesterfield, and giving the Boro' faithful much pleasure and entertainment on the way.

But during the summer of 2011 Boro' received shock news that Manager David Howell had decided to resign his position, taking with him his Assistant, Ken Charlery, Reserve Team Manager Stuart Crawford and Physio Samantha Backhouse. This meant a hard summer for the Boro' Board and for new manager David Anderson who had returned to the Club he had served previously as Reserve Team Manager and then Assistant Manager on three separate occasions.

## THE SECRETARY'S MUSINGS

This afternoon we take the opportunity to welcome the players Officials and supporters of HARROW BOROUGH FC to the CVS Van Hire Stadium to open this seasons activities with this friendly; and we likewise extend a warm welcome to our Match Officials who are Maros Valko in the middle assisted by Steven Walsh and John Noblemunn. Whatever the outcome we hope that all spectators will watch an entertaining match and that both Managers will find it a useful test of their squads.

Harrow were last here in season 2017/18 when Cup draws paired us in two competitions. In the First Qualifying Round of the FA Trophy a 1-1 draw at Earlsmead on 28th October was followed by our 1-0 replay victory at Coles Park two days later and on December 19th Harrow won an early round London Senior Cup game at Earlsmead by 1-0. There were matches last season between our respective Under 18 teams in the Southern Counties Floodlit Youth League

Before that 1958 was their previous visit to Coles Park, when they played under the name of HARROW TOWN, as following the Second World War the Wood Green Town half of our subsequently merged Club saw both Clubs in the Spartan League until Harrow left in 1958 to join the short lived Delphian League which led to 5 seasons matches against the Edmonton half of our Club, with our home matches being played at The Barrass Stadium. On the Delphian folding both Clubs joined the Athenian League until Harrow switched to the Isthmians in 1975 but there were only 4 seasons in which both Clubs were in the same Division, the final one being 1969/70, Harrow changed their suffix to "Borough" in 1967

Relegations and promotions will bring several new faces to Coles Park this coming season – namely Chatham Town, Concord Rangers, Dulwich Hamlet, Whitehawk and Hashtag United, although they are not exactly strangers to the venue having spent a season here as Ground-sharers. Cheshunt return after their unsuccessful single season in the National League South. The other 15 teams will be those we met last season – Billericay Town, Bognor Regis Town, Canvey Island, Carshalton Athletic, Cray Wanderers, Enfield Town, Folkestone Invicta, Hastings United, Hornchurch, Horsham, Kingstonian, Lewes, Margate, Potters Bar Town, Wingate & Finchley. YOU CAN NOW OBTAIN YOUR FREE SEASON TICKET TO ATTEND ALL 21 LEAGUE MATCHES BY MAKING AN APPLICATION VIA [www.haringeytickets.co.uk](http://www.haringeytickets.co.uk)

The really big change concerns the Under 23s. The Bluefin Isthmian Development Divisions folded at the end of last season for lack of interested Clubs. We have been fortunate to secure entry to the Senior (top) Division of the Essex Alliance League which is Step 7 in the Pyramid. It's a 16 team Division and the other 15 members are Aveley Under 23s, Chadwell Heath Spartans, Chingford Athletic, CSM London, FC Baresi, FC Petrocub, Frenford Development, Kit Out London, Lymore Gardens, May & Baker EC Reserves, Priory Park Rangers, Rapid Chingford, Sporting Hackney, Walthamstow Reserves, Woodford East. We will be playing our home games on Friday evenings.

The Under 18s will be continuing their membership of the Southern Counties Floodlit Youth League, this time in its Olympian Division and that is expected to have 9 members, the other 8 being Barnet, Brentwood Town, Enfield Borough, Heybridge Swifts, New Salamis, Takeley, Sawbridgeworth Town, West Essex.

Last but not least the Womens Team will again be playing in the top Division (the Premier) of the Eastern Region Womens League as they chase promotion to the Womens Premier League. It's a 12 team Division and the other 11 are AFC Dunstable, Barking, Bowers & Pitsea, Kings Lynn Town, Luton Town, Needham Market, Real Bedford, Royston Town, St. Alban's City (formerly Colney Heath), Stevenage, Wroxham.

The Womens League have announced their fixtures and they are now shown on our.com website. They start on August 13th with a visit from Luton Town. The other Leagues have not yet announced their Fixtures and will probably not do so until mid-late July at the earliest. The first Isthmian League game will be on 12th August. They will be shown on our websites – [haringeyboroughfc.net](http://haringeyboroughfc.net) and [haringeyboroughfc.com](http://haringeyboroughfc.com) as soon as they are announced and also in the first pre-season programme published after their release.

Finally, as regards Ground-sharing we are sorry to have lost Lymore Gardens after just one season but New Salamis will be continuing for a further season.

There have already been a number of comings and goings in the close season. Ben Allen, Andronicos Georgiou, Olu Durojaiye, Sam Owusu, Erald Desa and William Dupray have decided to move to pastures new and we wish them every success with their new Clubs. Incoming we welcome Dexter Peter - a central defender who was with Bowers & Pitsea last season, midfielder Arthur Ironnton who was with Hendon, Kasim

Aidoo a left back who spent most of last season at Potters Bar Town and Pawel Kowalkowski an experienced Polish centre forward.

Welcome joiners in "Bench" roles are Head Coach Lee Protheroe who has previously managed Potters Bar Town and assisted at Wingate & Finchley. Emelie Fitzgerald, also formerly with Potters Bar Town is our new Physio and she will be assisted by Ilyas Bedir. Krasmir Koracki is confirmed as head of performance analysis, Jessica De Haan and Coach Mustafa Bashkal have also now left us.

Disappointingly Bishop's Stortford have pulled out of their visit on 22nd July and steps were taken to find a replacement opponent and very pleasingly AFC SUDBURY (now of the Southern League Premier Division but familiar through earlier Isthmian games with them) have agreed to replace them.

### PRE SEASON FIXTURES – FIRST TEAM

## HARINGEY PLAYER PROFILES 2022-23

**KASIM AIDOO** – young left back but with plenty of Isthmian experience having been with Potters Bar Town and briefly Hastings United last season and Cray Wanderers in the previous season as well as National League Eastbourne Borough. Originally with Charlton Athletic Under 21s. Signed in close season

**GEORGIOS ARESTI** – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and now virtually an automatic selection for every match.

**BOBSON BAWLING** – attacking midfielder in second spell with us who left for Hendon at the end of 2021/22 but came back at Christmas 2022. Originally joined us from Enfield Town at the start of the 2020/21 season having previously been with Crawley Town, Woking and St. Albans City.

**CHRISTOS DJAMAS** – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

**JORGE DJASSI-SAMBU** – midfield powerhouse now in 10th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

**STEFANOS GEORGIU** – signed from St. Margaretsbury a few days before the March 2022 Registration deadline; a right sided midfielder also a dangerous attacking full back who immediately looked at home at this higher level of the game.

**ARTHUR IRONTTON** – defensive midfielder who moved to us from Hendon in the close season. An experienced player whose earlier berths include Stevenage, Braintree Town, Kings Lynn Town, and Hampton & Richmond Borough.

**CALLUM ISMAIL** – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

**ALPHANSO KENNEDY** – Goal scoring winger signed in 2022 close season. Was with Wingate & Finchley last season and also played for FC Romania; played against us when we lost 1-0 at Wingate & Finchley on August Bank Holiday Monday 2019.

**MEKHI LEACOCK-McLEOD** – attacking midfielder who rejoined us earlier last season from Farnborough. Wide attacking midfielder who also numbers Halifax Town, Accrington Stanley, Eastleigh and Romford among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

**SCOTT MITCHELL** – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and thereafter; now an established member of the squad who sometimes wears the captains armband.

**MICHAEL O'DONOGHUE** – powerful full back who re-joined us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United. Superb dead-ball deliverer.

**MAX OVENDEN** – a goalkeeper signed in the 2022 close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

**PAWEŁ KOWALKOWSKI** – Polish striker – last Club Czarni Jaslo - who joined us in the close season. Briefly with Wealdstone in season 2018/19 then returned to Poland.

**DEXTER PETER** – much travelled central defender signed in the close season who was with Bowers & Pitsea last season. A product of the Millwall Academy, he was released in February 2015, and went on to play for Merstham and, Chelmsford City before joining Colchester United's Academy in June 2016, and made his first-team debut in August 2016. He was released by Colchester in May 2017 and then joined Concord Rangers and had spells at Maldon & Tiptree, Thurrock, Coggeshall Town, Grays Athletic, Hullbridge Sports and Wingate & Finchley before joining Bowers and Pitsea.

**RAKIM RICHARDS** – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive. Captain for 2022/23.

**MATT YOUNG** – Matt is a classy mid-fielder who was twice loaned to us by Leyton Orient in 2022/23. Having been released by the O's at the end of the season he has now signed directly for us.

**ALEXANDER ZAMANI** – goalkeeper from last season returning for second spell at the Club as a late addition to the squad just before the deadline. Dual registered with Bexhill United of the Southern Combination Premier Division and also with Billericay Town for a time earlier in the season.

**JOHNNY FITSIOU (MANAGING DIRECTOR)** Has a wealth of experience in professional and non-league football. He supports Tom and the Chairman, Aki, in everything football related.
