HARINGEY BOROUGH FC - A BRIEF HISTORY

It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally.

The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North. The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights and has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper

where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all.

Youth teams were commenced and run successfully for many years at various age levels with some considerable

success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself.

The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24

The foundations are in place for us to make a swift return to the Premier Division after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF HAYES & YEADING UNITED FC

Hayes & Yeading United Football Club was created in May 2007 when the two clubs respective Chairmen, Derek Goodall and Phillip Spurden agreed that the only way either club could continue, long term, at the level they were playing would be to join forces as a single entity.

Hayes FC was founded in 1909 when Eileen Shackle, the teenage daughter of a wealthy land agent, encouraged the local youngsters to form a football team. The team was originally known as Botwell Mission, after the mission church that was built in memory of her grandfather, and that still stands today as part of the Hayes Library in Golden Crescent. Yeading FC was also founded with youth in mind beginning their existence in 1960 as Yeading Youth Club, started by brothers Ray and Carl Gritt.

By the time the two clubs were both in existence, Botwell Mission had changed its name to Hayes FC in 1929 where having progressed through the Great Western Suburban League and the Spartan League they were then accepted into the Athenian League. In their first season at this level they reached the final of the FA Amateur Cup. This was notable for the fact that the club had started at the 1st qualifying round stage, and had played all its nine matches away from home, travelling an estimated 1,500 miles to places as diverse as Wisbech, Trowbridge, Stalybridge (where Northern Nomads played), and York for a semi-final against Bishop Auckland. The final was lost to Wycombe Wanderers by one goal to nil. The Athenian League was won for the only time in season 1956-57 on goal average over Finchley and the semi-final of the Amateur Cup was reached, losing to Bishop Auckland before a crowd of 32,000 at St James Park, Newcastle.

While the sixties were pretty lean for Hayes FC, the newly formed Yeading FC were starting to get noticed at a junior level, having moved to Warren Park in 1965. As Uxbridge League Premier Division Runners up in 1967 Yeading moved into the newly formed West Middlesex Combination Premier Division and having notched a league and couple double that same season joined the South West Middlesex League. That first season (1968/69) Yeading won the West Drayton Charity Cup, and more prestigiously the Middlesex Junior Cup for the first time while also securing the Division One Title. Further promotion led to back-to-back South West Middlesex Premier Division titles and in 1970/71 Yeading also won both the Middlesex Junior and Intermediate Cups. During the 1970s they won the latter five times and the former twice.

In 1971/72 Hayes FC were elected to the Isthmian League while Yeading FC earned promotion to the Middlesex League seeing Championship success in their first season (1971/72), scoring a record 122 goals in the process. Season 1972/73 saw Yeading sweep all four trophies – League and Cup – in the Middlesex League while over at Church Road Hayes FC hit the headlines with an FA Cup first round defeat of Football League side Bristol Rovers before taking Reading to a second round replay.

The eighties saw Hayes FC maintain their Isthmian League status year on year without much danger of movement up or down while Yeading FC had started their climb upwards at no mean rate of knots. The Ding moved from the Middlesex League to the Spartan League going unbeaten through 1986/87 and earning promotion to the Isthmian League Division Two South in the process. The turn of the decade saw Yeading hit the national headlines when they became the first Middlesex side to lift the FA Vase, having drawn at Wembley, they travelled to Leeds' Elland Road where they secured a 1-0 victory over Bridlington Town.

Season 1992/93 saw Yeading's meteoric rise through the leagues reach the Isthmian Premier, the first time neighbours Hayes FC and Yeading FC were to become rivals. This rivalry was to last until 1996 when Hayes FC reached the pinnacle of non-league football by winning the Isthmian League championship by one goal in a nail-biting finale which also involved Enfield, Yeovil Town and Boreham Wood. The club maintained a presence at this level for six seasons, including finishing in 3rd place in 1998-9, before suffering relegation for the first time in 2002 at which time Yeading FC had dropped out of the Isthmian Premier so the renewal of rivalries would have to wait.

Hayes FC were to become one of the founder members of the Conference South League and were soon joined by neighbours Yeading FC, renewing the rivalry for a couple of seasons before the biggest sporting news the area had seen for many years.....

Hayes and Yeading United FC – Merged rivals.

After a season of consolidation, the newly merged side took many people by surprise in 2008/09 when a late season Conference South record equalling run of 10 consecutive victories saw a play-off place earned. Looking dead and buried at 4-0 down after 50 minutes of the semi-final first leg, only a dreamer would have predicted a place in the final. Dreams do come true though and two late first leg goals and a 4-0 extra time victory in the second leg at Eastleigh saw the final reached. A tight final ensued but Hampton & Richmond Borough were seen off by the odd goal in five and promotion was achieved to the pinnacle of non-league football, the Conference Premier. United more than held their own in the top flight for the first two seasons but with a much reduced budget and 5 years of ground sharing due to the late completion of the Club's new stadium, United hit the relegation trap-door in April 2012 and again in April 2016 and April 2017 before beginning its life in a new Stadium in 2017/18, losing the promotion play-off semi-final to Cambridge City at season end before a switch to the Isthmian League for 2018/19 saw United romp to the title and promotion with a 16 point advantage at season end. This was followed by two seasons being cancelled part way through due to the Covid-19 pandemic before a completed 2021/22 season saw United finish as runners-up only to fall at the final hurdle with a play-off final defeat. The 2022/23 season saw the Middlesex Senior Cup won for the first time with United just missing out on the play-offs, finishing in 7th position.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Hayes & Yeading, their players, supporters and committee and to our officials, referee Tommy Breen and assistants Chris Henry and Ronnie McGibbon.

Those that were present on Tuesday night saw a really good game against Dulwich Hamlet with the 3-2 scoreline not being a true reflection on the game itself, as I thought we played really well and certainly didn't deserve to lose. It was great to see Jorge Sambu in full flow covering every blade of the 3G pitch, also impressive was J'Ardell who kept the Dulwich forwards at bay. The player that had the stand buzzing in the first half though was our number 11, known as AK, playing left wing, he scored a great goal to put Boro 1-0 up, going past a couple of players, cutting along the byline and then firing past, ex-Boro goalie Dillon Barnes. Another of our new arrivals Manny also scored an impressive goal in the 2nd half to put us 2-1 up but as it was, 2 late goals for Dulwich gave them the win.

A few people at Tuesday's game weren't aware that an additional fixture has been put in for this coming Tuesday night, 6th August, with AFC Dunstable visiting Coles Park. Make sure you clear the diary and get down to the ground.

Next Saturday sees the season start for real, with our opening Isthmian League North game away at Basildon United. In some ways it feels like a long summer since the final game of last season and in some ways, it feels like yesterday. A lot of hard work has gone into getting to this point in our preparation and with a relatively new team and the acceptance of dropping down a step in the pyramid, it's also been a tough summer.

I've said it many times but I feel we bring a lot to whatever league we are in, we have the best fans that Haringey Borough could wish for and wherever we go we always try and bring a friendly, non-antagonistic and fun way about us and I know that will continue this season. New towns, new grounds and new sounds. Very much looking forward to it.

I am not at today's game and I'm going to unashamedly use this column to wish my mum a Happy 80th Birthday. Happy Birthday Mum! We have obviously had words about the birthday clashing with a pre-season friendly and I'm only thankful that there wasn't a league or FA Cup game scheduled for today!

Enjoy the game today and Come on Boro!!

Women's Team

Yet again another Sunday without a game with tomorrow's proposed game cancelled. Their next game is a friendly at home to Billericay Town Reserves on the 11th August @ 2pm, the first league game is on Sunday 18th August against Dussindale & Hellesdon Rovers at Coles Park with 2pm kick off.

Under 23s

The August league fixtures have been announced with their first game taking place at home on Friday 16th August 7.45pm kick off against Frenford Development.

U18s

The U18s fixtures have not been produced yet, the only game in the diary, albeit not knowing opposition or the date yet, so loosely in the diary is the FA Youth Cup game against the winners of Sawbridgeworth Town or Saffron Walden Town away, our game against the winners is due to take place week commencing 2nd September.

PAST ENCOUNTERS WITH OUR VISITORS

Like us, today's visitors have a history of name changes and amalgamations and this will be the first match between the Clubs at first team level under our current names although our Under 18 teams were in the same Division of the Southern Counties Floodlit Youth League in, 2018/19 and 2022/23.

Bearing in mind that under various names both Clubs have been in existence for well over 100 years it is surprising that there have been so few meetings. They came into being in 1909, two years after us, as Botwell Mission but as far as can be verified there were no early meetings with Tufnell Park as they played at Junior and Intermediate level in Leagues based in west London and the western home counties whereas Tufnell Park were already a Senior Club having been accepted into the Isthmian League in 1919. Having won the Great Western Suburban League for four consecutive seasons they were finally admitted to the Spartan League in 1924 and the first League matches between our Clubs then took place as our Wood Green Town "arm" was already in that League. They immediately established themselves at that level – winning the League in 1927/28 – before changing their name to Hayes in 1929 and moving on to the higher pastures of the Athenian League in 1930/31 in which they stayed until 1971 at which point they became Isthmians but although we too were Athenians from 1963 to 1984, having undergone a name change to Edmonton in 1950, Hayes were always in a higher Division. We too were Isthmians again for four seasons in the 1980s but never in the same Division although we did visit them in the 2nd Round of the League Cup in 1987/88 and lost 7-0. The zenith of Hayes impressive record came in the years 1996/97 to 2001/02 when after being Isthmian Champions in 1995/96 they were promoted into the then single Step 1 Division Conference – now the three Division National League. Indeed, had they collected just 7 more points in 1998/99 they would have been promoted to the English Football League but in 2001/02 they were relegated back to the Isthmian League. However, when the Conference was enlarged to three Divisions in 2004 they were re-admitted into its Southern Division and remained there until their existence ended in 2006/07 when they merged with Yeading.

Yeading began life in 1960 as Yeading Youth Club and dropped the "Youth Club" from their name in 1965. They remained in Junior and Intermediate football until 1984 when admission to the Spartan League was granted. After 3 seasons in that League they became Isthmians and they did visit Coles Park in season 1987/88 for an FA Vase 2nd Round tie which Borough won 2-0. By 1992/93 they had reached the Isthmian Premier Division and remained in it for 6 seasons, until relegation sent them back into its First Division for the next 6 seasons; winning Division One North In 2003/04 restored their Premier Division status and winning that in the following season earned them promotion to the Conference South and so spending the last two seasons of their "solo" existence with Hayes until the merger of the Clubs.

There is no doubt that before the merger both Hayes and Yeading were far more successful teams than us as can be seen by comparing the chart below with our Honours Board earlier in the programme

Since the Hayes/Yeading merger in 2007 our visitors have found trophies harder to come by; in 2010/11 they were runners up in the Middlesex Senior Cup and won it in 2022/23. The Southern League Cup was won in 2016/17 and they were Isthmian South Central Division Champions in 2018/19 but their trajectory has been largely downwards having started at Step 2 before spending three years as a Step 1 Club along the way. In all, their 17 years have seen them play three years at Step 1, six at Step 2, six at Step 3 and two at Step 4. But like us, relegation from Step 3 at the end of last season will see both Clubs operating at Step 4 this season. In contrast, our trajectory has been largely upwards as in 2007/08 we were at Step 6 and in the last 17 years we have spent one year at Step 6, seven at Step 5, three at Step 4 and six at Step 3. Along the way we have been Spartan South Midlands Division 1 runners up and Cup Winners in 2007/08, Spartan South Midlands Challenge Trophy winners in 2011/12, Essex Senior League runners up in 2013/14 then its Champions in 2014/15 and runners up the London Senior Cup of 2022/23.

It is highly probable that there have been meetings between the Clubs in the last century which are not mentioned above – most probably in London and Middlesex County Cups of which even the invaluable "Football Club History Database" website, which has been so useful in the composing of this article, does not have a year by year record of all early round games.

WHAT STATISTICS FOR THE LAST NINE SEASONS MIGHT TELL US ABOUT OUR CHANCES IN 2024/25

Our relegation back to the North Division means that we will be re-acquainted with 11 Clubs we met in our first 3 Isthmian seasons but not since.

There are 22 Clubs in the North Division and in our 9 Isthmian seasons we have met 14 of them in League (North and Premier Division) and Cup competitions – a total of 76 games. Our individual records against them are:-

TOTALS	76	38	12	26	141	111	30

* We have played these teams before but not during the last 9 seasons

So as percentages that's 50% won 16% drawn 34% lost. Last season the North Division played only 36 games and those percentages would have given us 18 wins 6 draws and 12 losses. 60 points would have seen us finish 7th (12 points short of a Play-off place), Next season will see us play 42 games and those percentages would give us 21 wins 7 draws and 14 defeats. 70 points would at best put us on the fringe of the Play-offs so a modest improvement seems necessary if we are to have a chance of returning to Step 3 at the first attempt; or a more substantial improvement if we are to secure the Divisional Championship and automatic promotion.
