HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

BOGNOR REGIS TOWN FC CLUB HISTORY

WHO ARE WE?

Bognor F.C. were founded in 1883 and the club became founding members of the West Sussex Football League in 1896, joining the Senior Division. They won the championship of this league for five successive years in the early 1920s, after which they joined the Brighton & Hove District League in 1926. Just one year later, however, they joined the Sussex County League where they were to remain until 1972. The club became Bognor Regis F.C. in 1929 after King George V added the suffix 'Regis' to the seaside resort.

The club won the Sussex County Division One championship in the 1948–49 season. At the end of that season, they added "Town" to their name so as not to be confused with the local rugby club.

At the end of the 1969–70 season they were relegated, but won Division Two at the first attempt. The club won the Division One championship title the following season and were promoted to Division One South of the Southern League. In 1972–73 they reached the first round of the FA Cup for the first time, losing 6–0 at Colchester United. In 1976 Jack Pearce became manager at the age of just 26, and went on to hold the position until 2007.

In 1981 the club were transferred to Division One of the Isthmian League, and were promoted at the end of the 1981–82 season after finishing second. In 1984–85 they reached the first round of the FA Cup again, beating Swansea City 3–1 in a replay after a 1–1 draw at the Vetch Field. In the second round they lost 6–2 at Reading. They reached the second round again the following season, beating Enfield in the first round, before losing 6–1 at Gillingham. They went on to reach the first round again in 1986–87 (losing 1–0 in a replay to Slough Town) and 1987–88 (losing 3–0 at home to Torquay United). In 1988–89 they beat Football League opposition again, defeating Exeter City 2–1, before losing to Cambridge United.

In 1991–92 Bognor finished in the relegation zone, but were reprieved after Dagenham and Redbridge Forest merged. However, the following season they finished bottom of the Premier Division, and were relegated to Division One. In 1995–96 they reached the second round of the FA Cup for a fourth time, before losing 4–0 at Peterborough United.

In 2002–03 they finished second in Division One South, and were promoted back to the Premier Division. After finishing tenth the following year, the club were placed in the newly established Conference South. They were relegated back to the Isthmian League Premier Division at the end of the

2008–09 season, and were relegated again the following season.

Season 2010–11 saw the club compete in the Isthmian League Division One South and they missed out on promotion back to the Premier Division by the tightest of margins. Having finished with a club record total of 96 points, they lost out in the title race to Metropolitan Police on goal difference by just one goal, having led the table by two points, going in to the last fixture. As a result, they found themselves having to participate in the end-of-season play-offs, where they lost at home to Dulwich Hamlet who had finished 31 points behind. Revenge was sweet, however in the 2011–12 they again finished second in Division One South. They won the end-of-season play-offs, defeating Godalming Town in a thrilling semi-final, before beating Dulwich Hamlet 1–0 in the final, and thus gaining promotion to the Premier Division.

The 2012–13 season saw them finish in 14th place in the Ryman Premier. The 2013–14 season started slowly with just one point from the opening four matches. However they soon rose up the table, eventually finishing in third place and qualified for the end of season play-offs, although this ended in defeat in the semi-final at home to Lowestoft Town.

Season 2015–16 saw them miss out on the Ryman Premier title by one point and then lost in the play-offs to Dulwich Hamlet. They did however, also enjoy their best ever run in the FA Trophy by reaching the semi-finals. They beat a number of teams from higher divisions along the way, including Bath City, Maidstone United, Altrincham, Sutton United and Torquay United. But hopes of an appearance at Wembley Stadium were dashed when they were defeated in the semi-final by Grimsby Town, losing 1–0 in the first leg at Nyewood Lane, before also losing the second leg 2–1 at Blundell Park (3–1 on aggregate), despite putting up spirited displays in both legs.

Season 2016–17 saw them finish in second place for the second season running, but this time they triumphed in the play-offs, beating Wingate & Finchley in the semi-final, before victory over Dulwich Hamlet in the final, to win promotion to the Vanarama National League South for season 2017–18.

Season 2017–18 unfortunately saw the club relegated back to the Isthmian League, with the season after being one of consolidation and a mid table finish. However the season did at least bring the excitement of winning the Sussex Senior Cup for the first time in 32 years in May at Brighton's Amex Stadium, with a 2–1 win after extra time against Burgess Hill Town.

Since then we have maintained our position in Isthmian premier division and since Jack Pearce stepped down as manager, have appointed former Premier League star striker Robbie Blake to the role.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Bognor Regis Town and to the officials, referee Deryll David and assistants, Esther Perry and Thomas Nicholls.

Sadly, I have to start by wishing Scott a speedy recovery from a cracked cheekbone, Scott doesn't go down lightly and anyone behind the goal at Dulwich and saw Scott receiving treatment must have realised it didn't look good. The fact he didn't reappear for the second half confirmed that. We hope to see you back in the team soon Scott.

Since the last programme notes we have played 3, drawn 2, lost 1, there are match reports later in the programme covering the games but the 2 points yielded from those games could easily have been 7, minimum it should have been 4, as we should have won Tuesday night.

I should not be angry, these things happen, the player should hit the target plus without them there would not be a game, but since Tuesday night I have not been able to look at a goalpost.

The reason for the annoyance is that Mohamed managed to hit the same post twice and added the crossbar to gain an unwanted hat-trick in the first half of Tuesday's game. He also had a deflected shot that in the book of football cliches, goes in if you're at the top of the league but goes agonisingly wide if you're at the bottom, it went agonisingly wide. Positives are we kept a clean sheet and we did deserve to win the game. Downside is we are running out of games and the teams around us have games in hand.

If you put together the 2nd half of the game at Dulwich and the 1st half at Concord we would not be where we are today but even as good as we were in those combined 90 minutes, we still only managed 1 goal. By the time you read this a returning hero has hopefully signed plus we have gained James Collins from Watford on a month's loan, let's hope those signings bring the goals we desperately need.

We need to remain positive, we need to believe it's still possible to stay up and that's not just those people reading this, it's everyone at the club. If we don't believe we can stop dreaming about the what if's, we can stop wondering about the if only's and we can stop walking round looking for CVS Vans as a magical sign that we'll gain 3 points, come on don't pretend you don't. Whoever said "it's the hope that kills you" must have been a football fan, a Haringey Borough fan.

Following today's game, we are at home again next Saturday against Whitehawk, kick off 3pm, in the league. We have also drawn Whitehawk, this time away, in the Velocity Cup Quarter Final and the game will be played on the 20th February kick off, 7.45pm. Between the two Whitehawk games are two away games in the league, midweek (13th February) at Horsham and on Saturday 17th February, we visit the prospective league champions, Hornchurch. It will be particularly strange to see Michael O'Donoghue line up against us in that game.

Right, back to ignoring goalposts and looking for CVS Vans. Enjoy the game, let's get behind the team and come on Boro!!!

Women's Team – Last Sunday the team lost 2-1 to St. Albans which given the high standards and expectations they have set was a disappointing result, as a consequence they have slipped to 3rd in the league. Tomorrow they are at home to Wroxham in the league kick off at 2pm.

Something to look forward to is that following a 2-0 win in the Capital Women's Cup – Senior Section against Badshot Lea, we have drawn Tottenham Hotspur Women's Academy in the quarter final of the competition. The game is scheduled for the 18th February, here at Coles Park. Standard practice when arranging fixtures is to send the match details together with a map of how to get to Coles Park. I would like to think they know who we are and how to get here. I also hope we sing "We Are Haringey, You Are Haringey".

U23s – Today the U23s are away to CSM London, who play in Beckton, East London. Last Friday they defeated Rapid Chingford 5-2 at home and currently sit 4th in the table, 7 points behind the team 3rd.

In the semi-final of the Senior Division Cup, they are drawn away to play lead leaders FC Baresi, at present that game has yet to be arranged but hopefully it will be midweek to avoid any clash with the first team to allow supporters to attend.

U18s – Having not had a game since the 22nd December, the U18s were in action on Thursday night and lost 3-0 against Takeley and have a game against Heybridge Swifts on Monday night at home.

MATCH REPORTS

Haringey Borough 0 Folkestone Invicta 0

It was billed as a must win game for the Boro but in the end, the consensus was it was a good point to gain. This was by no means because Folkestone dominated the game, far from it, Boro gave a good account of themselves and could have, given a bit of luck, taken all 3 points.

The squad saw a couple of changes with Walter taking a place on the bench following injury and new signing, Mohamed Kahdum, earning a starting slot for his debut. In a game of few chances Mohamed was responsible for a couple of them, a shot that went wide in the first half and clipping the cross bar with a free kick in the second half, all in all it was a promising debut.

Our other efforts came from set pieces, Jorge Sambu had a free header on the edge of the six yard box that he couldn't keep down and it went over and J'Ardell was unfortunate with another chance where the keeper dropped the ball onto him and not knowing where he or the goal was he was unable to control the ball going just wide of the post.

Defensively we looked strong with the back five of Scott, Dan, J'Ardell, Ebenezer and Bobson playing well. Following our drubbing by Carshalton at the turn of the year, we have conceded two goals in three games so hopefully that bodes well for the rest of the season, albeit playing five at the back does limit our attacking play.

Dulwich Hamlet 3 Haringey Borough 1

I imagine we would have to go back to our Tufnell Park days to have played in front of a crowd in excess of 3,334, certainly that is a record for the Haringey Borough era of the club's history. Such was the size of the crowd that many of us hadn't taken our usual position behind the opposition's goal before a penalty was awarded for handball by Dan and we found ourselves 1-0, after Dillon went to his right and the penalty taker went left. In fact, we were still coming to terms with being behind before it got worse and we were 2-0 down, this time from a corner that was played out wide and an in-swinging cross found a Dulwich player unmarked at the back post to head home. The rest of the half went by without any further scares or scoring but did see Scott Mitchell attacking a corner take a nasty blow to the face which saw him receive treatment and ultimately substituted at half time, being replaced by Charlie Smith.

Whatever Tom said at half time did the trick as the Boro from the first half were replaced by an attacking, dynamic, dominant Boro that took the game to Dulwich. I appreciate being two nil up must have changed Dulwich's mindset but from having nothing to cheer or get behind, suddenly we were in the ascendancy and scored in the 64th minute when Mohamed Kahdum curled the ball into the bottom left hand corner of the goal. In the build up we were all screaming for a penalty after Mekhi was bundled over but Mohamed putting the goal into the net saved any arguments. At this stage Dulwich were rattled and Boro attack after attack took place, the closest being Anthony Mendy hitting the post with a header from a cross. Sadly, the attacks didn't yield another goal and in stoppage time Dulwich counter attacked and with the Boro defence mostly in the opposition's half, they made it 3-1, game over.

Following the final whistle, the Boro did what we do best, we got behind the team, 10, 15, maybe 20 minutes of non-stop singing, led by our able drummer Matt. Superb. We may be in a relegation fight, but whatever happens, we are going to have fun! "Haringey Borough's having a party."

Concord Rangers 0 Haringey Borough 0

Another must win game passes, without a win, lets be fair we should stop adding extra pressure on ourselves, all our games are must win. One strange anomaly when looking at the table is we find ourselves level on points with Concord yet here we are at the start of February and they have 6 (SIX) games in hand. Getting to Canvey Island on a Tuesday night will not be easy for many teams particularly those south of the Thames, so I believe they have a good chance of getting out of the relegation spots on that basis, but hey what do I know. The game itself is one Boro should have won, easily the better team in the first half and had chances in

the second albeit many people felt afterwards that we didn't throw enough caution to the wind when we needed all 3 points.

The first half saw us hit the post twice, the woodwork and produce a good save from their goalkeeper, with very few nervous moments in and around our own goal. Mohamed had another good game and was the most dangerous of our players as it was him that hit the post twice and crossbar.

In the second half it was a bit more even but James Collins on loan from Watford had a great chance with a header that went wide, he hadn't been on the pitch long before the chance came to him maybe later in the game he would have put in away.

15 games to go, 15 games that we must, I won't say it.

Driving to Ipswich Town on Saturday morning for Maidstone United's lunchtime FA Cup fourth round tie, a shock was far from the mind.

The Stones have been this year's biggest story. Upsets of League Two Barrow and League One Stevenage had taken them into club history books as the squad to progress the furthest since reformation in 1992.

But, this was Ipswich Town. A team who have been sensational since the arrival of boss Kieran McKenna, won promotion from League One last term, and are pushing for the Premier League this.

With the reporter's hat on the plan was simple: write a colour piece about the journey George Elokobi's side have been on in this season's competition, make heavy reference to the 4,500 fans who were in Suffolk to support their side, and look ahead to the rest of the Stones' season as they return their focus to the National League South promotion race.

Maybe they will get a draw? That would be some result. But, reader, cards on table, I did not believe.

Let's face it, who did? The other 22,000 fans inside Portman Road were certainly expecting the home side to win - despite making ten changes.

But not believing was the first mistake. The National League South side's run in this year's FA Cup was not about to come to an end.

Lamar Reynolds' gorgeous opener, chipping the ball over the onrushing Christian Walton, had us all wondering, could they do it?

Jeremy Sarmiento responded for the hosts after the break and, you assumed, they would go on for more.

But Sam Corne, hero from the penalty spot in round three, swept in the most composed of finishes for 2-1 and then, with the help of inspired keeper Lucas Covelan, they held on for a famous victory.

Boss Elokobi believed.

"If you know George Elokobi - I am a believer," he said in the post-match press conference. "As an individual, as a management team, we believed we could truly come here and compete against a fantastic Championship side.

"In our preparations we showed every bit of respect to Ipswich Town. We normally train on 3G but we hired a grass pitch. We looked at the dimensions of Ipswich's pitch and we created that in our environment to give our boys visuals and create what we were going to be coming up against. Waves of attacks, so our defenders can be resilient.

"Each and every person who was fit to take part today, knew what their jobs were. We knew we had to run a little bit more than we've ever done. But we believed."

Their fifth round draw hasn't brought the Premier League big gun they'd have been hoping for. Instead, it's the winner of Sheffield Wednesday and Coventry City, who lost out to Luton in last season's Championship play-off final.

Whoever they face, this trip will be made full of belief. A Step 2 side in the quarter-finals of the FA Cup if they win? They couldn't. Could they?.
