HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF ROYSTON TOWN FC

After some intensive research the evidence is that the club came into existence in 1875 making Royston the third oldest Club in Hertfordshire after Hitchin and Bishop's Stortford.

The Club's very first honour came in 1911/12 when they won the Creake Charity Shield beating Wisbech 1-0 in extra time.

The Club's first major honour in more recent times came in the guise of promotion to the Herts County Premier League in 1969/70 and they went on to be champions in 1972/73 and 1976/77. In 1978 we rejoined the South Midlands League and won the Division One title at the first time of asking. Success continued with a final appearance in the Herts Charity Shield for the first time in 1979 and runners up spot in the South Midlands League Premier Division in 1980. The Herts Charity Shield was won in 1981/82 and two years later the Club joined the Isthmian League Division Two North where we remained for ten seasons before returning to the South Midlands League in 1994.

After a period in the doldrums which culminated in relegation from the South Midlands League Premier Division at the end of 2006/07, Paul Attfield was appointed manager with ex-Spurs favourite Tony Galvin returning to Garden Walk as 1st Team Coach in November 2007.

Paul immediately set about building a new 1st Team squad and a run of 17 games undefeated saw the Club move from bottom of the table to finish in 5th place in the League.

The foundations had been laid for the 2008/09 season and the first team took the South Midlands Division One League title with one of the best set of stats for any Step 6 Club in the country W33, D4, L3, GF138, GA30, GD+108, PTS 103.

The 2011/2012 season will be seen as a watershed in our history with the winning of the South Midlands Premier Division title and promotion to Step 4 in the shape of the Evo-Stik Southern League Division One Central.

In our first season back at Step 4 after an absence of 19 years it was hard to know what to expect and how we would perform. Most of our supporters felt a mid-table position would be an acceptable target for the season, but we quickly found ourselves exceeding all expectations as our performances propelled us towards the top of the table. Four straight wins in the first four games set the tone and a run of nine wins with just one defeat between October and December saw us maintain a play-off position. In the very last game of the season a play-off was still a possibility and having gone 2-1 up away at AFC Hayes with just a few minutes of the game left it looked a near certainty. But it was not to be as Hayes scored an 87 minute equaliser and our play-off place was lost.

In our second season at this level our steady progress to claim a place in the play off zone was given a severe jolt when, at the beginning of November, Paul Attfield announced his resignation as first team manager due to ill health. The search for his replacement began almost immediately and we were inundated with applications from some very well know and successful managers. After an exhaustive selection process the Board appointed Steve Castle at the end of November and on Boxing Day Steve officially took over securing a 0 – 0 draw against the League's form team and eventual champions Dunstable Town.

Our 2014/15 season opener was at home against one of the promotion favourites Rugby Town but an impressive team display ensured their threat was stifled and we ran out winners 2-1. That victory really did set things buzzing but we were quickly brought back down to earth when on the following Tuesday night Bedworth United were the visitors winning the game 3-1.

As we all know consistency in performances provides the key to long term success and although the early stages of the season produced good results against the likes of Daventry Town and Beaconsfield these were punctuated by dismal performances against the likes of Aylesbury and Egham Town. From mid November to mid December we really lost our way with six defeats in seven games but our rollercoaster ride saw an incredible run of form over the Christmas period and into the New Year with five straight wins which helped us maintain a position in the play-off places.

On a miserable Tuesday evening in February we travelled to lowly AFC Hayes and after an abject performance, we lost the game 2-0. This prompted our Chairman to tell Steve Castle that he had given up on this team

making the play – offs and said that we should start preparing instead for next season. That message was conveyed to players and we witnessed a most remarkable transformation in our results with a fourteen game unbeaten run during which we scored 29 goals and conceded just seven resulting in us achieving the runners up spot to league champions Kettering Town and securing our place in the play-off semi-finals where we met local rivals Barton Rovers. After an incident packed 90 minutes and extra time the game ended in a goalless draw but it was not to be our night and we lost the shoot out 4-5 and had to suffer the agony of all the emotions which go with being defeated in this way.

We started the 2015/16 season strongly and between the end of December and the end of March we produced a rich vein of form with only one defeat in 14 games and this ensured we were sitting on top of the league with just 7 games to go and with the expectation that we could win promotion outright ran high throughout the whole club. However three games in succession proved our down fall when we could only draw 0 – 0 with Bedford and lost to Egham away 3- 1 and Godalming at home 1- 0 and once again we ended up in the play offs against AFC Rushden but we failed to turn up and went out tamely to our opponents 2 – 1.

Having finished runners up for two years in succession Steve Castle was determined to make it third time lucky and began to recruit some experienced new blood in the shape of John Frendo and Adam Murray whilst at the same time giving youngsters Gus Scott Morris and Josh Castiglione extended runs in the first team. However the season didn't start well and after four games we'd only mustered five points whilst promotion rivals Farnborough just couldn't stop winning. Although results did improve, defeat in the FA Cup to Heybridge Swifts 4–1 and a thrashing by Barton Rovers at home 6–3 at the end of September didn't do a great deal of good for our confidence.

Things took a dramatic turn thereafter with twelve successive league wins which ended with defeat 2-1 at Kidlington in early January 2017, interspersed by a magnificent run in the FA Trophy including victory against Step 2 outfit Hampton and Richmond Borough before in the replay against Dulwich Hamlet we eventually went down 1-0.

With cup football out of the way the team put together an incredible run of 16 league games undefeated, including a 5–0 thrashing of closest rivals Farnborough which saw us maintain the top spot until the end of the season by a margin of twelve points and the highest number of goals scored, 120, across all three Evostik Leagues.

Promotion to the Southern Premier League means that the Club was playing at the highest level in its 142 year history!

The Club's first of objective as it planned for life at Step 3 was as simple as 'Let's make sure we can stay in this League!' and Steve Castle and Chris Watters immediately set about recruiting players to strengthen the squad. These included James Potton, Sam Corcoran, Scott Thomas and Lee Chappell, all who had experience of playing at Step 3 and higher. The signing of Adam Marriott a proven goal scorer who had played for Lincoln City, Stevenage and Cambridge United was without a doubt a real coup and he was to play a key role in the progress made by the Club by becoming our leading marksman with 31 goals.

There was further good news for the Club just before the season started when we heard that former Royston goalkeeper Will Norris who had gone to Cambridge United had been sold to Wolves with our 'sell on' clause with United still in place. Will played as number two to John Ruddy for most of the season and was the only goalkeeper to keep a clean sheet in normal time against a full strength Manchester City team in the League Cup.

When the season kicked off with our home game against Stratford Town we immediately realised how tough playing at this level was going to be as they used all their experience to chisel out a 2-1 win against us. As the season progressed results proved inconsistent with good wins against the likes of Kings Lynn and Farnborough interspersed with defeats to Hereford, Merthyr Town, Hitchin and St Neots. An undefeated run during October and another during December and into the New Year not only saw us consolidate our League position but put us in striking distance of the play off spots. Our chances for securing that spot were severely dented after an ill-disciplined performance saw us loose to Weymouth 3 – 0 followed immediately by a 1 – 0 away defeat to lowly placed Kings Langley. Although we managed to maintain our hopes of a play off place these were finally put to bed with two successive defeats against the eventually play-off winners Slough Town and we had to be satisfied with a seventh place finish.

Our results in cup competitions were mixed. In the FA Cup we played Braintree Town away and were unlucky not to win the game outright after a brilliant performance saw us draw 2 – 2 and then loose the replay 2- 1. A good run in the FA Trophy with wins against Enfield Town and Leatherhead came to an end against Eastbourne when having managed to draw at their place we lost the replay on penalties. We managed to get to the final of the Herts Senior Cup were we played Boreham Wood from Step 2 and in spite of a brave performance we never really had the power to compete and lost 2 – 1

Given were we had started from, we definitely exceeded our own and many other peoples' expectations and this has provided us with the building blocks to face this season in the newly constituted Southern Premier Central League.

A comprehensive history of the Club can be found in The History of Royston Town FC 1875 – 2012 first published in 2013. The book was written by the Club's President, Alan Barlow after over five years of painstaking research and can be purchase via the Club or by visiting www.alanvbarlow.com.

THE SECRETARY'S MUSINGS

This evening it gives us great pleasure to welcome the players officials and supporters of ROYSTON TOWN FC to the CVS Van Hire Stadium for this, our only midweek friendly. Likewise we welcome our Match Officials for the day who are Tom Wyatt assisted by Steve Bodell and Matt Flowers.

Of recent years only Friendly matches have been played between the Clubs – all at Coles Park - and two have been drawn (1-1 in July 2014 ; 2-2 in July 2018) while we won by 4-1 in July 2017 and 2021. Before that, many were the competitive matches between the Clubs and “The Crows” will remember season 2011/12 with particular pleasure as they played and beat us 4 times (2 Spartan South Midlands League Premier Division, the Premier Division Cup and the FA Vase). At the end of that season Royston were promoted to Step 4 as Champions and allocated to the Southern League where they have since remained and won promotion to Step 3 at the end of season 2016/17. We have followed a similar path but starting a few years later and including a 2 year sojourn in the Essex Senior League. When both Clubs were at Step 5 level matches took place for 4 seasons starting in 1984/5 when both were members of the Isthmian League Division 2 North; Borough Won 4, Royston 3 with 1 drawn. A parting of the ways then followed for Royston switched to the South Midlands League and Borough to the Spartan League and not until those 2 Leagues merged did matches recommence in 1998/99. 26 League games took place of which Borough won only 7 while Royston won 14 with 5 games drawn, Of particular interest was season 2006/07 when we visited Garden Walk on the last day of the season with us needing a win to be certain of avoiding relegation. Royston won 5-1 but were relegated too – on goal difference - as an unexpected last day 0-0 draw enabled Holmer Green to pip them on goal difference and us by a point. In 2007/08 we won back our Premier Division status – along with the Division One Cup – and “The Crows” won their way back a year later and emphatically triumphed, as mentioned previously, in 2011/12 which was their last year as a Step 5 Club. Numerous meetings have also taken place between our respective Women's teams in the Eastern Region Womens League Premier Division and they will be here for a League Match as early as 3rd September.

YOU CAN NOW OBTAIN YOUR FREE SEASON TICKET TO ATTEND ALL 21 HOME LEAGUE MATCHES BY MAKING AN APPLICATION VIA [www,haringeytickets.co.uk](http://www.haringeytickets.co.uk)

The Under 23s who will be competing in the Senior (highest) Division of the Essex Alliance League will commence fixtures on Saturday 12th August with a Home game against Kit Out London FC. This may well be their only Saturday Home game as they will normally play home matches on Friday evenings, but very unusually, both our First team and ground sharers New Salamis have away games on Saturday 12th. On Friday 18th we will be at home to FC Petrocub. On Friday 25th August we will be at home again to Frenford Development and the September fixtures are not yet published.

The Under 18s have drawn a bye in the Extra Preliminary Round of the FA Youth Cup so their season will begin in the week commencing 4th September – day as yet unknown – with a visit to Bowers & Pitsea in the Preliminary Round. They will be continuing their membership of the Southern Counties Floodlit Youth League but this time in its Olympian Division; that is expected to have 9 members but the fixtures are yet to be announced. Their Home games will normally be played on Mondays.

The Womens League fixtures have been announced and are listed later in this programme and are also now shown on our haringeyboroughfc.com and [.net](http://haringeyboroughfc.net) websites. On Sunday 16th they commenced their pre-season season campaign with a trip to Donkey Lane from whence they returned victorious having overcome Enfield Town by the emphatic score of 9-2. They were without a game last Sunday but this coming Sunday they have a friendly with Watford Under 21s at St. Clements Danes School, Chorleywood kicking off at 2pm. They start their competitive fixtures on August 13th with a visit from Luton Town.

THE VIEW FROM THE BELL END

Haringey Borough 4 AFC Sudbury 0 Pre-Season Friendly 22/07/2023

A comfortable 4-0 win, saw preparations for the new season continue, three clean sheets on the trot has been good to see and the performances of the new players and less established players have also been a welcome sight.

On Saturday I had great sympathy for AFC Sudbury, discussing with their officials the move from the Isthmian League North Division to the Southern League Premier Division Central, following promotion, has hit them hard and has meant a lot of the players that won them promotion have moved on, instead of a visit to Coles Park where they thought they would be going, if they were in the Isthmian Premier, they will be visiting Coalville in Leicestershire. I know there is no easy answer to the lopsided pyramid whereby at the higher echelons the number of teams south of Birmingham outnumber those to the north, and I don't offer any answers to resolve this, but I couldn't help but feel for AFC Sudbury.

I do need to offer an apology from Saturday, and I'm pleased this happened in a crowd of 80 than come the start of the league games. In the absence of John in the last few weeks I've taken on a number of new tasks, I don't need to emphasise the value of Mr Haringey and tasks that John undertakes is incredible, it has been a steep learning curve, especially in the skill of being organised. So, the apology is that I've now added printer ink to the list of the things I need to ensure we have, as I was unable to produce, in any numbers, a teamsheet for the game. Unfortunately for the lucky 4-5 supporters that did get one, I can't see them being worth thousands on ebay and if anyone does want one, I'm happy to print a copy off, there's also a link below.

Back to the game and given my caveat about the opposition, it was still a good performance. I've been impressed by Harry Philippou in the games he has played, having watched a number of U23's games he was always someone that stood out, so it will be interesting to see if he gets a chance in the first team how he fares. He took his first goal well and didn't look pressured converting the penalty for his second.

The second half as is the way in pre-season friendlies saw a mass of changes and two of those Matt Young and Tage Kennedy both scored, firstly Matt Young, a long-range effort on 50th minutes and soon after Tage finished a good flowing move to complete the scoring. Another second half change was George Aresti coming on for his first pre-season appearance with 20 minutes to go, it's good to see George has overcome injury and is back playing.

Tonight, we can compare teams in the Southern League Premier Division Central as Royston Town also play in that league.

A couple of thanks from Saturday, thank you to Marco and Trey who despite the awful wet weather stood out in the rain and made sure the car park run smoothly and those arriving received a warm welcome, hopefully they've dried out for tonight's game.

50 Years of the Boro

Formed in 1973 through the merger of Edmonton and Wood Green Town, 2023 is the 50th anniversary of Haringey Borough FC. Initially known as Edmonton & Haringey the club changed its name to Haringey Borough in 1976, and for one season in 1995/1996 took the name Tufnell Park, that only lasted one season though before reverting back to Haringey Borough.

A few of the fans have been carrying out research on the club and I hope during the course of the season we can give mention to this anniversary event and include some articles. One theme that runs through the research is the state of the pitch when it was grass. Postponements and moans galore.

If there are any people reading this that have memories of watching the Boro or have played for or have been involved with the club and can add to the history, it would be great to hear from you. My email address is nick.hoare@haringeyboroughfc.net or just find me on a match day. Thank you.

HARINGEY PLAYER PROFILES 2022-23

KASIM AIDOO – young left back but with plenty of Isthmian experience having been with Potters Bar Town and briefly Hastings United last season and Cray Wanderers in the previous season as well as National League Eastbourne Borough. Originally with Charlton Athletic Under 21s. Signed in close season

GEORGIOS ARESTI – Cypriot International midfielder who numbers AEK Athens among his previous Clubs; 2017/18 deadline day signing and now virtually an automatic selection for every match.

BOBSON BAWLING – attacking midfielder in second spell with us who left for Hendon at the end of 2021/22 but came back at Christmas 2022. Originally joined us from Enfield Town at the start of the 2020/21 season having previously been with Crawley Town, Woking and St. Albans City.

CHRISTOS DJAMAS – Cypriot Under 21 International signed in October 2020. Midfielder who was most recently on contract at Othello Athienoy and previously with Apoel Nicosia and Agia Napa.

JORGE DJASSI-SAMBU – midfield powerhouse now in 10th season with Club; opponents know when they have been tackled by this non-stop box to box player. Dangerous in opponents box at set piece situations.

STEFANOS GEORGIU – signed from St. Margaretsbury a few days before the March 2022 Registration deadline; a right sided midfielder also a dangerous attacking full back who immediately looked at home at this higher level of the game.

ARTHUR IRONTTON – defensive midfielder who moved to us from Hendon in the close season. An experienced player whose earlier berths include Stevenage, Braintree Town, Kings Lynn Town, and Hampton & Richmond Borough.

CALLUM ISMAIL – skilful young full back previously with Bowers and Pitsea who joined us in September 2018 and after establishing himself in the Under 23s and on the bench made his first start in December 2019.

ALPHANSO KENNEDY – Goal scoring winger signed in 2022 close season. Was with Wingate & Finchley last season and also played for FC Romania; played against us when we lost 1-0 at Wingate & Finchley on August Bank Holiday Monday 2019.

PAWEL KOWALKOWSKI – Polish striker – last Club Czarni Jaslo - who joined us in the close season. Briefly with Wealdstone in season 2018/19 then returned to Poland.

MEKHI LEACOCK-McLEOD – attacking midfielder who rejoined us earlier last season from Farnborough. Wide attacking midfielder who also numbers Halifax Town, Accrington Stanley, Eastleigh and Romford among his previous berths and Fulham, Wolverhampton Wanderers and Glasgow Rangers at Under 23 level.

SCOTT MITCHELL – a summer 2017 signing; 22 year old central defender who was previously with Dagenham & Redbridge. Almost an ever present in 2017/18 season and thereafter; now an established member of the squad who sometimes wears the captains armband.

MICHAEL O'DONOGHUE – powerful full back who re-joined us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United. Superb dead-ball deliverer.

MAX OVENDEN – a goalkeeper signed in the 2022 close season with previous Isthmian experience at Cray Valley (PM) and the now defunct Thamesmead Town as well as extensive Southern Counties East experience with Punjab United.

DEXTER PETER – much travelled central defender signed in the close season who was with Bowers & Pitsea last season. A product of the Millwall Academy, he was released in February 2015, and went on to play for Merstham and, Chelmsford City before joining Colchester United's Academy in June 2016, and made his first-team debut in August 2016. He was released by Colchester in May 2017 and then joined Concord Rangers and had spells at Maldon & Tiptree, Thurrock, Coggeshall Town, Grays Athletic, Hullbridge Sports and Wingate & Finchley before joining Bowers and Pitsea.

HARRY PHILIPPOU – Long serving midfielder who has come through our Under 18 and 23 teams and made a scoring debut at Kingstonian on his First Team debut last season.

RAKIM RICHARDS – versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive. Captain for 2022/23.

MATT YOUNG – Matt is a classy mid-fielder who was twice loaned to us by Leyton Orient in 2022/23. Having been released by the O's at the end of the season he has now signed directly for us.

ALEXANDER ZAMANI – goalkeeper from last season returning for second spell at the Club as a late addition to the squad just before the deadline. Dual registered with Bexhill United of the Southern Combination Premier Division and also with Billericay Town for a time earlier in the season.
