HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF AFC SUDBURY FC

AFC (Amalgamated Football Club) Sudbury was formed on Tuesday 1st June 1999 from the amalgamation of Sudbury Town (founded 1885) and Sudbury Wanderers (founded 1958) making it then the newest senior club in East Anglia.

The first ever game was played at The Priory Stadium (the previous home of Town) on 17th July 1999 against a full Colchester United side in the Harwich Charity Cup Centenary Shield Semi-Final, and saw a 2-4 defeat after extra time in front of 397 spectators. The club now plays at King's Marsh, Brundon Lane, Sudbury, which Wanderers purchased in 1972 and were previously water meadows, from which two pitches and a training area were created. The clubhouse was opened in 1985 and the dressing rooms in 1991. Floodlights were added in 1992 and the following year a 200-seat stand was built in addition to the two areas behind the goals being covered. In 2000 a new stand, 'The Shed', was opened and caters for 300 standing fans.

The two clubs left behind proud histories:

Sudbury Town

http://en.wikipedia.org/wiki/Sudbury_Town_F.C. one of the founder members of the Suffolk County Football Association in 1885. They reached the second round proper of the F.A. Cup in 1996-97 having defeated Brighton And Hove Albion in the first round after a replay and an exciting penalty shoot-out. Brentford then defeated them with the tie being played at Layer road Colchester in the Second Round. The F.A. Vase provided the club with some memorable achievements. Finalists in 1989, 26,478 watched that final at the old Wembley Stadium, which the Borough drew with Tamworth. The replay was sadly lost the next week at Peterborough United. In addition, Sudbury Town reached the semi-finals twice and also one quarter-final.

Sudbury Town played for seven seasons in the Southern League, three of these being in the Premier Division. They won the League Cup and were runners-up on another occasion. They also appeared in 22 finals of the Suffolk Premier Cup, winning it 13 times. Wanderers won the same competition in 1997-98 after a replay.

Sudbury Wanderers

http://en.wikipedia.org/wiki/Sudbury_Wanderers_F.C. progressed through the Halstead League, the Essex and Suffolk Border League and then the First and Premier Divisions of the Eastern Counties League. On the way they were three times finalists in the Suffolk Senior Cup at Portman Road, winning the trophy in 1991-92. In the F.A. Vase the club twice reached the last eight and once the last sixteen. The Jewson League Cup was won in 1999, defeating Felixstowe Port And Town 7-2 at Woodbridge.

In their first season 1999-2000, A.F.C. Sudbury managed by ex-Wanderers manager Keith Martin, finished third in the Jewson Premier League and the Reserve side won the Premier League title in the Essex and Suffolk Border League. In the summer of 2000 the club won the first St. Nicholas' Hospice Charity Cup tournament at Bury Town's Ram Meadow ground, defeating Mildenhall Town 5-0.

In season 2000-2001 the club powered their way to the Jewson League Premier title, reached the first round proper of the F.A. Cup (where they were defeated away at Darlington) and the Reserves won the Essex and Suffolk Border League Cup.

Season 2001-2002 saw the club retained the Jewson League and reached the semi-finals of the F.A. Vase before losing 2-0 on aggregate to Tiptree United. They also defeated Felixstowe and Walton 3-1 in the final of the Suffolk Premier Cup at Hadleigh.

In 2002-2003 the club again retained the Jewson League Premier title, and won the Suffolk Premier Cup with victory over Mildenhall Town. They also reached the final of the Carlsberg F.A. Vase played at Upton Park, being beaten 2-1 by Brigg Town. After this the club's first manager Keith Martin stepped down and was replaced by the reserve team manager Gary Harvey.

Season 2003-2004 saw Harvey led his team to the club's fourth Ridgeons League title and also won the Suffolk Premier Cup again defeating Bury Town 4-0 at Portman Road Ipswich. The club also reached the final of the F.A. Vase but lost 2-0 to Winchester City at the home of Birmingham City, St Andrews. The Reserves lost in the final of the Essex and Suffolk Border League Cup.

Improvements were made to the Brundon Lane ground with it becoming fully enclosed, new turnstiles and a fully automated sprinkler system installed. The pitch was also revitalised with a professional groundsman being employed.

In 2004-2005 the club were again successful, they won their fifth consecutive Ridgeons Premier League title (a record for the Eastern Counties League), and again reached the final of the F.A. Vase. This was the third year in succession another record at the time, unfortunately they again lost. Didcot Town won 3-2 at White Hart Lane Tottenham in front of 8862 spectators. The semi-final of both the Suffolk Premier Cup and the Ridgeons League Cup were also reached.

The new season 2005-2006 saw the club continued to play in the Ridgeons Premier League and finished third in the table after leading for the majority of it. The Ridgeons League Cup was won for the first time in the club's history and the fifth round of the F.A. Vase was also reached.

The Reserve side played in the newly formed Ridgeons Reserve League Southern Division and won that. In the play off between the North and South winners, they were runners up. The highlight of their season was winning the Suffolk Junior Cup at Portman Road Ipswich.

For the 2006-2007 season the club decided to accept promotion up the non-league pyramid to Step 4, and a position in the new Ryman League Division One North. The club also changed managers with Mark Morsley taking over from Gary Harvey, to become the club's third manager since their creation. Morsley joined the club after guiding Needham Market in the previous three seasons and he brought a good backroom staff to King's Marsh with him. The season panned out to be a good one, reaching the play-off finals in the league and did well in other competitions. Pre-season was fairly ordinary but the start of the Ryman League saw the first four games won.

In the F.A. Cup the club made it to the Fourth Qualifying Round going out to a last minute goal to Leatherhead. Success in that and the F.A. Trophy where the First Round was reached going out away at Newport County meant the league games fell behind. Further progression in the Ryman League Cup saw the club reached the Quarter Finals before being defeated at Staines Town also slowed league progress.

From the end of December 2006 AFC played only League games (28) something that had not been done in previous seasons due to the F.A. Vase. The league position improved from thirteenth to eventually on the last day of the league season finishing in fifth to clinch the last play-off place.

A fine 4-2 away win in the play off semi-final against Enfield Town, saw AFC have to travel to Harlow Town. Again the team showed its resilience going two goals down before levelling in the final two minutes. Extra time could not separate the two sides but AFC failed in the penalty shoot out, to miss out on promotion at the first time of asking.

The 2007-2008 season will go down as the nearly season. The club nearly won promotion and they nearly won the Ryman League Cup, but nearly was not good enough as they failed in both. The club were still under the guidance of manager Mark Morsley aided by his now assistant Nicky Smith and coach Paul Skingley as the season started, and said an early goodbye in the F.A. Cup with neighbours Bury Town winning at King's Marsh. In the F.A Trophy AFC also made an early exit losing in the First Qualifying Round at Southern Premier side King's Lynn in a replay. This combined with a defeat at Mildenhall Town in the Suffolk Premier Cup left only the League and League Cup to battle for.

Results were mixed at the start of the season but AFC maintained a place in the top four for the majority of the season and third and fourth place was for only one week each as it was either top of second place they occupied.

In the League Cup Premier Division sides Billericay Town and Chelmsford City were beaten and then Redbridge went the same way. After this the team went on a thirteen match unbeaten league run winning ten and drawing three to keep them in contention for the league title with eventual winners Dartford.

Edgware Town were the next League Cup opponents and they were beaten to put the club away in the semi-final at Heybridge Swifts where they comprehensive defeated them 6-0. In this game leading scorer James Rowe took his seasons total to thirty. He was to only score four more in the next twelve games as an injury to him and the club's other leading scorer Gareth Heath took its toll and they missed a number of important games, including the League Cup Final. The game held at Dartford's Princes Park ground was against another Premier Division side, Ramsgate. The game was scoreless after 120 minutes and the Kent side won 5-4 on penalties to take the trophy.

The league continued but AFC won only one of the next six games although did draw another as the title went to Dartford. Despite the loss of these games the club maintained second spot in the table and thus a home game in the play off semi-final. This was against Canvey Island, side who had visited King's Marsh in those disastrous six games and won. On a wet night, AFC came from behind twice, but were knocked out of the promotion stakes with a winning goal in the second half of extra time to finish their season.

The club's Reserve side under the management of Ian Manby finished runners up in the Ridgeons Reserve League South.

In the early part of May 2008, Mark Morsley tendered his resignation to the club's board of directors and it was accepted after a disagreement over the 2008/09 budget.

The club appointed Nicky Smith as their new manager for 2008-2009 midway through May 2008 and he asked Chris Tracey to join him as his assistant. A few days later the club received news that they had been moved from the Ryman League and placed in the Southern League Midland Division. This was not looked on favourably by anyone connected with the club due to the vast increase in the travelling and the recruitment of players prepared to do it. When pre-season training started in the early weeks of June 2008 there remained only a few players from the previous season and not one signed on a contract. There was however a good turnout of players from various places and nine pre-season games were played before the league started. This was with the longest trip of the season to Malvern Town, it produced a victory, but total journey distance however was 350 miles!

The FA Cup saw the club go out after a replay in a preliminary round replay on penalties at Lowestoft Town. In the FA Trophy however they did well, winning at Waltham Forest in the Preliminary Round, then defeating Brentwood Town away in the First Qualifying Round before beating Great Wakering Rovers away in a Second Qualifying Round replay to set up an another away tie. This time it was a trip to Somerset and Weston-Super-Mare and another victory was achieved to take AFC in the First Round Proper of the competition. Their reward was a home tie against one time Football League club Oxford United. On a wet afternoon AFC lost 2-0 to lose interest in the Trophy for another season.

In the League the management team used a number of players as they tried to get a side capable of competing in the different league and because of this results were inconsistent. However the club remained in the top half of the table for the majority of the first half of the season.

The League Cup saw a defeat by local side Bury Town, who had also switched leagues, while in the Suffolk Premier Cup Mildenhall Town were beaten in the Quarter Final. Later in the season Lowestoft were again winners against AFC in the Semi-Final.

The second half of the season saw only the league to concentrate on, but again there were constant team changes due to players coming and going, some only playing one game. The outside chance the club had of making the play-offs went but not before a couple of excellent results. Runaway league leaders and eventual champions Leamington were beaten away from home, AFC inflicting their first defeat in twenty five matches, and scoring five times. The inability to find a settled side and not beating several bottom of the table sides at home meant AFC finished the season in twelfth position.

The Reserves continued in the Ridgeons Reserve League under Ian Manby, again many players were tried and this made finding a settled side difficult. A mid-table finish ensued. They did win the Chell Trophy defeating Tiptree United Reserves at Hadleigh United's Millfeld ground.

The 2009-2010 season saw Nicky Smith and Chris Tracey again in charge, and despite asking the FA to be allowed a return to the Ryman League, the club continued in the Southern League Midlands Division.

It turned out to be not a particularly successful one as AFC lost in the First Qualifying Round of the FA Cup and the First Qualifying Round of the FA trophy albeit after a replay. In the Southern League Cup it was a Second Round exit and it was also the same round in the Suffolk Premier Cup.

The league form was not great with too many games against sides below them being lost especially at home, this being in contrast to their away form which was amongst the best despite the long distances travelled. There were a large number of players used throughout the campaign, with fifty-six players named in the fifty-one squads and fifty of them taking the field. At the conclusion of the season AFC finished in fourteenth position.

The club's Reserve team played in the Ridgeons Reserve League and their form mirrored very much that of the first team with some good results, but not enough of them.

During the season the club's King's Marsh Stadium was a building site as their new clubhouse and community

building was being constructed. Both were completed on time and on budget for the club to hold their first event in it, their Presentation Evening on May 15th 2010.

Jamie Redknapp officially opened the new clubhouse on 20th June 2010 and a Vice President Club was announced. The ground was rebranded as The MEL Group Stadium and main seated stand was named The Brian Tatum Stand.

Season 2010-2011 saw the club moved back to the Ryman League and Division One North once again with Nicky Smith and Chris Tracey in charge of first team affairs.

It was a season that so nearly was a good one. The play-offs were narrowly missed by only three points with seventh place the club's final league position, the inability to beat lower table teams at home being the club's Achilles heel. Only one defeat in the last thirteen games was not enough due to the number of drawn fixtures, indeed during the season a total of twelve games were drawn. James Baker with 24 league goals and Dave Wareham with 14 were the leading scorers.

In the Cup competitions AFC went out of the FA Cup in the Preliminary Round after a replay at Stamford but fared much better in the FA Trophy, where the First Round Proper was reached. Away wins against Merstham, Canvey Island, and a home win against Hendon saw the club make the long trek to Cornwall where Truro City were defeated. The run came to an end losing at home to Hampton and Richmond Borough. In the Ryman League Cup defeat came at the first hurdle away to Lowestoft Town.

The Reserve side again under the leadership of Ian Manby played in the Ridgeons Reserve League finishing a creditable third having to play the majority of their games in the last two months of the season due to the wet weather affecting the King's Marsh pitch. They reached the final of the Suffolk Senior Reserve League losing to Haverhill Rovers Reserves at Ram Meadow Bury.

An A team was also started with Phil Root as their manager, playing in the Division Two of Colchester and East Essex League. It was a tough season for the team with players whose average age was just over sixteen. The Ladies team did well and ended up in a position that that allowed promotion. They also were finalists in the League Cup.

The club's Grassroots Section continued to thrive with teams from the age of eight upwards.

The 2011-12 season started with Nicky Smith and his assistant Chris Tracey still at the helm, having signed an extension of their contracts to keep them at the club until December 2012. The club continued in the Ryman North and the Reserves in the Ridgeons Reserve League.

The A Team playing in the Colchester and East Essex League while the Ladies having won promotion play in the F.A. Eastern Region Premier League.

On 15th September 2011 Nicky Smith resigned and Chris Tracey was handed the manager's position on a temporary basis, but on 12th October he became the permanent manager until the end of the 2011/12 season, this being extended until the end of the 2012/13 season in January 2012. Tracey was joined by a new coach Barry Lakin in March 2012. The team went onto just fail to make the play-offs ending the season in eighth place.

The Reserves made it to the Final of The Chell Trophy but lost to Gorleston Reserves, and finished just below halfway in the Ridgeons Reserve League South, the A Team ended their season just below halfway.

The start of season 2012-13 saw Chris Tracey in charge with Barry Lakin at his side and with a number of new signings there was hope that promotion would be achieved. Lakin departed in September 2012 and Michael Shinn was appointed as Tracey's assistant whilst continuing to play. Late in October 2012 Ian Brown was brought in as first team coach.

The Reserves continued in the newly named Thurlow Nunn League under Ian Manby and Dave Walton and the A Team under the guidance of Phil Root, while the Ladies side was led by Clive Golding.

On 13th March 2013 Chris Tracey resigned as manager and Michael Shinn and Ian Brown were put in charge of team affairs until further notice.

The season ended with the first team in seventeenth place in the table while the reserve side ended in sixth position, but did win the Suffolk Senior Reserve Cup. The A Team completed their season in mid-table, while the AFC Ladies side reached the First Round of the Womens FA Cup and finished runners up in the league.

On 21st May 2013 the club appointed David Batch as their sixth permanent manager and he was joined by Steve Eastaugh as his head coach ready for the 2013-14 season. They were joined by Ian Brown who was named as assistant manager and Darren Plowman as goalkeeping coach. Ian Brown was named as assistant

manager.

On 29th June 2013 the club's second team was accepted into the Thurlow Nunn League Division One a step six league enabling the club's younger players to play in a higher standard than previously. On 6th June 2013 Dave Walton was named as the Head Coach of the side to be called AFC Reserves/Under 21s. On 21st January 2014 he stepped down due to family commitments and Ian Brown was appointed as interim manager.

On 10th March 2014 David Batch agreed to stay with the club until the end of the 2015/16 season. The season saw the club finish in 10th place seven places higher than the previous season and thirty-one points better off. A number of young players were introduced in the latter part of the season giving optimism for the 2014-15 season. The Reserves/Under 21's completed their season having started brightly they tailed off in the latter stages. The A Team also did well finishing in third place in their league.

The AFC Sudbury Ladies were successful winning the Suffolk FA Women's FA Cup and finished runners-up in the league.

For the 2014/15 season Batch and Eastaugh continue to led the first team while, Danny Laws has joined and taken responsibility for the Reserves/Under 21's and U'18's and the link between the remaining teams at the club. The A Team became The Community Team and AFC Ladies continued. The MEL Group ceased their sponsorship that dated back to when the club was formed, the ground became known from 10th July 2014 as The Wardale Williams Stadium.

On 30th December 2014 Batch and Eastaugh left and Danny Laws took over as Caretaker Manager, with David Cannon taking over as Caretaker manager of the Res/U21's. The Manager's position was filled on 11th January 2015 when Jamie Godbold was appointed manager with Andy Reynolds his assistant joining from Kirkley and Pakefield. Danny Laws was appointed Director of Football and Youth Development.

The First Team ended the season in third place and went into the play-offs where they lost in the semi-final. The Res/U21's finished in fourteenth position and were winners of the Thurlow Nunn First Division Knockout Cup.

For the 2015/16 season, in May 2015 the club announced Godbold and Reynolds had signed two year contracts to stay at the club.

The AFC Academy was introduced and on 16th May 2015 the final game on grass was played at The Wardale Williams before a 3G Pitch was installed. The new pitch was granted its certificate on 5th August 2015 and the first game played on it on 8th August.

AFC Reserves and the AFC U18's continued under Danny Laws and Dave Cannon and the Reserves finished in mid-table while the U18's won their league and won the Suffolk U18's Midweek Cup.

For the First Team the season was an undoubted success with AFC never being out of the top six in Ryman North and they won the Championship on 9th April 2016 ensuring promotion to the Ryman Premier Division. Season 2016/17 saw the club at Step 3, Ryman Premier League for the first time still with Godbold and Reynolds at the helm and they brought in Matt Haniver as First Team coach. The Reserves/Academy continued and had teams in the Ryman Development League, the Essex Senior Reserve League, and the Thurlow Nunn First Division as well as a team in the National League U19 Alliance also the Thurlow Nunn Youth League still under Danny Laws and Dave Cannon assisted by several other coaches.

It turned out to be a season of disappointment for the first team as the club suffered the first relegation in its history ending second from bottom of the league. The Reserves used many of the club's young Academy players and finished near to the foot of the table, while the Under 21 side in the Development League finished as runners up. The Under 18's won their Division in the Thurlow Nunn Youth League and then the entire Youth League Championship. They won the Suffolk FA Midweek Under 18 Cup and also the Thurlow Nunn Youth League Cup.

On 13th May 2017 Godbold and Reynolds were announced as the first team management duo for the 2017/18 season and set about building a new squad after the majority of the players left along with coach Matt Haniver. Danny Potter came in as goalkeeping coach. The competition became the Bostik North League. The Academy, Under 18 side and two Reserves sides continued under the same management team but there was no Under 21 side.

On 12th September 2017 Godbold and Reynolds were relieved of their duties with Danny Laws taking over as Caretaker Manager.

On 2nd October 2017 former manager Mark Morsley was re-appointed on a three and half year contract,

he brought in former player Lee Norfolk as his assistant while Paul Skingley returned as head coach. The FA Cup and FA trophy runs were not spectacular. Potter left and Dave Hunt returned as goalkeeping coach. The new management team went onto blood a large number of the Academy players and the team finished the season in twelfth position. The Thurlow Nunn Reserve side finished in a creditable mid-table position and the Essex Senior Reserve side near the bottom but both sides gave valuable experience to young players.

Season 2018/19 saw Mark Morsley and his management side in place, Darren Gould taking over as the goalkeeping coach. The side continued in the Bostik North. The Reserves remained in the Thurlow Nunn First Division with Dave Cannon as their manager. There was another team entered into the Suffolk and Essex Border League as well as a new team in the Suffolk and Ipswich League. The Under 18's continued in the Thurlow Nunn Youth League.

Season 21/22 after the two previous seasons had been declared null and void due to the Covid pandemic, saw Mark Morsley leave his role during the pre season along with a raft of other coaching staff and players and in his place came the management duo of Rick Andrews and Angelo Harrop.

Last season Sudbury were League Champions and won promotion to Division 1 of the National League and we wish them well. A title which seemed at one time to be a realistic possibility for us until we lost our way at the end of the season. Our 2-0 defeat at Sudbury effectively put paid to our chances and that game was also the only one in the season in which we failed to score.

YOU CAN NOW OBTAIN YOUR FREE SEASON TICKET TO ATTEND ALL 21 HOME LEAGUE MATCHES BY MAKING AN APPLICATION VIA www,haringeytickets.co.uk

The Under 23s who will be competing in the Senior (highest) Division of the Essex Alliance League will commence fixtures on Saturday 12th August with a Home game against Kit Out London FC. This may well

be their only Saturday Home game as they will normally play home matches on Friday evenings, but very unusually, both our First team and ground sharers New Salamis have away games on Saturday 12th. On Friday 18th we will be at home to FC Petrocub. On Friday 25th August we will be at home again to Frenford Development and the September fixtures are not yet published.

The Under 18s have drawn a bye in the Extra Preliminary Round of the FA Youth Cup so their season will begin in the week commencing 4th September – day as yet unknown – with a visit to Bowers & Pitsea in the Preliminary Round. They will be continuing their membership of the Southern Counties Floodlit Youth League but this time in its Olympian Division; that is expected to have 9 members but the fixtures are yet to be announced. Their Home games will normally be played on Mondays.

The Womens League fixtures have been announced and are listed later in this programme and are also now shown on our haringeyboroughfc.com and .net websites. Last Sunday they commenced their pre-season season campaign with a trip to Donkey Lane from whence they returned victorious having overcome Enfield Town by the emphatic score of 9-2. Sadly, tomorrow's pre-season friendly against AFC Portchester has been cancelled, please listen out to today's announcements to hear if new opponents have been found. They start their competitive fixtures on August 13th with a visit from Luton Town.

HARINGEY BOROUGH 0 CHELMSFORD CITY 0

PRE-SEASON FRIENDLY 14/07/2023 (penned by Nick Hoare)

Two pre-season games, positively two clean sheets and no losses. After last weeks, archetypal pre-season game we watched another archetypal pre-season game, both teams using the full 90 minutes to gain fitness for players and to give everyone in the squad a run-out.

Unlike the week before Chelmsford arrived with a team of actual named players which meant a full teamsheet could be produced, admittedly the family Trialist were well represented but it was good to know who we were actually playing.

Early on it was mainly Chelmsford on the attack but the newly formed solid defensive wall held them back, let's hope the phrase, solid defensive wall, is repeated often during the season. Captain, yes Captain, Dexter Peter, it was the talk in the stand, beckoned forwards onto him and routinely took the ball off them.

As the game went on Boro got more into it and whilst not necessarily over threatening the Chelmsford goal, there was some good play.

And then in the last attack of the match Pawel, picked up on the ball just inside the opposition's half, running towards the goal, faced with the Chelmsford goalkeeper, he tried to go round him, only for the goalkeeper to collect the ball to stop the attack, prompting the referee to blow for full time. In truth he should have scored. Another good run out, attendance was 124 and much talk about the last-minute attack. Unbeaten Boro march on!

“The Isthmian Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination. Accordingly any form of discriminatory abuse whether it be by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action by that Association.” (The FA 0800 085 0508 / Kick it Out 020 7253 0162). The Isthmian League and all Member Clubs in the League are committed to promoting equality by treating people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of the community.”
