## HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

## HISTORY OF HASTINGS UNITED FC

**HASTINGS UNITED**  
**FOOTBALL CLUB**

The present Hastings United Football Club appears to have existed continuously since 1901 having undergone three changes of name. One consequence of those name changes has been that the club's history has become inclined to be interwoven with that of other clubs with similar names and only recently may its history have been disentangled which is why this what is considered accurate history may now read somewhat differently to previous versions. The origins of the club began with the founding of old town side Rock-A-Nore in 1894; however, five years later they became defunct but in 1901 a new club started-up using the same name. In April 1921 it was agreed to change the name to Hastings and St. Leonards Football Club.

Another name change to "Hastings Town" was passed in the 1960's, but then in June 1985, the already existing "Hastings United" ceased trading when it was found they could no longer sustain their accumulated debts. Hastings Town made application to take over their Southern League place but Witney objected as United's demise had saved them from relegation from the Premier Division and, instead, Town were offered a place in the League's Southern Division. Several ex-United players joined Town and the unified side featured in the promotion race during their first two seasons but just missed out finishing third and fourth in 1986 and 1987, respectively.

Season 1998/99 saw an attempt to transfer to the Isthmian League refused but having resigned from the Southern League they were only accepted back as new entrants and started season 1999/2000 in the Eastern Division which they won in 2002. At this time the club finally acquired the company name Hastings United and since have played under that title.

Promoted to the Premier Division a twentieth position finish saw them make an immediate return to the Eastern Division but a first appearance was made in the F.A. Challenge Cup competition proper when the side went through to the first round proper after winning in a replay at Kettering Town. Sadly, there was to be no meeting with a Football League side to evoke memories of their namesake's glorious cup history, instead it was a visit to another Conference side, Stevenage Borough, where the dream ended with a 0-1 defeat. Relegation and the F.A.'s Non-League restructuring moved the side into the Ryman Isthmian League where they finished in eleventh and twelfth places in Division One in 2005 and 2006. Following a fourth place finish in season 2006/07, promotion to the Premier Division was won by defeating second placed Tooting & Mitcham United in the end of season play-off final.

The 2009/10 season was United's most successful since gaining promotion. They looked likely to make the end of season play-offs until a late dip in form saw them finish in seventh place. They reached the semi-finals of the Sussex Senior Cup, losing to Brighton & Hove Albion but found no success in the FA Cup, FA Trophy of League Cup.

Manager Tony Dolby left the club in December 2010 and was replaced by Jason Hopkinson who was previously assistant manager at Lewes. Results picked up which enable the club to retain its Premier Division status. Results in the cup competitions were again disappointing. Jason left the Club during October 2011 following a disappointing start to the season and was replaced by central defender Sean Ray. United again found themselves in a relegation battle but managed to preserve their Premier Division status.

A poor league season in 2012/13 saw the club relegated from the Ryman League Premier Division. There was considerable cup success, however. An FA Cup run saw United reach the third round proper before losing 4-1 away to Championship side Middlesbrough. They also reached the semi-finals of the League Cup, losing away to Concord Rangers, and the Sussex Senior Cup when they lost 1-0 to Bognor Regis Town.

Three days prior to the start of the new season manager Sean Ray resigned his position. Assistant Mark Stapley and coach Terry White are in temporary charge. John Maggs was appointed as manager towards the end of August 2013, formerly with Crawley Town, Horsham and Crawley Down Gatwick.

John Maggs was dismissed towards the end of January 2014 and replaced by former player Terry White. Two other managerial changes were made during the season when results were disappointing especially as many had tipped the club to be challenging for a play-off place.

Towards the end of season 2014/15 the club changes hands when a new board of directors was appointed. Garry Wilson was appointed as manager during the close season with Danny Bloor joining as assistant manager.

Garry Wilson and Danny Bloor stepped down at the end of the 2015/16 season to be replaced by former United player Darren Hare who had previously been with Gillingham FC undertaking a number of rolls including caretaker manager. Darren rebuilt the squad during the close-season with a number of new signings.

After an excellent season which ended with a play-off semi-final defeat, on penalties, away to Dorking Wanderers, Darren Hare resigned. His replacement was Adam Hinshelwood who once again had to rebuild the side as a number of players moved on. Adam resigned during September 2017 to take on the managers role at Worthing FC and was replaced by his assistant Chris Agutter who remained at the helm on a full time basis until his resignation at the end of October 2021. November 2021 saw Gary Elphick appointed as Men's First Team manager with Andrew Brown as coach and Jon Meeney brought in to strengthen the coaching staff as Assistant Manager.

Season 2021/22 see the 'U's achieve promotion by winning the Isthmian League South East Division and taking their place back at Step 3 for the first time since 2013.

Following an 8th place finish in the Isthmian Premier for 2022/23, missing the play-off spots by just three points and goal difference, the Club has undergone an ownership and management change with Dean White becoming Club Chairman. Chris Agutter returned to the role of First Team manager towards the end of October 2023.

## THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Hastings United and to the officials, referee Tolu Sangowawa and his assistants Dominic Barrow and Neil Jenkins.

There have been two games since the last musings and sadly they have yielded zero points. The game against Cray Wanderers was always going to be a struggle once we went down to 10 men in the 16th minute. Nahum Melvin-Lambert adjudged to have kicked out and was shown a straight red card for violent conduct, which comes with a 3-match suspension. We did make an appeal to have the suspension rescinded but we lost that as well. Cray ended up scoring 4 goals without reply and our run of successive league victories came to an end.

Last Saturday we went to Chatham Town for a first visit to The Bauvill Stadium. It was impressive and clearly Chatham are a club with big ambitions as can be seen by them sitting 2nd in the league. There's something about being up high behind the goal you are attacking that makes the viewing position at a game great, the terrace at the goal we were attacking first half felt like you were on top of the goal so when Matt scored after 3 minutes it was the perfect start and the perfect view. I've copied and pasted the next sentence from at least 10 previous musings this season.....we played well, had chances to increase our lead and when they equalised we had further chances to go ahead. Even when Chatham went in front we were still attacking and looked like we were going to get an equaliser. Unfortunately, we didn't and lost the game 2-1.

One of the roles of a secretary is player registration and the deadline day for registering players was yesterday (28th). For the last couple of weeks, we have been discussing the fact we only have two goalkeepers registered, which has meant if anything was to happen to Dillon we would be struggling. Given those conversations, I did have a wry smile when the referee brandished a red card to Dillon following a shuffle and a 3-match suspension for violent conduct was gained, the quiet week we were hoping for, just got busier! You couldn't make it up.

The away game earlier in the season against Hastings was in the period of Boro dominating games for 85 minutes, go 1-0 up, only to concede two late goals and lose 2-1. To be honest, the game was a bit of a turning point for me, as when Boro old boy Femi Akinwade scored a winner in the 96th minute, I took it badly and became an absolute miserable git for a day or so after and had to give myself a good talking to and pledge not to take results so badly going forward, this season wasn't the time to be making pledges like that! Recent results for Cheshunt have made the task of staying up almost impossible, fair play to Cheshunt at a time when any team putting a run together were going to be in pole position, they have more than grabbed the safety baton with both hands.

On Easter Monday we make the trip back to Pitsea to play Hashtag United, we were unlucky there in the cup a couple of weeks ago so hopefully we can put up a good showing and if it proves at that stage that we are just playing for pride then I hope we can finish the season playing without pressure and fear and pick up some points.

Thank you for your support and let's get behind the boys today. Come on Boro!!

As is traditional at this time of the season we are preparing for the Supporters Player of the Season, organised by Jim Shepherd, you can cast your vote by following the instructions below, the winner will be announced at the last game of the season against Lewes.

**Women's Team** – Congratulations go to the team following a victory against Actonians in the semi-final of the Capital Senior Cup, 3-2. Despite conceding straight from the kick off the team were by far the better side and deservedly take their place in the final. Currently a date for that is not known but they know their opponents will be either AFC Wimbledon or Ashford Town. This is a huge achievement for the team and the club. John Bacon felt that the semi final result was the best ever achieved by the team, let's hope there is an ever better one to come.

Please look out for an announcement of when the final is as it would be great to get a large crowd to support the team.

Last Sunday the team beat Needham Market 6-0, with a hat-trick from Tori Campbell within the first 20 minutes of the game, she also scored another goal later on in the game. The team are 2nd in the league, which again would be a great achievement if they were to remain there.

They are without a game on Sunday.

**U23s** – This coming Sunday (30th March) the U23s are playing in their own semi-final taking on FC Baresi in the Senior Division Cup. Kick off is 3pm and the game takes place at Ware FC, Wodson Park Leisure Centre, Wadesmill Rd, Ware SG12 0UQ. If they needed an extra incentive to get to the final, it is being held at Leyton Orient's ground which would make for an incredible occasion.

Last weekend the team drew 2-2 with Bakers693 and remain in 4th place in the league, they have 2 games left. Tuesday night they are away at Frenford Development with a 7.45pm KO. Frenford play at Frenford Club, The Jack Carter Centre, The Drive, Ilford, Essex, IG1 3PS.

**U18s** – The U18s season finished in February, they have now been overtaken by West Essex at the top of the table.

## THE VIEW FROM THE BELL END

### Tommy Loizou's Magic

To have managed a club for 15 years is an incredible achievement, not just as a result of keeping your job through difficult times but to maintain the enthusiasm to get up every morning and motivate a team, together with having the enthusiasm for all the other tasks that go with it, recruitment, coaching etc is amazing. But that is what Tom Loizou has done. 15 years as Haringey Borough's manager. His first game in charge being Hertford Town away on Thursday 26th March, 2009.

I must confess I am a bit biased when it comes to writing this, as one of the reasons for being a Boro supporter is as a result of Tom Loizou. I didn't know Tom before supporting the Boro but as a result of the welcome he and others like Aki and George Kilikita gave me and my son Geroge when we first came to the Boro made me want to come back. I remember the first couple of games Tom would say hello and say enjoy the game. At that stage I really didn't know who he was until I saw him in the dugout and realised. After one game he even asked "What did you think of that?" I was amazed that here was the manager of a football team asking our opinion, it was small things like that had us coming back week after week, that was 8 years ago and I'm now proud to class Tom, as many of us are, as a friend and someone that I respect and enjoy spending time in his company. Well as long as he doesn't tell the gag about when he first came to the Boro, we only had two fans and one of them passed away.

It's clearly been a tough season and obviously not an ideal time to celebrating 15 years of Tom's management with the looming relegation threat hanging over us. My view for what it's worth is that I would rather be relegated with the people currently at the club, the people that this club means so much to, than to have brought others in. It is nice to be in the Isthmian Premier but it's even nicer to have lovely people around the club.

A frequent conversation with others is where Haringey Borough should sit in the pyramid and I think our achievements during Tom's reign have been amazing. Step 4 Play-Off winners, FA Cup 1st Round, Isthmian Premier 6 seasons on the trot (Step 3) and a London Senior Cup final. We have achieved our highest league position in our history 3rd in Step 3 and we have also been Essex Senior League Champions, Spartan South Midlands League Challenge Trophy winners and got to the Isthmian North play offs.

So rather than bemoan about where we are this season, I can only thank Tom, as he has given me and many others some of our greatest football experiences. Hopefully, we can dust ourselves down and go again next season and create many more memories.

Tommy Loizou's Yellow and Blue army!

## Change at the top as Fenn leaves Borough

### SPARTAN SOUTH MIDLANDS LEAGUE

TOM LOIZOU replaced Allan Fenn as manager of Haringey Borough on Tuesday, and has been assigned the task of keeping the Coles Park side in the Premier Division.

Fenn (pictured) guided Borough to promotion from the First Division at the first attempt following the club's relegation in 2006/07, but has now departed.

Loizou is a Uefa 'A' licence holder and joins Haringey with an impressive CV, having had a spell as Youth and Reserve team manager at Leyton Orient, which included a spell as caretaker manager of the first team.

Managerial stints at Cheshunt, Enfield and Leyton followed, and Loizou has brought trusted lieutenants Charlie Douse and Paul McGiven to Coles Park as assistant managers.

The new hierarchy will take charge of their first match tonight (Thursday) for the trip to Hertford Town.

But they were too late to save Borough from a disastrous defeat on Saturday - Buckinghamshire basement boys Holmer Green won their first home game of the season 2-0 to reignite the relegation battle.

Only the bottom team will go down, but Holmer are now just five points behind both Haringey and Kentish Town, although the Bucks side have played more games.

Goals from Green's Steve Groves and Dean Allen in the final 20 minutes ensured that Borough have work to do in their final nine games of the season.

But Loizou's side face two home games after their trip to Hertford tonight. Biggleswade United visit Coles Park on Saturday, and Borough host Welwyn Garden City next Tuesday evening.

# THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

To subscribe, visit [www.thenonleaguefootballpaper.com/subscriptions](http://www.thenonleaguefootballpaper.com/subscriptions)

NON-LEAGUE talent will be showcased not once but twice to the nation in the next week – and it sets us up nicely for what promises to be an exhilarating finale to the domestic season.

Next Saturday, March 23, sees the return of Non-League Day, where the international break gives our clubs the chance to take centre stage and promote the importance of affordable volunteer-led community football. Before that, though, it's the turn of England C to take their pride of place when they head down to Llanelli Town's Stebonheath Park on Tuesday for their now annual fixture with Cymru C.

This year marks the 22nd year that former Barnet and Stevenage boss Paul Fairclough takes the Three Lions helm – and the 74-year-old has carefully selected a highly competitive 16-man squad for the fixture, plus a 10-man contingency squad.

Mindful of the stage of the season and club commitments, Fairclough has adopted a one-player-per-club policy and has been able to select an open-age group.

Chesterfield captain Jamie Grimes has been picked for the first time at the age of 33, as has the National League's top goalscorer, Eastleigh goal machine Paul McCallum, at 30.

Worthing hot-shot Ollie Pearce is one of two Step 2 players to be selected after scoring 33 goals in National League South this season. He joins Chester goalkeeper Wyll Stanway, whose sister Georgia is an England Lioness.

Competing with Stanway for the starting No.1 jersey is Bromley stopper Grant Smith, who returns having earned his first England C cap in the first fixture at Barry Town United in 2018 when Fejiri Okenabirhie smashed a hat-trick in a 3-2 thriller.

There's also a return for Southend United defender Gus Scott-Morriss, who played in the 1-0 win over Mark Jones' side at Altrincham 12 months ago.

This will be the fifth instalment of the annual fixture but Fairclough's men will be looking to avenge their last visit across the Severn bridge, back in March 2022, when they were comprehensively beaten 4-0 in Caernarfon. But Tuesday night's Cymru C game is not the only fixture on the Lions' calendar this year.

Fairclough's men will also be hosting a historic and groundbreaking international fixture against Nepal at Aldershot Town's EBB Stadium on Bank Holiday Monday May 6.

This prestigious event has been made possible by a Tri-Party agreement signed by Aldershot Town FC, The FA and the All Nepal Football Association after the Shots helped raise funds of over £30,000 to help build two schools in Nepal following the devastating earthquake of 2015.

Laurence Jones, Head of National League System at The FA said: "We are delighted to be welcoming the All Nepal Football Association to England as part of our friendship visit in May.

"Football has the unique power to bring communities together and it will be fantastic to engage with the large Nepalese community that live in the area, as well as the Gurkha Regiments based at the Aldershot Garrison.

"We look forward to welcoming everyone to the community events and football matches, in what promises to be a great occasion for all."

The squads for Cymru C v England C on Tuesday are as follows:

Cymru C- Kelland Absalom (Bala Town), Connor Roberts (The New Saints), Rhys Abbruzzese (Haverfordwest County), Danny Davies (The New Saints), Mael Davies (Penybont), Lee Jenkins (Haverfordwest County),

Emlyn Lewis (Cardiff Met), Kane Owen (Penybont), Ryan Sears (Newtown), Sion Bradley (Caernarfon Town), Noah Edwards (Connah's Quay Nomads), Danny Gosset (Caernarfon Town), Clayton Green (Pontypridd United), Tom Price (Cardiff Met), Josh Williams (Connah's Quay Nomads), Ben Ahmun (Pontypridd United), Ethan Cann (Llanelli Town), Gwion Dafydd (Caernarfon Town, on loan from The New Saints), Jordan Davies (Connah's Quay Nomads), Sam Jones (Cardiff Met)
