JOIN US IN CELEBRATING CUP SUCCESS!

With grit, determination, and unwavering team spirit, we have secured a place in the semi-finals of the Capital Women's Cup.

After an exhilarating journey knocking out Tottenham Hotspur WSL Academy our talented players are now set to face off against Actonians, who play in the tier above us, in what promises to be an electrifying clash on **Sunday 17 March 2024**.

This remarkable feat is a testament to the dedication and skill of our players and staff who have poured their hearts into every match and igniting the passion of fans far and wide.

As we gear up for this pivotal moment in our journey, we invite all supporters, old and new, to join us in the stands and rally behind our remarkable players. Let's come together as a community to show our unwavering support and cheer our team to victory.

Mark your calendars, spread the word, and be sure to secure your spot in the stands as we unite in celebration of our team's triumphs and cheer them on to further glory.

Together, let's paint the stadium with Boro pride and witness history in the making!

MESSAGE FROM THE GAFFER

With 3 wins out of 3 in February, it's been a great second month of the year for the team, The greatest victory has to be the win in the quarter final of the Capital Womens Cup. The girls really adapted to the style of Spurs WSL Academy and we pressed them high in the game to win plenty of balls, which enabled us to get the victory.

Roll on to March and hopefully we can have much of the same, especially going into the semi-finals of the Capital Women's Cup against Actonians.

Hope to see you there!

HARINGEY GIRLS ACADEMY

The Girls Academy has been doing well in the past couple months with teams reaching semi finals and finals galore throughout the age groups. The U13s have reached the semi final of their league cup whilst the U13s, U16s and U18s (which contains a few familiar faces from the women's team) have made the London cup final. These will all be played on the 17th March (the same day the women host Actonians in the semi final) so a very busy day for all involved with Haringey.

We are also coming up to the start of post season activities with presentations, National Finals and trials for next season! We will put all trial details on our [website](#) as all trials are always completely open and for anyone to attend. This gives everyone an opportunity to trial.

This season has seen 14 girls from the Academy make the jump to first team football and we hope this trend can continue.

We look forward towards the business end of the season and hopefully some good results, development and some cup final wins for our Haringey Girls.

Haringey Borough Women's Team Leading the Way

By Johnny Fitsou, Managing Director

In the dynamic world of football, success is often measured not only by trophies but also by the progress and development of teams. In this regard, Haringey Borough Women's Team has emerged as a shining example of growth, improvement, and alignment within the club. Over the past year, the team has made significant strides, both on and off the pitch, showcasing a commitment to excellence and a determination to carve out their own path.

Led by dedicated individuals including Bobby, Adem, Kiki, Jack, Kunjal and Karla, the Haringey Borough Women's Team has undergone a remarkable transformation. Their hard work and unwavering support have been instrumental in fostering a culture of success and continuous improvement within the team. Through their guidance and leadership, the players have been able to improve their performance to new heights.

One of the key factors contributing to the team's success this year has been their focus on improvement and development. Recognising the importance of investing in the future, partnering with Haringey Girls the coaching staff has implemented comprehensive training programs aimed at improving both individuals and the team. This emphasis on continuous learning and growth has translated into tangible results on the pitch, with the team demonstrating greater tactical awareness, technical proficiency, and resilience.

Moreover, the integration of the women's team within the broader framework of Haringey Borough FC has been a pivotal aspect of their success. By aligning strategies and resources across the men's team, reserves, and U18s, the club is working towards a more cohesive and interconnected club.

Looking ahead, the future appears bright for Haringey Borough Women's Team. With a strong foundation in place and a clear vision for success, the team is poised to build upon their achievements and continue their upward trajectory. Through the collective efforts of individuals like Bobby, Adem, Kiki, Jack, Kunjal and Karla, along with the unwavering dedication of the players and volunteers, Haringey Borough Women's Team is setting a new standard of excellence and inspiring generations to come.

The success of Haringey Borough Women's Team is a testament to the power of perseverance, teamwork, and visionary leadership. By prioritising development and team cohesion, the girls have created a winning formula that extends beyond the confines of the pitch. As they continue to break barriers and defy expectations, Haringey Borough Women's Team continued progress provides inspiration and entertainment for our local community and I am very proud to be part of it.

FAN FEEDBACK

We hear from Marc, parent of Amber (our penalty specialist!) and resident photographer:

The girls have been great to watch especially at the start of the season with some big wins in league and cups while playing some great football. Last few months have been a little bit tougher and we've had to dig in a bit more to get results but the recent wins should make it a very exciting end to the season. #UTB

Help to empower women and forge an equal playing field through football sponsorship

More than 365 million people watched the 2022 UEFA Women's Euro football championship and 50 million watched England beat Germany in the final.

Sponsoring women's sport involves much more than a financial investment in players because it demonstrates an investment in equality and meaningful change within the sporting arena. With such large audiences of women's sporting events, sponsorships can help leverage equal visibility – and this can help drive further female participation in sport.

By supporting early talent and grassroots clubs, companies help increase the number of girls participating in sport – and this has both a long-term benefit of creating star players and also a short-term benefit in increasing confidence, teamwork and health.

CAPITAL GAINS

By Ewe Tea Bee, Haringey Borough FC fanzine.

The Capital Cup quarter final draw pitting Boro against Tottenham Hotspur WSL Academy threw up a number of intriguing questions. Would Boro finally play a team with a lower average age than us? Is it really an N17 derby when the visitors play their home games in Cheshunt? Can we even call it a derby when the opposition are an academy side? And why do Spurs have a page on their website for their men's under 18s who don't play senior competitions but nothing for their WSL academy?

A bumper crowd and a feisty game clearly answered at least some of those questions. Many of Boro's players looked like they had a point to prove, having recent history with Spurs' Academy,

either playing against, being rejected by or in the case of Boro stopper Liamara Hensel Berg being their third-choice goalkeeper.

Spurs, who beat Dulwich Hamlet after a penalty shoot-out in the previous round, were composed in possession and sharp out of it. Despite Boro being the senior side, the visitors looked bigger, stronger and more athletic than Boro. In particular, Jada, who normally terrifies fullbacks with her pace - was up against a defender who was quicker than her..

From the start, the match quickly settled into a pattern where Spurs tried to get into a passing rhythm and Boro tried to disrupt it.

Haringey's aggressive press led to a number of fouls and Spurs' youngsters - clearly well drilled in a core professional skill - often went down far too easily under minimal contact, grabbing the ball when they did so to pressure the young referee - 16 year-old Luka Elson - to award free kicks.

Both sides, their benches and supporters were getting frustrated - Boro with the softness of the freekicks that were being awarded to the opposition, Spurs with the lack of cards. Rimini got the ball (inadvertently) booted at her head while play was stopped. At the next opportunity she went straight through the back of the player. Things were getting chippy.

At half time it was Spurs who seemed to be winning their duels. With half-time fast approaching, a quick break from Spurs forced a tactical foul from Lilian to give away a free-kick just inside the Boro half. The resulting free-kick bounced in the penalty area, over Liamara and in.

After the half time interval, both teams took to the pitch, but the referee did not. It was a pity that she didn't feel she could see out the game - you have to question the London FA's decision to give a local derby to a teenage referee with so little experience in senior football. I hope the experience doesn't put her off refereeing too much.

The extended half-time interval and Elson's departure seemed to take some of the sting out of the game; Boro looked much more composed and comfortable as the second half progressed.

CAPITAL GAINS

By Ewe Tea Bee, Haringey Borough FC fanzine.

In the end though it was set pieces that transformed the game. Firstly Rimini fired a howitzer from the half-way line that sailed high into the air, dropping perfectly into the top-corner.

Then, with ten minutes to go, Tori stood over a free-kick about ten yards outside the box and fired a rocket that seemed to swerve slightly in the air as it arched towards the top corner. I'm pretty sure I've seen her score the exact same free kick about six different times, against different opponents. It never gets old.

She nearly got another go a few minutes later, this one from further away - and again the kick was accurate but this time drew a superb save.

So it was left to Chloe Ions to deliver the coup-de-grace. Which she did, straight from a corner. Katie McCabe eat your heart out. The remaining few minutes were relatively comfortable.

The final whistle blew: Boro had earned a semi-final place, secured N17 bragging rights and made a statement about the value of grassroots football as a means of developing young players.

And with Actonians standing between us and the finals, we get another opportunity to show what we can do against National League opposition. I can't wait.

Up the Boro.

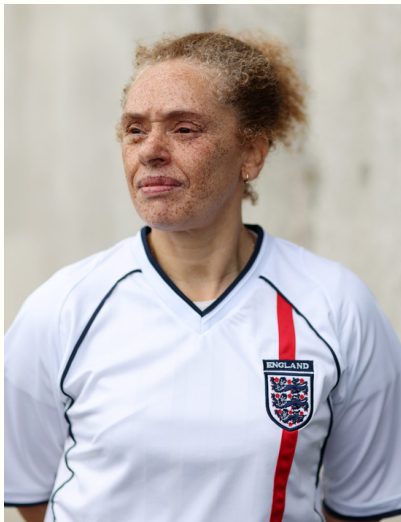

Celebrating Women's History Month 2024: Honouring the Legacy in Football

By Karla Parker, Secretary and General Manager

As March unfolds, so does a celebration of remarkable journeys, profound achievements, and the enduring strength of women across the globe. Yes, it's Women's History Month, a time to reflect, honour, and amplify the voices of women who have shaped history in immeasurable ways. And for those engaged in female football in the UK, the resonance of this month runs particularly deep.

At Haringey Borough Women's FC, Women's History Month is more than just a commemoration; it's a testament to the enduring legacy of women in football and an opportunity to showcase the strides we've made and the barriers we continue to break.

Throughout history, female footballers have defied stereotypes, shattered glass ceilings, and championed equality on and off the pitch. From pioneers like Lily Parr, whose thunderous left foot struck fear into opponents in the early 20th century, to icons like Kerry Davis, who was the first Black woman to represent and score for England, women have continually pushed boundaries and redefined what it means to be a force in football.

For Haringey Borough Women's FC, Women's History Month is a poignant reminder of our own journey, marked by resilience, passion, and unwavering determination. It's a time to celebrate the strides we've made in levelling the playing field, creating opportunities, and nurturing talent within our community.

But it's also a time to acknowledge the work that still lies ahead. Despite significant progress, women's football still grapples with disparities in funding, resources, and recognition. Women's History Month serves as a call to action, urging us to continue advocating for gender equality in every aspect of the beautiful game.

As we honour the trailblazers who paved the way and celebrate the achievements of women in football, let us also recommit ourselves to fostering a more inclusive and equitable future for all. Together, let's continue to break down barriers, challenge stereotypes, and empower the next generation of female footballers to dream big and soar even higher.

So here's to Women's History Month 2024, a time to celebrate, educate, and inspire. Join us as we pay homage to the past, celebrate the present, and pave the way for a future where every woman's contribution to football is recognized, valued, and celebrated.

OUR HISTORY

Although Haringey Borough FC was formed in 1973, the Women's team wasn't formed until the start of season 1999/2000 and played only occasional "friendlies" in that first season.

In the summer of 2000 we merged with Mill Hill United and were accepted into Division 2 of the Eastern Region League for season 1999/2000, gaining promotion to Division 1 as runners-up to Saffron Walden Town while based at the rather bleak Donkey Lane Playing Fields in Enfield.

The merged Club adopted the name of Haringey Borough and re-located to the Coles Park stadium of the Spartan South Midlands League club, founded in 1907, in White Hart Lane, Tottenham.

2000/2001 – 16 unbeaten League matches but finished third on goal difference. Eliminated two Greater London League sides in the Women's FA Cup.

2001/2002 – 9 unbeaten League games and promotion to the Premier Division as runners-up. The League Plate was garnered with a 4-1 victory over Cottenham United and a regional 5-a-side trophy.

2002/03 – we led the League for two weeks in mid-season, before finishing a comfortable 4th, retaining the regional 5-a-side trophy.

2003/04 – the team were rocked by a sudden spate of long-term injuries and departures of erstwhile regular players but with a late burst succeeded in preserving its Premier Division status.

2004/05 – the team appeared in the finals of five small sided competitions and finished in a safe mid-table position.

2005/06 – the Club progressed through two preliminary rounds of the Women's FA Cup finishing mid-table again and were finalists in the League Cup losing by a late goal against the League Champions Norwich City Canaries.

2006/07 – the team finished third despite a slow start and early dismissal from all knock-out competitions.

2007/08 – the team lost three long serving players to National Premier Division sides and played most of the season with a very small squad. Despite that the team had three London County Cup victories including victory over local rivals Tottenham Hotspur in the quarter final. We went on to reach another semi-final in the League Cup.

2008/09 – an extraordinary season where in mid-March relegation looked a likely outcome but an astonishing turnaround saw the team suffer only one defeat in the remaining 12 games and had that game been won, the runners-up spot would have been secured instead of 4th place.

2009/10 – notable for the 5-match run in the Women's FA Cup. In December, the team led the Premier Division and looked favourites to win the Championship but an unexpected deterioration in form finally resulted in a mid-table finish.

OUR HISTORY CONTINUED...

2010/11 – a very challenging season including loss of established players and a series of long-term injuries. The team saw several successful rounds in the Women's FA Cup but the lack of depth in the squad meant that relegation could not be avoided.

2011/12 – a slow start in Division One but as our campaign gathered pace we eventually finished second and thus earned promotion back to the Premier Division at the first attempt.

2013/14 – a major development took place when the Club was struggling midway through this season with the appointment of Steve Browne as Manager and he brought with him his highly successful S & T Academy Girls who in their mid and late teens were becoming too old to continue in Youth football.

2015/16 – mid-table position was easily secured.

2016/17 – the team were runaway League leaders only to be thrown off course at Christmas by the tragic early death of Manager Steve Browne on New Year's Day. After a shaky period we re-asserted ourselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League. We followed that up by adding the League Cup with a 5-1 win to complete the double.

2017/18 – several of the top players were lost to USA Scholarships and other Premier League teams and a torrid time ensued in Division One South-East and the team returned to the Eastern Region League.

2018/19 – the team began to rebuild only to see the newly appointed manager accept a role in his home Country of Greece at Christmas. A new manager was appointed and the coronavirus pandemic put a premature end to the season with results being deemed null and void.

2019/20 – The appointment of Bob Cato, formerly of Derby County Ladies, Leicester City WFC and a former Haringey Borough player, has brought about much needed leadership and strategy to the team's play. A refreshed side with new players brought in through partnership with Haringey Girls Academy means that there is now a full pathway from Wildcats to Women's football and much needed depth in the squad with 30+ players at training every week.

2022/23 – the season started strong with a team consisting of predominantly under 18s. Borough remain a contender to win the league as well as reaching the quarter finals of the Capital Women's Cup having beaten tier 4 side London Seaward en-route. Borough narrowly lost out to tier 3 side London Bees whose clinical finishing in front of goal proved to be the deciding factor.
