## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF WALTHAMSTOW FC

The history of our great club is not what you'd call straightforward. Having reformed on at least three occasions, we've played under seven different names, but can lay claim to being the second-oldest club in London, and one of the oldest in the country.

The initial Leyton FC was formed in 1868 when The Reverent Morgan Lloyd obtained a pitch behind The Lion & Key public house. The first Leyton played mainly friendlies, but did take part in the FA Cup, before folding in 1880 when they lost their ground.

Seven years later, the members of Matlock Cricket Club, based on Hoe Street established a football club named after the Matlock Villas, which overlooked the club's pitch. In 1894, Swifts moved out of Leyton, to a new ground in Blackhorse Road, Walthamstow. This lasted just a season though, as the club moved back to Leyton and changed their name to Leyton FC in the process.

The club won the Essex Senior Cup on no fewer than five occasions, and the London Senior Cup, as well as the South Essex League four times.

Leyton turned professional in 1904, joining the London League. The following year, Leyton moved to Osborne Road, which would later become Leyton Orient's Brisbane Road.

In April 1912 a loan by a donor was called-in, and without any hope of paying it, the club disbanded for a second time.

Only a year later a third Leyton was formed, but this incarnation was extremely short-lived. The outbreak of war meant there was essentially no one to watch or play for the club, and it was suspended.

The fourth Leyton was established in 1919, and it would be arguably the most successful period for the club, now back at the Hare and Hounds. Leyton won the FA Amateur Cup (now FA Trophy) twice, and were runners-up on four more occasions. They also reached the first round of the FA Cup four times and the second round three times.

After a successful 1950s and 60s, things dried up for Leyton, and by the 1970s they could not carry on, so a merger was completed with Wingate from north London.

The pinnacle of this club was winning the Athenian League in 1982, but by the early 90s with most of the former 'Wingate' committee now either deceased or having had left, the newly-merged Wingate & Finchley requested Leyton drop the 'Wingate' title from their name.

By 1995, the Hare & Hounds was really beginning to show its age, and with Leyton not having the funds to bring it up to standard, a merger was completed with Walthamstow Pennant, with the new club being Leyton Pennant and playing at Wadham Lodge.

This club spent most of its life in Divisions One and Two of the Isthmian League, with no notable success, save for two London Challenge Cup final appearances. Its first season in 1995 saw the club finish 4th in Division One, but it was mostly mid-table obscurity after that.

In 2003 the club changed names to Waltham Forest and were bankrolled heavily with aspirations of playing in the Football League. Sadly, these never came to fruition and an Essex Senior Cup was the only thing to show for it.

Disputes with the then-management at Wadham Lodge in 2008 saw the club exiled for five seasons, playing in Ilford. The first season back at Wadham Lodge, in 2013 ended in relegation to the Essex Senior League for the first time in the club's history.

In 2018, the club changed names once more to Walthamstow FC. This kick-started the club and saw the highest attendances in many years, and a third-placed finish in the Essex Senior League, the club's highest finish since the 1980s.

The two most recent seasons have seen Walthamstow again challenging for promotion, at the time when they were cut short by the Covid-19 pandemic. Stow have also enjoyed excellent FA Cup runs both times, reaching the second qualifying round and being one of the standout Essex Senior League performers.

Season 2021/22 saw Walthamstow, under the stewardship of joint-managers Terry Spillane and John Mackie, secure their first league title for 37 years by winning the Essex Senior League title with a total of 92 points, 28 wins and equal the best defence in the 156 year history of the club with 20 clean sheets. This saw Stow

return to Step 4 after eight years in the ESL. June 2022 saw the news that Stow will return to the Southern League after a sixteen-year absence and look forward to meeting old friends whilst visiting new places too.

## THE SECRETARY'S MUSINGS

Today we take pleasure in welcoming Walthamstow FC to the CVS Hire Stadium. Our visitors have moved into the Isthmian North division this season after spending a season in the Southern League, following their promotion from the step 5 Essex Senior League in 2021/2022.

This is the second consecutive season we have hosted Walthamstow for a pre-season friendly following last season's 4-0 victory.

We also welcome our officials Chris Henry assisted by Steve Walsh and John Noublemunn.

Next Saturday we begin our league campaign with an away game at Canvey Island, 3pm kick off, quickly followed on Tuesday 15th August by a home game against Wingate & Finchley, kick off 7.45pm. Below you can find details of how to obtain a free season ticket which gives access all Men's first team home league games, all Women's home league games and the home league games for the U23's and U18's

**YOU CAN NOW OBTAIN YOUR FREE SEASON TICKET TO ATTEND ALL 21 HOME LEAGUE MATCHES BY MAKING AN APPLICATION VIA [www,haringeytickets.co.uk](http://www.haringeytickets.co.uk)**

The Under 23s who will be competing in the Senior (highest) Division of the Essex Alliance League will commence fixtures on Saturday 12th August with a home game against Kit Out London FC. This may well be their only Saturday Home game as they will normally play home matches on Friday evenings, but very unusually, both our First team and ground sharers New Salamis have away games on Saturday 12th. On Friday 18th we will be at home to FC Petrocub. On Friday 25th August we will be at home again to Frenford Development.

The Under 18s have drawn a bye in the Extra Preliminary Round of the FA Youth Cup so their season will begin in the week commencing 4th September – day as yet unknown – with a visit to Bowers & Pitsea in the Preliminary Round. They will be continuing their membership of the Southern Counties Floodlit Youth League but this time in its Olympian Division; that is expected to have 9 members but the fixtures are yet to be announced. Their Home games will normally be played on Mondays.

The Women's League fixtures have been announced and are listed later in this programme and are also now shown on our [haringeyboroughfc.com](http://haringeyboroughfc.com) and [.net](http://.net) websites. Last Sunday they were involved in a 9-goal game, losing out 5-4 to Watford Development in a pre-season friendly. You can see them in action tomorrow when they will be at home to Harpenden Town Women's Team, kick off is at 2pm. They start their competitive fixtures on August 13th with a visit from Luton Town.

## THE VIEW FROM THE BELL END

### Haringey Borough 1 St Albans City 2 Pre-Season Friendly 29/07/2023

Two defensive errors in the first half saw St Albans City end our unbeaten pre-season record, both times their striker Michael Weiss benefitted from apprehension in the Boro defence, the first gifting him an open goal and the 2nd an easy lob over the keeper from the edge of the area.

It was a shame as Boro played well, particularly in the 2nd half where we pulled a goal back from a Matt Young's free kick on the edge of the area and we hit the post twice, once from a Raks header and the other from a Harry Philippou shot. Given the pressing play in the second half it bodes well for the season. Particularly impressive was George Aresti who brought his usual drive and energy that so often rubs off onto his teammates and raises our purpose.

Strangest moment in the game saw Andronicos Georgiou returning to Coles Park receiving treatment 10 seconds after coming on as a sub. He entered the play at the same time as Ebenezer who was warming up, he caught Andronicos in the face which appeared to give Andronicos a nose bleed. Totally accidental, totally innocuous, he came on wearing 12 and without touching the ball or making it more than 5 metres onto the pitch, he reappeared wearing 19. I trust he is alright but it was bizarre.

So, we arrive at our last pre-season game before the season starts next week away to Canvey Island, I haven't seen anyone give us much of a chance so far and I'm sure in fans prediction leagues we will be nearer the bottom than the top, but that's ok, I'll take anywhere above 19th now.

Supporting the Boro has always been fun and whatever happens over the next 9 months there will be good times and sad times but we will always be 100% behind the team. Come on Boro!!

#### John Bacon

For those of you not aware John has been unwell over the summer, that's why we haven't seen him at games recently. Given John's dedication to the Boro it has been strange not to see him around the club, we've been keeping in touch and clearly miss him, wish him well, and hope to see him back at games as soon as possible. Such is his dedication and commitment he is still making sure the club runs smoothly!

#### 50 Years of the Boro

Next Monday 7th August sees the 50th anniversary of the first ever game of Edmonton & Haringey, the club we know as Haringey Borough, a friendly against Dartford and a 2-1 victory. The report from the Tottenham & Edmonton Weekly Herald is below.

#### Edmonton-Haringey 2 Dartford 0

THE torrential rain that poured down all day Tuesday gave way to brilliant sunshine in the evening—and it certainly shone on Edmonton.

The club squad of 18 players showed a good deal of promise in their first pre-season friendly against Kent League side Dartford. The two-goal margin was a just result which accurately reflects the run of play.

This season the club will not be fielding two sides but will instead have just one first team squad. Manager Les Clapton was anxious to give all his players a game and was obliged to change seven

players at half time which led to an amount of scrappiness entering the play.

In the first half the majority of chances fell to Edmonton who without actually controlling the game at any stage piled plenty of pressure on a shaky Dartford defence.

Front runner Alan Sheen came the nearest to scoring when he picked the ball up on the edge of the Dartford area, rounded one player, beat the goalkeeper and just

chipped wide from a difficult angle.

However, no goals came their way. And at half-time they had failed to capitalise on the fact that Dartford had

#### By Ted O'Brien

been facing a brisk wind with the setting sun shining directly into their eyes.

In the second half Edmonton changed their attack and midfield completely. At first

it seemed that Dartford were about to exert some authority on the play. But after 20 minutes of scrappy play from both sides Edmonton went ahead.

Centre-forward newcomer Patsy O'Flaherty picked the ball up just inside the Dartford half. He chipped the ball high over the Dartford defenders for his front runners to chase. Adrian Palmer went through the defenders, controlled the ball, went round the goalkeeper and slid it into the net.

Then, minutes before the final whistle, Edmonton struck again. Adrian Palmer, who had an inspired game on the right of the field, got the ball on the right wing, outstripped three defenders in a race for the goal and pushed the ball across an open goal for another newcomer Stephen Sparrow to nod it in.

The Edmonton defence played well throughout the game. Goalkeeper Brian Goymer and captain yet another newcomer Alan Clarke excelled.

Edmonton: Brian Goymer, David Stevenson, George Wakeling, Billy Parker, Alan Clarke, Danny Da Costa, Micky Bishop, Dave Pellici, Alan Sheen, Tony Rocco, Alan Christie, Stephen Sparrow, Patsy O'Flaherty, Adrian Palmer.

The formation of the club doesn't seem to have been as straight forward as it was meant to be, as without kicking a ball there were changes in the Board Road with both the Chairman and vice-Chairman leaving and being replaced, the new Chairman was Eddie Gibbins who previously played a couple of games for Spurs and the Vice-Chair Stan Bennett played for both Tufnell Park and Wood Green Town. The changes seem to have been over the installation of floodlights at Coles Park. The sensationalism of the local newspaper is excellent. Harry Harris went on to become the lead football journalist for the Daily Mirror. Clearly writing about Haringey set him in good stead.

# SOCCKER CHIEF QUITTS

## The Inside Story by Harry Harris

**CHAIRMAN** Geoff Walker has left Edmon-ton-Haringey leaving many of the club's sup-porters in the dark over the possibility of flood-lights being installed for the beginning of the sea-son.

Walker promised that ligh:s would be at the ground in August when he made his speech at the dinner and dance

at the end of the season.

But Walker says there had been a "difference of opinion" about the lights behind the scenes. Walker insists that the lights could have been ready but president Reg Ricketts said: "He had no authority to say what he said at the dinner. People at the club are not against lights but we wanted to know where the £6,000 was coming from to pay for them."

But Mr. Ricketts is optimistic that lights will be

installed by the middle of the season, and there would also be an additional covered standing area.

He said: "We shall be deciding this week when we shall go ahead with the preliminaries for installing the lights."

Walker gave his reasons for leaving the chair. He said: "One of the reasons was that there was a difference of opinion with certain persons and a clash of personalities.

"One of the main differ-ences was over the lights. I felt that lights were most important and that the life of the club would circle around the lights — even minor clubs have lights. I could have had the lights in by the beginning of the season, I had it more or less worked out. The longer it is left the more it will cost."

But Mr. Ricketts insists that it would have been impossible to kick-off with lights — and in any case lights would be at

the White Hart Lane ground in mid-season.

Mr. Ricketts also says that Mr. Walker had planned not to stand for re-election as chairman before the problem over the lights arose.

Mr. Ricketts added: "Originally he intimated that he would not stand for re-elect as chairman because a lot of his time was taken up because he was a member of the London FA, and he wanted to go further in foot-ball circles."

If there are any people reading this that have memories of watching the Boro or have played for or have been involved with the club and can add to the history, it would be great to hear from you.
