HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

However, the Club reserves the right to refuse admission to any person and the right to remain within the ground is conditional upon compliance with directions given by Club Officials. The Club cannot accept responsibility for loss or damage howsoever caused or arising to property of any or every kind brought into the ground including, without prejudice to the generality of the foregoing, motor vehicles or anything therein or thereon or items left in changing rooms

HISTORY OF POTTERS BAR TOWN FC

The foundations for the Mount Grace Old Scholars (Potters Bar) Football Association were laid in spring 1960.

The school's first team were having a good season, but many of the boys were due to leave at Easter. It was then that Ken Barrett, the P.E. Master of Mount Grace School asked them and old 'Scholars' to support him in raising a team.

We were accepted into the Barnet & District League on 29th June 1960. Ken enlisted Bert Wright, the school's Caretaker and Sven Hammarling and then Bill Venneear. Reserve, 3rd and 4th Teams were added in the following seasons.

In 1965, the Barnet & District and Finchley & District Leagues merged to form the North London Combination. By 1967/68 we had won the Premier Division and the Reserves the Division 1 title and were admitted to Division 2 of the Herts County League.

In 1976 Bill Venneear and Clive Cavalier stepped down and Peter Waller, then the 3rd Team manager, was 'persuaded' to take over.

In 1978 many recommended the closure of the Club, but we continued and our three sides were relegated. But from the experience grew a desire never to repeat the mistakes again. Micky Holson became Manager and in 1981/82 we were in the Premier Division, as Division One Champions.

Clive Cavalier rejoined in 1979, and Peter Waller planned the new clubhouse and changing rooms. Construction started in July 1982 and in six months, with Frank Bentley's considerable involvement and help from members, the clubhouse opened on the 9th January 1983.

In 1990/91, we reached the FA Vase 3rd round, before we came back from a 24-point deficit to win the Herts Senior County League Premier Division and the Aubrey Cup.

We accepted promotion to the South Midlands League and changed our playing name to Potters Bar Town FC, to reflect the growing stature of the club and promote the Town. Don Newman stood down as Chairman after 11 years.

We installed the Floodlight system in 1993, the Youth section was reformed in 1993/94 and FA Cup football came in 1995/96. At the end of that season, Peter Waller stepped down as Secretary, after twenty years, to become Chairman.

In 1996/97, the South Midlands Premier Division title was won, but we knew there was too much work to do to apply to the Isthmian League.

The following season, 1997/98, the club reached the quarter final of the FA Vase, going down 2-0 to Kidsgrove Athletic, only conceding in the second period of extra time. We were Runners-up in the league, but won the Challenge Trophy and the South Midlands Floodlight Cup. The Reserves went one better, winning Reserve Division One.

In 1998, Peter Waller and Eddie Harvey, secured a new 21-year lease on the ground, whilst on the site the old school was demolished, replaced by a new Ladbrooke School, Care Home, new car park and Watkins Rise. Sadly, we lost Bill Venneear in November 2000, a victim of cancer. The 150-seater Main Stand was added in May 2001.

For Season 2001/02, Steve Smart became Manager and by 2002/03, with Paul Surridge, we achieved 3rd place in the league and won the Herts Charity Shield. The Potters Bar Charity Cup followed in 2003/04, but 2004/05 was the most successful of his 3-year reign, winning four trophies; the Spartan South Midlands League Premier Division and the Premier Division Cup, Herts Charity Shield and Potters Bar Charity Cup.

The club went on to take the title by sixteen points, remaining unbeaten in the final 19 league matches, including sixteen victories.

Off the pitch, in 6 weeks Club members and Players carried out major improvements and we passed the FA Ground grading and earned promotion to the Southern League Division 1 East for season 2005/06.

Steve Smart stepped down; Kevin Lucas was appointed, and then replaced by Andy Milne. Though we were bottom for six months, we would not give up. Andy Leese agreed to join us in February 2006 and with new players our fortunes changed and we survived, finishing 16th. The club was devastated that season by the death of Ken Woodward, who had spearheaded the ground improvements.

For 2006/07, we were moved to the Ryman League Division 1 North. We enjoyed a most successful FA Cup run, losing 3-2 to full-time Woking, of the Conference National, in the 4th qualifying round, after wins against Waltham Abbey, Wealdstone, Maldon Town and Margate with a 1-2 away win. We won the Herts FA Charity Cup for the first time, but lost Kevin Wilmot as Secretary. Andy Leese left in May 2007 and we appointed Steve Browne, though he resigned in December 2008.

In the summer of 2007, a spectators covered area was added and a turnstile block. All four turnstiles have a unique history, as they were all in use at the old Wembley Stadium, until it closed in 2000. Adam Lee was appointed in 2008 and for 5 years served the Club with great distinction and commitment, always improving our league position and reached the Herts Senior Cup Final in 2012/13 for the only time.

In May 2010, to celebrate our 50th year, many former players returned, including 9 who had played in the very first match in September 1960! Bert Wright, one of our 'founders', received the FA 50-Year Service Award. To commemorate the occasion, the Club reverted to Maroon shirts, the same colours that we wore in June 1960. In January 2012, Bert Wright died at the age of 93, having given the club 52 years of service. In his honour, we renamed the Main stand after him.

For 2013/14 we were back in the Southern League. In late 2013, Adam Lee stepped down, succeeded by Jack Friend, and then in early 2015, by Steve Ringrose. Our Free Season Ticket Offer was launched for 2014/15 and made the national press. Sadly, we lost Eddie Harvey.

In 2015/16 we reached the semi-final of the League Cup, and then in 2016/17 we made the 4th qualifying round of the FA Cup for the second time, including a replay win at Bath City on penalties (our best result against a team from a higher level).

In Summer 2017 the Clubroom was refurbished and in August 2018, after raising £100,000 ourselves and 3 years' work by John Gibbs, our new Changing Room complex was opened.

For 2017/18 we were back in the Isthmian League Division 1 North. In September 2017, Peter Waller, celebrated 50 years of service to the Club and received an FA Award. Steve Ringrose 'promoted' James Duncan to Head Coach and several experienced players arrived.

We started with another successful run in the FA Cup, losing to National South Play Off Finalists Hampton & Richmond Borough, whilst in the FA Trophy we fell to Southern League Premier Division Champions, Hereford, both after replays. We then targeted the Play offs, being 8th in January.

However, in our remaining 22 fixtures, we won 15 and drew 5 and came through to take 2nd spot and promotion, with a win on the final day. As a result, we proudly started 2018/19 in the Premier Division.

The 2018/19 season was to present two challenges:

One: Make the necessary ground improvements to reach the next level ground grading requirements which meant the addition of two new stands - one a 100-seater and the other a 100 standing. This was achieved on time thanks to the hard work of club members, supporters, fund-raising and grants.

Two: Establish ourselves at step three. This we did, finishing 16th in the in the Bostik Premier League despite the departure of our management team in the season, but we again promoted from within with Lee O'Leary stepping up to player/manager, joined by Scott Cousins as joint manager. It was another season of significant progress.

The shortened 2019/20 season was another successful one as the club solidified its position at Step three and gained national interest as we took Barnet to a replay in the FA Cup Fourth Round Qualifying, whilst the home game being shown on the BBC with a crowd of 2011 in attendance.

The 2020/21 season was also curtailed, with the last game being played in October, a 3-1 loss against Leatherhead. The season's termination did not prevent us from continuing to make progress on and off the pitch however, as on the pitch we were able to enjoy 3-0 wins against both Cheshunt and Cray Wanderers, the latter ending our opponent's 17 game unbeaten run.

Off the pitch, further improvements were made to the stadium, as a state-of-the-art sprinkler system, a perimeter barrier around the pitch and a new draining system were all installed, whilst the main grandstand was changed to a maroon and white, with new seats and a repaint in order to match the new club colours.

The 2021/22 season saw a return to football and a complete season completed. We went out of the FA Cup in the first qualifying round away to Stowmarket Town but enjoyed our best run to date in the FA Trophy before losing 3-1 away to Braintree Town of the National League South in the second round proper. With an unprecedented wet winter, the club was hampered by having a number of home game postponed due to a

continuing waterlogged pitch which put us behind in league fixtures -a lot of mid season work was put into the pitch to aid its recovery.

Lee O'Leary resigned as manager, but the club appointed the experienced Sammy Moore which saw a change in the team's performances and the Club achieved a final position of 13th with 53 points, their best yet at step three.

Moore oversaw a strong start to the 2022/23 season that left the Scholars shocking the league at the top of the table, a position the team stayed in as late as November. Moore left the Club after 10 months in charge, and Lee Protheroe was promoted from his role as coach, taking his place in the dugout. His tenure was short lived, as he resigned in March with the team safe and in our first ever Velocity Cup final.

It was left to Max Mitchell to guide the team to the final, which ended 3-0 to Aveley on a difficult night for Bar, but wins against Carshalton and Margate to end the season left fans feeling optimistic, after equalling our best finish of 13th and 53 points.

With key players joining the Club from Step 4 such as Sam Chaney and Leigh Rose, as well as quality additions from Step 3 and above such as Preston Edwards and Rickie Hayles, the upcoming season certainly looks promising as Mitchell looks to make his mark at the now-named Lantern Stadium.

A warm welcome to the players, management team, supporters and committee of Potters Bar Town, for this Isthmian Premier league game. Also, a warm welcome to referee, Neal Tampley and assistants Andy Wertheim and Andriana Rosu.

It seems an age since our last game at Coles Park, a 2-1 victory against Athletic Newham in the London Senior Cup. In fact, it feels unusual not to be preparing for a Saturday trip to the Kent coast given recent trips to Dover and Folkestone.

As a result of our victory last Saturday away at Folkestone, we have drawn Redbridge in the 1st round of the FA Trophy, a game that will be played at The CVS Van Hire Stadium – Coles Park, on 28th October with a 3pm kick off.

Prior to that we continue our quest for league points starting today and continuing next Saturday away at Cheshunt, followed by Tuesday 24th October here against Concord Rangers. I'll say it again and again and again we are not playing like a team that should be bottom of the league with 1 point: our cup performances have shown that. However, it's all well and good saying it, but actions speak louder than words.

On Tuesday night we suffered more heartache with the usual script of taking the lead, entering the last 10 minutes ahead only to leave, having lost 2-1. Surely this fate has to change soon: its bonkers.

Today's visitors have amongst them Temi Babalola, a striker we really didn't see too much of, but he certainly introduced himself to the Potters Bar faithful though, with a hat-trick on his debut. They also have Ryan Herval who appeared for the Boro during our promotion winning season of 2017/2018 and they have a fans favorite in Chid Onokwai, a striker who was, by my reckoning, the last player to get double figure league goals for the Boro.

Under 18s

Monday night saw the U18s top the league with a 4-1 win over Barnet U18s. Their next game is away at Heybridge Swifts next week, 18th October.

Under 23s

A fine 3-2 away win at Walthamstow Reserves last Saturday see the team sit 7th in the league. They are away today at FC Baresi who are currently top of the league, so a hard game awaits. Next Friday's fixture is at home against Priory Park Rangers (7.45pm).

Women's Team

An emphatic 14-0 win over Kings Lynn has seen the team, still unbeaten, climb to 2nd in the league. Their record reads played 6, won 5, drawn 1, for 30, against 7. This Sunday they are away to Bowers & Pitsea @ 3pm (note!) and they return to Coles Park on the 22nd for an FA Cup tie against Langford Ladies.

MATCH REPORTS

Haringey Borough 2 Athletic Newham 1 - London Senior Cup 1st Round - 26/09/2023

Anyone that turned up at Coles Park thinking a team from the Essex Senior League, two steps below us in the pyramid was going to be an easy game were sadly mistaken as credit to Athletic Newham with 10 minutes to go it looked like we were going to get knocked out.

A few fringe players were given opportunities to impress in the starting line-up together with Scott Mitchell getting a run out following injury. Sadly, the night was to end early for both the fringe players and Scott although for different reasons.

The first half was fairly typical Boro having much possession without looking very threatening which allowed Athletic Newham's confidence to grow. Walter was busy trying to create chances but it wasn't a great half to be fair.

In the second half Athletic Newham introduced their star Richard Kone who has numerous goals to his name and who immediately made an impact picking the ball up and running at our defence. This saw them create chances and in the 62nd minute they were awarded a penalty after Scott was adjudged to have bundled over a player in the penalty area. Richard Kone duly slotted the penalty away.

Now if being one down was bad enough, worse was to follow when on 73 minutes Scott was sent-off for a lunge just inside the Athletic Newham half. Whether it was a red card offence was debatable, but off he went.

Prior to the sending off the players brought in to catch the managers eye had departed one by one and the Haringey "Big Guns" were introduced: Jorge, MoD, Matty and Tage.

Strangely being down to 10 and facing adversity brought the Boro to life and it became one way traffic with Tage and MoD leading the onslaught down the left wing. The pressure eventually told with panic created in the Athletic Newham box and defender Louis Hiobi turning the ball into his own net to make it 1-1.

The winning goal was almost a carbon copy of the equaliser, with MoD and Tage combining to cross the ball into the box to find Matt Young who, without breaking stride stroked the ball home. 2-1, a victory that 10 minutes earlier was unlikely.

The victory sets up a game against Barking or Leyton Orient who play on the 31st October.

Apologies there are no reports for Dover, Folkestone or Whitehawk due to tears, elation and sadness. The three emotions are interchangeable within the space of 90 minutes or in the case of Folkestone 90 minutes + penalties.

By Jon Couch

AFTER months of uncertainty, angst and sheer agony at times, the long-suffering supporters of Southend United and Scunthorpe United were finally given some reason to cheer last week.

Two proud, but horribly mistreated, football clubs in the throes of crisis and teetering perilously on the brink of non-existence, while generations of fans lined the streets in a desperate attempt to force the boardroom change necessary to keep their clubs alive.

In Southend United's case, it was about as serious as it could get.

A winding-up petition to the High Court over a £275,000 tax debt threatened to bring an end to the Shrimpers' 116-year history with much maligned owner Ron Martin at the centre of the protests for his refusal to sell up. But at 4.40pm last Tuesday afternoon, the loyal faithful finally got the news they had waited so long for after a three-man consortium of supporters, led by Australian businessman Justin Rees, announced they had finally got the deal over the line.

"We can confirm that an agreement for the sale of the club has been reached with a consortium led by Justin Rees," a club statement read.

"We recognise that this has been a stressful time for all associated with the club. We would like to thank our staff for their incredible loyalty and also thank all our stakeholders for their patience."

Stressful is one way of putting it. Indeed, as Judge Sebastian Prentis said when concluding at a previously adjourned winding up hearing "if this were not a football club, with the particular attachment to its fans, I would be winding them up today,"

Martin, who took over the club in 1998, has been the target for all the fans' ire for how the situation has spiralled to the brink of abyss.

Protests have been held outside his house, marches through the coastal town before matches and games even held up when toy rats were thrown on the pitch in a desperate bid to get him to sell-up.

Fan power also won the day 230 miles further up the east coast when a bumper crowd of 5,063 attended Scunthorpe United game with Brackley Town last Saturday to celebrate the dawn of a new era for the Iron. A takeover deal with former commercial director Michelle Harness finally brought an end to David Hilton's turbulent nine-month tenure in charge.

Hilton had replaced Peter Swann in the Glanford Park hotseat in January amid an FA investigation. Last week, he confirmed that he had withdrawn his funding from the club and was actively trying to sell the club.

On Wednesday, however, it was announced that, despite a looming eviction from Glanford Park, winding up petitions, county court judgements and players and staff not being paid, Harness had agreed to take over a 75 per cent share of the club, while fans did their bit by clubbing together to raise more than £68,000 to help pay the staff in their hour of need.

Saturday's game with Brackley Town was emotional for another reason as Scunthorpe's last at their famous Glanford Park home "for the foreseeable future" with a groundshare in place at Gainsborough Trinity 17 miles away.

But Simon Elliott, who was on the cusp of taking over from then-chairman Swann in December 2022 only for the deal to collapse prior to Hilton's arrival, says talks were underway with landowner Swann.

"Negotiations have already started," Elliott said. "The sustainability of Scunthorpe United is dependent on this support that we have seen throughout the past few weeks continuing for many months and years to come, through high times and hopefully not so many low times."

Sadly, not all clubs are as blessed as Southend and Scunthorpe when it comes to powerful fanbases and this week it wasn't such great news for Step 4 Hamworthy United.

The Hammers have been hamstrung since the closure of the only seated stand at their County Ground home, the headquarters the club leases from the Dorset FA, following a structural report in February this year.

An on-off deal to replace it was eventually struck and with a short-term groundshare at Weymouth secured at the 11th hour, United got the green light to remain at Step 4 this season.

However, with demolition work now paused following the discovery of unexpected asbestos, officials felt they had no choice than to quit the Southern League and pull the plug on the first team to safeguard the club's long-term future.
