HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan

League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10. They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24.

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CHESHUNT FC

Cheshunt FC was the oldest amateur team in Hertfordshire back in 1931. Then the club disbanded, only to reform the year after the Second World War ended.

A gentlemen's amateur side of the same name preceded the current club. They were formed in 1880 and competed in the Athenian league, having future Spurs Manager Arthur Rowe amongst their numbers, before folding in 1931.

A new Club was formed in 1946, making national headlines only four years later when they knocked holders Bromley out of the Amateur Cup in front of a still-record 5,000 spectators at their newly opened Cheshunt Stadium on Theobalds Lane. Over the next twenty years the Club switched various leagues before finally emulating their old namesakes and joining the Athenian league in 1964, gaining promotion to the top division under former Spurs and Wales winger Terry Medwin a few years later. The 1970's saw the arrival of John Drabwell as Manager and during his spells in charge, the London Charity Cup, the Athenian league and Cup double and entry into the Isthmian league were all achieved. In 1978 the Ambers also reached the FA Cup 4th qualifying round for the fourth time, an achievement they have yet to equal or better.

Four years later they were knocked out of the last eight of the FA Vase, the furthest they've gone in any national competition, and also saw the beginning of a young Iain Dowie's career who would go onto great success both as a top flight player, a Northern Ireland international and eventually as a Premier League manager.

Takeovers and withdrawals saw the near collapse of the club in the mid-80's causing them to tumble down into the Spartan league before returning to the Isthmian league six years later.

New Manager Andy Leese took over in 2002 and guided his side to two successive promotions and the top of the Isthmian Premier league before his sudden departure and near relegation in 2005 when the club was switched across to the Southern Premier league.

Relegation back to the lower Isthmian divisions came after three nail-biting seasons and another frustrating ten years would follow as the Club's new Chairman and owner, Dean Williamson, went through several managers before appointing Craig Edwards in January 2018.

Initially steering his side away from relegation, everything then clicked for Edwards and his team halfway through the following campaign and promotion to the Isthmian Premier league was achieved with victory in the play-off final against Bracknell Town.

With level-three football finally regained and major plans for redevelopment of the ground in hand, things were looking good for the Ambers. However, two seasons of limited opportunities frustrated players & staff alike as the Covid pandemic saw the 19/20 and 20/21 curtailed. Working behind closed doors within health guidelines the club retained most of the squad built for step three, and made a flying start to life in the Isthmian Premiership in the club's 75th Anniversary year.

A fantastic FA trophy run saw the club advance further than ever before finally going out to Vanarama National League champions Stockport County 1-0 in the 5th round. The Trophy run coincided with a slump in league form and a backlog of fixtures, the Ambers recovered in the latter stages of the season securing a play off place with one game in hand, and winning the Herts FA Senior Cup for the first time. Play off wins, away from home, over Bishop's Stortford & Hornchurch saw Cheshunt FC start the 22/23 season at the highest point of the football pyramid achieved in their 75 year history. Life at step 2 of the pyramid was short-lived after the team didn't recover from a poor start to the season & spent most of the year in and around the relegation places, relegation aside, it was a great experience with the club learning a lot from it on and off the pitch, and having had a taste of National League Football the objective is to do it again. With the fan base growing the stadium has had additional seven step terracing added to both ends of the ground and another 250 seats added to the Sports Bar Stand. The club continues to grow with Walking Football, Inclusive teams, A Women's Team and an ever expanding Youth section all seeing success over recent seasons.

THE SECRETARY'S MUSINGS

Welcome back to Coles Park, I hope you had a refreshing post season break and are looking forward to a new season following The Boro.

We offer a warm welcome to Cheshunt and their committee, players and supporters, and also to our officials, referee James Keane assisted by Andreas Anastasiou and Steven Walsh.

Over the summer we found out that we will be occupying a spot in the Isthmian North Division, this season, which is a league we know well, having been promoted previously from it in 2018. In terms of league fixtures, we expect them to be announced towards the end of next week.

Later in the programme you will find John has comprised statistics about those teams we will be playing and recent results against them.

The Men's first team have been entered into the FA Cup, FA Trophy, London Senior Cup and expect to enter the Isthmian League Cup, so with 42 league games and cup games we can expect a long, hard season which I'm sure will bring the usual highs and lows.

The draws for the FA Cup and FA Trophy have been made, in the Preliminary Round of the FA Cup we have been drawn away to either Benfleet or Woodford Town which will be played on the 17th August. In the FA Trophy first round qualifying, we have been drawn at away to Redbridge on the 7th September.

It was inevitable following our relegation from the Isthmian Premier League that there would be changes in the playing personnel. However, we have retained several players from last season but you will see today we are looking at others and hope come the start of the season on the 10th August to have a team capable of fighting for automatic promotion or the play-off places. It won't be easy and even if it was, we'd make it hard work of it. We are Haringey.

Fans favourites Scott Mitchell, Jorge Sambu and George Aresti have re-signed and we welcome back several of under 23 players that gave a good account of themselves, Ruben Tavares-Baptista, Oliwier Fusiek, Alex Nicolaides and Stephane Mgbaba. Further additions will be announced as and when they sign on the dotted line and are officially Haringey players

Once you have worn the yellow and blue, you are always part of the Boro family so we wish Dillon Barnes well, having moved to Dulwich Hamlet, Matt Young has signed for Folkestone and Arthur Iontton has joined Michael O'Donoghue at Wingate & Finchley. In addition, both Tage Kennedy and Khalifa Jabbie have departed.

Thank you to everyone that has signed up for a season ticket and thank you to our members for 2024/2025, details on how to obtain a membership and season ticket can be found on the following page or on our website <https://www.haringeyboroughfc.net>

Women's Team

The team will again be in the Eastern Region Women's League and will look to improve on the 3rd place from last season. We proved last season we are a match for anyone and if we can find the necessary consistency in the league there is no reason why we can't push for the automatic promotion place. It's tough when only one team goes up but I'm sure manager Bobby Cato will be telling the team there is no reason why it cannot be us that goes up.

Under 23s

The Under 23s did superbly well to finish 3rd in the Essex Alliance Senior Division in what was their first season competing against senior sides.

There have been changes to the coaching staff with Tucker taking over the Men's first team head coach position, Genk Marqeshi has taken over the reins and will be coaching the side. We also have Qayum Shakoor known as Q, as a coach and consistency is provided by having Junior Fenton still involved with the team as he was last season.

On Tuesday night the team took on Athletic Newham, who are two leagues above the U23s and whilst Q admitted that they didn't play their first team to achieve a 4-4 draw bodes well for pre-season and the coming season.

U18s

The tie up with Barnet and Southgate College continues with James Edgerley overseeing the team who play in the Southern Youth Floodlit Counties League. The team will also participate in the FA Youth Cup and have been drawn against Sawbridgeworth Town or Saffron Walden Town away with no date agreed yet.

OUR WOMEN GET THE SEASON OFF TO A FLYER

The Womens team who provided most cheer to last season carried on where they left off by picking up a Trophy in the very first Competition entered by the Club this season. It was THE 106 YEOMANRY REGIMENTAL ROYAL ARTILLERY COMMUNITY CUP a 6-a-side Tournament held at New River in which they defeated Cambridge City in the final. Our winning players were, Maisie (GK), Nellz, Amy, Marta, Summer, Rimini, Emily, Jada so well done to them and of course, to Bobby, Adem and Karla who have put together such a talented squad. This is the second time the Women have competed in this Cup, and they were also winners in 2023 - in fact they were runners-up as well that year as two teams were entered.

The 106 Yeomanry Regimental Royal Artillery tournament commemorates Walter Tull, the first black soldier to be trained as an Officer and lead white British soldiers in battle in World War I. Tragically he was killed at the Battle of the Somme in March 1918. The cup is played in Tottenham paying homage to him as the first black outfield player to appear in the Football League making 10 appearances for Tottenham Hotspur in the period 1909 – 1911 before transferring to Northampton Town and making 111 appearances for that Club before the outbreak of war in 1914

You can see the Women in action at Coles Park tomorrow (in an in-house tournament) - and a Friendly match every Sunday thereafter except July 28th, 2pm kick offs each week

WHAT STATISTICS FOR THE LAST NINE SEASONS MIGHT TELL US ABOUT OUR CHANCES IN 2024/25

Our relegation back to the North Division means that we will be re-acquainted with 11 Clubs we met in our first 3 Isthmian seasons but not since.

There are 22 Clubs in the North Division and in our 9 Isthmian seasons we have met 14 of them in League (North and Premier Division) and Cup competitions – a total of 76 games. Our individual records against them are:-

TEAM	P	W	D	L	F	A	GD
Brentwood Town	5	3	0	2	8	9	-1
Brightlingsea Regent	14	8	2	4	29	15	14
Bury Town	6	2	0	4	15	16	-1
Concord Rangers	2	0	1	1	0	1	-1
Grays Athletic	2	0	2	0	4	4	0
Heybridge Swifts	8	5	2	1	19	11	8
Ipswich Wanderers	1	1	0	0	4	2	2
Maldon & Tiptree	10	2	1	7	15	22	-7
Mildenhall Town	2	2	0	0	8	1	7
Redbridge	3	2	0	1	4	2	2
Tilbury	6	3	2	1	7	5	2
Waltham Abbey	6	4	1	1	14	7	7
Witham Town	7	3	1	3	10	13	-3
Wroxham	4	3	0	1	4	3	1
The 7 teams we will be meeting for the first time are Basildon United* Cambridge City Felixstowe & Walton United* Gorleston* Newmarket Town Sporting Bengal United* Walthamstow	0	0	0	0	0	0	0
TOTALS	76	38	12	26	141	111	30

* We have played these teams before but not during the last 9 seasons

So as percentages that's 50% won 16% drawn 34% lost. Last season the North Division played only 36 games and those percentages would have given us 18 wins 6 draws and 12 losses. 60 points would have seen us finish 7th (12 points short of a Play-off place), Next season will see us play 42 games and those percentages would give us 21 wins 7 draws and 14 defeats. 70 points would at best put us on the fringe of the Play-offs so a modest improvement seems necessary if we are to have a chance of returning to Step 3 at the first attempt; or a more substantial improvement if we are to secure the Divisional Championship and automatic promotion.

"The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities."
