HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF BARKING FC

Our renaissance started when Mick O'Shea and Rob O'Brien took us into third place in the Essex Senior League in 2014/15 and the winning the Gordon Brasted Memorial Trophy. This progress was maintained in 2016/17 when Glen Golby and Steve Willis led us to win the Essex Senior League championship and promotion back to the Isthmian League. Our present manager Justin Gardner took us to tenth place in 2017/18, thus justifying our promotion and our highest finish since 2005/06.

EARLY DAYS

The ancient abbey town and fishing port of Barking has been represented by a football team since at least 1880 and we are the longest established football club borough of Barking and Dagenham. Barking's colours of Royal Blue are said to originate from the Short Blue fishing fleet which plied the oceans from Barking Creek for many years and supplied London with fish.

In 1880 the Barking Rovers club was formed, playing on Eastbury Field, and is known to have existed until at least 1890. The Vicarage Field ground was opened in 1884 with a match against Ilford which Rovers won 2-0 but in 1889 Barking Rovers were accused of damaging the Vicarage Field cricket pitch and were forced to return to Eastbury Field. Barking Woodville from Forest Gate became known as Barking Woodville and moved to the Vicarage Field in 1896 and appear to have disbanded in 1900 when the Vicarage Field lease expired. The Vicarage Field was then occupied by Barking Institute, formed in at least 1896 as Barking Working Lads' Institute, as the local Church Institute were involved in running it with the name being changed to Barking Institute. Barking Institute's name changed to Barking in 1902. The name was changed again to Barking Town from 1919 to 1932, reverting to Barking until 2001 when changed again to Barking and East Ham United for five seasons.

The club progressed to the South Essex League from 1900/01 and the London League from 1909/10, playing in both for several seasons (leagues were smaller in those days). In 1912 their application to join the Isthmian League was rejected but they had been founder members of the Athenian League in 1911, resigning after only two matches, having been fined for not fielding the strongest possible team, and not rejoining until 1923. During the Second World War matches in the South Essex Combination were played at the Merry Fiddlers Ground, Dagenham as the Vicarage Field was converted to an anti-aircraft site and all matches in 1945/46 were played away.

ISTHMIAN LEAGUE YEARS

Barking were invited to join the Isthmian League in 1952 and in 1978/79 under Eddie McCluskey won the championship and were named FA Non-League team of the year. Floodlights were installed at the Vicarage Field in 1958 and Barking was the first club to play an Isthmian League match under its own lights. In 1973 Barking were required to leave the Vicarage Field by the council and were leased the present ground. In June 1990 the Isthmian league's ground grading committee deemed that Mayesbrook Park was unfit for Premier division football and at the league's AGM there was a vote whether or not to relegate Barking which was won by eight votes. However, this was a temporary reprieve as in the next season after 39 years at Premier Division level, the club suffered the first relegation in its history and in 1996 relegated to Division 2. Promotion back to Division 1 was won in 2000/01. Following restructuring Barking played in the Southern League Division 1 East in 2004/05 and 2005/06, reaching the play offs in both seasons. In 2007, following the tragic death of chairman Peter Webster in late 2004 and the subsequent liquidation of the parent company, the club was demoted to the Essex Senior League in 2006.

CUP SUCCESS

Barking's lost 3-1 to Leyton at Millwall FC in the 1926/27 FA Amateur Cup final, and a total of ten appearances in the last eight of the Amateur Cup was made, from which we progressed to one final and three semi-finals. We have played in the FA Cup since 1895/96, but Oxford United are the only professional club's first team who has been defeated in a 1979 FA Cup tie, in two ties against Gillingham separated by 55 years the professionals required two matches on each occasion to progress. We have reached the second round proper a total of four times. In the FA Vase in 1996/97 Barking reached the fifth round (last 16) and were narrowly defeated by a single goal at Mossley. The Essex Senior Cup final has been reached 14 times, of which seven

were won, and the London Senior Cup has been won four times in seven finals. A memorable success came in 1996/97 when the Essex Thameside Trophy against Canvey Island was won with the 22nd taken from the penalty spot. Barking triumphed by 8 to 7 and the final kick was successfully converted by Uzodimma Agbasonu.

THE PROFESSIONAL GAME

Over 40 Barking players have gone on to the professional ranks and the most recently famous old boys are in no particular order: Kevin Hitchcock, Darren Purse, Lamar Reynolds, Jack Leslie (probably Barking's first black player), James Dillimore (Millwall), Harold Halse, Len Casey, Peter Carey, Mark Lazarus, Laurie Abrahams. George Shalders, Joe Hawkins and Jack Tresarden (West Ham United and capped in 1923) who played for "The Hammers" in the first Wembley cup final in 1923.

OUR BOBBY

Our most famous ex player is of course Bobby Moore, the West Ham United and World Cup winning England captain. He never played for our first team but research supported by the memories of our late president, Ron Debenham, has indicated that he played for our A (third/youth) team before being signed by West Ham at a young age. The programme for a charity match in 1969 played at the Vicarage Field states Bobby "decided to play on the pitch where he had previously appeared as a member of Barking's 'A' team". This was corroborated in 2015 by former Barking player Alan Batten, who played alongside Bobby in our A team in 1954/55 which was subsequently wound up and Bobby moved on to West Ham United. Bobby's parents had been active members of Barking FC Supporters' Club and organised the transport, comprising fleets of coaches and even a special train in those days, to away matches.

FOR THE RECORD

Among the club records is an unbeaten run of 17 games in 1968/69 which was almost matched by a run of 15 matches in 1996/97. In the light of modern complaints about fixture congestion it is of interest to note that Barking played 14 games in April 1927, losing only four of them. The club record run of unbeaten league games is 23 set by the reserves in 2011/12 which comprised the whole league season and one game from the next.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Barking and also to the officials, referee Tommy Breen and assistants Emre Arslan and Andreas Anastasiou. The last time we played against Barking at home was in our promotion season of 2017/2018 it was our first home game of the season, on a Monday night, remember them, and it also saw the home debut of a young fresh faced, Scott Mitchell. Not only was it Scott's home debut but he made it a goalscoring debut by grabbing the equaliser in the 74th minute firing home from the edge of the six yard box. The other event to note was the sending off of Jorge Djassi Sambu for two yellow cards. For those that want to watch the highlights of the 1-1 draw, you can find them at <https://www.youtube.com/watch?v=sh0DFz7liVw> Thank you to everyone that was at Billericay Saturday, what a result and what a performance, previously I've written how I hoped Mekhi McLeod would become an important player for us, as not only is he a very likeable guy, he is also extremely talented. The scenes that greeted his winner 4 minutes from time and the celebrations at the end of the game I hope further embed him as a key player.

Following Saturday's result, we now find ourselves 7 points from safety, which make our next two games on the 26th and 30th December at Coles Park, huge. If you are able to attend these games and get behind the team it would be very much appreciated. The support for the team makes a massive difference and all of us have a part to play between now and the end of the season.

Prior to the Billericay game we had a home game against Potters Bar in the Velocity Cup and an away league game against Cray Wanderers.

The Potters Bar game demonstrated that we are up for a fight, after going 1-0 down early on, the team rallied and deserved to equalise through Kasim Aidoo. Dillon particularly had a very impressive game in goal and the other noteworthy action was a Scott Mitchell clearance off the line, which was remarkable from the view we had in the stand. I always think penalties tell a lot about a team's confidence and given we have been struggling the 6 penalties taken were of high class and it was a morale boosting 6-5 shout out win that sees us progress to the quarter final stage. The draw has yet to be made but as soon as it is we will make an announcement.

On Sunday the 10th we travelled to Cray Wanderers who are tenants of Bromley, and their very impressive stadium, the least said about the first half where we found ourselves 3-0, down the better. The 2nd 45 minutes were a different story entirely, Tom made changes and brought on two forwards, Nadum Melvin-Lambert who returned from injury and Anthony Mendy who returned following his previous spell, together with Mekhi McLeod. I'm not sure what formation we were playing towards the end of the game but we had at least 6 attack minded players on the field together. When Scott headed in on 78 minutes it felt like a consolation until Nadum scored in injury time and Anthony grabbed us a point with another injury time goal. It made a change for us to benefit from late goals.

Please remember the Boxing Day game against Hashtag United kicks off at 1pm and finally I would like to wish everyone a safe and Happy Christmas. Come on Boro!

Women's Team

Since our last home game, the Women's team have been knocked out of the League Cup losing 2-1 at home to Stevenage Women and on Sunday they drew 3-3 with Barking Women when scoring two goals in injury time to secure the draw. They currently sit 3rd in the league behind Real Bedford and Wroxham. Their next game is Sunday 7th January when they face AFC Dunstable Women in a 2pm kick off at Creasey Park Community Centre, Creasey Park Drive, Dunstable LU6 1BB.

U23s

This Friday (22nd) the U23s entertain Lymore Gardens in a 7.45pm kick off at Coles Park. Previously they have lost 3-4 to Walthamstow Reserves and beat Rapid Chingford 5-2 away from home. They currently sit 5th in the league table.

U18s

The U18s remain top of the league following a 1-1 draw with Enfield Borough, this Friday (22nd) they are away to Brentwood Town.
