## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF CONCORD RANGERS FC

Concord Rangers began life as a team of boys headed by Steve Lant playing friendly matches during 1966 on a pitch along the Canvey Island seafront close to the Concord Beach (hence the name Concord Rangers and the nickname The Beach Boys). In 1967 Albert Lant, Steve's father and current Club President, became the team manager and took the club into competitive football. The club initially joined the Thundermite Boys Football League, before moving into the Vange and District League in 1973 where they won several league and cup honours. Concord became the first winners of the Essex Sunday Junior Trophy in 1979, managed then by Chris Cerie, by beating Bishops Park 4-0, with the final being played at Tiptree FC. Saturday football was introduced to the club shortly after when Concord joined the Mid Essex League and played their home games at Waterside Farm on Canvey Island.

In 1985 Concord secured some land at the end of Thames Road, Canvey Island, using that land to develop the clubhouse and ground with current club treasurer Jack Smith being the mastermind behind the project. Jack organised the funds, labour & materials and worked many hours on the site. A special mention also goes to the late Clive Smith (Jack's brother) as without Clive's machinery and labour Concord's pitch would not exist, also Martin Gill, Steve Barnes, Brian Godfrey, Lee and John Slater, Rob Fletcher, Pat Bennett, Roger Tipthorpe, Barry Clark, Tony Ing and many more all contributed.

Further success came the Beach Boys way in 1988/89 as they joined the Essex Intermediate League and became Divisional League & Cup Winners that year. Two years later Concord Rangers made the step up to the Essex Senior League where they spent a total of 17 seasons.

In 1991 club founder Albert Lant retired as chairman after 25 years at the helm to become Club President, with Jack Smith taking over for two years. Grant Beglan became Chairman when Jack stood down, but like his predecessor only held the role for 2 years. A number of Chairmen held the role from 1995 & in 1998 the club was languishing at the bottom of the Essex Senior League, the youth section had been disbanded and the bar licence had not been renewed meaning no revenue could be made for the club.

Former Chairman Jack Smith's son Antony decided to step in and put a new committee together along with a plan to put the club back on its feet. Antony is very hands-on in his approach, which has helped guide the club through recent successes and the development on both the playing side & with the ground/facilities.

Under the guidance of manager Colin McBride, the Beach Boys won the Essex Senior League Cup in 1997 after beating Ford United 1-0, and the following season under Lee Patterson won the Essex Senior League Championship for the first time. Further cup success came during the 1999/2000 season with former player Steve Knott in charge as Concord beat Burnham Ramblers 3-2 to win the Harry Fisher Memorial Trophy. League success followed soon after as under manager Brian Horne the club finished as Essex Senior League runners up in 2002/03, and then won the league the following season with Ben Embury at the helm. It was during that 2003/04 season that striker Danny Heale won the Don Douglas trophy for being the leagues top scorer, notching up 32 goals for Concord Rangers.

As Concord Rangers began their 40th Anniversary season in 2007/08, Danny Scopes and Danny Cowley become joint managers of the club. Concord ended the season winners of the Essex Senior League, and were Gordon Brasted Memorial Trophy winners along with Essex Senior League Cup Finalists.

Concord also reached the Quarter-final of the FA Vase that year. Club President Albert Lant won an outstanding achievement award from the Essex County Football Association for 40 years unbroken service to Concord Rangers. Having gained promotion from the Essex Senior League the club would have been happy with a mid table finish in their Ryman League Div 1 North debut in 2008/09, but expectations were exceeded as the two Dannys led Concord to a 5th place finish.

This highlighted how both managers could really get the best out of the players. Beating East Thurrock United in the Playoff Semi-Final set up a final vs Waltham Abbey, in which Concord led with 10 minutes to go before future Beach Boy Harry Elmes levelled things for Abbey, taking the game to penalties which we lost 5-4. Concord didn't have to wait long to earn promotion though, as the following season they again reached the playoff final, this time beating Enfield Town 3-1 to reach the Ryman Premier Division. The clubs first season in the Ryman Premier Division was a solid one, finishing in 8th place, which exceeded the target of simply avoiding relegation! Earning that respectful 8th spot and just missing out on a Play-Off position by two points was a great team effort.

2011/12 was a difficult season for the Beach Boys, as injuries to key players contributed to a poor start which was never wholly recovered from. Concord managed to finish the season in 14th though and secured a third

season at this level. Danny Scopes retired from his post as joint manager, and soon afterwards Glen Alzapiedi was appointed as Danny Cowley's Assistant Manager. Another poor start was made by the club in 2012/13, but this was recovered from quickly and the Beach Boys displayed a never say die attitude to earn some incredible results both at home and away. Concord found themselves in the playoffs come the seasons end along with the Ryman League Cup final. Two fantastic away performances in the play offs saw us promoted to the highest level of football we've played at and a great performance in the cup final saw us end the season with 2 trophies. The Beachboys lost their 2013/14 first Conference South fixture, however were soon picking up points regularly with determined & professional performances against some of the biggest teams at this level. Although there were a couple of harsh results, there was a level of consistency many didn't expect to see against this opposition, this helped Concord reach what was a spectacular 9th place finish by seasons end. To cap it all off, The Beachboys were able to win the Essex Senior Cup against Braintree as the football season came to a close.

2014/15 was a season of historical moments, but started with 3 losses out of 4 games. Fortunes quickly turned around for the club as eventually a 7th place finish was achieved (a 13 game unbeaten run being a key contributor). The most incredible moment of the season was Concord Rangers reaching the first round of the FA Cup for the first time. Drawn away to Mansfield Town, Concord earned a 1-1 draw before losing 1-0 in the replay in front of 1500 at the Aspect Arena. The second round of the FA Trophy was reached, also for the first time. A penalty shootout filled Essex Senior Cup run saw Concord retain the trophy they'd won a year before, this time beating Billericay in the final. At the seasons end manager Danny Cowley & his assistant manager brother Nicky (who took over from Alzapiedi in September) left the club for pastures new.

2015-16 was a season of rebuilding with Adam Flanagan & Jody Brown in charge of the side which had lost a number of key players, whilst trying to maintain our National League south position. A poor start saw Brown replaced with the returning Alzapiedi as assistant manager, and things looked up. A 12 game unbeaten run at the start of 2016 helped the side reach their 3rd Essex Senior Cup final in as many years, making history in the April when beating Heybridge Swifts to retain the cup. A mid table finish guaranteed another season of National League South football.

2017/18 saw the Beachboys put an impressive 13 game unbeaten run together at one point, however the poor start and shaky end to the season saw the side stave off relegation by just a couple of points, which saw Flan and Glen be relieved of their positions.

Prior to the 2018/19 season, Sammy Moore and Jack Midson were brought in to take charge of the first team, as Concord Rangers looked to make their 6th season at this level a successful one, and a success it was as the club finished in 6th place. However due to ground grading issues, Concord were unable to take part in the playoffs.

Moore & Midson left the club by mutual consent, after which an old favourite returned to take the helm as Danny Scopes was appointed first team manager for the 2019/20 season. Scopesy enlisted the help of Lee Minshull, James Roach and Adam Drew for his time in sole charge of the Beachboys, and while the league form started well, it was the historic FA Trophy run that really set the tone for the year. Two seasons of prematurely ending league campaigns were the result of the pandemic, but Scopesy's reign was capped off by a historic appearance in the FA Trophy Final at Wembley, losing 1-0 to Harrogate Town.

A new dawn beckoned as in the off season Danny Scopes resigned his position as 1st team manager and Ant Smith stepped down after 21 successful years as chairman. Jack Smith Jnr and John Smith assumed the interim chairman position off pitch and on the pitch under 18s manager Chris Search was brought in to lead the first team alongside Danny Green and Craig Shipman. After starting the season with a fantastic win over league favourites Dorking, the team were entertaining to watch but lacked consistency. The club went out of both FA competitions at the 1st stage but had a successful Essex Senior Cup campaign, culminating in a 4-3 defeat to Billericay in the semi final. The league campaign picked up towards the end and the management team led us to a final position of 14th and will be looking to build on this next season.

After a poor start to the 2022/23 season, and a winless run throughout September and October, the decision was made between both the club and Chris Search to make a change in management. As November was about to get under way, former Concord player and Bowers manager Rob Small took the reigns at Thames Road, with the aim being to secure the Beachboys place in the National League South for another year. Fixture congestion played a factor towards the end of the season however, and ultimately the Beachboys were relegated back into the Isthmian Premier Division.

The summer then meant it was a time to rebuild, and former Beachboys player Sammy Collins was appointed as first team manager, bringing in an almost entirely new squad which included a number of familiar faces from his time as a player.

## THE SECRETARY'S MUSINGS

A warm welcome to the players, management team, committee and supporters of Concord Rangers. We would also like to welcome the officials, referee Samuel Olhausen and assistants Thomas Nicholls and Ben Al-Shaikh.

Looking through the history of our results it would appear this is the first league fixture between us and Concord Rangers, there was an FA Cup Extra Preliminary Round game played at Coles Park on the 26/08/2000 which Boro won 4-1. What we'd give for that tonight!

Well, it's with great joy that we can finally reflect on a league victory. In terrible conditions with driving rain throughout, after 10 attempts the Boro won 2-0 away at Cheshunt, but hey unless you've been incommunicado for three days you knew that.

Although it was a real team effort, mention should go to Mekhi McLeod for coming into the starting lineup and putting an absolute shift in up front. Never giving the defenders any time to settle, it set the tone for the early stages of the game and enabled Boro to take control. I hope after being with us for a couple of seasons now this is the start of Mekhi showing up more of what he is capable of. Talking of it being a team effort thank you to everyone that travelled to Cheshunt on Saturday and getting behind the team, we certainly made ourselves heard and that collective spirit contributed to the celebratory scenes at the end. Joy, relief and 3 points!

This coming Saturday we take on Redbridge in the 1st Round Proper of the FA Trophy. As it is a cup game, season tickets will not be valid, so the usual prices of adults £10, concessions £5 and under 16s Free, will apply.

In other fixture news the away game at Folkestone that was due to be played on Saturday will now be played on Tuesday 14th November.

In case you are not aware next Tuesday we are away to Ipswich Wanderers in the Velocity Cup (League Cup) 3rd round, it is a 7.45pm kick off.

### Women's Team

Congratulations to the Women's Team for their 5-0 win against Langford Ladies in the FA Cup on Sunday as a result of that victory they have been drawn to play Hertford Town in the 1st round on 12th November. The previous week they beat Bowers & Pitsea 3-0 away and sit second in the table, still unbeaten and still on the heels of Real Bedford, who they are still to play this season twice.

### U23s

Friday night the U23s beat Priory Park Rangers 5-0 at Coles Park, they currently sit 4th in the table having won 6, drawn 1 and lost 4.

**U18s** – The U18s top the Olympian Division of the Southern Counties Floodlit Youth League after a 2-2 draw away at Heybridge Swifts, despite being behind at half time they secured a draw to see them top.

## MATCH REPORT

### Haringey Borough 2 – Chestnut 0

Finally.

The word that sums up Boro's first league win of the season, away at Chestnut.

On an afternoon when the weather got progressively worse Boro got their noses in front, got a second before half time, then saw the game through with a clean sheet.

Boro lined up: Barnes, Bawling, O'Donoghue, Mitchell, Peter, Jabbie, Djassi-Sambu, Aresti, Leacock-McLeod, Young, Iontton.

Subs: Zamani, Adoo-Kuffour, Kennedy, Aidoo, Figueira.

Boro came out of the traps with purpose. Arthur had an effort deflected wide. Boro recycled the ball from the resulting corner ending with a stretching Sambu poking narrowly past the wrong side of the post. Dexter couldn't quite get purchase to a header from a Young free kick then Aresti shot straight at the keeper. All within the first ten minutes.

and soon after the positive start was rewarded. Young was fouled wide on the Boro right about 15 yards from the corner flag. His delivery dipped and swung in towards the near post. Despite efforts from a couple of defenders to clear the dip and serve was too much and all they could do was help it into the net.

In their first real effort Chestnut almost equalised straight from the kick off. Dillon had to make a flying save to tip over, then dealt with the corner.

The game settled down with no side able to create and real chances until Boro got their second on the half hour. Young spotted Aresti free at the far post, Aresti's control was instant which allowed him to get a shot away before he could be closed down. The keeper parried his effort, out towards the penalty spot where Arthur was on hand to gleefully stroke home.

Boro saw out the half without much trouble.

The two goal lead prompted Chestnut to make a half time sub but they weren't able to gain the upper hand. Mekhi had a couple of efforts from range, Bobson, filling in brilliantly at right back, was on hand to flick away a dangerous cross but neither keeper was made to really work.

As the rain got heavier Sambu suffered a head injury and was replaced by Figueira and soon after Tage and Aidoo were brought on for Aresti and Mekhi, who had lasted 70 minutes on his first start this season.

As the game entered the last 15 minutes Boro continued to try and be positive. Bobson and Aidoo were each denied but it was Dillon who saved the ending becoming more nerve wracking than a two goal lead should be making an outstanding double save inside the last 5 minutes.

That aside Boro were able to manage the remaining time, plus 6 added minutes without being troubled.

The soggy celebrations at the final whistle a mixture of joy and relief, sending the 80 or so Boro fans in the crowd of 392 singing all the way back down the A10.

IS the 'new' season already two months in? The FA Cup first round draw has been made, the Isuzu FA Trophy and FA Vase are through a few rounds and the weather is taking a turn.

It feels like another Non-League season is flying by. Here are a few things that have caught our eye over the last week

## **CUP KINGS**

The FA Cup fourth round qualifying served up some big shocks last Saturday, with eight National League teams tumbling out and more facing midweek replays.

Bracknell Town started the day off with a 1-0 lunchtime win over Dagenham & Redbridge. The Step 3 Robins took on Ipswich Town last season in front of the live TV cameras. For the first round this year they're off to League One Cambridge United.

Horsham also face League One opposition following their 2-0 upset of Dorking Wanderers — the Isthmian Premier side have been drawn against Barnsley.

Step 4 Cray Valley PM have got a great draw away at Charlton Athletic. Kyrell Lisbie scored twice in their 5-2 win over Enfield Town last week — he's the son of former Addicks striker Kevin, who also played for the Millers when they reached the FA Vase final at Wembley in 2019.

Other interesting first round ties include Chesterfield at home to Portsmouth - former club of Spireites boss Paul Cook — while Bromley host Blackpool. Step 4 Ramsgate host the winners of Woking's replay with Hemel Hempstead Town.

## **END OF AN ERA**

It seems keeping a manager's job for five years is a long time these days. How about more than 25? That's how long Dave Diaper has been at the helm of Sholing. In that time he's overseen their rise - both on and off the pitch - from the Hampshire League to Step 3 via an FA Vase win at Wembley.

-This weekend is his last game, however, as he takes on a new head of football role at the south-coast club with former Sutton United boss Paul Doswell set to take over in the dug-out.

"It's a great fit," Diaper said. "We're on the same page moving forward and it's quite exciting. We've got some big plans for the club. This year is about consolidation more than anything, but it's about working together and seeing what we can bring to the club in the future."

## **OLDHAM TWIST FOR MELLON**

When Oldham Athletic announced they were parting ways with manager David Unsworth, you can be sure a lot of managers quickly brushed up their CV. The chance to manage the Latics is a huge draw for many.

We so often talk about the importance of National League experience when it comes to steadying a recently relegated EFL club after they have crash landed in Non-League.

When someone like Micky Mellon is available it becomes a much easier decision.

The former Shrewsbury and Northampton boss has won promotion into the Football League twice — first as a champion with Fleetwood Town in 2012.

He later returned to Non-League with the task of taking Tranmere Rovers back into the EFL — which he duly did in 2018 through the play-offs. That feat was immediately followed by promotion to League One.

Mellon knows the division inside out and understands what it takes to be in the mix. He also had a certain

James Norwood leading his Tranmere attack — their reunion at Oldham will excite fans too.

### TEALE-Y GOOD SHOW

We also caught up with former Aston Villa defender Shaun Teale for last week's NLP. The rugged centre-half has recently published a book about his career titled: Here, There and Everywhere.

In 2003 he lifted the FA Trophy with Burscough by beating Tamworth 2-1 with the final, fittingly, at his old stomping ground Villa Park.

"If you ever watch a replay of the game, I think I spend the whole 90 minutes with a smile on my face."
