HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF KINGSTONIAN FC

The Kingstonian club came into being in 1919 as a result of the merger between Kingston Town FC and Old Kingstonians FC. However, the club can trace its origins even further back and celebrated its centenary in 1985; the reason for this is that one of its forerunners, Kingston & Surbiton YMCA FC played its first match on a ground in Bushy Park in November 1885. In 1887 the YMCA changed its name to Saxons FC. Then in 1890 it changed to Kingston Wanderers FC and once again to Kingston-on-Thames Association Football Club (KAFC) in 1893. Unfortunately, in the early 1900s there was trouble in the camp and in 1908 the club split in two with Kingston Town playing at Norbiton Sports Ground and Old Kingstonians on what became known as the "back pitch" at Richmond Road.

The new Kingstonian set-up started life in the Athenian League, a competition that it won in both seasons 1923/24 and 1925/26, playing its home matches at a brand new ground in Richmond Road that remained its home until 1988. In 1929 the Kingstonians, widely known as the K's, accepted an invitation to join the Isthmian League as a replacement for the Civil Service FC, and remained in that league until 1998.

The K's have a credible history and their blue ribbon period of the early 1930's produced players such as Frank Macey, Doug Whitehead, George Lee and the Whittaker brothers achieving in April 1933 its then greatest accolade by winning the FA Amateur Cup which well and truly put Kingstonian on the football map. Wins over Portland United (after a replay), Leyton, South Bank, Dulwich Hamlet, and Whitehall Printeries took the K's through to the final, staged at Dulwich, against Stockton, which resulted in a 1-1 draw. For the replay Kingstonian had to travel to Darlington, but despite going one goal behind after only four minutes, the K's came back to win 4-1 thanks to goals from Gibson, Urpeth (penalty) and Whitehead (2).

In the following season, 1933/34, K's bowed out of the Amateur Cup in a second round replay to Wimbledon at Plough Lane, but went on to successfully win the Isthmian League, a feat they repeated in season 1936/37 and, of course in 1997/98.

In season 1959/60 it seemed as though the Amateur Cup was going to return to Kingston as the legendary Johnny Whing headed K's into the lead against Hendon in the final at Wembley Stadium. Two goals in the last three minutes, though, had the FA officials busily changing the red and white ribbons for green and white ones as Hendon won the cup for the first time. To qualify for the final, Kingstonian disposed of Histon, Letchworth Town, Ferryhill Athletic, Carshalton Athletic, and Crook Town in a semi-final tie played at St James' Park, the home of Newcastle United.

The Kingstonian teams of the early 1960's were arguably as good as those of the 1930's and many trophies were won. After winning the Surrey Senior cup for the 9th time (as Kingstonian) in 1967, the club's successes dried up and despite the endeavours of many managers and countless players, the team went into decline. In 1979 relegation to Division One was suffered, but in 1985 the club bounced back as runners up to Farnborough Town. K's were a mite fortunate as Leatherhead, who finished above them on goal difference, had three points deducted for fielding an ineligible player. Kingstonian remained as members of the Premier Division until the end of the 1997/98 season when promoted to the Nationwide Conference.

The famous Richmond Road ground, which was loved by so many, became increasingly dilapidated and subject to vandalism, so a decision was made to relocate and develop the site for housing - a move that also assisted the club's finances. The last game played there was in January 1988 against Bromley. After one and a half season's ground sharing at Hampton's Beveree ground. K's opened their brand new Kingsmeadow Stadium (on the site of the old Norbiton Sports Ground) in August 1989, when Slough Town were the visitors. After achieving a draw with Peterborough United in 1992, the club recorded a fine FA Cup win at Kingsmeadow by beating Brighton in 1994; they also competed well the following year against Plymouth. In front of 3,495 supporters the K's held Leyton Orient to a 0-0 draw only to lose 2-1 in the FA Cup 2nd Round Replay in 1998. Drawn away to Luton Town in the First Round of the FA Cup in October 1999 saw the K's come in at half time 1-1 only to go down 4-2 at the end.

At the beginning of the 1997-98 season, the club appointed Geoff Chapple as manager. He brought about an exciting change of fortune for the club. In his first season, he took the club to the Isthmian League Premier Division Championship. In the following season, their first in the Football Conference, the club finished a

creditable 8th, but they capped it all off by winning the FA Trophy at Wembley in May 1999 with a 1-0 victory over Forest Green Rovers. The following season 1999/2000, in the last FA Trophy Final between the famous Twin Towers, the K's retained their title with an exciting 3-2 win over Kettering Town, giving Chapple his 5th FA Trophy Final win in seven seasons (the other three with Woking). The club also reached their highest position of 5th in the Conference.

However, season 2000/2001 proved to be extremely mixed. The K's made the headlines again with a tremendous run in the FA Cup. A home win against Devizes Town was the start of an incredible run that saw the K's defeat Brentford, Southport and Southend United all away from home. In the Fourth Round, K's were thwarted in the last kick of the game at Ashton Gate as Bristol City scored a very last gasp equaliser before winning the replay at Kingsmeadow in a live televised match. Unfortunately, the club's league form proved to be exactly the opposite, as the K's finished next to bottom and were relegated back to the Ryman Football League.

Season 2001/2002 and it was time again for a change, as the club and Geoff Chapple parted by mutual consent. Kingstonian quickly appointed former Dover Athletic man Bill Williams as their new manager, who had working alongside him former Tottenham Hotspur player Steve Sedgley as his assistant. In late 2001 Williams departed the club and Sedgley moved up to the position of manager and his assistant was Kim Harris who was promoted up from the position of reserve team manager.

December 2002 saw the sudden resignation of the highly promising Sedgley as manager. The club immediately promoted Harris, a former K's striker, to manager and appointed former Woking man Scott Steele as player/coach. The club had ups and downs over this period but only failed to make the new Conference South following a single goal defeat to Lewes in a Ryman League playoff.

Following a poor start to season 2004/05 Harris decided to call it a day after just four games. Scott Steele was promoted to manager but, despite encouraging good football from his side, was unable to prevent what became an inevitable relegation to Division One. However, good news arrived off the field when local businessman Jimmy Cochrane bought the football club, giving the club a positive outlook for the first time in several years. Steele's resignation followed towards the end of the season when former assistant manager Ian McDonald was brought in along with Stuart McIntyre as his coach with a view to resurrecting the club's fortunes.

The 2005/06 season saw K's move up the table only to miss out on playoffs on the final day of the season, though silverware was achieved following a 1-0 win over AFC Wimbledon in the Surrey Senior Cup Final. McDonald was almost immediately succeeded by McIntyre as manager, whilst the club was jointly bought by Mark Anderson and Malcolm Winwright – the board would be completed by the presence of John Fenwick as chairman from May 2011 to June 2014 and then co-chairman with Anderson and Winwright until January 2018, when he became sole chairman again.

Stuart McIntyre's time as manager was unfortunately short-lived and unsuccessful, and midway through the 2006/07 season he was replaced as manager by former Walton and Hershaw manager Alan Dowson. Dowson and his team immediately transformed the club, and achieved a semblance of stability. There was plenty of expectation for the 2007/08 season, though inconsistency led to the K's missing the play-offs once again on the final day of the season.

The 2008/09 season was successful from start to finish. A run to the Third Qualifying Round of the FA Cup was highlighted by a 4-0 home win over Conference South team Braintree Town, all four goals scored by midfielder Dean Lodge. This performance led to the K's player winning the Performance of the Round award from the FA. But it was in the Ryman League Division One South that the biggest success came, as a very strong start and a storming finish led to Kingstonian winning the division by seven points ahead of Cray Wanderers.

After an absence of four years, the club almost passed straight up through the Ryman Premier Division, recovering from a difficult start to reach the end of the season playoffs. It was Boreham Wood, however, who won the controversial final match. Heartache followed in the following 2010/11 season when a final day collapse at Margate cost another attempt at the playoffs. The following two seasons saw mid-table finishes in the league accompanied by successive London Senior Cup final appearances, before a return to the playoffs in the 2013/14 season, after the club finished runners-up in the league. A semi final defeat against AFC Hornchurch however denied the chance of promotion, in what turned out to be Alan Dowson's last game

in charge.

With former K's midfielder Tommy Williams installed as manager, the club again reached the FA Cup Third Qualifying Round, losing 3-2 to a last minute goal against Eastbourne Borough. The league campaign was a roller-coaster, a late challenge for the play-offs falling short in the last couple of weeks of the season. In his second season, the 2015-16 campaign saw the K's lift their first cup in ten years, winning the Isthmian League Cup with a 5-0 victory over Faversham Town.

The 2016-17 season proved to be a difficult campaign, as the club flirted dangerously with relegation thanks to a dreadful run following Christmas; with six games left and hopes almost lost, Tommy Williams was replaced as manager by former Billericay Town man Craig Edwards. He turned the club around immediately and K's moved up to 16th after a five match unbeaten run to end the season. K's left the Kingsmeadow Stadium at the end of the season and moved to Fetcham Grove with Leatherhead FC; Edwards resigned in October 2017 and was replaced by former Whyteleafe manager Leigh Dynan.

At the beginning of the 2018-19 season, Kingstonian moved back to the Royal Borough of Kingston-upon-Thames and started a ground share with Corinthian-Casuals at King George's Field. A difficult season saw K's have three managers, as Leigh Dynan was replaced by Dean Brennan and then very quickly by stand-in manager Kim Harris - K's moved from second place in the table on New Year's Day to escaping relegation by a single place after a horror run of results.

The 2019-20 season may have been curtailed by the COVID-19 pandemic, but new manager Hayden Bird's arrival gave the club an enormous boost, and the K's supporters were rewarded amply with fine runs in both the FA Cup and the FA Trophy - the club reached the First Round of the FA Cup for the first time since 2000-01, and defeated Macclesfield Town 4-0 at Moss Rose in Round One before bowing out in Round Two at home to AFC Fylde on a day that saw the club host that afternoon's edition of BBC Football Focus. Their FA Trophy run also ended in Round Two but was most notable for a fine 3-1 victory over Alan Dowson's Woking team at King George's Field. The 2020-21 season was curtailed even more than the previous season, ending in November with K's sitting in fourth position in the Premier Division.

The 2021-22 season started out extremely well, with K's topping the Premier Division for a lengthy period before Christmas, but from then disappeared, and the club had to settle for an ultimately disappointing tenth place and a place in the Surrey Senior Cup Final, which was lost on penalties to Dorking Wanderers after a 1-1 draw. During the summer, the club moved temporary home once again, this time to Imperial Fields at Tooting and Mitcham United, and Lee O'Leary was appointed manager after the resignation of Hayden Bird. A difficult season ensued, Lee O'Leary stepped down due to personal reasons, to be replaced by Spencer Knight, who also resigned for personal reasons a couple of months later and was replaced by former Westfield manager Simon Lane, who saved the club from relegation.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Kingstonian and also to the officials, referee Craig Barnett and assistants Chaolun Tan and Matthew Basterfield.

Since our last home game, we have been on the road three times and returned with 2 points from battling draws against Margate and Tuesday night, from Folkestone. Easy to say, but it could easily have been more, we were certainly the better team against Margate. The loss was last Saturday to Bognor Regis where we looked comfortable in the first half but we never recovered from an early goal in the second half and ended up losing 3-0. Apart from the games against Horsham and Potters Bar at home, all other games could have gone either way and we won't dwell on the points dropped from leading positions as we've beaten ourselves up enough about that already. Tuesday was a classic example if we are to stay up, those are the games we have to nick the 3 points, a draw was probably fair but it could so easily have been all 3.

Pleasing to see a good debut from J'Ardell Stirling at right back who we signed from Walthamstow and also good to see an opportunity given to some U23s players, for which it must be great to be in and around the first team. The management team have been busy searching for players to bolster the squad but it would be great if we had players that could step up from the U23s and establish themselves, hopefully that will come in time as it must be difficult to do when we are fighting for our lives, to stay in the division.

Last weekend against Bognor was Matt Young's 50th appearance, with him playing Tuesday his record reads 49 starts, 2 sub appearances and 18 goals. We've all enjoyed watching Matt play and celebrated his goals, we hope to see many more appearances, oh and goals!

Fixture news, following their win over Leyton Orient we will play Barking in the 2nd Round of the London Senior Cup, as soon as the game is arranged, we will make an announcement.

On the 2nd December following the game against Chatham Town, Dexter Peter and Nellz Humes the team captains of the Men's and Women's teams, have been asked to turn on the Christmas lights in Wood Green, which is nice for the council to acknowledge the role Haringey Borough play locally and for the individuals themselves. There was also talk at the time of the invite about ex-Spurs players being involved but obviously Haringey Borough are the star attraction.

Women's Team

You'll see later in the programme a feature on the Women's team's magnificent achievement in reaching the 2nd round of the FA Cup, that 2nd round game will take place on Sunday 26th November against Moneyfields, a team from Portsmouth at Coles Park, kick off is 2pm.

Tomorrow they are away to Luton Town and without putting any unnecessary pressure on them if they are to catch Real Bedford, who they have to play twice, they really need the 3 points. Such is the progress with the team writing something like that 3-4 years ago would have been unheard of it. It's a massive success story and long may the progress continue.

U23s

The U23s played Bakers 693 last night at home, listen out for the result today. Last week they won 2-1 away at Kit Out London. Their next game is Tuesday night, at home in the Senior Division Cup 1st Round against Priory Park Rangers, followed on Friday night, 24th November with a home game against league leaders FC Baresi.

U18s

The U18s remain top of the league following a 5-4 win over Takeley. Their next game is against Enfield Borough on the 23rd November.

MATCH REPORTS

Bognor Regis Town v Boro – Saturday 11th November

Not a match that will live long in the memory of Boro fans.

After the Velocity win at Ipswich was followed up with draws against Dulwich and Margate in the league there was certainly optimism Boro would gain more points at Nyewood Lane. But after an even first half the home side took control running out comfortable 3-0 winners.

With limited availability Boro were only able to name two outfield subs and lined up:

Barnes, Bawling, O'Donoghue, Peter, Mitchell, Jabbie, Aidoo, Djassi-Sambu, Figueira, Young, Leacock-McLeod.

Subs: Zamani, Iontton, Chidyausiku.

Boro started on the front foot having plenty of possession in the attacking half but the first big chance went to the home side. A quick break down their right produced a cross to an unmarked striker. Dillon did superbly to get off his line and block when it looked odds on the striker would score. He was soon in action again racing to the edge of the area to gather another probing through ball.

Boro's first real chance came midway through the half. A quick cross ball from Young found Figueira on the right edge of the area. He took one touch to set himself then blasted goalwards only to see the effort drift a yard wide.

Neither side was finding much rhythm, not helped by the game being punctuated by numerous injury stoppages forcing Bognor into two first half substitutions.

Boro did fashion one more good chance, in the remaining time plus 8 added minutes, with Mekhi forcing the keeper into a good one handed save but going in even seemed to be about right.

Any thoughts the first half subs might have disrupted the home side were dispelled within the first 15 minutes of the second half. Bognor noticeably came out playing at a higher tempo and Boro couldn't get any foothold in the game.

Their first chance came after Scott slipped, the striker was able to take the ball round Dillon but then inexplicably sliced high and wide with the goal gaping. That only served notice of things to come. A few moments later Boro were defending deep and after two attempts were blocked in the 6 yard box the ball was slammed home with Dillon stranded.

The home side's second, just after the hour, was almost inevitable. A break down the right saw Boro's defence stretched and a fine cross found a player at the far post who headed in unchallenged to double the lead.

Bognor made their final sub, Boro brought on Chidyausiku, for his debut, and Iontton, for Bobson and Mekhi, but it didn't change the game. Bognor maintained their control and put the game to bed with 5 minutes to go as a low cross was slid home from close range. Dillon saw one final effort flash past the post before the referee blew for full time.

Folkestone Invicta v Boro – Tuesday 14th November

Boro's third seaside trip in 8 days saw them take on Folkestone in a game re-arranged due to Boro's earlier FA Trophy participation.

With heavy rain in the area the weather seemed like it might put the kibosh on proceedings, but an early inspection confirmed the game would go ahead. Then it transpired that a road closure on the M25 meant the Boro players were delayed, with kick off being pushed back to 20.15.

With Bobson suspended after his sending off at Margate 7 days earlier Boro gave a debut to J'Ardell Stirling. Mekhi was also absent but Boro were able to boost the bench with the inclusion of a couple of U23 players.

Boro lined up:

Barnes, Stirling, O'Donoghue, Peter, Mitchell, Jabbie, Iontton, Djassi-Sambu, Figueira, Young, Aidoo.

Subs: Zamani, Chidyausiku, Nicolaides, Fusiek

It wouldn't have been a surprise if, after the long journey, Boro started a bit slowly but largely they were untroubled for much of the half. The home side did start better having a cross flash across goal, forcing Boro into conceding a couple of corners and then Dillon needing to be alert to punch away a well hit cross.

The pitch was playable, but heavy and a bit uneven meaning players had to be extra careful trying to control

and play passes. Boro only had one half chance. Aidoo receiving the ball 20 yards out but only able to drag his shot a yard wide. But while the home side seemed to have had the better moments neither keeper had been forced into a save of any note and we went in level at the break.

But parity didn't last long. On 47 minutes a corner for the home side wasn't cleared and as Boro tried to recover Folkestone took full advantage to take the lead with a close range finish.

But unlike the previous Saturday Boro weren't then kept on the back foot. Kas won a free kick 20 yards out that Young took but hit the wall. Another Young free kick from out wide caused a bit of panic in the home defence and as a defender attempted to clear the ball ricocheted off Sambu and flew narrowly over.

No matter, moments later Boro were level. Kas looked to have been fouled as he carried the ball into the penalty area, but the ref played on. Walter had pulled away to the far post anticipating a cross and was still there as Young played the loose ball in. He showed tremendous composure to control the ball and as a defender raced across to close him down, turned inside, leaving the defender on his backside, take another touch and then slide under the advancing keeper. A finish of high quality in the conditions.

Chances were at a premium in the remaining 20 minutes. Kas was nearly played through but the home keeper did well to block. Young's follow up was easily saved. At the other end Arthur was alert to clear a dangerous cross from inside the 6 yard box and at 22.05, as we entered 3 minutes of added time, Boro had to defend a couple of late corners, which they saw out with the help of the award of a free kick.

So, the match ended 1-1. While not quite as exciting as the earlier FA Trophy draw against the same opposition, the highlight undoubtedly Walter's fine finish and a battling performance from a side making it's third long away trip in a week.

HERE COME THE GIRLS

Off to a great start in the Eastern Region Women's Football League, you'd forgive Boro's Women for seeing that as a job well done. Feet up, when's *Strictly* on?

But no. This is a CUP team too. A repeat of last year's penalty heroics over tier 4 London Seaward and a valiant effort against tier 3 Billericay were Isthmian Cup highlights, but there's a bigger prize on the horizon.

Three wins in, Boro have reached the second round of the Women's FA Cup for only the second time in their history and first time since 2009/10.

Read about victory in the last round, what it means to the players, staff and officials to play in the FA Cup and more as we preview next weekend's huge second round tie at Coles Park.

JACK MANZI
First Team Coach

"What an amazing achievement making the 2nd round proper after our win against Hertford. We played well enough to get the win but still have plenty more to show and give!

The FA Cup means everything to us, it gives us the opportunity to face teams that we don't normally play and potentially play against one of the Big Dogs! This cup run has been amazing and we look to continue in the Second Round Proper. UTB!"

AKI ACHILLEA
Chairman

"I cannot tell you how proud I am of the ladies' amazing FA cup performances this season. 3 big wins taking them as far as they've ever been in the competition and an opportunity to progress even further with our tie against higher opposition in Moneyfields FC. I hope as many of you as possible can make it to the game and give them the extra support they will need and witness some superb footballers and a great style of play!"

AMBER LEIGHTON
Midfielder, Penalty Taker

I thought we dominated the game for long periods of time and were a bit unlucky not to get more goals but still proud of the performance and to progress into the next round of the FA Cup.

I think it's a massive achievement for the club and really special for us to have got this far in such a big competition. It's something I've dreamed of doing and couldn't be happier to be doing it with this club and supporters.

Hertford Town Women 1 Boro 3

Leighton, Humes, Manktelow

A dryish but cold Sunday afternoon saw Boro play in front of an excellent crowd of 431 - hosts Hertford Town were nothing short of class on and off the pitch. Their first counter of the day led to a soft penalty 3 minutes in, but a calm and collected Liamara Hensel-Burg was never troubled, saving from the spot to keep the game knotted up at zeros.

Jada Pollendine was dynamite down the right wing, slicing through the defence with ease, leading to plenty of chances in the first half. Boro had the ball in the net after 14 minutes, only for it to be chalked off for handball in the buildup. They didn't have to wait much longer however, after Pollendine was brought down in the box; Amber Leighton placed the resultant penalty into the bottom corner to make it 1-0.

It was all Boro for the remainder of the half, creating half a dozen chances, but only one more was converted: a laser focused pass from Saoirse Hourigan putting Nellz Humes through on goal for 2-0.

The second half began much the same, with Pollendine's agility and control being a focal point of Boro's attack. This was supported by terrific one-touch play from our central midfield and Haringey looked more than just a step above. 80 minutes in, Boro got their third: a Kylie Manktelow sliding half-volley from a Humes cross. Hertford got a consolation in the 87th, but Boro never looked in danger during added time, and the 3-1 win booked their home tie with tier 4 Moneyfields in Round 2. ■ *Jamie Scott*

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

SEVERAL years ago, whilst living in Oxford, I invited a couple of friends to watch the mighty U's in action. Chris Wilder was in charge at the time and promotion to the Football League was finally on the horizon. James Constable was scoring for fun.

I'd hoped to show them that Non-League football wasn't the sporting wasteland of popular portrayal. That for the princely sum of £20 (twenty quid!) a ticket, they would be handsomely entertained by inventive football and skilful players.

It backfired. Oxford's opponents that day were Kettering, who even by the standards of the day were a brutally direct outfit. The ball spent more time in orbit than the International Space Station and the game was - to this day - one of the worst I've ever paid to watch.

Needless to say, neither of my guests were in a desperate hurry to ditch their season tickets at Newcastle. Truth be told, though, that was a true reflection of Non-League football back then. For every Oxford, there were ten or 20 Kettering Towns, with a hefty unit up top, a couple of headcases at full-back and a midfield that spent the 90 minutes making tackles or watching the ball sail overhead.

And why wouldn't that be the case? Attitudes remained old school. Players still enjoyed a beer, or ten. English clubs weren't yet producing the abundance of talent available today and with only a couple of nights to train every week, it was unrealistic to expect anything else.

Which is why watching Step 3 Horsham go blow for blow with League One Barnsley in the FA Cup last weekend was to be reminded of the incredible progress made by Non-League sides over the last decade.

Whenever an underdog triumphs - and a 3-3 draw at Oakwell was most certainly that - it is tempting to talk about grit and heroism and manning the trenches. To assume that only by outworking and outfighting a preening Goliath can an artisan like David ever hope to prosper.

Yet any such suggestion would do Horsham and their manager Dom Di Paola a massive disservice.

Horsham grafted alright. Over the course of the night, they repelled 24 shots. But they never once looked ragged or desperate.

From the first whistle to the last, they adhered to a clear strategy and carried it out with discipline and intelligence.

In transition - a word nobody even used 15 years ago - the Hornets were magnificent, snapping from a back five to a front five with a speed that would have made Pep Guardiola proud. All three of Horsham's goals resulted from rapid overloads on the counter.

What this tactic demonstrated was that Di Paola had analysed Barnsley and recognised that their high defensive line was vulnerable to quick breaks and balls in behind.

It also showed that Horsham's part-time players were smart enough and fit enough to carry out a gameplan that, even for elite professional sides, is physically and mentally demanding.

Frankly, this sort of precision and planning would hardly have happened in the National Premier a decade ago, let alone at Step 3 - and it cuts to the heart of why Non-League football has improved so rapidly.

Back in 2011, AFC Wimbledon keeper Seb Brown was hailed as a visionary for using YouTube to research the preferences of Luton's penalty takers prior to his match-winning performance in the play-off final shoot-out. Brown did that off his own back. He had to - only the very biggest clubs could afford access to meaningful data in those days, meaning someone like Di Paola couldn't have hoped to study Barnsley without actually visiting Oakwell.

Today, nobody needs YouTube. Clubs far below Horsham's level have access to GPS, scouting and analytics,

and enough data to forensically examine the prevalence of backpasses in Timbuktu.

Players, in turn, don't require physical training time to understand a gameplan. They can view clips online, analyse their own performance or understand how an opponent plays.

Tactical intelligence is no longer the preserve of full-time pros, and nor are professional standards.

Non-League football may still be about having a post-match beer with punters in the clubhouse - and long may that continue - but the vast majority of semi-pro players (many of whom have come through the academy system) now live the lifestyle of an elite athlete.

These improvements - combined with an influx of overseas players at the highest level forcing domestic talent downwards - have changed Non-League football beyond all recognition, and the preponderance of upsets in this year's FA Cup only reinforces the point.

My old mates have had their fingers burned. But anyone introduced to the Non-League game by Horsham last weekend could not fail to be converted.

Zack has played for the likes of Hampton & Richmond Borough, Metropolitan Police and Walton Casuals before his move last season to Corinthian-Casuals.

TOM COLLINS (Forward): Re-joined the K's in March 2023 having previously played for Kingstonian during the 2017-18 season. Tom started his career with Stevenage before playing in the National League with Hayes & Yeading United and Stockport County before spells with Wealdstone and Enfield Town, joining the K's in July 2017. He moved on to Walton Casuals then Hanwell Town, Marlow, Chipstead, back to Hanwell (who he helped to promotion) and finally Haywards Heath Town in the summer of 2022.

DANIEL CRUZ DOMENECH (Goalkeeper): Young goalkeeper who has previous experience with the U19s team of CF Rayo Majadahonda, a club close by Madrid, and joined the K's in the summer of 2023.

MATT DRAGE (Defender): Matt re-joined Kingstonian from Hartley Wintney in February 2023, having previously played for the K's in the 2013-14 season. Matt originally joined K's from Staines Town, and has also played for Hampton and Richmond Borough, Dulwich Hamlet, Eastbourne Borough, Leatherhead and Harrow Borough before the second of two spells at Hartley Wintney.

EDDIE DSANE (Forward): Re-joined the K's in the summer of 2023 after previously playing for the hoops in the 2019-20 season, making 17 appearances and scoring three goals. As a youngster, he was with Crystal Palace, Preston North End and Fleetwood Town before moving to Ireland to play for Finn Harps. When he returned to England, he had spells with Chipstead, Whyteleafe, Maldon & Tiptree and Leatherhead before moving to K's. He then joined Horsham for the first of two stays which sandwiched a short spell with Margate.

DARNELL GOATHER-BRAITHWAITE (Midfield): Darnell started his career in the youth ranks at Queen's Park Rangers and played for Romford and Brimsdown Rovers before signing for Westfield. He then had a spell with Hemel Hempstead Town and Waltham Abbey before being signed by Bracknell Town. He was released by the Robins in January 2023, rejoining Waltham Abbey before moving again, this time to Kingstonian in February 2023.

CHARLIE GREENWOOD (Midfield): A former Sevenoaks Town youth player, Charlie moved to Merstham for the start of the 2021-22 season and was a regular in the team before moving to East Grinstead Town in December 2022. After a couple of months there, he moved to Kingstonian in February 2023.

JUDE MASON (Defender): A product of Sutton United's youth system, Jude joined Kingstonian in August 2023. In 2021 Jude moved from Sutton United to Merstham and after a season with the Moatsiders moved to Westfield for the 2022-23 season.

JOEL NAKATANI-BROWN (Defender): Joined the K's from Royston Town in the summer of 2023. Joel is a full back who has played for Walthamstow, Cockfosters, FC Romania and then was a regular in Westfield's squad for two seasons between 2020 and 2022 before moving to Royston.

ANDY SOMO (Forward): Andy joined Kingstonian in August 2023 – in the previous two seasons he was top scorer with Chipstead and in the 2022-23 season was named into the official Isthmian South Central Team of the Season. Prior to the Chips he turned out for Croydon, and in the summer of 2023 spent pre-season with Whitehawk before his move to Kingstonian.

ROB TOLFREY (Goalkeeper): Kingstonian's record-appearance maker, Rob broke Micky Preston's record of 557 appearances in September 2021 and reached the 600 mark in January 2023. He started his career with Crawley Town before spending one season with Whyteleafe and then secured a move to Horsham. In 2009, Rob moved to Kingstonian and has been the undisputed number one ever since. Supporters' Player of the Year on numerous occasions, he received a testimonial match in 2015, claimed a winners' medal after K's defeated Faversham Town in the 2016 Isthmian League Cup Final and was a vital part of Kingstonian's wonderful FA Cup run to the Second Round in 2019-20.

MARK WATERS (Midfield): Mark joined the K's from Hanwell Town in the summer of 2023, having spent the previous two seasons with Tooting and Mitcham United. Prior to that he played for and captained the Edinburgh University football team and scored the winning goal in an international universities match for Scotland against Wales.

MANAGEMENT

SIMON LANE (Manager): Appointed as Kingstonian manager in February 2023. As a player he was with Yeovil Town, Woking, Bath City, Hayes and Aylesbury United before retiring early due to injuries. He became a youth development coach at Chelsea and then club coach at Leighton Town before leading Naxxar Lions to their highest-ever league placing in the Maltese League in 1999-2000. A UEFA A-Coaching Licence holder since 1998, he has managed Berkhamsted Town, Windsor and Eton, Wingate and Finchley, Egham Town and Northwood, as well as coaching Maidenhead United, before joining Westfield in May 2020.
