HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CHATHAM TOWN FC

The club was formed in 1882 as Chatham United, when Rochester Invicta merged with the football team of the Royal Engineers Band with the intention of creating a side that was capable of holding their own with the best in the country. Harry Hobart's plan being to bring together all the best players in the Medway Towns in one team. They played their first match on 7th October that year, beating Harley Street F.C. 4-0. Owing to their strong Army connections, Chatham soon moved to a regular home on "The Lines", where they were to remain until 1889 - the beginning of season 1889/90 seeing them move to "Alderman Winch's Enclosed Ground", or as it is now better known, the Maidstone Road Ground.

Having been formed with an eye to competing in the F.A. Cup, they went on to reach the Quarter-Finals in 1888-89 - famously defeating Nottingham Forest after two replays, only to lose to the holders West Bromwich Albion. This game, which was played on "The Lines" where an admission fee could not be charged owing to Army regulations, was instrumental in the decision by the Football Association that all future matches in the competition must be played on fully enclosed grounds, where the visiting club would receive a share of the gate money.

In 1894 Chatham were founder members of both the Southern League and the original Kent League, becoming the first winners of the latter competition. They were also winners of the Kent F.A. Badge in the three seasons it was contested, and the first winners of its successor, the Kent Senior Cup, in 1888/89. They also became the first club to win the Thames and Medway Combination, the direct predecessor of the present Kent League, in 1896/97.

Chatham were forced to resign from the Southern League during the 1900/01 season, owing to financial difficulties, but they soon rebuilt the club - playing as Chatham Amateurs for a brief spell in 1901 - before winning both the Kent League and Thames & Medway Combination in 1903/04 without losing a single game in either competition. They repeated the feat the following season, losing just three games, whilst also defeating Sittingbourne 3-1 in the Final of the Kent Senior Cup.

The First World War brought an end to football in the Medway Towns, but Chatham were one of the first clubs locally to return to action in 1919 - winning both the Kent Victory Cup and the Chatham Charity Cup (for the eighth time) in a shortened season. They briefly rejoined the Southern League in 1920/21, after the formation of a Third Division for the Football League had taken half its' members, but once again withdrew at the end of the season finding that the increased travel costs were a severe drain on finances.

They once again had some success in the F.A. Cup during the 1920s, reaching the Second Round Proper in 1926/27 before losing to Norwich City - who beat them again, this time in the First Round Proper in 1928/29. They also reached the First Round Proper in 1925/26 and 1927/28, losing to Sittingbourne and Kettering Town respectively.

A third spell in the Southern League, starting in 1927/28 almost finished the club. They stuck it out for two seasons this time, but once again the increased expenses - coupled with dwindling attendances - saw them drop back into the Kent League. Things were to get progressively worse, and 1933/34 saw the club take voluntary relegation into Division Two of the Kent League, which they won in 1934/35 without accepting promotion, before opting to revert to Amateur status. Having played in both the Kent League and Kent Amateur League in 1938/39, they decided to play in just the latter competition the following season - only to see all football suspended with the beginning of World War Two. They played just one game that season, beating London Paper Mills 2-0 on 26th August - and would not play again until 1946.

Post War, Chatham won the Premier Division of the Kent Amateur League in 1946/47, which was to be their last honour under that name - having previously dropped the 'United' in 1898. On 7th January 1947 they merged with Shorts F.C., the combined club taking the name Chatham Town at the request of the local Council, and a place in Division One of the Kent League for the following season. There they were to remain until the League disbanded in 1959, whereupon they moved to the newly formed Aetolian League. During this latter period they appeared in the Aetolian League Cup Final in each of the five seasons it was contested, though winning only once in 1962/63. The following year they finally captured the League Championship,

as well as the Aetolian/London League Cup and then, when the Aetolian League formally merged with the London League they moved to the Metropolitan League, in 1964/65, in search of stronger opposition. Although the club were drawing crowds of up to 1,000 playing against strong Non-League opponents as well as sides from Arsenal, Tottenham Hotspur and West Ham United, they lost no time in returning to the Kent League when it was reformed in 1968. Up until their return to the Southern League in 1983, they had won the Kent League on four further occasions, completing the League and Cup double in both 1971/72 and 1977/78.

For a brief period during the seventies they changed their name to Medway F.C., again at the request of the local Council, but happily reverted back to Chatham Town in 1979. In 1980 they achieved their biggest post-war success to date in winning the Eastern Professional Floodlight League, playing against some of the strongest Non League clubs of the day, including Maidstone United, and defeating Chelmsford City in the Final over two legs.

In 1983 Chatham returned to the Southern League for the fourth time, this time staying there until 1988, when having failed to gain re-election they were relegated back to the Kent League - once again in severe financial difficulties, with crowds often in double figures against poorly supported clubs, as opposed to the much healthier attendances they had enjoyed in the Kent League against more local opposition.

After struggling during their first couple of seasons back in the Kent League, the real turnaround in the clubs' fortunes came with the appointment of popular former player John Adams as First Team manager, however despite reaching the Third Qualifying Round of the F.A. Cup in 1993/94, taking the club to the Final of the Kent Senior Trophy in 1995/96 and finishing in the top three of the Kent League for three successive seasons, he was dismissed by the club following a disastrous start to the 1996/97 season.

1997/98 was to prove one of the most difficult seasons in the club's history. Problems with a new drainage system meant that only a handful of games could be played at Maidstone Road - which led to a brief return to their "spiritual home" on the Lines, courtesy of the Royal Engineers, as well as a brief ground-share with Gillingham at Priestfield Stadium. The club returned home for the 1998/99 season under new manager Carl Laraman, fortunes improving immediately before in January Laraman left to take up a coaching position at Charlton Athletic. His assistant, Steve Hearn, was appointed player-manager and finally led the club to the Kent League Championship, and promotion to the Dr. Martens League, in 2000/01.

The club enjoyed a good start to their first season back at this level, but a poor run of results at the end of the season led to Steve Hearn's resignation and the appointment of his assistant Peter Coupland as his successor. After a bad start to the 2003/04 season, Clive Walker replaced Coupland. Things improved dramatically, and a season that had looked certain to end in relegation, ended instead with Chatham in a mid-table position. The 2004/05 season saw Chatham being placed in the newly formed Southern League Eastern Division. The campaign got off to a promising start, with Chatham sitting as high as fourth in early October, however a poor run of results coupled with Clive Walker's decision to return to his old club Dover Athletic, saw the Chats slip to 16th. Assistant Steve Binks was appointed manager and results improved towards the tail end of the season. Chatham finished the season in 11th place, and was Kent's highest placed club.

Following yet another Pyramid reshuffle, the next few seasons saw the club ping-pong between the Ryman League North and South Divisions with regular mid table positions. Frustratingly the club experienced regular wins against top six and promoted sides but often followed up with defeats to bottom six sides. Season 2006/07 saw Phil Miles - another popular former player - move up to take over as Manager. December 2007 saw Phil stand down due to work commitments with Steve Binks taking over the job again, then to be followed by 1st team coach Alex O' Brien stepping up for the 2009-10 campaign. Throughout this period the club's strong youth policy provided several new established first team players and the club also achieved the coveted FA charter Standard award.

Season 2010-11 saw the club struggle on the pitch with Manager Paul Foley resigning in the final weeks of the season with Player coach Kevin Watson taking over. After achieving some great results Kevin was appointed to his first Managerial position at the age of 30 after four seasons Kevin resigned following a run of poor results but left the club with a legacy of some very good players for the new incoming Manager Kevin Horlock in October 2015, Kevin stood down at the end of the season due his commitments with Colchester United, Tony Beckingham took over in the Summer of 2016, the club now back playing in Division 1 South of the Ryman League, for their second season, after four seasons in the North, Tony stood down as Manager

in September 2016, Darren Anslow took over as Manager, after suffering some heavy defeats, Darren was relieved of his duties in November 2016 and Paul Piggott was installed as Manager.

Despite a number of changes within the squad and some encouraging performances toward the end of the season, the damage had already been done and Paul and his team were unable to avoid the drop and The Chats were relegated to the SCEFL Premier. Despite this, changes at boardroom level revitalised the atmosphere around the club and a number of ground improvements have been undertaken as the first step in what will hopefully be a new era of success for the club.

Following a disappointing start to the 2017/18 season and only 1 win in 8 league games, a management change was again instigated with Paul and his team being replaced in September 2017 with James Collins. James and his team improved the fortunes of the team immediately and within a few games had staved off the threat of relegation. 2 quarter final cup appearances were achieved, losing both on penalties. Despite a disappointing 16th place finish, there was room for optimism as exciting signings during the close season built a team that promised an interesting 2018/19 season.

And so it proved, an exciting league campaign saw the team go close but just fall short with a fourth placed finish but a double cup winning season saw The Chats win their first trophies for 30 years with the Kent Senior Trophy and the SCEFL challenge Cup finding their way back to Maidstone Road.

Vast close season changes saw a 4G artificial pitch laid and yet more improvements to the clubhouse take place, that coupled with links to local businesses and partnerships to develop sporting legacies has made it an exciting time to be part of Chatham Town FC.

Following the resignation of James Collins in October 2019, the club turned to Scott Lindsey to take The Chats onwards.

Scott brought in ex Chats player Darran Smith as his assistant, whilst retaining the experienced Tony Hine as goalkeeper coach. Ex Arsenal Carl Laraman was installed as Director of football and so, yet another chapter in Chatham Town's rich history began.

Winning community club of the year in 2020 was a huge honour for everyone at the club and one on which we hope to build as we feel it is vitally important to connect with people and businesses in the locality and to build a club with facilities that benefit everyone in the community.

Scott Lindsey left the club prior to the 2021/22 season after he was appointed assistant manager at Swindon Town FC, Chairman Kevin Hake took over as manager and guided us to promotion at the first attempt, with a step 5 record goal tally and a record goal difference.

During this season Chatham Town also received the Queens Award for our work in the community of which we are immensely proud as we feel that work off the pitch is just as important and goes hand in hand with the progress on it.

The following year 2022/23 in their 140th year The Chats reached the highest level in their history by becoming Isthmian League Southeast Champions and gaining promotion to Isthmian Premier league. In the same year the club also reached the Isthmian League Velocity Cup semi finals narrowly losing on penalties to eventual winners Aveley and also became runners up in the Kent Senior Cup, again on penalties.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Chatham Town and also to the officials, referee Neil Fyfield and assistants Nick Reece and Kovilen Sawmynaden.

Searching the archives, it would appear this is Chatham's first visit to Coles Park, and subsequently when we visit The Bauvill Stadium later this season, it will be our first visit there too.

Within Chatham's squad we welcome back Ben Allen, who it's fair to say made quite an impression in the Yellow and Blue last season, 18 starts, 1 sub appearance and 11 goals. Given the unwritten rule in football about a returning player not celebrating a goal against their old team, will we see the trademark bulging muscles celebration today, should the unthinkable happen? Like all returning Boro players I'm sure he will get a good reception.

Two weeks ago, our last home game against Kingstonian was the archetypal, game of two halves, goals from Kasim Aidoo and our new centre forward, you may have heard of him, Jorge Sambu, put us two goals up after only 17 minutes, we were in dream world. The turning point bizarrely was a decision in our favour, Kingstonian rightfully had a goal disallowed for offside, after much discussion between the referee and his assistant, but the perceived injustice seemed to spur Kingstonian into life. Easy to say as supporter and maybe its cliched but when leading at the start of the second half don't give the opposition hope by conceding early on, but that is what we did. Three minutes after the restart, Kingstonian scored and then looked the more likely to get an equaliser than us getting a 3rd and this came to fruition on 78 minutes when they duly got their equaliser. The only remaining talking point was Bobson getting a straight red, which given his previous red card against Margate means he will serve a four match suspension, of which 3 are left as he served his first against Lewes.

Last Saturday away at the Lewes, was the archetypal game of two halves, please read on, I haven't inadvertently copied this from the Kingstonian game above, for the first 45 minutes, we had Lewes on the ropes, quickly moving the ball from defence to attack, we deservedly took the lead through George Aresti and continued to go at Lewes. As above, games can turn on moments and whilst some may be critical Walter didn't score when bearing down on goal, the tackle the Lewes number 7 who was playing as their furthest player forward made to intercept Walter was incredible, maybe even a match saving tackle. Easy to say as supporter and maybe its cliched but when leading at the start of the second half don't give the opposition hope by conceding early on, but that is what we did, this time straight from the restart. I feel like I've written that sentence before. Even then at 1-1 Kasim hit the underside of the bar with the keeper well beaten, sadly that was the last of our chances and three more Lewes goals did for us and we left losing 4-1.

Whatever the rest of the season has in store for us I hope we continue to enjoy ourselves as we did on Saturday, the support was incredible, those that can count, estimate 80 Boro supporters were there, many of those parents with their children, everyone smiling, everyone having fun. I for one woke up on Sunday morning, still smiling and that was after a 4-1 defeat. Our club and our fans are special, win, lose or draw.

On the subject of special people, today we welcome Mr Haringey, John Bacon, to his first Saturday game of the season, last week John was present at the Women's FA Cup game and it was great to see him back at Coles Park. Not only is John a friend but he has also been, and continues to be a mentor to me when it comes to the Secretary role. I can spend hours listening to John's experiences, his knowledge and enthusiasm for the beautiful game is incredible. Welcome back John, we've missed you!

We have said goodbye to two players this week, Dexter Peter who joined us in the Summer and became our captain when Rakim sadly got injured, has left the club, we wish Dexter well in his next venture and Michael O'Donoghue has also departed following an approach from another club. Writing about Michael's contribution to the Boro in one sentence doesn't do him justice so I'd like to cover the impact he has had on the club in Tuesday night's programme.

FIXTURE NEWS

This Tuesday we are home to Potters Bar in the Velocity Cup it is a 7.45pm kick off and admission prices will be £10 adults, £5 concessions and under 16s free.

Next weekends game at Cray Wanderers is on Sunday 10th December, this is due to Cray being tenants of Bromley Football Club and Bromley have been drawn at home in the FA Trophy, so they take priority with the Saturday.

The London Senior Cup game 2nd round game against Barking at home will take place on the 19th December we had to move it from the 12th December due to Cray Wanderers game being moved to the Sunday.

Women's Team

Despite a superb effort last Sunday against Moneyfields in the FA Cup 2nd Round the team departed the competition following a 3-1 defeat. If anyone wants to know if we caused the opposition problems, need only know that with 10 minutes to go Moneyfields were more interested in taking the ball into the corner than going toe to toe with us. It been a wonderful effort to equal the furthest the team have ever been in the FA Cup.

Limara Hensel-Burg, Tayla Dennis, Lola Shack, Emily Pickard, Amber Leighton, Saoirse Hourigan, Rimini Lowe, Kylie Manktelow, Hellez Humes, Jada Pollendine, Tori Campbell, Amy Haynes, Chloe Ions, Latifa Mammeri, Marta Boabonay, Lexi Wade and Kiki Christofi everyone at club is so proud of your achievements!!

Tomorrow the team are away to Royston Town, 2pm kick off.

U23s

Friday nights are U23s nights and the team can take great heart from their display against lead leaders FC Baresi despite a 2-1 defeat. Congratulations to Oliwer Fusiek and Stephane Mgbada who made their first team debut at Lewes. The U23 are there to be a stepping stone into the first team so good to see two young players making that step up.

Today the team are playing away to Chadwell Heath Spartans with a 3pm kick off.

U18s

The U18s remain top of the league, for those that believe its points in the bag rather than games in hand, that matter, should take a look at the league table.

On Thursday night the game against Takeley was postponed due to a frozen pitch and this Monday they are at home to West Essex weather permitting.

THE VIEW FROM THE CRÈCHE END

If anyone can Sambu Can!

Well, here we are and it's a new experience for me and many others to see us struggling so much this season.

Performances were generally pretty good over the first quarter of the season, but results weren't forthcoming and we fell away at the end of games all too easily. We then tried playing badly from the off to see if that would help, but the Potters Bar experiment didn't work out either and it's been very mixed since.

What's clear is that we now are back having someone with the arm band who is part of the heart and soul of this club.

Jorge was there the first Borough game I ever went to, some say that was the birth of the crèche end, back in October 2017 (we lost that day!). He was like a super hero that day in midfield - with magic goggles - a brick wall in the heart of the Boro midfield. Someone opponents feared and everyone in yellow and blue was happy to know he was on our side.

Then came a couple of goals that wrote him permanently into Haringey folklore. There was a time when Sambu would come up with the goods when we really needed it the most. How we need him to hit that kind of form in front of goal for a few games now! Jorge has hardly played a game in his natural position this season due to injury to Raks and Scott, but he will always give his all for the club and do whatever job he is asked to. Mainly playing centre back where he has been solid, but missed in midfield, and then playing centre forward in our last home game- did anyone not say the words vintage Sambu that day?!

Now it looks like he will be filling in at the back for a while longer. But this time the arm band looks like it will be staying with him.

There is no one more deserving and I hope his presence leading the team out will galvanise the team. It looked a dream come

true on Saturday where his regular midfield partner for years and almost namesake Georgios opened the scoring. But the 2nd half had other things to say about that!

Anyway, the hope is still there, let's all get behind this Boro legend given a chance to lead from the front (well probably back or mid or front- probably all 3 in the same game!). Enjoy seeing this total footballer giving his all to dig us out of a hole and with the great Boro servants old and new still in the squad let's hope Jorge has a few more tricks up his sleeve. Let's sing both his songs loud and proud as always, UTB!

Paul (Chairman of the Creche End)

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit www.thenonleaguefootballpaper.com/subscriptions

WHEN The Football Association dropped the bombshell midway through last week that Barnsley were being booted out of the FA Cup for fielding an ineligible player, it may have made more people realise just what goes into running a football club.

We all turn up on a Saturday or midweek to watch a game but it's unlikely we ever think about the work that goes in away from the match day to make sure everything runs smoothly.

Every season we see a Non-League club fall foul of rules in cup competitions. Whether it's a player not registered properly, someone who is cup tied or even under suspension, there are many pitfalls to dodge.

On The Non-League Show podcast with Tim Fuell we've often talked about the pressures on volunteers of clubs and have come to the conclusion: Who would be a Non-League secretary?!

While having every sympathy for Barnsley fans, the news also brought a feeling that these things don't just happen to Non-League clubs and the full-time professional outfits can make mistakes too. Ultimately, that's what this is. Barnsley almost certainly weren't trying to gain any advantage over Horsham on the sly, they just made the error of playing a player in their replay who was out on loan when the original tie — a thrilling 3-3 draw — was played.

But the League One side's bad luck was Horsham's gain and this weekend they take on Sutton United. Funny how it's worked out for Dom Di Paola's side. The Isthmian Premier club were, understandably, aggrieved when they had to play their first game up at Barnsley on a Friday night under instruction from South Yorkshire Police.

As a result, a number of fans couldn't make it — even though the Lardy Army did travel in their droves and lapped up every minute of the six-goal thriller.

The draw meant back it was to Sussex in front of the live TV cameras with the benefits of a live TV fee and now this reinstatement for a chance to take on League Two Sutton.

Whether you believe in fate or not, the Hornets will no doubt be in south west London this Saturday full of belief and hope. Maybe it's meant to be!

Bizarre VAR

Anyone else sick of VAR ruining top level games? It's yet another reminder of why we love Non-League football. People getting frustrated with the game at the top will increasingly be drawn to this level of football. And we all know they'll enjoy it when they do.
