HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

Third round replay,
1980–81

It was in 1897 that members of Sawbridgeworth Cricket Club decided to start a football club during the winter months.

The first match was a friendly" against a public school XI, (probably Felstead) and a then schoolboy spectator at the game, tells that the Sawbridgeworth XI wore purple jerseys and the ref, (probably a schoolmaster) wore a black and white blazer. Sawbridgeworth lost 1-0.

Their first League was the Stortford and Stansted, and there are fixture cards dating back to 1900, playing at Great Hyde Hall, just on the Herts side of the Herts/Essex border. HQ was a room in the White Lion pub in the town centre.

In the 1920's they played in the East Herts League, winning the title in 1924. During this period they played Burnham Ramblers, (who would become Essex Senior League fellow members 50 years later) in a Cup Final at Coopers Field, a popular ground roughly where the Hand and Crown pub is now. Gate takings were £50 and as the entry fee was sixpence, that suggests that 2,000 people were at the match!

Ramblers won 2—1.

In 1930 STFC moved to the present ground. Surrounded by farmland, access was from Cambridge Rd (still used by pedestrians). It became known as 'The Cambridge Road Ground'. In the late 1960's/early 70's the housing estate was built and a new entrance made at the end of Crofters, hence "Crofters End".

After an unsuccessful season in the Spartan League, STFC joined the Herts County League Div One in 1953 but another unsuccessful season saw them join the Bishops Stortford, Stansted and District League in 1955.

The Club was a founder member of the Essex Olympian League in 1966 and League Champions in 1972, also winning the Herts Intermediate Cup, beating Cockfosters 1-0 at Ware's old ground.

In 1975 the Club applied to Herts County to gain senior status and were advised to apply for entry into the Herts Senior Cup.

Despite losing 2-1 away to Boreham Wood, they acquitted themselves well enough to attain Senior status.

STFC joined the **Essex Senior League** in 1976 and spent 48 out of 49 seasons there, League runners up in 1993 on goal average to Ford Utd and runners up to Canvey Island in 1996. The Reserves won their League title twice. STFC hold the record for the number of League Cup Final appearances (seven times) but only winning it once when beating Stansted 2-0.

The Club also won the Herts Charity Shield three times playing the matches at the Hertfordshire HQ at Letchworth.

This season STFC return to the Spartan South Midlands League, and after a season in the Essex Senior League

BOROUGH JUNIORS MASCOT MOMENTS

We were delighted to kick off the season in style with Beau, aged 13, taking centre stage as our very first mascot of the campaign.

Beau had double the reason to smile - not only did she lead the lads out for the opening fixture, but she was also celebrating her birthday! What a fantastic way to mark the special day.

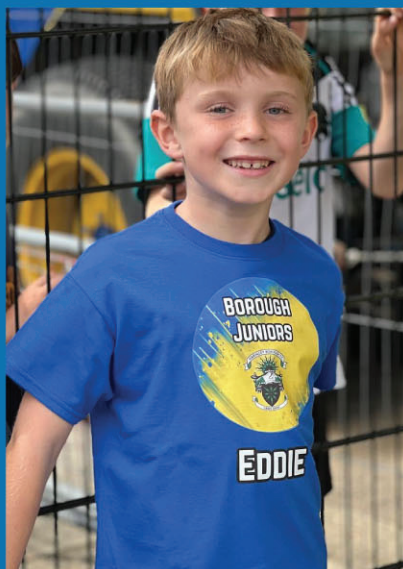

BOROUGH JUNIORS MASCOT MOMENTS

Our second home game saw Eddie step into the mascot role for a memorable afternoon against Halstead Town. That match will long be remembered as the day Boro booked their place in the next round of the FA Cup.

Eddie made the most of his big day - joining the players for training, meeting club officials and, of course, proudly leading the team out onto the pitch in front of the home crowd.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Sawbridgeworth Town, their players, supporters and committee, we also welcome our officials, referee Andrew Wheaton and his assistants Lee Dunnings and Paul Riddick.

Saturday away at Winslow United was a very enjoyable day out, situated in a village with a couple of pubs and a couple of chip shops it felt a proper away day, there was also a good number of Boro fans that made the trip and made the atmosphere at the ground. As for the scoreline, that was also very enjoyable, its fair to say whilst it was four nil it could have been seven or eight such was our dominance. Despite this being an online programme, we still have deadlines to provide our articles to the editor, as such the Halstead report later down in the musings was written last week, the players must have had insight into the clean sheet comment as there they go next game not conceding and a clean sheet bonus earned, if that is a thing. In the game we never really looked like conceding, Ashlee had very little to do and commanded his area whenever there was a sniff of a chance from the opposition. Another comment from the Halstead report was regarding Bilal and him whetting the appetite, well on Saturday he had us mesmerised, every time he got the ball there was expectation, he scored two great goals in the first half cutting in from the right and Winslow just couldn't handle him. Other positives were, it was great to see Matt Young spaying the ball around, he played a lovely ball to set Bilal free for his second and was also busy in defence, winning the ball back on several occasions. Our other goals came in the second half, a header from a corner from Scott and a bundled goal from Dillon Barnes following a mistake from the opposition goalkeeper when dealing with a back pass. Three points won and a good team performance, it was certainly a happy journey home.

Following that win it sets up tonight's game against league leaders Sawbridgeworth Town, who have a 100% record, nine points from three games played. We currently sit third. two points behind, so it will be a good test and a benchmark of our prospects this season.

10 days ago we had a competitive FA Cup game against Halstead Town, I didn't think we were ever in trouble but at the same time we made hard work of it, following "Cash" Hippolyte's goal after 3 minutes. A continual theme of the opening weeks of the season has been soft goals given away and the same could be said of the Halstead Town's equaliser a ball played into the middle found their striker unmarked and he easily finished. We need to tighten up, clean sheets and Haringey very rarely appear in the same sentence. That said after the equaliser apart from an offside goal from the opposition we stepped up and took the lead through the best player on the pitch, Jorge Djassi Sambu, a header just before half-time. Jorge has been superb in the two games he has started and it feels like he has a point to prove or has decided as he is the most senior player in the team he needs to lead by example, whatever it is, it is great to see. Our third goal came from Bilal, who came off the substitute's bench and provided a 30 minute cameo to whet the appetite as to what we can look forward to from him, one ball he pulled out of the sky would have had me pulling my hamstring, albeit my leg wouldn't have got that high in the first place, a great bit of skill to set up another chance. As it was there were no drama's and we take our place in the Preliminary Round against Stanway Rovers this coming Saturday, 16th August. I can't finish mention of the match without praising Halstead, it was great dealing with them to set the game up and on the day, they were lovely people. Football is a competitive sport that goes without saying, but it's always nice to interact and meet good people from the opposition.

Our most recent signing has certainly put a smile of everyone's faces, to re-sign Coby Rowe is amazing, I saw someone mention Coby reminds them of the Monday night games and he absolutely does, one memory is his free kick against Aveley on a freezing cold January night, which would get upstaged soon after by Austin Byfield, our previous goalscoring goalkeeper, but that night, Coby's free kick was special. You know which players are held in the highest esteem as when they leave the WhatsApp's fans groups follow their progress, as such Sutton United and Aldershot were covered in depth during Coby's time at both.

As mentioned, this Saturday we have Stanway Rovers at home in the FA Cup, as it's a cup game season tickets are not valid, if you want an omen, the last time we entertained Stanway Rovers in the FA Cup Preliminary Round was the season we got to the First Round Proper and played AFC Wimbledon, you never know!

Should Saturday's game end in a draw the away league game at Harlow Town due to be played next Tuesday will be postponed as there will be a replay.

Let's get behind the team tonight, it's a good chance to make a statement against the leaders and show that the Boro will be in the mix when it comes to promotion or play off places. Come on Boro!!

Women's Team

The team beat Clapton Community 7-3 in a friendly away on the 3rd August, a number of trialist played and the game can be described as the game of two water breaks, we went into the lead 3-0 and looking likely to score every time we went forward then there was a water break and Clapton went into the ascendancy bring the game back to 3-2, then a second half water break, set Boro up to end the game by scoring a further four goals.

On Sunday the teams last friendly ended in a 5-2 victory against Hackney. So that's it in terms of preparations, it's now onto the first league game of the season Wroxham away on Sunday.

Good luck for the season, always difficult with only one team promoted but Boro have held their own with the promoted teams in the last few seasons, it's mainly been consistency that has been the issue, beating teams at the top has been a frequent occasion

Reserves

This Friday the Reserves kick off the Essex Alliance League season against Chadwell Heath Spartans at home, 7.45pm KO. As there are no other Friday night games we are literally kicking off the league season. The team have done well in pre-season friendlies so high hopes are expected. Again, only one team are promoted and as they are a reserve side they can only be promoted into the league above and that's the ceiling of their ambitions.

We wish the new management team of Jamie O'Donoghue, Junior Fenton, Michael Smith and Daniel Shiels well. Jamie is already in the Haringey Borough Hall of Fame for being part of the victorious team against Welling United in the FA Cup 2017.

U18s

The U18 have yet to kick off their league season and are awaiting fixtures. The FA Youth Cup game away at Tilbury is being arranged and looks like it will be Thursday 4th September. Watch this space for further updates.

THE (FORMER) SECRETARY'S MUSINGS

Matches with this evenings visitors, Sawbridgeworth Town, have been quite frequent and have included several between our respective Womens teams as well as First Team matches. They were formed as Sawbridgeworth FC in 1897 and until 1976 played for most of the time in Junior and Intermediate Football. They then added "Town" to their name and despite being in Hertfordshire were admitted to the Essex Senior League in 1976/77 retaining unbroken membership of that League up to and including 2022/23 and we met them 5 times during the 2 seasons we spent in that League. They were one of only 3 teams to inflict a League defeat on us in our first season, 2014/15 by 3-1 in a somewhat fractious meeting at Crofters End. In 2023/24 they were switched sideways into the Spartan South Midlands League but finished bottom of its Premier Division and were back in the Essex Senior League in 2024/25 only to be reallocated back to the Spartans this season. A consequence of being so close to the Hertfordshire/Essex border. The table below records the individual matches the first having been a pre-season friendly in 2006. They have also visited Coles Park on several occasions to play games against our various ground-sharers. There have also been meetings between our respective Women's teams in the Eastern Region Womens League.

BEFORE YOU CURSE

MIND YOUR LANGUAGE

Respect

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
