HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF CHESHUNT FC

Cheshunt FC was the oldest amateur team in Hertfordshire back in 1931. Then the club disbanded, only to reform the year after the Second World War ended.

A gentlemen's amateur side of the same name preceded the current club. They were formed in 1880 and competed in the Athenian league, having future Spurs Manager Arthur Rowe amongst their numbers, before folding in 1931.

A new Club was formed in 1946, making national headlines only four years later when they knocked holders Bromley out of the Amateur Cup in front of a still-record 5,000 spectators at their newly opened Cheshunt Stadium on Theobalds Lane. Over the next twenty years the Club switched various leagues before finally emulating their old namesakes and joining the Athenian league in 1964, gaining promotion to the top division under former Spurs and Wales winger Terry Medwin a few years later.

The 1970's saw the arrival of John Drabwell as Manager and during his spells in charge, the London Charity Cup, the Athenian league and Cup double and entry into the Isthmian league were all achieved. In 1978 the Ambers also reached the FA Cup 4th qualifying round for the fourth time, an achievement they have yet to equal or better.

Four years later they were knocked out of the last eight of the FA Vase, the furthest they've gone in any national competition, and also saw the beginning of a young Iain Dowie's career who would go onto great success both as a top flight player, a Northern Ireland international and eventually as a Premier League manager.

Takeovers and withdrawals saw the near collapse of the club in the mid-80's causing them to tumble down into the Spartan league before returning to the Isthmian league six years later.

New Manager Andy Leese took over in 2002 and guided his side to two successive promotions and the top of the Isthmian Premier league before his sudden departure and near relegation in 2005 when the club was switched across to the Southern Premier league.

Relegation back to the lower Isthmian divisions came after three nail-biting seasons and another frustrating ten years would follow as the Club's new Chairman and owner, Dean Williamson, went through several managers before appointing Craig Edwards in January 2018.

Initially steering his side away from relegation, everything then clicked for Edwards and his team halfway through the following campaign and promotion to the Isthmian Premier league was achieved with victory in the play-off final against Bracknell Town.

With level-three football finally regained and major plans for redevelopment of the ground in hand, things were looking good for the Ambers. However, two seasons of limited opportunities frustrated players & staff alike as the Covid pandemic saw the 19/20 and 20/21 curtailed. Working behind closed doors within health guidelines the club retained most of the squad built for step three, and made a flying start to life in the Isthmian Premiership in the club's 75th Anniversary year.

A fantastic FA trophy run saw the club advance further than ever before finally going out to Vanarama National League champions Stockport County 1-0 in the 5th round. The Trophy run coincided with a slump in league form and a backlog of fixtures, the Ambers recovered in the latter stages of the season securing a play off place with one game in hand, and winning the Herts FA Senior Cup for the first time. Play off wins, away from home, over Bishop's Stortford & Hornchurch saw Cheshunt FC start the 22/23 season at the highest point of the football pyramid achieved in their 75 year history. Life at step 2 of the pyramid was short-lived after the team didn't recover from a poor start to the season & spent most of the year in and around the relegation places, relegation aside, it was a great experience with the club learning a lot from it on and off the pitch, and having had a taste of National League Football the objective is to do it again. With the fan base growing the stadium has had additional seven step terracing added to both ends of the ground and another 250 seats added to the Sports Bar Stand. The club continues to grow with Walking Football, Inclusive teams, A Women's Team and an ever expanding Youth section all seeing success over recent seasons.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Cheshunt, their players, supporters and committee, we also welcome our officials, referee Tommy Breen and his assistants Andreas Anastasiou and Peter Panayiotou.

I felt Saturday's game was good, it was certainly competitive with nothing friendly in some of the tackles which made it a good watch. It's been good to see Louis Maffia getting game time this pre-season, he was a star of the U23s last season and he brings energy and has a knack of being able to burst through from midfield to offer an attacking threat albeit his goal Saturday was a cross-cum-shot which flew in off the post, I hope he gets opportunities in the first team this season. I think the most bizarre initiative this pre-season has been watching a player, play in goal, play at centre half and play upfront, the Dutch are credited with inventing "Total Football" in the 1970's with players able to interchange with each other and take up different positions, Haringey Borough this pre-season have recreated "Playground Football" with Dillon Barnes playing in goal, turning his hand to being a rock at the back and being our number 9 leading the forward line. Now this experiment could be laughed off as a joke, but when he picked the ball up in the dying moments of Saturday's game and slotted it home to equalise, making it 2-2, there was no joke, just poetic laughter and much joy, it's not every day you get to see a goalkeeper who played 45 times for you the season before last, scoring at the other end in open play, he is now our joint top scorer in pre-season.

We have two friendlies left before it all kicks off for real, tonight against Cheshunt and Saturday against Woodford Town. We know the first two league fixtures, Dunstable Town away on the 26th July and Kings Langley here on the 29th July and I expect we will get the rest of our fixtures early next week. Given the way the calendar has worked out as we are in the FA Cup of the 2nd August and midweek following that is held for FA Cup replays, so the fixtures we are waiting for will start on Saturday 9th August through to the end of the season.

At the time of writing, we have had 83 people join the membership scheme which exceeds last year's total. It is tremendous that despite our recent plight so many of you have committed to the club by way of becoming a member, thank you. Membership badges will be available in a few weeks.

The number of season tickets that have been obtained is over 900, in order to try and promote that under 18s are free admission and for parents we have a free season ticket offer the club contacted schools in the Borough for them to promote to their pupils and parents. The club takes great pride in the number of children and teenagers that have made Boro their club, through initiatives such as the Junior Boro we hope this continues to grow and grow.

Enjoy the game and come on Boro!!

Women's Team

The first pre-season game took place on Sunday against Barking who are in the London & South East Regional League, the visitors leaving with a 5-0 victory, Boro had a lot of players on trial so will be hoping for a better show this Sunday when they take on Real Bedford Reserves, away. This game will take place at Kempston Rovers ground, Hillground Road, Kempston, MK42 8SZ. Kempston Rovers are in the Spartan South Midlands League so a ground the Men's first team will visit at some stage during the season.

The team will be participating again in the Eastern Region Women's League and the fixtures were released last week with the opening game being an away game against Wroxham on the 17th August. A nice local one to start the season off!!

Reserves

Apart from the name change we also have a new management team with Jamie O'Donoghue, Michael Smith and Junior Fenton taking the reins. Junior has been involved with the team for a number of years and Jamie is a familiar name as not only is he a previous first team player but he was involved in the U23s during their first season in the Essex Alliance League in 2023-2024. Michael is new to the Boro and we welcome him.

Fixtures have not yet been released for the Essex Alliance League but the season will start for the senior division on the weekend of the 15th August. The team will continue to play home games on a Friday night. Several friendlies have been arranged and over three Friday starting 25th July, the team will welcome FC Baresi Reserves, Wingate & Finchley Reserves and Cockfosters Reserves.

U18

The U18s are awaiting on the Southern Youth Floodlit League AGM to find out which division they will be placed into for the coming season, The AGM takes place on Monday 14th July so we should know more thereafter.

MUSINGS OF THE (FORMER) SECRETARY

This evening it is our pleasure to welcome our friends from a few miles up the A 10 for this our penultimate friendly of 5. We have not achieved victory in the first 3, all against Step 4 Clubs, so if we are to secure it today we will have to be at our very best for CHESHUNT are a Step 3 Club. Fortunately we have improved our performances game by game and last Saturdays 2-2 draw with Grays Athletic was well deserved especially as we twice had to come back from behind. A warm welcome is also extended to our Match Officials who are Tommy Breen in the middle with Andreas Anastasiou and Peter Panayiotou on the lines.

The present Cheshunt FC was formed in 1946 and entered the London League so the first six meetings between them and one of the components of our much merged Club would have been in season 1947/48 when Edmonton Borough joined the London League and the following two seasons before they merged with Tufnell Park in 1950 and played under the name of Tufnell Park (Edmonton). Cheshunt became founder members of the Delphian League in 1951 so the next two meetings were in 1954/55 when Tufnell Park also joined the Delphian's. Cheshunt left that League in 1955 and the Clubs were not to meet again until season 1964/65 when both were in the Athenian League Division 2, by which time the Tufnell Park name had been dropped, and we were playing just as Edmonton and in 1965/66 at the end of which season Cheshunt were runners up and promoted so it was not until 1973/74 when we were playing as Edmonton & Haringey that the Clubs were in the same Division again; but only for 4 seasons in the last of which we met for the first time when playing under the name of Haringey Borough. Cheshunt then left the Athenian's and it was not until 1984/85 that meetings resumed in Division 2 North of the Isthmian League and continued for 2 more seasons before Cheshunt left the Isthmian League and became Spartans. However matches resumed in 1989/90 when Borough were also admitted to the Spartan League and continued in the following 3 seasons before Cheshunt left to become Isthmians again. When we too became Isthmians in 2015 matches between us resumed. In recent years pre-season friendlies have been held. The results of the Isthmian and Spartan meetings from 1983 onwards and recent Friendlies are shown in the table below.

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
