HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CHESHUNT FC

Cheshunt FC was the oldest amateur team in Hertfordshire back in 1931. Then the club disbanded, only to reform the year after the Second World War ended.

A gentlemen's amateur side of the same name preceded the current club. They were formed in 1880 and competed in the Athenian league, having future Spurs Manager Arthur Rowe amongst their numbers, before folding in 1931.

A new Club was formed in 1946, making national headlines only four years later when they knocked holders Bromley out of the Amateur Cup in front of a still-record 5,000 spectators at their newly opened Cheshunt Stadium on Theobalds Lane. Over the next twenty years the Club switched various leagues before finally emulating their old namesakes and joining the Athenian league in 1964, gaining promotion to the top division under former Spurs and Wales winger Terry Medwin a few years later. The 1970's saw the arrival of John Drabwell as Manager and during his spells in charge, the London Charity Cup, the Athenian league and Cup double and entry into the Isthmian league were all achieved. In 1978 the Ambers also reached the FA Cup 4th qualifying round for the fourth time, an achievement they have yet to equal or better.

Four years later they were knocked out of the last eight of the FA Vase, the furthest they've gone in any national competition, and also saw the beginning of a young Iain Dowie's career who would go onto great success both as a top flight player, a Northern Ireland international and eventually as a Premier League manager.

Takeovers and withdrawals saw the near collapse of the club in the mid-80's causing them to tumble down into the Spartan league before returning to the Isthmian league six years later.

New Manager Andy Leese took over in 2002 and guided his side to two successive promotions and the top of the Isthmian Premier league before his sudden departure and near relegation in 2005 when the club was switched across to the Southern Premier league.

Relegation back to the lower Isthmian divisions came after three nail-biting seasons and another frustrating ten years would follow as the Club's new Chairman and owner, Dean Williamson, went through several managers before appointing Craig Edwards in January 2018.

Initially steering his side away from relegation, everything then clicked for Edwards and his team halfway through the following campaign and promotion to the Isthmian Premier league was achieved with victory in the play-off final against Bracknell Town.

With level-three football finally regained and major plans for redevelopment of the ground in hand, things were looking good for the Ambers. However, two seasons of limited opportunities frustrated players & staff alike as the Covid pandemic saw the 19/20 and 20/21 curtailed. Working behind closed doors within health guidelines the club retained most of the squad built for step three, and made a flying start to life in the Isthmian Premiership in the club's 75th Anniversary year.

A fantastic FA trophy run saw the club advance further than ever before finally going out to Vanarama National League champions Stockport County 1-0 in the 5th round. The Trophy run coincided with a slump in league form and a backlog of fixtures, the Ambers recovered in the latter stages of the season securing a play off place with one game in hand, and winning the Herts FA Senior Cup for the first time. Play off wins, away from home, over Bishop's Stortford & Hornchurch saw Cheshunt FC start the 22/23 season at the highest point of the football pyramid achieved in their 75 year history. Life at step 2 of the pyramid was short-lived after the team didn't recover from a poor start to the season & spent most of the year in and around the relegation places, relegation aside, it was a great experience with the club learning a lot from it on and off the pitch, and having had a taste of National League Football the objective is to do it again. With the fan base growing the stadium has had additional seven step terracing added to both ends of the ground and another 250 seats added to the Sports Bar Stand. The club continues to grow with Walking Football, Inclusive teams, A Women's Team and an ever expanding Youth section all seeing success over recent seasons.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Cheshunt and to the officials, referee Joe Woolmer and his assistants Terence Dawkins and Emre Arslan.

We continue to wear out the phrase Must Win Game (MWG) and I hope that remains so as it means we are still in with a chance and fighting. Today is certainly another MWG. Cheshunt are 6 points ahead of us which means we cannot let that gap increase.

Our previous MWG here against Margate went our way and it was great to see our captain and Boro stalwart Jorge Sambu with the only goal. It was tense, it was unbearable at times but it was magnificent at the final whistle. It is difficult not to show the tension we are all facing but I hope the players know we are right behind them and they have our unwavering support. It is strange but at a time when our league position is not great, the support, the togetherness, the "we are all in this together" attitude is stronger than ever. Wearing the Haringey scarf and showing support, has never felt more appropriate than it currently does. If you wonder if it matters or not, our Chairman towards the end of the game took himself off on a walk to New River as he could not watch. On his return he shouted up into the stand and asked the score, fantastic. We have two further matches at Coles Park in March, Cray Wanderers and Hastings United, please try and make it to those games, your support is hugely valued. In between those games is Non-League Day Saturday 23rd March where we are away to Chatham Town.

The Hastings game will be a particular landmark for our commander-in-chief Tom Loizou as he will be celebrating 15 years in charge of the Boro. In this day and age of hiring and firing of managers throughout football not just in the higher echelons, to have completed 15 years is a fantastic achievement. We all have a lot to thank Tom for, as his contribution to the warm welcome and fantastic environment, that is Haringey Borough, is immeasurable. He always has time for everyone, is honest in his assessments and has Haringey Borough running through his veins.

Following the Potters Bar postponement the league has allocated the 16th April for the game, should we make it to the final of the Velocity Cup the game will be moved as the final is on the 17th April @ Aveley's ground in South Ockenden.

The semi-final of the Velocity Cup takes place this Monday 11th March away to Hashtag United who play at Bowers & Pitsea's ground. It's not an easy ground to get to so please plan your journey carefully particularly the journey home. Gerard has provided some thoughts on a doable journey below. Hashtag will be streaming the game for those unable to make it.

Gio Crichlow's loan spell from Braintree Town has come to an end, Gio has decided to fight for a place in the Braintree team despite us keen to keep him. He leaves with a record played 5 and 1 goal, his goal coming in our away win in the cup at Whitehawk. We thank Gio for his services and wish him well for the future.

Finally, we welcome back Olu Durojaiye, a firm favourite with the fans, he has more debuts for the Boro than most players have played games. Great to have him back and it's too good to be true that we've re-signed you Olu.

Women's Team - last Sunday saw a 5-0 win which whilst harsh on the opposition as I thought they were a better side than the score line suggests, their goalkeeper would have won the player of the match award as she made a number of good and important saves. Such is the high standard the team have set that a 5-0 win is almost shrugged off as being the norm. It is also good to see that the team are attracting a good number of fans and Sunday afternoons at Coles Park have become a particularly lively and excellent way to spend the afternoon. They are at home tomorrow to Bowers and Pitsea 2pm kick off.

Next Sunday (17th) they are in the semi-final of the Capital Senior Cup at home against Actonians. The opposition are in the league above but Boro go into the game with nothing to fear. It would be a tremendous achievement to make the final. If you are able to make the game your support would be appreciated and you will be part of what could be a great occasion for the team and club.

U23s - the team has a great result last Friday beating the team directly above them in 3rd place Chadwell Heath Spartans 7-1. The fast start stunned the opposition and we were 2-0 up early in the first half and never looked back. It was a great team performance but I must say Alex Nicoladies was exceptional, scoring two and having a big hand in other goals, he stood out. He is only 16 and has already made his first team debut

so I hope we get to see him develop and become a regular in the team.
Last night the team played Sporting Hackney and the game finished with another good 4-0 win.
They are without a game next weekend.
U18s – As reported previously the U18s season finished in Mid February.

POSTPONEMENTS are tiresome. Late postponements even more so.

It doesn't take long to learn the tweet 'Game definitely on' doesn't always mean the game is definitely on.

And even when the match kicks off, it doesn't necessarily mean it will definitely finish.

This year feels particularly wet but we probably say the same most seasons.

Everyone shares the same frustration when the weather beats the football – especially for the fans who may have already set off on a long journey or even arrived at the ground.

Over at NLP HQ on a Saturday, chaos tends to fill the air as we put tentative plans together for redrawing the paper, only for a late call off to mean tearing up the idea to start again. Sometimes one game being postponed causes a domino effect you usually see for club allocations in the summer.

But it does allow me to stretch back into my chair and say, 'Did I ever tell you about the time I went to Albania?'

Rewind to October 2012 and England C were off on another adventure, The NLP fortunate enough to bag a seat on the plane to cover Non-League's Three Lions breaking new ground.

The Tirana weather was...pretty good actually. In fact, the day before the game we even made the most of some downtime in the schedule to sit out on the hotel's sun deck overlooking the ocean. This was why I got into journalism!

The day of the match was good too. Players went through set-pieces in shorts and t-shirts and an anticipation slowly built through the day.

During the final meeting at the hotel before jumping on the bus, it started raining. Driving towards the stadium, the rain continued. And got heavier. And heavier. The puddles got larger. The streets started to become streams.

The first sign of concern was seeing the stadium's adjacent 3G pitch - trained on just hours earlier - with large puddles.

Inside the stadium, the running track began to look more like a moat. Word came up from the dressing rooms that they too were slowly filling with water, the cables for the TV stations like electric eels swimming around. By now the game had been called off. Brian Lee, the late former Football Conference chairman, wondered if anyone could find a sports hall to at least get some sort of action!

The car park was now a lake and it was time to man the lifeboats as players, still in full kit, waded to the coach – interrupted by a SUV driving up to the main door and sending a tidal wave of water back into foyer. All that way for a game that never was. Some of the squad missed out in the future because of their age, never to be capped. If we hadn't travelled so far it would have been comical.

Funnily enough, England's senior game in Poland later that night was also rained off after the stadium roof wasn't closed in time. England 0-2 Weather. .
