HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF WOODFORD TOWN FC

Story of 'The Woods' since 1937

THE EARLY YEARS

Woodford Town Football Club was established in 1937, and were founder members of the Delphian League. In 1950 we lost 7-1 to Colchester Utd in the 4th Qualifying round of the FA Cup in front of a ground record of 7000 at Snakes Lane. The superbly named Johnny Bee stung our illustrious opponents into action with a sensational 9th minute strike before all hopes of a famous giant killing were cruelly swatted in the second half.

Amongst noticeable players to grace the white Woods shirt was a certain Johnny Haynes soon to leave an indelible mark on the game at Fulham and England and later given legendary status as Football's first £100 a week player at a time when wages regularly failed to reach the minimum wage of the time.

In 1961 we switched to the Metropolitan League, before joining Division One of the Greater London League in 1967. We left the Greater London League at the end of the 1968–69 season and rejoined the Metropolitan League in 1970.

The 1970's

At the end of the 1970–71 season we joined Division One South of the Southern League but left after a single season in which we finished bottom of the table. We joined the Essex Senior League in 1976, before switching to the Athenian League in 1979.

THE 1980's

We rejoined the Southern Division of Southern League in 1982 where illustrious Tottenham Hotspur International duo Jimmy Greaves & Joe Kinnear were among a number of eye catching signings, albeit in the twilight of their careers.

Amazingly we played in the Anglo-Italian Cup in 1986 losing 4–0 to Piacenza in the semi-final and then 3–2 to Merthyr Tydfil in the 3rd Place play-off, the former game featured on Italian TV.

After finishing third in 1986–87 and reaching the first round of the FA Cup for the first time, we dropped back into the Essex Senior League at the end of the season.

Despite the disappointment Woodford had put themselves firmly on the football map succumbing only to a very late Colin Foster goal against Leyton Orient in the aforementioned match in front of another bumper gate at Snakes Lane, a game after which star striker Paul Williams was transferred to Charlton Athletic for an undisclosed sum after an eye catching display on a bumpy surface very much of the day.

THE 1990's

In 1993 we lost our Snakes Lane ground, and transferred to Division One of the Spartan League, which merged into the Spartan South Midlands League in 1997, with Woodford placed in the Premier Division South.

However, we left the league in 1998 and dropped into the London Intermediate League, before returning to the Essex Senior League in 1999. We remained in the league until being voted out in 2003 after finishing bottom of the league for three seasons in a row.

THE 2000's

In 2017 we returned to the Essex Senior League reverting back to our original name – Woodford Town Football Club.

Despite nomadic spells at Broxbourne Borough and Harlow Town 'The Woods' began to attract interest for their attacking, youth based playing style which saw Teenagers Ryley Scott and Jaden Brissett picked up by Ipswich Town and Brentford respectively and their unique fan base establishing itself amongst the loyalest and noisiest in Non League Football.

The link with football history didn't stop there either as Woodford Town won a thrilling FA Cup tie v London Colney in front of 375 fans at the Harlow Arena on 31st August 2020. The singular Friday night fixture goes into the record books as the only time The FACup has ended and started in the same month, a slice of football trivia unlikely to be repeated.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Woodford Town, their players, supporters and committee, we also welcome our officials, referee Andreas Anastasiou and his assistants Jake Hinckson and Patrick Billong.

This is it then, the last pre-season friendly before the action starts for real, five friendlies is generally a low number for us but given the early start, in fact we've never started a season in July in our history before, five friendlies were really all we could fit in.

The signs over the last few weeks have been good, existing players getting minutes and new players settling in, given the early start to the season it's been difficult getting a settled side with holidays, injuries etc. but hopefully the players are raring to go. It is imperative to get off to a good start, we didn't do that last season and we paid the price and the previous season after being 2-0 at Canvey Island, ending up losing 3-2 knocked the stuffing out of us. From the first whistle next week we have to be on it, in fact from our arrival at the ground, we need to be on it.

There is always an excitement to a season starting, the anticipation and the expectation of a good season and what the following nine months may hold. Many of us will have not visited the towns and grounds we are going to, so that adds an air of mystery, having travelled up the A1 for a recent league meeting, I was playing spot the town we'll be travelling to from the signposts along the way. I hope we travel in numbers and represent the club well, we all need to play our part.

I have mentioned over the couple of seasons the need to create a positive environment around the club, it's been extremely difficult to do that recently and I know moods are created by results on the pitch but we do really all need to be upbeat going into the season, we need belief and we need a positive buzz from the first person you see coming into the ground to everyone you see around the ground, and again we all have a part to play.

Tuesday night saw us draw 3-3 against Cheshunt, a game we should have won but another good workout and we saw some good play especially going forward. Two goals came from Jonathan Hippolyte, our number 11 and he has been impressive in pre-season, the goals took his tally to three in pre-season and the way he found space and his finishing bodes well that he will be a constant threat this season. Mentioned in Tuesday's programme Louis Maffia again took his opportunity to show us he is pressing for a starting place with another impressive performance. Our other goal scorer was Herson Alves, who was in the number 8, he seems a very confident player, I can't describe a trick he's done a few times to move the ball away from an oncoming opposing player except it looks good and I know if I tried it I'd fall over, certainly looking forward to watching more of him, I've got a feeling he could become a firm favourite.

I mentioned in a previous article about there being Sin-Bins in operation at Step 5, we have been including an infographic from the FA on their use in all programmes to date, let's hope the players have read it and we don't fall foul of the having any or many in the bin, should anyone get sinbinned I suggest we all turn away and not look at Tom's interaction with the player. Another rule change which is football wide, will see goalkeepers only being able to hold the ball for 8 seconds before they have to release it, so no swan diving and cuddling the ball for longer than 8 seconds, as has become the norm in recent seasons, if an offence is committed, then the attacking team will be awarded a corner. Previously there was the six second rule which always created hysteria with fans who assisted the referee by conducting a count, the duration of which went along the lines of "1...2...3.4.56 REF", I look forward to listening to those behind the goal interpreting 8 seconds. Even funnier could be that referees are meant to signal and count down the last five seconds to assist the goalkeeper in how long they have left.

As a reminder our first two fixtures in the Spartan Midlands League are Dunstable Town away on the 26th July, followed by Kings Langley at home on Tuesday 29th July. The Kings Langley game is during school holidays so if you are not away, maybe as a treat an evening game under the Coles Park lights is a nice way to start the holiday season.

In the FA competitions we will host Halstead Town on Saturday 2nd August, 3pm kick off in the FA Cup Extra Preliminary Round. Halstead finished 13th in the Essex Senior League last season, so are a step 5 club like ourselves, we have played them one before but in the FA Vase. So, with the two league games and the cup

draw we now know what our first week of the new season looks like fixture wise. If you've missed watching the Boro, the games will be coming thick and fast once the season starts in earnest.

In the FA Vase first round, we have been drawn away to Stanway Pegasus on the 23rd August, Stanway play at Coggeshall Town's ground and I am aware the Travel and Pubs Secretary is already on the case to ensure a suitable trip and watering hole are found. Stanway Pegasus finished 2nd in the Thurlow Nunn First Division North, being beaten in the play off final by Harwich & Parkeston 4-5 on penalties. The game will be the first between the two clubs.

Finally, a thank you to Naoki who has been providing the front cover photos, having taken an interest in joining us to enhance his interest in football photography and add to his portfolio he has taken some excellent photos of the pre-season games.

Enjoy the game, come on Boro and look forward to seeing you next Saturday in Dunstable. Sing if you're Haringey, sing if you're happy that way!

Women's Team

The first pre-season game took place on Sunday against Barking who are in the London & South East Regional League, the visitors leaving with a 5-0 victory, Boro had a lot of players on trial so will be hoping for a better show this Sunday when they take on Real Bedford Reserves, away. This game will take place at Kempston Rovers ground, Hillground Road, Kempston, MK42 8SZ. Kempston Rovers are in the Spartan South Midlands League so a ground the Men's first team will visit at some stage during the season.

The team will be participating again in the Eastern Region Women's League and the fixtures were released last week with the opening game being an away game against Wroxham on the 17th August. A nice local one to start the season off!!

Reserves

Apart from the name change we also have a new management team with Jamie O'Donoghue, Michael Smith and Junior Fenton taking the reins. Junior has been involved with the team for a number of years and Jamie is a familiar name as not only is he a previous first team player but he was involved in the U23s during their first season in the Essex Alliance League in 2023-2024. Michael is new to the Boro and we welcome him to the setup.

Fixtures have not yet been released for the Essex Alliance League but the season will start for the senior division on the weekend of the 15th August. The team will continue to play home games on a Friday night. Several friendlies have been arranged and over three Friday starting 25th July, the team will welcome FC Baresi Reserves, Wingate & Finchley Reserves and Cockfosters Reserves

U18

The U18s will be in the Southern Youth Floodlit Counties League – Nemean Division, the other teams in the division are Cockfosters, Enfield Borough (Youth), West Essex, Edgware & Kingsbury A, Edgware and Kingsbury B, NW London U18 and Takeley. Fixtures are not yet published.

MUSINGS OF THE (FORMER) SECRETARY

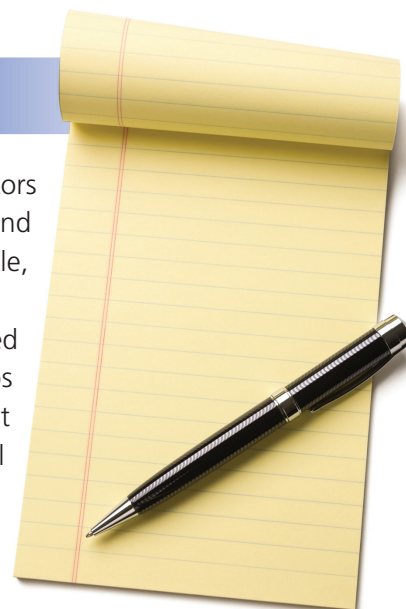

This afternoon WOODFORD TOWN of the Essex Senior League are our visitors and we extend a warm welcome to their players, Officials and spectators; and likewise to our Match Officials who are Andreas Anastasiou with the whistle, Patrick Billong and Jake Hinkson with the flags.

Woodford Town were formed in 1937 and after the Second World War joined the London League. The first few meetings with one of the component clubs which have merged to become Haringey Borough would have been in that League for Edmonton Borough joined it in 1947/48 merging with Tufnell Park to form Tufnell Park (Edmonton) FC in 1950. In 1951, Woodford were founder members of the Delphian League which Tufnell Park (Edmonton) joined in 1954 so for 7 years, until Woodford left in 1961, meetings resumed. It was not until 1979/80 that the Clubs were again in the same

League, The Athenian, with both Clubs winning their home game, Borough by 1-0 and Woodford by 5-0. Matches followed for two more seasons before Woodford left to join the Southern League and in their last Southern League season, 1986/87 Borough were drawn at home to them in the 2nd Qualifying Round of the FA Vase. That was quite a memorable occasion for despite being 3-0 ahead by the midway point of the second half Borough then shipped 5 goals to become losers. For one season -1996/97 – both were members of the Spartan League Premier Division and both matches ended in away wins by 1-4 at Coles Park and 2-4 at Woodford. In the next season which was the first of the merged Spartan and South Midlands League they met again and both games finished 1-1. That was the last League match between the Clubs for at the end of that season Woodford left to be founder members of the London Intermediate League for one season before returning to Senior football in the Essex Senior League of which they are now members but were not such in the 2 seasons Borough spent in that League. Last season our Under 23s played their Reserves 3 times in the Essex Alliance Senior Division with Borough winning 3-0 at home and 4-0 away but Woodford won the Senior Division Cup game at home by 3-1. They will meet again this season but by a curious co-incidence we will now be playing as Haringey Borough Reserves and they will be Woodford Town Under 23s. There was a pre-season friendly at Coles Park in July 2022 which Borough won 7-1.

Today's game concludes our pre-season friendlies and the previous 4 ended with 2 defeats and 2 draws. But there is no cause for concern as all games were against Step 3 or 4 teams and each performance has been an improvement on its predecessor. Last Tuesday a fine attacking display in the first half gave us a 3-2 lead against Cheshunt and the second half was an even affair with just one goal scored late on by Cheshunt. So if we do not win today we will go into our League campaign still searching for our first victory of the season. That will start next Saturday at Dunstable Town's Creasey Park Stadium in Brewers Hill Road, Dunstable, LU6 1BB, a venue with which we are very familiar although the majority of visits have been for games of our Womens and Under 18 teams with AFC Dunstable who also play there. The following Tuesday evening we will stage our first home League game when Kings Langley will be the visitors. Like us they were relegated from Step 4 at the end of last season – from the Southern League in their case. On Saturday 2nd August we will be visited by Halstead Town in the Extra Preliminary Round of the FA Cup. We have only played them once before and that was in season 2006/07 when they came to Coles Park for a 1st Qualifying Round FA Vase game and left as 4-1 winners.

Our Women opened their Friendly programme with a visit from Barking FC of the London and SE Regional League last Sunday and Barking were deserved winners, although 5-0 was a bit harsh on us, but Barking took their chances confidently while we wasted all ours and were up against a fine goalkeeper. Tomorrow they will visit Real Bedford Reserves who play in Hillgrounds Road, Kempston, MK42 8SZ which is a venue our First Team will visit for a League fixture with Kempston Rovers at some time during the season.

We were due to play Woodford Town in a pre-season friendly last year when this article was first published in the programme but given it hasn't been a long wait to get another game organised, I thought I would include it again today, as we are appropriately playing the same opposition we did when Jimmy Greaves graced the Coles Park pitch nearly 46 years ago.

When the Athenian League fixtures were announced for the 1979/1980 season, I am sure Tuesday, 21st August was one date many Boro supporters and ground hoppers had identified as a must-see game, after all it's not every day you get to witness a World Cup winner playing at non-league. It was also our first league home game of the season. In the preview to the match, it is said that Joe Kinnear had also signed for Woodford but I've not been able to find any reference to whether he played or not. Judging by the report below it certainly did grab the attention of many fans and whilst they were there to see Greaves, they were also able to witness a 1-0 victory for the Boro. So, Greaves got to say he had the privilege of playing at Coles Park and we claimed the points. Happy days all round.

It didn't take Woodford or Greaves long to gain revenge though, as the return league game was played only 4 weeks later on the 15th September 1979, with Woodford winning 5-0 and Greaves scoring a penalty.

As someone once said, "It's a funny old game!"

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
