HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CARSHALTON ATHLETIC FC

1903 onwards ...in too few words

The early years

Carshalton Athletic traces its roots to two separate teams playing in the area of Wrythe Green in Carshalton in the early twentieth century. Whilst the club's history is dated to the formation of Mill Lane Mission in 1905 it also recognises the importance of officials, players and supporters of Carshalton St Andrews in its history.

Mill Lane Mission was organised by the Mill Lane Mission recreational facility for teenage boys and began playing friendlies in 1903. They were formally registered with the Surrey County FA in September 1905 and continued to play only friendly matches until 1906 when they joined the Croydon & District League Division 2A. During 1905 and 1906 discussions were held with Carshalton St Andrews over amalgamation.

Carshalton St Andrews was formed in 1897 by the vicar of St Andrews, Revd. C.W. Cleaver and began playing in the Surrey County Herald League. In 1902 they were promoted into the Southern Suburban League Division 2 West. They agreed to fold and amalgamate with Mill Lane Mission in 1906 but did not formally do so until they had honoured their remaining obligations at the end of the 1907–08 season.

Meanwhile, Mill Lane Mission registered their name change with the Surrey F.A. and began playing under the name Carshalton Athletic F.C. in 1907. The first ever match under this name was on 7 September 1907 at home on the Wrythe Green recreation ground in a friendly against Westbrook (Thornton Heath).

Carshalton Athletic's first colours were red with white stripes - adopted from St Andrews from whom the Robins were formed when they merged with Mill Lane Mission.

After the name change the club went on to win successive promotions in 1908, 1909 and 1910 which were rewarded with election to the Junior Division of the Southern Suburban League. During this time the club put out a reserve side and a midweek Carshalton Wednesday side (many different clubs set up these sides to play after the shops had shut 'early' on Wednesdays) and these two sides both performed well – the reserves winning the Croydon and District League Division 2A in 1909 and Carshalton Wednesday were runners up in the inaugural Surrey County Midweek Cup.

Before the outbreak of the First World War further success in both league and junior cup competitions was achieved. In 1913 the club won the Suburban League Division 1 West and the following season added the Suburban League Division 1 East title to this. In the same period they also won the Surrey Junior Cup, Surrey Junior Charity Cup and the Croydon Charity Cup and were runners up in the London Junior Cup. The outbreak of the war curtailed this period of success and the club went into a period of suspended animation during the war as its home ground was given over to agricultural use.

Following the reformation of the club on 31 March 1919, and after playing on a number of different grounds, Carshalton Athletic finally moved into their new (and current) home in Colston Avenue during the 1920–21 season. This was built as a memorial to those members of the club who lost their lives in the War.

The inter-war years were otherwise relatively uneventful. The only silverware the club won was the Surrey Intermediate Cup, in 1922 and 1932. In the league, the club remained in the Southern Suburban League, finishing as runners up in 1922 before becoming founding members of the Surrey Senior League in the 1922–23 season. At the same time the club gained Football Association senior club status and this allowed Carshalton Athletic to enter FA national competitions and county senior cups for the first time.

Post-war and the Corinthian League

With the upheavals of the Second World War in Europe over, preparations for the resumption in football at Colston Avenue began 1945 with applications made to join the London League (senior side) Surrey Intermediate League (reserve side) and to enter the London Senior and Surrey Senior cups.

The club did not apply to enter the FA Challenge Cup or FA Amateur Cup because facilities at the ground were not up to standard for these competitions. The club did make it a priority to improve the standard of the ground and facilities to make them suitable for the higher reaches of the amateur game but all this work had to be funded and carried out by volunteers as the local District Council were unwilling to help support these improvements. Fortunately it proved possible to find volunteers and donors to enable this work to be carried out. The work on the ground proved to be needed the following season as Carshalton Athletic were elected into the Corinthian League, which had been set up in the previous year, for the 1946–47 season.

Several years of indifferent league form followed with only minor highlights in cup competitions, although

the club continued to grow as evidenced by a record attendance of over 8000 for an FA Challenge Cup 3rd round qualifying tie against local rivals Tooting and Mitcham United. Behind the scenes the club was taking steps to improve the club's chances on the pitch including hiring a coach for all sides for the first time but the club committee ensured that they retained the final say in selection decisions.

A far better period began with the first match Carshalton Athletic played against a team from overseas at the start of the 1952–53 season. Hengelo from the Netherlands were the opponents in what was to become a regular friendly fixture over following years. Carshalton went on to win the Corinthian League title by 3 points from Hounslow Town at the end of the season and the reserve team finished second in their league, 2 points behind Uxbridge. The 1953–54 season brought further success as Carshalton Athletic retain the league title, finishing 2 points ahead of Edgware Town, although cup success was still proving elusive. This was rectified somewhat in the 1954–55 season as the club reached the final of the Surrey Senior Shield and the quarter finals of the FA Amateur Cup for the first time in their history (this was also the first year in which two Corinthian League teams reached the quarter finals). The 1955–56 season was unremarkable on the pitch but did see further advances around the ground as Carshalton Athletic's success of recent season was reflected in the size of the supporters club with over 2000 members. It was also the club's last appearance in the Corinthian League as the summer of 1956 saw election to the Athenian League.

Athenian League

For the next 17 years the club competed in the Athenian League with very little success never really threatening to win the league, and finishing at the bottom of the table twice (1959–60 and 1960–61 seasons). Their best performance coming in the 1963–64 season when the club managed to finish the season in third place. Around the ground floodlights were finally erected on six pylons in 1967.

Limited cup success was achieved. A first appearance in the Surrey Senior Cup final came in the 1957–58 season, although Dulwich Hamlet won the final 1–0 and it would be another 31 years before Carshalton Athletic appeared in the final again. There was also success in the FA Amateur Cup as the club reached the quarter finals for the second time in 1959–60. In the same season the club won the Southern Combination Cup for the first time, after losing in the final the previous season.

Isthmian League 1973–2004

In the summer of 1973 Carshalton Athletic finally achieved a promotion of sorts when they were elected as founder members of the newly created Isthmian League Division 2. The first two seasons proved to be a struggle and in their third they just missed out on promotion finishing third in the league. Three years of struggle paid off in the 1976–77 season when promotion to the Isthmian Premier Division after finishing as runners up in the league in a year in which they also won the Surrey Senior Shield.

After promotion in the league the club entered another period of struggling, not finishing in the top half until the 1987–88 season. This coincided with the start of years of upheaval in the organisation of the ownership and running of the club both on and off the field. The best that could be offered to supporters in this period was a solitary cup run as the club reached the second round proper of the FA Challenge Cup for the first time before losing 4–1 to Fourth Division Torquay United. Over this period Carshalton Athletic had 8 different managers and it was only the final appointment of Billy Smith in August 1986 that began to turn the club's fortunes around.

The first Billy Smith era lasted for nearly 9 years and was the most successful period in the club's history. During his time in charge of the club twice reaching the 1st Round Proper of the FA Challenge Cup, winning the Surrey Senior Cup three times in four years and reaching the final 5 times in 7 years, recording its highest ever placing in the league at the end of the 1988–89 season and winning the London Challenge Cup in 1991. This period came to an end when Billy Smith left to take charge of Kingstonian, and was followed by a rapid turnover of managers.

Under John Rains, the club reached the third round of the FA Trophy. Gary Kilby led them to the first round proper of the 1997–98 FA Cup, in which they lost to Stevenage Borough after a replay, and former player Gary Bowyer twice led a successful fight against relegation. In 2000, with the club in severe financial difficulties, the ownership changed hands twice, Bowyer was dismissed, the clubhouse was destroyed in an arson attack, and the ground's landlords, Sutton Council, threatened the club with eviction for breaching their lease.^{[1][2]} At the end of that season, Carshalton were relegated to Division One. Two years later, Graham Roberts led them to the Division One South title, to gain promotion to the Premier Division. The following season, they finished seventh, thus qualifying for the new Conference South.

Conference South

After a £12 million plan to rebuild the ground fell through,^[3] chairman Steve Friend resigned, followed by manager Billy Smith. Under Jimmy Bolton, Carshalton retained their place in the Conference South in 2004–05.

In 2005–06, the club's centenary season, the Club was relegated back to the Isthmian League.

Isthmian League 2008–onwards

The new millennium did little to help the club's financial problems. Like many clubs at the time Carshalton Athletic found it difficult to pay its bills and was severely overstretched by a hefty playing budget.

The previous season's relegation was a blow, but the Club was not new to hard times - over the previous two decades the club had been on the edge of bankruptcy numerous times, seeing five different owners and a long line of chairmen. In 2008 the club was technically insolvent. Despite having some success in stabilising Carshalton Athletic, the then current owners could not see a way through its financial difficulties without change, there were large tax bills that the club could not pay.

Local businessman Paul Dipre purchased the club in 2008, paid off substantial tax bills and set out a ten year plan to develop the club into a community hub. Dipre promised to re-juvenate the club from the bottom up. Carshalton finished mid table in 2006–07 but the following season 2007–08 saw disappointing early results and as a result the manager Dave Garland left the club in October 2007. The appointment of Hayden Bird was one of the last acts of the previous owners.

Hayden made some high profile signings and there was a noticeable commitment to playing attractive, passing football but the Robins still faced another nail-biting fight for survival in the Isthmian League Premier Division. Paul Dipre injected sufficient funds to strengthen the squad in an effort to avoid relegation. It went right to the wire and, miraculously, last day results elsewhere fell perfectly and Carshalton's home win over Tonbridge Angels was enough to secure their status.

The season 2008–09 was the first full season under new ownership. The reserves and junior sections were axed in favour of a new academy and junior section. The club began a long-term investment program to renew its crumbling facilities. Directors and staff were axed in favour of a new management team.

The first year under Dipre was one of the club's most successful. On the pitch, aided with 31 goals from Richard Jolly, The Robins finished in 4th place, setting up a play-off semi-final with Tonbridge Angels. Athletic claimed a thrilling 3-2 win to meet Staines Town in the final. Held at Staines's Wheatsheaf Park Ground, Carshalton more than held their own against Staines, who had finished 2nd in the regular season. Sadly for The Robins, an 85th-minute penalty was saved by Staines 'keeper Louis Wells, and Scott Taylor scored an extra-time winner for Staines.

At the end of this season the club decided to revert to its original colours of Red and also modernised its badge. The change was supported by the majority of fans who saw the colour change as one that reflected the club's early heritage, but a small group of fans (largely led by the club officials ousted by Dipre) lobbied against the change strongly.

On 1 September 2009, manager Hayden Bird resigned as the club's first team manager; Ian Hazel was placed in caretaker charge. On 10 September the club announced the appointment of former Carshalton player Francis Vines as Bird's permanent replacement.

Shortly before the 2010–11 season Mark Butler was placed in charge of the club. After a promising first half of the season, Butler's results went from bad to worse until finally the owner Paul Dipre took the reins. The team finished 13th.

The 2011–12 season was a rollercoaster for the first team. Dipre's first season as manager ended in 16th position. Despite the inconsistent league form there was much to celebrate in the FA Trophy with one of the most historic results in the club's history when they beat Lincoln City 3–1 at Colston Avenue, Paul Vines scoring a hat-trick. At the beginning of the following season Dipre removed himself from the manager's position and coach Tommy Williams, also a former player of the club, took the reins and officially took the job in October 2012.

Carshalton Athletic was bestowed with three community club awards throughout 2012 – the South East Regional Community Club of the Year, the Surrey FA Community Club of the Year and the FA National Community Club of the Year, the latter awarded to (the then) club chairman Frank Thompson, youth development officer Paul Williams and club director Kelly Anscombe by ex-professional footballers Chris Kamara and Martin Keown, plus TV presenter Ben Shepherd.

In the following year the club won the UEFA silver award for the best grassroots club in Europe, one of the greatest accolades in the club's history. In Tommy Williams first season as manager, Carshalton finished 21st

in the Isthmian Premier in 2012-13, which ordinarily would have seen them relegated. However, a points deduction and consequent relegation for Thurrock gave them a reprieve, keeping them in the Isthmian Premier for the 2013-14 season.

In the following season Carshalton Athletic were relegated to the Ryman South under Stuart Massey.

The 3G

In 2015 the club decided to apply for planning permission to install a 3G pitch. The application was supported by almost everyone at Carshalton Athletic. The 3G was intended to provide facilities for the 500 or so junior players and other local clubs. It would secure the club's future. The club applied for planning. The original planning application was recommended by the council for approval, but rejected by councillors in January 2014. The club appealed, and won in January 2015.

The 3g was installed in the Summer of 2015. The entire Ground was also refurbished between May 2016 - August 2017. Colston Avenue has become a busy sports and community hub seven days a week serving teams, clubs and community organisations.

2015/6

The 2015/16 was a reasonable year for the first team finishing a respectable 10th place in Ryman South. Managers Matt Howard and Chris McGinn each had good spells on the pitch. Fans favourite Tommy Bradford won the players of the year award with 24 goals and performances improved as the season went on. By the end of the season and following a number of unsuccessful appointments over recent years, the club decided on a new approach to the 1st team management structure. That new structure was implemented in April 2016 when Peter Adeniyi, Ted Dale and Mike Gilham were appointed as Manager, Head Coach and Coach respectively.

2016/17

Peter Adeniyi's first season was a good one. Peter further improved the teams style of play and pushed the youth policy with renewed vigour. Ex- player Stuart Searle joined Peter's team as coach in replacement of Mike Gilham who had moved into an Academy role at Fulham. The club was in the playoff places for much of the season but not at the time when it counted and finished one place short of a valuable playoff position. Nevertheless The Robins had made clear their ambitions on the pitch and Peter Adeniyi agreed to stay on for the season 2017/18.

2017/18

Peter Adeniyi's second season started with some important new signings. Billy Bishop took the number 1 shirt, Raheem Sterling Parker joined from Chipstead and Jordan Cheadle from Walton casuals. At Christmas Keith Boanas joined the Robins in the role of head Coach. In January, academy graduate and Top goalscorer Mickel Miller transferred to Scottish Premiership side Hamilton Academical for an undisclosed fee.

The Robins won the Isthmian South League and were promoted to the Isthmian Premier.

2018/19

The Robins made a comfortable start in the Isthmian Premier league. There were very few team changes from the previous season, but one important signing was that of Harry Ottaway, who joined in January 2019.

The team enjoyed a long winning run in the second half of the season to finish runners up in the Isthmian Premier league, but lost their first playoff game against Merstham FC.

In 2019 the club launched its Football Academy Programme - a combined education and football development programme for 16-18 year olds.

2019/20

The 2019/20 season Club Chairman Paul Dipre announced the clubs ambitions to reach the National League by 2025. "The last ten years have put the club in a very good place organisationally, financially and structurally, its time to push on with our first team ambitions"

Unfortunately, in March 2020, with Carshalton comfortably placed in the playoff positions, the league was curtailed by the COVID pandemic.

2020/21

After the disappointment of the previous season's curtailment due to COVID, First Team manager Peter Adeniyi once again was set the task of promotion. However, COVID was to ruin the teams success on the pitch once again. For the second year in succession, with Carshalton comfortably seated in the playoff positions, the league was stopped by the COVID pandemic.

THE SECRETARY'S MUSINGS

Welcome to everyone for our last fixture of 2023, we hope everyone had a good Christmas and it was particularly pleasing to see so many supporters here on Boxing Day. Your continued support is valued particularly given our struggles in the league, whilst results may be poor, the welcome, atmosphere and general vibe around the club is still positive and everyone that attends the games contributes to that. Thank you.

We also offer a warm welcome to the players, management team, committee and supporters of Carshalton Athletic and to the officials, referee Stuart Kyle and assistants Dylan Ing and Julian Davis.

Our quest to secure a first home win this season continues, ultimately after a really bright start, the game on Boxing Day ended in disappointment. Two events contributed to this I feel, clearly conceding just before half time was a huge factor, but as great as the loss of J'Ardell Stirling on 52 minutes. For me J'Ardell was our best player in the first half, making timely tackles and keeping their lively winger down the right at bay. With him gone, our shape changed and we conceded 3 goals on the break, on each occasion being outnumbered, 3 sometimes 4 on 1.

Following the Hashtag game, we have reached the half way stage in the league and sustained 12 points from the 21 games, if we are to stay up, we will need to win at least half of our remaining games, a tall order I appreciate but one I hope we give a good go at trying to achieve.

On Monday, New Years Day, we make the short trip to Enfield Town, I am sure there will be a large number of us attending so would ask that win, lose or draw we represent Haringey Borough in our customary manner. Our next game after that is here at Coles Park on the 6th January for the visit of Canvey Island. Going two nil up on the opening day of the season away at Canvey seems a long time ago now!

Happy New Year!! Keep the faith!! Come on Boro!!

Women's Team

The Women's team next game is Sunday 7th January when they face AFC Dunstable Women in a 2pm kick off at Creasey Park Community Centre, Creasey Park Drive, Dunstable LU6 1BB

U23s

In the New Year the team play Frenford Development on the 3rd January in the Quarter Final of the Senior Division Cup. They are also away to FC Petrocub in the league on Saturday the 6th January.

U18s

Further fixtures for the U18s will be arranged by the league in due course. They have played a significant number of league games more than the other teams in the league. They remain top of the Southern Counties Floodlit Youth League - Olympian Division.
