HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

THE SECRETARY'S MUSINGS

A warm welcome to the players, management team, committee and supporters of Athletic Newham. We would also like to welcome the officials, referee Jamaal Horne and assistants Ben Kelly and Keon Richardson. Tonight's match sees a first ever fixture between the two teams, I've seen a handful of Athletic Newham games in the past couple of seasons as I've always enjoyed the way they play the game, they are exciting to watch. They also have a striker in Richard Kone who has scored numerous goals in the Essex Senior League. If tonight's game is level after 90 minutes there is no extra time it is straight to penalties.

Now reviewing Saturday's game I'll start by saying that up until injury time we played well and deserved the minimum of a draw, to concede twice in injury time was not only galling but totally unwarranted. It's been pointed out that this isn't the only occasion this has happened this season so the players and management team will have to address this if we are going to pull ourselves out of the bottom four and a relegation battle. Tonight, as well as Saturday we have relief from the league and can focus on cup games. Saturday we have been drawn away to Dover Athletic, who are in the National League South. There will be no extra-time or penalties at that game, should it end in a draw, the replay will take place on Tuesday 3rd October, here at Coles Park with a 7.45pm kick off. Usual ticket prices of £10 adults, £5 concessions and Under 16s Free will apply.

Details on travel to Dover can be found on the next page, the club are running a coach and there are spaces still available.

Following the draw for the FA Trophy we have been drawn away at Folkestone Invicta, the game will be played on the 7th October with a 3pm kick off.

Women's Team

Sunday's away game against Barking saw the team remain unbeaten as they won 3-2. They are 2nd in the league behind Real Bedford who have won all 6 of their games, Boro have 10 points from 4 games.

This Sunday they will be playing in the FA Cup against Bexhill United at Coles Park with a kick off of 2pm.

U23s

Last Friday the U23s drew 2-2 with CSM London. This Friday they are away to Aveley U23s at Parkside, which is where Aveley's first team play, kick off is 7.45pm.

The following Friday (6th October) the team will be playing Walthamstow Reserves. Kick off is 7.45pm.

U18s – To date they have only played one league game but have a fixture on the 29th September away at New Salamis. New Salamis U18s do not play at Coles Park this season, the game will take place at the Lee Valley Academy.

Last-gasp Urchins shatter Borough

HORNCHURCH stunned Haringey Borough with two goals at the death – including a superb overhead kick winner from Ade Yusuff.

In the 90th minute a corner from Hornchurch's Liam Nash found the head of skipper Ryan Scott, who rose at the back post for the equaliser.

The visitors didn't settle for that. In injury time, another corner from Nash was delivered towards the far post.

Scott headed back across the goal and Yusuff's acrobatic overhead kick sailed past the Haringey defender on the line for a dramatic winner.

Struggling Haringey had started the game brighter than their promotion-chasing opponents but neither side could break the deadlock in the first period.

The second half was much more eventful. Borough's Arthur Iont-

ton struck the crossbar and Steve Morison's Urchins counter-attacked. Nash's effort was saved well by debutant keeper Ted Collins.

In the 65th minute, Nash's smart turn and shot shaved the post. However, it was Haringey who struck first on 74 minutes.

Subs Temi Babalola and Kasim Aidoo combined with the influential Khalifa Jabbie whose clever pass found the unmarked Matt Young. His left-footed low drive from the edge of the penalty area flew in off the post.

MICHAEL O'DONOGHUE - powerful full back who re-joined us after spending some time at National League side Concord Rangers. Formerly a professional with Colchester United. Superb dead-ball deliverer.

DEXTER PETER - much travelled central defender signed in the close season who was with Bowers & Pitsea last season. A product of the Millwall Academy, he was released in February 2015, and went on to play for Merstham and, Chelmsford City before joining Colchester United's Academy in June 2016, and made his first-team debut in August 2016. He was released by Colchester in May 2017 and then joined Concord Rangers and had spells at Maldon & Tiptree, Thurrock, Coggeshall Town, Grays Athletic, Hullbridge Sports and Wingate & Finchley before joining Bowers and Pitsea.

HARRY PHILIPPOU - Long serving midfielder who has come through our Under 18 and 23 teams and made a scoring debut at Kingstonian on his First Team debut last season.

RAKIM RICHARDS - versatile player with us since 2010 and most usually to be found in a defensive role but quite at home in midfield and a menace in the opponents penalty area when corner kicks arrive. Captain for 2022/23.

MATT YOUNG - Matt is a classy mid-fielder who was twice loaned to us by Leyton Orient in 2022/23. Having been released by the O's at the end of the season he has now signed directly for us.

ALEXANDER ZAMANI - goalkeeper from last season returning for second spell at the Club as a late addition to the squad just before the deadline. Dual registered with Bexhill United of the Southern Combination Premier Division and also with Billericay Town for a time earlier in the season.
