## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF WINGATE & FINCHLEY FC

Wingate and Finchley Football club can trace its roots back to the formation of Finchley Football Club in 1874 making it one of the oldest clubs in the country. Founded by Pa Jackson, who also was instrumental in the creation of the Corinthians, The London Football Association as well as later serving as secretary of the FA, Finchley became founder members of the Athenian League in 1912 after spells in the London League and North London League. They finished fourth in the maiden season, higher than such luminaries as Grays Athletic, Chelmsford City and Enfield.

However their stay was cut short due to the onset of World War One and they would only return for a lone season in 1929 before returning to the London League and forging success. The club's first piece of silverware was won during the 1934-1935 season when the League Cup was captured, with the taste of achievement forming Finchley went on to win the London League in 1936-1937 before World War Two scuppered their winning streak.

It was immediately after the conflict that saw Major Harry Sadow, Frank Davis, George Hyams and Asher Rebak form a Jewish Football Club believing the field of play was a ground of battling the ignorance of anti-Semitism. So in 1946 Wingate Football Club began life in the Middlesex Senior League. The club was named after General Orde C. Wingate who despite not being Jewish himself oversaw the creation of the Israeli Army during the Second World War. The club enjoyed early success and by 1952 they were promoted to the London League.

Meanwhile Finchley, back in the Athenian League, were in the middle of their glory years with the 1952-1953 season proving to be the pinnacle. That year saw their progression to the Third Round Proper of the FA Cup. Defeated along the way were Chelmsford City, Kidderminster Harriers (1-0 at Aggborough) and Crystal Palace (3-1 at Summers Lane) before the Finches were finally beaten 2-0 at Gay Meadow against Shrewsbury Town. Despite an Amateur Cup semi-final appearance, losing to bitter local rivals Hendon at Highbury in 1965, a sense of decline was starting to emerge. A switch to the Isthmian Premier League failed to stop the halt, and in 1980-81 Finchley were relegated to the second division.

Wingate by now had become a senior club and were competing in the Athenian League. Many players had become members of the Middlesex FA representative side and also partook on behalf of Great Britain in the Maccabiah Games. Disaster struck though in 1972 when their Hall Lane ground in Hendon was lost to the M1 extension and despite a short ground share with Finchley FC the club reverted to junior football. Wingate finally returned to the senior game with a brief merger with Leyton FC. This partnership proved to be unsuccessful and despite a 1984-1985 League Cup victory, ironically defeating Finchley in the final, both clubs went their separate ways.

In 1991 with Finchley struggling in the Isthmian League Second Division and with mounting debts it was announced that a merger with Wingate would take place in the summer. After extensive refurbishment and a name change of the Summers Lane ground in honour of long time Wingate supporter Harry Abrahams, Wingate and Finchley took to the field for the start of the 1991-1992 season. Success was immediate and despite starting life in the South Midlands League the club were quickly competing in the Isthmian League and by season 2003-2004 were members of the newly formed Division One North.

In recent seasons the club has continued its growth. A brief flirtation with the Southern League was shortly followed by the arrivals of Manager Michael Stone and Chairman Aron Sharpe. Now back in the Isthmian League a youthful squad achieved seventh position in the First Division North in the 2008-2009.

Stone sadly left the club in 2009 after being offered the post of Assistant Manager at Conference giants Rushden and Diamonds. The club's first team manager in time for the start of the 2009/10 season was former Oswestry Town manager and Total Network Solutions Llansantffraid midfielder David Norman. At the end this season the Club finished in a record high position of 3rd in the Ryman Division One North, mainly thanks to a record run of 17 matches without defeat from the turn of the year, a run which included 13 wins. The Club reached the playoffs but lost out to Enfield Town in the semi-final 3-2 in an incredible match. This paved the way for what was to be a monumental and unforgettable 2010/11 season.

The Club was quickly becoming the most progressive non-league club in the area, thanks to Sharpe's focus on youth development. Bobby Aisien and Medi Abalimba had progressed from Hadley Wood & Wingate to earn professional contracts, and in 2011 over 20 of the U16-18 age group represented their County. Six boys

at U16's were given scholarships with pro sides and the club developed into a community club with a Mencap disability initiative, work with schools, and it entered its fourth year of the Flex educational scheme.

A consistent league season for the First Team saw the side match their previous 3rd place league finish and earn a second crack at the playoffs. In the semi-final Harlow Town were beaten 4-2 after extra time, and promotion to the Ryman premier Division was won with a 118th minute winner over Brentwood Town in extra time of the final - The Blues winning 3-2 on their home turf. This victory was the middle leg of a remarkable and unique Treble. Earlier that season the club had lifted the Ryman League Cup having beaten Dulwich Hamlet 2-0 at Imber Court, and London Senior Cup success was to follow shortly afterwards when Hendon were convincingly beaten 3-1 in the final. Success flowed throughout the Club this year, with the youth teams also building on their previous season's work as they progressed superbly. The U18's won the Middlesex County Cup, and at U15 level the League Title and three Cup trophies followed (two County cups and the League cup). Even the Under 10's were getting in on the action as they lifted the Spring Cup!

The first season in the Ryman Premier Division in 2011/12 saw the side secure safety in this new level with a comfortable mid-table finish, ending up closer to the playoffs than from relegation. There was huge cup success at youth level yet again; The Under 18's won the AFA Cup, beating Valley Park after extra time, as well as the London County Cup. The Under 17's won a double as they beat Thurrock in the EJA League Cup final to add to their earlier AFA Cup success having beaten Bethwin 8-1! The Under 16's also got in on the action securing their AFA Cup title beating Woodford FC, which they added later on securing their EJA (Herts) League title.

Meanwhile the Barnet Mencap disability sides grew in strength as they entered the fourth season with the club, with three sides now competing in the Camden Step Leagues. The following season, 2012-13, was a difficult one for the first team. Early season poor form led to the departure of Norman in November as ex-Northwood boss Gary Meakin came in. The Club flirted with relegation all season until a momentous 3-2 victory over Lowestoft

However Norman rejoined the Club in the summer as Director of Football, as veteran defender Daniel Nielsen was put in place as Head Coach. Meanwhile a new Under 21 Development squad was set up to compete in the inaugural Ryman U21 League. There was continual success for the youth sides. The U17's added the London County Cup to an earlier EJA league title, the EJA cup and the AFA cup. These were also followed up with the League Regional Playoff title. In 2014 the side faced another relegation fight in the league, which was lost on goal difference on the final day of the season despite a 5-0 victory over Billericay Town. However, when Worksop Town pulled out of the Southern League due to financial problems, Wingate & Finchley were the first in line to earn the reprieve.

The 2014-15 season resulted in a record finish of 12th place in the Ryman Premier League, and at the end of the season Norman departed, to be replaced by Simon Lane as Director of Football. However for the start of 2016 he was replaced by former Northern Ireland International Keith Rowland and the side finished in a stable 13th position. In August 2016 the stadium at Summers Lane was re-named after Wingate FC co-founder Maurice Rebak who had passed away in February of that year aged 95.

The 2016/17 season saw the club set a new record, finishing in 5th place in the Ryman Premier League and qualifying for the end of season playoffs. A last-minute defeat at Bognor Regis Town in the semi-final ended the season, but this was a magnificent achievement and saw the Blues win the League's Team Performance of the Year Award. A ninth-place finish followed in 2017-18 as the Blues narrowly missed out on a second successive play-off berth. Over the summer the Club embarked on an extensive state-of-the-art refurbishment of the stadium, for the first time since 1991's merger, giving the clubhouse a much-welcomed overhaul and making the stadium one of the most impressive in non-league football.

The subsequent three seasons saw a period of uncertainty both on and off the pitch, with short management stints for ex England International Nicky Shorey, ex Premier League stalwart Glen Little and ex West Ham Academy and Wingate & Finchley favourite Steve Clarke, followed by two null and void seasons under the stewardship of Spencer Knight due to the COVID pandemic. However, during this period there were still many successes, including U18s winning County Cup in consecutive seasons and the London Champion of Champions trophy, U23 Development Squad being victorious in Herts League Cup fielding a squad largely made up of Under 18s, while both U13s and U12s secured League Titles.

In the summer of 2021, Club legends Ahmet Rifat (Director of Football) and Marc Weatherstone (Manager) were appointed as a new Management Team after nearly 1000 first team appearances between them.

## Chairman - Haringey Borough FC

A new season beckons and new hope for what may lie in store for all of us. We have had a very busy summer speaking to a number of players trying to get them in to our very tight wage budget and trying to impress upon them that it's not all about money!!! heart, desire and ambition as well as opportunity and the best fans in the league is what we hope for and offer. I am really thankful to the efforts made by Tom, Johnny Fits, the new first team coach Lee Protheroe as well as the established back room staff of Cumbers and Tucker who have given up so much time and effort in trying to mould the squad together. Plenty of new faces and plenty of song lyrics to be considered by Lemon and McCartney and aptly applied to these new boys, listen out and learn the songs and apply liberally throughout the games and enhance the atmosphere for all of us. A disappointing start on Saturday at Canvey after a promising first ten minutes had us all dreaming of a 3 point haul. The loss of the influential Scott Mitchell to injury at the start of the second half when 2-0 up proved to be a turning point as we conceded from two set pieces and a third from open play in the last 18 minutes consigning us yet again to opening day heartache. It was a shame to lose in such circumstances and it was disappointing to note the songs directed towards you the supporters by the home fans. To your credit you did not respond albeit you would have been disappointed by the loss. You are the best and your conduct is impeccable and something many fans from other teams should look at and take a leaf out of your book. After a good pre season none us were surprised by the early performance and chances we created and goals scored, we have once again gone under the radar and we are tipped to go down by many other teams in our division and it will I am sure spur us on to prove those people wrong. We have a very strong squad and nobody knows!! Shhhhhhhhhsh. Let them all think we will be a soft touch, we have always been the underdogs, we have performed above ourselves for a number of seasons and this season will be no different. We cannot compete with some of the money other teams are paying in our league but as long as teams like Luton Town can get to the Premiership there is always hope. Tonight we start our home campaign against our local rivals Wingate and Finchley and we need to find a goal after 3 successive 0-0 draws with Wingate last season (you will recall the final game in the cup ending with a Matty Young screamer in extra time). They too started with a heavy defeat on Saturday and I am sure they will be keen to put that behind them and secure some points tonight. We need to perform as we did in the first half on Saturday and maintain it for the whole game to get a result. Enjoy the game, sing the boys to victory, Come on Boro!

Aki Achillea - Chairman Haringey Borough F.C

## Manager - Haringey Borough FC

What can I say when the players do everything we ask of them, score two goals and look untroubled at the back and then with a short period of time left drop our guard, lose concentration and concede not one but three goals in 13 minutes and even after that see their keeper make an astounding save to stop Sambu equalising. It is so infuriating, so annoying, a lot of soul searching since then I can assure you all. We believed we had addressed what we identified as a soft underbelly during the summer and to see us fall apart again is a bitter pill to swallow. In the cold light of day I recognise that Scotty's departure was key and I have no doubt that had he not been injured the two set pieces would not have cost us like they did, we had withstood a number of corners throughout the game without difficulty. We now have Scott sidelined along with Temi and George Aresti, 3 sprained ankles in a week, how unlucky can we be?? The players injured give opportunity to others and it is up to them to show me what they can do starting tonight against Wingate, a team historically we do not do well against!! It is about time we changed that perception, got into them early and put them under pressure and test their resolve. They let in a number of goals at the weekend and we need to start brightly and try and drain their confidence. If we do not we know they are well capable of hurting us so I will be impressing upon the boys to start well and maintain their drive for the whole duration of the game. Looking back to Saturday we dropped too deep, didn't keep the ball and invited Canvey on to us when in truth we were so superior we should have looked for more goals and ended the contest. I will be

telling the boys not to make that mistake again if we get our noses in front. Have good evening, get behind the boys – Come on Boro!

## THE SECRETARY'S MUSINGS

This evening it is our pleasure to welcome the players, officials and supporters of WINGATE & FINCHLEY FC for our 1st home fixture of the 2023/2024 season.

We extend a warm welcome too to our Match Officials who are referee Dennis Torres Miranda and assistants Darren Lander and Daniel Statham.

Like us, our visitors are the result of a merger – in 1991 in their case – and the merged Clubs had never met in a League fixture until season 2018/19 following our promotion to the Isthmian Premier Division. There were previous friendlies and cup games though.

Last season saw us play 3 times, two uneventful nil-nil games and a Semi-Final of the London Senior Cup which was also 0-0 until the 119th minute before Matt Young let fly from outside the area which went into the top corner. Cue mass disbelief, followed by mass hysteria. It was a fitting moment of brilliance to end nearly 300 minutes played of not seeing a goal between the teams.

### Recent Games

2022/2023 Wingate & Finchley 0 Haringey Borough 0 League

2022/2023 Haringey Borough 0 Wingate & Finchley 0 LDN Senior Cup

This season will see us play 42 league games with the winners of the league automatically promoted and the team's 2nd, 3rd, 4th and 5th taking part in play offs. The bottom four sides will be relegated out of the division.

We will also be taking part in the FA Cup, FA Trophy, London Senior Cup and the Velocity Trophy (League Cup). Our free season ticket which can be obtained from [www.haringeytickets.co.uk](http://www.haringeytickets.co.uk) entitles entry to all league games for the Men's, Women's, U23s and U18s teams. Due to sharing attendance money for cup games the season ticket is NOT valid for cup games.

We kicked off the season with a disappointing 3-2 defeat away at Canvey Island despite being 2-0 up after only 11 minutes, football can be a cruel game at times. Thank you to everyone that made the trip to Canvey and hopefully we can quickly forget that with a victory tonight.

On Saturday we welcome Horsham to the CVS Van Hire Stadium – Coles Park for a 3pm kick off in the Isthmian Premier League, I understand our near neighbours Tottenham Hotspur are also playing at home on Saturday but have moved their game to 5.30pm to avoid a clash. We thank them for their understanding!

It would be nice if supporters of Tottenham or their opponents Manchester United would do a double header and see what delights The CVS Van Hire Stadium - Coles Park has to offer, I'm sure they would thoroughly enjoy themselves.

### Women's Team

The team kicked off their season on Sunday with a 1-1 draw at home against Luton Town, the Eastern Region Women's Football League Premier Division is made up of 12 teams with 1 team promoted and 1 team relegated. There was a real swell of interest in the team last season and we hope that continues, the work Kiki is doing on the social media front is certainly bringing the team to everyone's attention. With a young talented team, they will be looking to improve on their 5th place league position last season. If you are free on Sundays look out for their games as you will be greeted with a warm welcome and your support valued.

### U23s

The U23's made their debut in the Essex Football Alliance Senior Division on Saturday with an incredible 8-1

victory at home against Kit Out London. With the Isthmian Development League not taking place this season the U23's found themselves without a league so to be able to take part in the Essex Football Alliance and find themselves entered straight into the top division is a real coup. The U23s are very much a pathway into the Men's 1st first team so we look forward to players developing, performing well and putting pressure on 1st team players. With the Men's 1st Team and New Salamis generally hogging the Saturday 3pm slot, the U23s will be playing home games on Friday nights. They have a home game this Friday, 18th August when FC Petrocub are their opponents.

### **U18s**

The under 18's are in the Olympian League which is part of the Southern Counties Floodlight Youth and is made up of 8 teams including ground sharers New Salamis. Their first game will be in the FA Youth Cup away at Bowers & Pitsea during week commencing 4th September.

**YOU CAN NOW OBTAIN YOUR FREE SEASON TICKET TO ATTEND ALL 21 HOME LEAGUE MATCHES BY MAKING AN APPLICATION VIA [www,haringeytickets.co.uk](http://www.haringeytickets.co.uk)**

## THE VIEW FROM THE BELL END

### Haringey Borough 2 Walthamstow 2

In our final pre-season friendly we were undone in the last minute as we pushed forward from a corner and got caught on the break when leaving one defender against three attackers. I'd like to think if this had been anything other than a friendly, we wouldn't have conceded a goal like that.

I think the biggest disappointment was seeing George Aresti limp off early in the game which looked like a fairly serious looking injury. Given George has been sparsely used during pre-season following other injuries this is a real set back. We hope George gets back playing soon, it's been mentioned numerous times but his energy really drives us forward when we are in need of a spark. He will be missed if out for any great length of time.

As for the game itself, it was fairly feisty with a few flashpoints, luckily Jorge was in the dug out in the first half so quickly defused any hostile situations. Goals from Bobson and Kasim put us in the lead twice 1-0 and 2-1, but Walthamstow equalised on both occasions to see us finish pre-season with 3 wins, 2 draws and 1 loss.

### Canvey Island 3 Haringey Borough 2

If the ecstasy and agony of being a football fan could be encapsulated in 90 minutes, then Saturday would be the prime example. After 11 minutes following goals from Matt Young a penalty after 5 minutes following a handball in the area, and a Kasim shot across the goal beating the keeper, we were 2 nil up and screenshots of the league table were being taken. Dillon was performing admirably in goal stopping everything Canvey had to offer and we were looking fairly comfortable. Up until the 70th minute it was looking the likely that we would score a third and certainly not that we would end up conceding three.

Their first goal was given following a contentious free kick which we didn't defend well and the second goal came from a corner, two set pieces in 6 minutes and two goals. The winning goal was well taken but by this time we were rocking and it was almost inevitable that a third goal would come. The final act of the game should have seen us level as Jorge had a header well saved but anywhere else other than where it was directed would have seen the goalkeeper beaten.

A couple of points to note from the game let's hope the injury to Scott Mitchell which saw him come off just after half time isn't serious as we missed his presence when he was substituted.

And a welcome to the Boro to Dillon Barnes, Ebenezer Adoo, Kasim Aidoo, Arthur Iontton, Temi Babalola and Walter Figueira who all made their competitive debuts on Saturday.

In summary gutted yes, but there was encouragement in our performance, certainly going forward, that bodes well for the season.

### 50 years of the Boro

On Saturday 18th August 1973 the first competitive fixture of the newly formed Edmonton & Haringey club, Haringey Borough as we know them now, took place, a 1-0 defeat in the Athenian League to Grays. From the match report there was encouragement in their play and its interesting how a booking was worthy of inclusion in the report, if that practice took place today match reports would be pages long, detailing all the misdemeanours.

If there are any people reading this that have memories of watching the Boro or have played for or have been involved with the club and can add to the history, it would be great to hear from you. My email address is [nick.hoare@haringeyboroughfc.net](mailto:nick.hoare@haringeyboroughfc.net) or just find me on a match day. Thank you.

Nick Hoare

## TALE OF MISSED CHANCES

**Grays 1, Edmonton-Haringey 0.**  
AN EARLY goal sent Edmonton-Haringey crashing to defeat in the opening league match of the season on Saturday.

Kimble raced onto a long through ball and stabbed the ball just inside the post in the 11th minute.

Grays, fielding two permit players Brian Nicholls formerly of Fulham and ex-Millwall player Danny O'leary, looked the superior side in the opening stages.

Yet Edmonton did show some promise for the future. Full-back David Hanyours was outstanding and new skipper Alan Clark built a fine understanding with teenager David Stephenson in the heart of the defence, and Billy Parker was commanding in midfield.

But Hanyours' game turned sour when he was booked late in the match. Hanyours pulled the shirt of Lee as the Grays forward raced for a ball. Hanyours fell to the ground and Lees kicked out — but it was Hanyours who was cautioned.

New signing Steve Sparrow made his league debut in the Edmonton side when he came on for Freddie Kent late in the game.

**Edmonton:** Goymer, Hanyours, Wakeling, Stephenson, Clark, Parker, Rocco, Kent (Sparrow), Sheen, Pellici, Bishop.

THE SUMMER at NLP Towers brings a mix of emotions.

Like for many, the end of a season brings time for reflection and recuperation — and wondering quite where the previous nine months vanished.

But, to borrow a phrase of nearly every Non-League manager we speak to in the close season, it just never stops.

We may not be trying to assemble our squads to kick off in late July/early August, but there's not time to put the feet up.

Club allocations, appeals, managerial comings and goings, player signings — and then the chance to put together some nice features we don't usually have the space to include when the campaign is at full tilt.

Pre-season soon comes along but there's nothing quite like the real stuff that has swung into action over the last few weeks.

The first ball seems to be kicked earlier every year with some Step 5 and 6 leagues getting under way at the end of July to squeeze some competitive minutes in the legs before the FA Cup.

Then it's the turn of the National League — along with Southern Step 3 divisions — before this weekend when everyone is back under way.

By the time you read this, some clubs will have already played five games if they've had an FA Cup replay.

There was a unique FA Cup record set in the extra preliminary round, a stat that comes courtesy of the brilliant Phil Annets with his @FACupFactfile account on twitter, or X as it is apparently now called!

At 7.48pm on Friday, August 4, Bishops Cleeve's Jay Malshanskyj became the earliest ever goalscorer in an FA Cup season. How's that for a piece of history and one he will no doubt roll out in the pub with mates when Manchester City, or whoever it may be, lift the trophy at Wembley next year.

The FA Cup does feel like the starter's gun for the new season across Non-League football. Many dreams are already dashed but over the coming months more clubs will join with the belief this could be their year.

It is the time of year for hope. Where a long season is still ahead of everyone, where opening day drubbings can be put down to a bad day at the office, big wins can be savoured and it's OK to dream.

The summer was nice. But it's so much better when competitive football is back. Enjoy the season!

# PLAYER FOCUS

We're BACK!

This season we'll have some exciting new programme features, but we've got some new faces - and some we didn't get round to last season - to focus on too.

And so, our roaming, forward-thinking full back Stefanos Georgiou is in the spotlight for this, our first Player Focus of 2023/24.

GREAT TO HAVE YOU WITH US AGAIN THIS SEASON STEFANOS? HOW HAVE YOU FOUND YOUR BORO CAREER SO FAR?

Delighted to be back again, looking forward to the season ahead. I have really enjoyed my time here so far, have learned so much and still looking to grow and help the team achieve something big this year.

ATTACKING FULL BACKS ARE VERY POPULAR IN THE MODERN GAME AND YOU PLAY THAT ROLE SUPERBLY - TELL US ABOUT YOUR APPROACH TO THE ROLE.

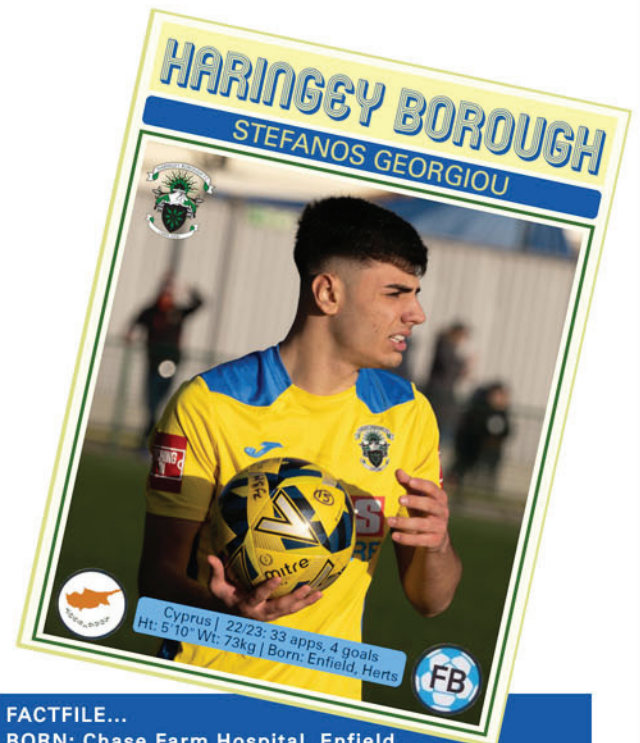

I love being an "attacking full back" however I must defend first. I know every football fan loves seeing their team attack so I try to make it as enjoyable as possible for everyone watching whilst also doing my best for the team.

WHAT'S YOUR OPINION OF THIS YEAR'S ISTHMIAN LEAGUE? WHAT IS IT LIKE TO PLAY IN AND HOW DO YOU ADAPT YOUR GAME?

Personally looking at the table, this year is one of the toughest yet but we have a great team and great coaching staff and unbelievable fans and I'm sure we will do very well this year.

YOU'VE PLAYED WITH AND AGAINST YOUR BROTHER ANDRONICOS A FEW TIMES - WHAT'S THAT LIKE AND HOW DO YOU AVOID ARGUMENTS AT THE DINNER TABLE!?

I did enjoy playing with him rather than against him, however I can't play with him every week anymore, we both appreciate each other are great players and it's more positive than negative conversations at the dinner table over football.
