HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was

ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for most other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both game ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team has always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League will not be continuing with an Under 23 (Development) Section at all. Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 (and also winners of the League's Colwyn Cup competition) and 2009/10. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former

professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an Adult League is not without its problems.

The foundations are in place for an eventual assault on the title to secure a National League place for the men's senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic prospect as we pursue our ambition to achieve promotion to the National League should be within the capabilities of our talented squad. The facilities and structures are in place for all the Club's teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

However, the Club reserves the right to refuse admission to any person and the right to remain within the ground is conditional upon compliance with directions given by Club Officials. Spectators and other visitors must not encroach upon the playing area, deface or damage Club premises or equipment, take any glasses, alcohol or bottles outside of the Clubhouse or use obscene or insulting language or gestures (and especially any of a racist nature).

The Club cannot accept responsibility for loss or damage howsoever caused or arising to property of any or every kind brought into the ground including, without prejudice to the generality of the foregoing, motor vehicles or anything therein or thereon or items left in changing rooms

HISTORY OF BILLERICAY TOWN FC

Billericay Town Football Club was formed in 1880 making it the 11th oldest club in Essex. It moved into the Romford & District League in 1890 competing in this league until 1914.

After the 1st World War, BTFC entered the Mid-Essex League where they remained until 1947. Between 1947 and 1966 they played in the Southern Essex Combination League. In 1966 they became founder-members of the Essex Olympian League.

Five years later, in 1971, Billericay Town Football Club became founder-members of the Essex Senior League and the club's six-year stay in that competition saw them win the Championship three times and be Runners-Up twice (and third the other season). The League Cup was won four times and they were Finalists once. In addition, they won the League Challenge Cup the only time that it was competed for.

Whilst members of the Essex Senior League, the club won the FA Vase in 1976 beating Stamford 1-0 after extra-time at Wembley Stadium. The following season, 1976/1977, the club again reached the FA Vase Final. After a 1-1 draw at Wembley, the replay was played at Nottingham Forest F.C. Billericay Town emerged victorious with a 2-1 victory over Sheffield.

Billericay Town also became the first Non-League club to win the Rothmans Merit Award in 1978 for "having made a worth-while contribution to the wide spectrum of the game in 1977/78" - the only club previously to have won this Award was Liverpool, the previous season, when they were the European champions

Progressing to the Athenian League in 1977, Billericay won the Championship and the League Cup in their first season. They became Champions again in 1978/1979 and were promoted into the Isthmian League.

Billericay Town became the first club to win the F.A.Vase for a third time in 1979 when they defeated Almondsbury Greenway 4-1. This match was notable for a hat-trick by Doug Young - the first hat-trick in a Cup Final at Wembley Stadium since Geoff Hurst's in the 1966 World Cup Final.

After their success in the Athenian League, Billericay's league successes continued in the Isthmian League when in their first season they won the Division 2 title with a winning margin of 17 points, scoring 100 goals in their 36 league matches. The following season, in Division 1, they finished as runners-up to Bishops Cleeve - the first time in the history of the Isthmian League that a club had won promotion in two successive seasons on entry into the League.

Billericay then had five seasons in the Premier Division before being relegated in 1986. They then spent two years in Division One before again being relegated - this time into Division Two North.

Following re-organisation of the League, Billericay finished in third place in the newly formed Division Two and so gained promotion to Division One. That season, 1991/1992, they finished the season winning the Essex Thames-Side Trophy.

Promotion back to the Premier Division was obtained in 1998. The club finished runner-up in 2004/2005 before losing in the playoffs, they again reached the play-offs in 2006/2007. In what probably ranks as the most remembered game in recent years, Billericay beat local rivals Chelmsford in the semi-finals on penalties in front of a crowd of over 2,000. The final however ended with a less successful penalty shoot out and defeat to Bromley.

In November 2007, the club staged its biggest ever competitive game at New Lodge – reaching the First Round Proper of the FA Cup for the third time, Billericay finally drew league opposition for the first time in the form of Swansea City. The Blues took a first half lead before going down to two late goals.

The 2010/11 season saw much local success. The first team lifted the Essex Senior Cup for the first time in 35 years and the club were in fact triple County winners as the youth development programme was rewarded with the Under 18 and Under 16 sides also winning their respective County Cup competitions. This success was built on in 2011/12 as the club finally secured promotion to the Blue Square Bet South as Ryman League Champions.

However, it proved to be a one season stay, despite a good start, the second half of the season was blighted by poor weather and despite hanging on until the penultimate game, a return to the Ryman league beckoned. Subsequent seasons have seen the club steadily rebuild itself. A mid-table finish in 2013/14 was followed in

2014/15 by a respectable 8th place finish in the league. And appearances in the final of the Essex Senior Cup and the semi final of the League Cup. The 2015/16 campaign saw the club enter April in the play-off places, eventually finishing 9th.

The club's profile changed in 2016 with new owners leading a push for the play-offs that just fell just short but Town lifted the League Cup with a record 8-3 victory in the Final. This however provided a springboard to the clubs most successful season ever – runs to the first round proper of the FA Cup and to the last 8 of the FA Trophy were followed by a treble – retaining the Isthmian League, Essex Senior Cup, and finally in the 74th of 75 competitive game, the Isthmian league title to secure promotion.

2018/19 saw the club lead the National League South Division early on in the season and remain in the play-off places all season until the final day where they eventually finished 8th. The club also reached the 1st Round of the F.A. Cup earning a 1-1 draw at Chesterfield before losing the replay 3-1 at New Lodge.

2019/20 saw the club taken over by a consortium of local businessmen. Once again the club reached the first round of the F.A.Cup where they were beaten by League Two side Forest Green at The New Lawn Stadium.

2021/22 saw the club win the Essex Senior Cup for a fourth time when they beat Bowers & Pitsea 1-0 in the final at Colchester United. However, the clubs five-year spell in the Vanarama National League South came to an end as they finished bottom of the table and were relegated back into the Isthmian League.

Last season saw the club finish in a disappointing 10th position in its first season back in the Isthmian League.

THE SECRETARY'S MUSINGS

We offer a warm welcome to the players, management team, committee and supporters of Billericay Town and to the officials, referee Elliot Spencer and his assistants Belin Demirov and Grisha Zeigermaher.

The penultimate musings of the season does not start on a happy note following the games on Good Friday and Easter Monday which were both lost, it means we now find ourselves needing an absolute miracle to avoid relegation.

The manner of the defeats was hard to take losing both games 5-0, it's difficult to know what to write, I don't want to insult anyone's intelligence by trying to remain positive but at the same time I don't want to be overly critical as I've said many times I believe we have good players.

One thing that is clear is that there is a lot of rebuilding to be done, rebuilding in terms of players for next season but also rebuilding of confidence and positivity around the club. I know it must be very difficult and the last thing the players and coaches want to do at the end of a game but the shaking of the fans hands means a lot to us and we want to portray that we feel we are all in this together, I mean seriously if anyone just wants a hug at the end, these arms are open, it would probably do some of us fans good as well.

Somehow in these last 5 games we need to find some spirit and we need to get through the next 3 weeks giving a good account of ourselves. It's painful to watch, so I can only imagine it's painful to play. A rallying cry might be wasted at this stage but please come on. We Are Haringey.

I want to say an enormous thank you to the supporters, despite our position in the league we are averaging our highest league attendance figure, depending on the attendance today and against Lewes on the final day of the season we will be averaging nearly 500 a game in the league, which is fantastic and credit to everyone that our league position isn't the motivation for coming and supporting the Boro. Whatever happens please keep coming back, please tell your friends and tell them to tell their friends. We've created a safe and welcoming environment at which to watch football and want as many people as possible to come and join and share that with us.

Thank you for reading, it's been quite emotional writing this musing as I know the club and team means a huge amount to people and it's been sad to see the team struggle these past few weeks.

Come on Boro!!

Women's Team - The team were without a game last Sunday and tomorrow are away to top of the table Real Bedford, who haven't dropped a point this season...yet. Tomorrow also sees the semi-final between Ashford Town and AFC Wimbledon in the Capital Women's Cup, the winners of which will play Boro in the final. Date and venue yet to be confirmed.

U23s - Last Saturday the U23s got beaten 4-0 in the semi-final of the Senior Division Cup. Now when you see a 4-0 score line it would lead you to think that this was a one sided comprehensive drubbing however nothing could be further from the truth and for 70 minutes Boro were by far the better side and should have been out of sight, having numerous chances to score. However, they didn't take them and once FC Baresi got in front they capitalised on a couple of mistakes and 4-0 it was. Disappointing to say the least.

The team also played Tuesday night where it ended in a 1-0 victory against Frenford Development. Their final game of the season will be against Averley U23s next Friday 12th April

U18s - The U18s season finished in February, they are currently 2nd in the league given other teams will have games to play.

As is traditional at this time of the season we are preparing for the Supporters Player of the Season, organised by Jim Shepherd, you can cast your vote by following the instructions below, the winner will be announced at the last game of the season against Lewes.

Alternatively, alight at Colliers Wood and walk 10 minutes to the Sultan, 78 Norman Rd, London SW19 1BT. It's an excellent pub and well worth the diversion.

THE VIEW FROM THE BELL END

50 years of the Boro

On the 25th April we celebrate 50 years of floodlit football at Coles Park. When we welcomed Wembley on the 25th April 1974 to Coles Park in the Athenian League, it was the first game to be played under floodlights at the ground.

Prior to the installation of the floodlights winter games would kick off at 2pm or earlier and a number of cup games that went into extra-time were abandoned due to poor light with replays being required.

In years to come the floodlights will feature heavily in the history of the club as their failure against Merstham on the 28th November 2018 when 2-0 up and coasting to the Isthmian Premier League title will always have an air "if-only" about it. Ok I may have exaggerated with coasting. When the game was replayed in what was meant to be a free week in the league, 29th December 2018, we had influential centre back Mark Kirby missing due to holiday and we drew 2-2. One of the opposition's goalscorers that day was Walter Figueira. Come the end of that season we would finish 3rd on goal difference, by coincidence the team that gained the last play-off spot, by a point, were Merstham.

HARINGEY SWITCH-ON

EDMONTON-HARINGEY are alight! They switched on their new £12,000 floodlights on Thursday last week—and celebrated with leading scorers Kenny Rolfe and Mickey Bishop getting a goal apiece in a 2-1 win over Wembley.

The impressive new lights give the Haringey club the opportunity of regular midweek football next season — and they

showed that the lights are more than a match for many clubs in the Rothman Isthmian League.

Sadly, a night later, on Friday, Croydon Amateurs pipped their Athenian League challengers for the second and last vacant place in the prestige Rothman competition.

But Haringey's hopes of celebrating their light-up with a win received a set-back when a baffling decision by the referee to award Wembley a penalty, allegedly for hand-ball, put Wembley back in the

game they seemed certain to lose.

But it failed to deflect from the good football Haringey showed for much of the game, with forwards Andy Bushall and Kenny Rolfe making an impressive duo up front and Colin Walker outstanding at full-back. Kenny Rolfe was in the thick of the action from the start, and was fortunate not to be booked when he pushed a defender in the face.

Although Rolfe's temperament did him little good, he also demonstrated his undoubted skill. In the 20th minute a foul on Bushall gave Haringey a free-kick on the edge of the box which Rolfe bent round the wall and under the 'keeper's diving body into the corner.

Haringey were unfortunate not to increase their lead when a fine run and cross from David Hanyours found Andy Bushall, but his header hit a defender on the knee who was standing on the line.

But early in the second half, the little Micky Bishop crept on to the far post unnoticed as Alan Clarke left a cross and Bishop made no mistake from close range.

The match looked sewn up for Haringey until the referee's curious decision to award a penalty when five players leapt for one ball. It could have been pushing or hand-ball—but it seemed as though nothing had happened.

The referee, who is on the Football League's books, was criticised after the match for the way he handled the game.

● The lights go on in Haringey's match with Wembley.

THEN THEY CRASH TO BOGEY SIDE

Worthing 1, Edmonton-Haringey 0

HARINGEY'S boy team struck again on Saturday. For the first time in 12 matches Haringey failed to score and they lost a golden chance of moving into third place in the table with Horchurch and Ruislip losing and Ware being held to a draw.

Haringey came so close to scoring that it left manager Les Clapton cursing his luck.

Last season's top scorer Alan Sheen was recalled from semi-retirement and he had a header against the bar from Colin Walker's cross.

The crosses from Walker and David Hanyours was the chief source of Haringey's attack but the forwards failed to put away their chances although they didn't have much luck.

The winning goal came from the penalty spot in the 36th minute from Gee after Billy Parker had tipped a shot over the bar.

Tony Rocco came on for Les Picking after 70 minutes and went close twice. Andy Bushall headed over as Haringey made a final, but unsuccessful, bid for an equaliser.

● Haringey's next game is at home to Boreham Wood on 8th May, kick-off 7.30. The home match with Ruislip has been switched from 6th to 20th May.

● Edmonton-Haringey's Youth team beat Highgate Redwing 3-2 in the Northern Suburban League Cup and now play SL Jun's on Monday, 29th April. Tony Tilley, Kevin Carr, and Micky Sheehan were the scorers. The youth team face Bishop Stopford reserves in the final of the Junior League Cup at White Hart Lane, on Saturday, kick-off 6.30 p.m.

Swimming

Kim is the golden swim girl

EDMONTON'S Kim Jaggs became the golden girl of Hertfordshire, on Saturday, at the Stevenage pool. In the second gala of the current series of Hertfordshire Age Group Competitions, she won three gold medals in the girls' 1961 100m freestyle, the 100m

butterfly and the 4 x 33½m individual medley events.

Following these successes, her brother, Colin, also swam well to take first place in the boys' 1959 100m breaststroke, and both of these dedicated young swimmers have now qualified for the National Age Group Competitions, to be

held later in the year at Leeds. Other Edmonton swimmers who did well at Stevenage were: P. Warren, 2nd boys' 1962, 4 x 33½m individual medley; K. Murphy, 2nd boys' 1964, 33½m backstroke; H. Badcock, 2nd girls' 1963 100m breaststroke, and J. Press, 6th girls' 1960 100m backstroke,

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

THIS WEEK, 35 years ago, we were treated to the greatest ever April's Fools Day joke of all time. It featured on the front cover of Shoot magazine and depicted Liverpool's top striker pictured in the blue of their big city rivals accompanied by the headline 'World exclusive: Rush signs for Everton'. No PR teams involved and his fists clenched in sheer delight, Rush played along with the gag with a smile of his face. His team wore an Adidas kit, he wore Nike boots and yet he donned an Umbro shirt just for the fun of it.

Unsurprisingly, the red half of Merseyside went into meltdown, I mean, could you imagine Mo Salah slipping on an Everton shirt without so much of a fuss today?

While none will ever quite have the same impact as that Rushy's fake transfer in 1989, the new digital age has allowed football clubs to continue the Fool's Day tradition with a more tongue-in-cheek approach – and it usually makes for some pretty humorous reading come April 1st.

This year was no exception.

One of my favourites came from Northwich Victoria, who gave a light-hearted take of the fiercely unpopular decision to move the club into the Midland League last summer by announcing they had been switched to the Southern Combination League for the 2024-25 season.

"While this decision has come as a shock to us, we are excited about the opportunity to get acquainted with all the service stations down the M40," the Cheshire club quipped in a statement.

Southern Counties East League side Fisher FC, meanwhile, revealed how the club had teamed up with FOLLS, who are leading the way in sporting artificial intelligence to generate the world's first A.I football manager. The FOLLS Pro A.I system would analyse all of manager Ajay Ashanike's selection, formation and tactics for the rest of this season with the aim of replicating those in future games.

Isthmian League Ascot United went down a similar path, announcing they had hired a brand new Referee Analyst, called Anna Lytics, to help the club keep ahead of the game in influencing officials.

Various clubs also used their links to the world of celebrity to fool their fans.

Former US Open golf champion and Ryder Cup star Justin Rose announced he had signed for his beloved Aldershot Town for the rest of the season, prompting the Shots to respond they were changing their formation to fore-fore-two.

Top comedian and Chesham United director Alex Horne revealed he had signed for the Southern League Premier South champions, while former Watford legend Troy Deeney posed in a Kidlington FC training kit on being unveiled as a Greens player until the rest of the season.

Harlow Town got in on the act too. They revealed that Manchester United and England star Harry Maguire had regretted not signing for the club in 2019.

"If I could turn back the clock, I'd choose Harlow over Manchester," Maguire was quoted. "There was something special about the club and I regret my decision hugely."

National League South Farnborough – home to the world famous air show – announced that they would have to play future evening games under red light bulbs following new legislation from the Civil Aviation Authority, who had informed the club their floodlights had been distracting pilots flying into nearby Farnborough Airport.

Wimborne Town went down a similar route. The Magpies said they had introduced E-seats, which incorporated

a pedal-powered dynamo system with a wi-fi connection to a mini generator which powers the floodlights at the New Cuthbury.

Elsewhere, Herefordshire-based Westfields FC revealed they had been accepted into the Welsh Pyramid for next season, while one team who genuinely were, back in 2019, Colwyn Bay, claimed they will now officially be known as Bayern Colwyn as part of a partnership with the Bavarian Tourist Authority.

Both Skelmersdale United and Didcot Town revealed unique new kit designs but, perhaps unsurprisingly, there was a reoccurring theme in April Fools' Day pranks this year involving the effects of the great British weather.

Alnwick Town announced their St James' Park ground would be covered by a giant canopy – a "first in world sport" to prevent games from being called off, while the South West Peninsula League's official X account revealed how a survey of groundsmen and fixtures' secretaries across the south west had welcomed the recent climate changes as "a positive move that has seen extra productivity and a welcome rise in the winter water table levels".

And even poor Taunton Town faced a wrath by announcing that their Bank Holiday game against Bath City at rain-sodden Wordsworth Drive was ON following a pitch inspection.

Now, that would be just as bizarre as Ian Rush joining Everton! Only kidding Taunton.

Happy April's Fools!.

“The Isthmian Football League strongly supports the Football Association’s statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual’s sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities.”
