HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CANVEY ISLAND FC

The Club was founded in 1926, but unfortunately most of the early records of the Club were lost in the devastating East Coast floods of 1953. The Club were very successful during their days in the local leagues, winning many cups and league championships in the process. During these years, the club appointed Denis Neville as manager, his first job after leaving his position as the Dutch National Team manager.

However, the club had drifted away towards the end of the 1980's, and the very existence of Canvey Island FC was in serious doubt. When it looked as though the end was near, local businessman and former Canvey player Jeff King took over as manager, as well as helping to generate funds to take the club forward.

Canvey then enjoyed a meteoric rise up the football pyramid, the success starting in 1993 where The Gulls won the Essex Senior League and reached the semi-final of the FA Vase.

The Club then gained promotion to the Isthmian League in 1994 and won promotion from Division Three and Division Two in successive seasons. In 1995/96 after beating Conference team Hednesford Town in the FA Cup they reached the First Round Proper and drew 2-2 with Football League team Brighton & Hove Albion at Park Lane in front of a then ground record crowd of 3,400. The replay was lost at Brighton in front of a crowd of over 7,000. As well as winning Division Two the team were also winners of the Carlton Trophy and Thames-side Trophy.

The season 1998/99 was yet another exciting one for the supporters as the Club won the Division One championship and the Essex Senior Cup, beating Leyton Orient in the final. Season 1999/2000 was the Club's first season in the Premier Division of the Ryman League and they finished a very creditable fifth in the League and retained the Essex Senior Cup, defeating Purfleet in the Final.

The following season had seen the team win the FA Trophy by beating Forest Green Rovers 1-0 in the final in front of over 10,000 people at Villa Park and thousands more watching live on television. To win the FA Trophy they had to beat four Conference League teams in succession - Stevenage Borough, Telford United, Chester City (over two legs) and Forest Green.

Earlier in the season the Club had another great FA Cup run and after beating Braintree Town, King's Lynn and Cambridge City they were drawn against Port Vale from the Second Division of the Football League. In an exciting match at Park Lane they drew 4-4 after being 4-2 down with only two minutes left to play. However, even better was to follow as they went to Port Vale and beat them 2-1 after extra time.

They were then drawn at home to Football League neighbours Southend United. To accommodate the number of people wishing to see the game, Canvey agreed to transfer the match to Southend's Roots Hall ground. A capacity crowd of 11,400 people saw the game, with record gate receipts for a game at Southend, and Canvey were narrowly beaten.

These tremendous cup runs took their toll in the League. With a large number of matches being postponed on opponents' grounds because of waterlogged pitches, it meant they had to complete the season with ten league games in fifteen days and consequently dropped points that may have taken them to the league title and a place in the Conference League. However, it was still a fine performance to finish runners-up in their second season in the Premier Division.

The Club had enjoyed a then record-breaking season the following year when they reached the 3rd Round Proper of the FA Cup for the first time. On the way they beat five teams including two from the Second Division of the Football League, Wigan Athletic at the JJB Stadium, and Northampton Town in front of a full house at Park Lane and five million television viewers on 'Match of the Day Live'. Burnley finally knocked them out in a memorable game at Turf Moor.

They finished runners-up in the Ryman Premier League, despite winning thirty games and scoring 108 goals, and in defending the FA Trophy the team had a fine run before narrowly losing away to the eventual winners, Yeovil Town. The team did, however, end the season with silverware when winning the Essex Senior Cup, beating Dagenham & Redbridge in the final.

Canvey had another fine League season the previous year, finishing runners-up in the Ryman Premier League. Although this was another superb performance, finishing thirteen points clear of the third placed club, it was tinged with disappointment as it was the third season running the Club had finished runners-up in their quest to reach the Conference League. Towards the end of the season the Club had a ground record

attendance of 3,553 when playing the eventual champions Aldershot Town in a midweek League game. However, the disappointment was a mark of how far the Club had progressed over the last decade, since winning the Essex Senior League.

The next season saw Canvey reach the goal they had been working towards for the previous four years, as they won the Ryman Premier League by a margin of nineteen points. Canvey also reached the FA Trophy final and the 1st Round of the FA Cup. The League was clinched at Easter with seven games still to play and the team finally finished with a total of 104 points. The FA Trophy run included wins over Conference teams Farnborough Town and Telford United, in the two-legged semi-final, before losing 3-2 in an exciting final at Villa Park against Hednesford United. After a fine run in the FA Cup the team was narrowly beaten at home 3-2 by Third Division neighbours Southend United, after a 1-1 draw at Roots Hall.

Canvey's first season in the Conference they finished in 18th position in the League table, achieving their initial aim of consolidation. The season started well with a draw at Carlisle United, in front of a 7,000 crowd, on the opening day and just one defeat in the first seven games, against the eventual champions Barnet. After this the Club lost some key players through injury for several months and struggled in the middle part of the season but came back strongly at the end to seal their status for a second season.

The following season saw the club achieve its highest ever league position, as they earned a respectable 14th place. However, the lack of success compared to previous seasons had taken its toll on the attendances, so much so that Jeff King made the decision to withdraw his financial and footballing interests from the club. However, the supporters of the club rallied together to allow the team to continue playing the following year in the Ryman League Division 1 North.

John Batch take over as manager for the 2006/07 campaign, with his reserve side from the previous season making up the bulk of the squad. A learning curve for all concerned very nearly ended up in promotion, though The Gulls narrowly missed out on a playoff place, finishing 6th on the last day of the season.

Canvey went one better the following season, gaining promotion to the Ryman Premier League through the Playoffs. A run of 5 wins from our final 6 games earned us a place in the playoffs, and after beating AFC Sudbury away 3-2 after extra time, The Gulls travelled to Redbridge for the final. After the match finished 1-1 after extra time, Canvey won a nail biting penalty shootout 5-4 to earn promotion. During this season, Canvey also knocked out Ryman Premier League side Maidstone United from the FA Trophy, and reached the final of the Essex Thameside Trophy.

Manager John Batch stood down in January 2012, with the club lying in 10th place in the Ryman Premier League, with first team coach Glen Alzapiedi stepping up to take over as manager. He guided the club to lift the Essex Senior Cup for the first time in a decade with a 1-0 victory against League One side Colchester United at Thurrock FC's Ship Lane. Having defeated another Football League side, Dagenham & Redbridge, on penalties in the semi-finals, a headed goal from Rob King with 7 minutes to play won Canvey the cup without having conceded a goal throughout the competition.

Alzapiedi left the club in July 2012 and was replaced by former-Canvey captain Steve Tilson, who five years previously was managing in the Championship with Southend United. Tilson's reign only lasted one season before he was replaced with another ex-Canvey player in Danny Heale.

After staying up on the last day of the season in 2015. Canvey were relegated on the same day of the following season for the first time due to league position in 19 years. The club's first season in the Bostik North nearly ended in an immediate return, reaching the playoff final but losing 3-1 away to Haringey Borough.

The Gulls picked up their first piece of silverware in six years ahead of the 2018/19 season, beating reigning Bostik North champions AFC Hornchurch 2-1 to win the Isthmian Charity Shield.

Former-Southend United and Gillingham played Mark Bentley took over as manager in October 2018. After finishing 9th in the Isthmian Division One North in his first season, his next two seasons were cut short due to the COVID-19 pandemic.

However, the 2020/21 season did turn out to be a memorable one, with Bentley leading the Gulls into the 2nd Round Proper of the FA Cup. Wins against Ware, Dereham Town, Biggleswade, Bedfont Sports and Cray Wanderers earned Canvey an away tie against higher-division Banbury United in the 1st Round. Live on BBC television, goals from Conor Hubble and Elliott Ronto saw Canvey progress 2-1 and land a home tie against National League outfit Boreham Wood.

With a home match against Millwall the reward, Canvey were beaten 3-0 at Park Lane. However, much-needed television revenue was brought thanks to the match being shown live on BT Sport.

Manager Mark Bentley stepped down from his role in October 2021 with the club top of the Isthmian League North, leaving to join the new first team coaching team at Southend United. Assistant manager Brad Wellmen stepped up into the role, assisted by coach Sammy Knott.

Wellmen and Knott achieved a second-place finish, earning qualification into the playoffs. A 3-1 win at home to Felixstowe & Walton United in the semi-final setup a final at Park Lane against Brentwood Town. In front of a crowd of 2,532, Canvey fell behind early but levelled before the break through Matthew Price. The two sides could not be separated after 120 minutes, meaning that promotion would be decided on penalties. Brentwood failed to convert two of their spot kicks, while Canvey scored all four of theirs to spark wild celebrations.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Canvey Island and to the officials, referee Neil Morrison and assistants, Jay Knight and Chad Greatorex.

I hope everyone had a good New Year and whilst it was a shame that the New Years Day derby at Enfield Town was postponed, I think a number of us were still shell-shocked after last Saturday's game against Carshalton, the last thing anyone needs is further criticism, I am sure there has been a lot of soul searching since the game but in my time of watching the Boro that is the worst performance I can remember. Given the opportunity I would like to put my arm around each and every player, tell them how much they mean to us all and say all we ask of them is they give it their best. Call me deluded but I still think we have really good players, there just appears to be a huge lack of confidence.

Today is the reverse of the opening day fixture, back in August, standing on the open terrace at Canvey 2-0 up, the person I was standing next to showed me the league table on Football Web Pages, sitting proudly on top was us, I took a screenshot which I still have and it is incredible to think we have gone from that moment to where we find ourselves today in the league table. Beyond belief.

Following the New Years Day postponement, the game against Enfield Town has been rearranged for this Tuesday 9th January kick off 7.45pm.

Next weekend we do not have a game, this is due to Horsham playing in the FA Trophy, it's a shame the trip to Horsham will be a Tuesday and not a Saturday now (13th February) as it is always such a great day out and we always receive a warm welcome. The following weekend (20th January) we are back at Coles Park for the visit of Folkestone Invicta.

The only other competition we are still involved in is the Velocity Cup (League Cup), we have progressed to the Quarter Final stage but as yet the draw has yet to be made.

Women's Team

The Women's team are away tomorrow, Sunday 7th January when they face AFC Dunstable Women in a 2pm kick off at Creasey Park Community Centre, Creasey Park Drive, Dunstable LU6 1BB. The following week 14th January they face top of the table, Real Bedford who are yet to drop a point this season, this is a 2pm kick off here at Coles Park

U23s

The U23s advanced to the Semi Final of the Essex Alliance Senior Division Cup which an entertaining victory against Frenford Development 4-3. The game seesawed in terms of scoring and they found themselves 3-2 down with 10 minutes to go but won the game through goals by Dillon Woods and a winner from Jamel Obeng. In the Semi Final they will play the winners of the tie between CSM London and FC Baresi.

Today they are away to FC Petrocub with a 3pm kick off and on the 13th January they are away to Priory Park Rangers who play at Hackney Marshes.

U18s

Further fixtures for the U18s will be arranged by the league in due course. They have played a significant number of league games more than the other teams in the league. They remain top of the Southern Counties Floodlit Youth League - Olympian Division.

From Yeovil Town setting a new National League South record to Bury FC doing the same in the North West Counties League, thousands ticked through the turnstiles over the festive period.

Non-League football has seen a real boom in crowds in recent seasons.

Whether it's the product of post-covid where many fans discovered their local club or the increasing turn-off from VAR-powered top level football, it's been heartening to see such good attendances.

And it was no different on Boxing Day and New Year's Day – as well as in between – this season.

Credit to the excellent @NonLeagueCrowd account on X for a full rundown of who pulled in the big numbers – definitely worth a follow if social media is your thing.

On Boxing Day in the National League, 7,909 were at Roots Hall as Southend United ushered in a new era. Contracts were exchanged on the takeover led by Australian businessman Justin Rees just a few days earlier. But Barnet spoiled the party with a 2-0 win.

Aldershot Town welcomed their biggest crowd for 15 years for the local derby with Woking.

The travelling Cards made up 902 of the 5,970 crowd for the tense 0-0 encounter.

Yeovil Town set a new National League South high again, the 6,301 for their win over Taunton Town surpassing the 6,289 for October's midweek derby with Weymouth.

The next highest at Step 2 came in the National League North where 4,468 watched on as Scunthorpe United beat Farsley Celtic 2-0.

St Albans City claimed their second highest National League South attendance for their 2-1 defeat to Hemel Hempstead – 3,589 packing into Clarence Park on December 26.

At Step 3, Macclesfield Town's crowd boo continued with 4,201 watching a 0-0 draw with Hyde United.

Ramsgate are flying in Isthmian Division One South East – they beat Herne Bay 3-1 in front of a 1,625 crowd. That was only topped at Step 4 by Mossley, who had 1,765 through the gate for their 2-0 victory against Stalybridge Celtic.

Runcorn Linnets also broke the 1,000 barrier – 1,001 saw them claim three points by beating promotion rivals Prescot Cables 2-1.

Bury FC made their welcome return to Gigg Lane this season and the crowds have rocketed ever since. They had 4,833 behind them for a win over Prestwich Heys.

There was even a four-figure gate in Step 6 on Boxing Day at Retford where 1,247 saw Retford United run out 4-1 winners.

It was a similar theme as we welcomed 2024.

Chesterfield are flying high at the top of the National League and are off to Watford this weekend in the FA Cup third round.

They had 8,898 for a thrilling 3-2 win over Solihull Moors on January 1.

And the Woking v Aldershot return saw 5,321 pack into Kingfield – this time there were goals, and a red card, as the Shots won 3-1.

York City's win over Gateshead topped 5,000 too, and there were 4,516 people for Hereford's 1-1 draw against Gloucester City.

Chatham Town have been on the rise again in recent seasons. Their opening Isthmian Premier win of the year – a 2-1 victory over Dulwich Hamlet – was witness by 2,588.

It's great to see so many enjoying their Non-League football.
