HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th. in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF TRING ATHLETIC FC

THE EARLY YEARS

Tring Athletic Youth FC was formed in March 1958 by a group of local men who contributed towards the purchase of 3.4 acres at Miswell Lane in Tring. The cost of providing changing rooms, fencing, equipment and ownership of the ground was approximately £2,000, a lot of money in those days. Originally the Club was formed to provide football for youngsters aged under 21 and despite playing against adult teams, won many trophies in the West Herts Saturday League during the early 1960's including the Division 1 title 3 times in 5 years.

SOUTH MIDLANDS FOOTBALL LEAGUE

In 1988 we joined the South Midlands and as a result gained senior status with the Herts FA. We established ourselves in the South Midlands by gaining promotion to the newly formed Senior Division in 1993. In the subsequent 16 years, we won many trophies and cups and established ourselves as one of the premier teams in the league.

SEASON 2004/05 – A new season, a new division at a new ground in Cow Lane, Tring, with fantastic facilities. First team finished 6th in the Premier Division and also won the St Mary's Cup for the 3rd time defeating Hemel Hempstead in the Final. We were also Runners Up in the South Midlands Floodlit Cup Final losing on penalties to Oxhey Jets. Played in the FA Vase for the first time.

SOME HIGHLIGHTS

SEASON 2010/11 - The First team finished in its then highest position, runners up to Chalfont St Peter in the SSMFL Premier Division. They also won the St. Mary's Cup for the fifth time, defeating Leverstock Green 2-1 after extra time.

SEASON 2018/19: The First Team were runners up in SSMFL Premier Division and happily, the Reserves were Suburban Football League Central Division Champions and the "A" Team were Herts Junior Cup Winners and West Herts Senior Cup Finalists.

SEASON 2021/22. We began this season with a new management team, headed by Ryan Sturges and Lee Groves, both former players at the Club. The covid pandemic provided us with the opportunity to complete a number of behind-the-scenes projects including installing new floodlights and re-furbishing the clubhouse. Our victory in the Premier Division Cup Final was just reward for the players and for the behind the scenes group.

SEASON 2022/23. We finish ninth in the league, whilst the highlight of the season was our unprecedented run in the FA Vase competition, losing only narrowly in the fifth round to Bury.

SEASON 2023/24. Tring had a great second half of the season and finally finished 6th, just one position shy of a play off place. We win the Herts Charity Shield, beating Oxhey Jets in the final. Our midweek U18 side win the Southern Counties Youth League, unbeaten during the season and with a great FA Youth Cup run to cap it off.

SEASON 2024/25. Tring are represented by 5 teams with the U18 team again being very successful losing only 1 match in the season. However, pride of place goes to the 1st team who enjoyed their best ever season. We finished 2nd in the league and celebrated with victories in two cups – the Herts Charity Shield and the league's Gladwish Trophy and appearing as finalists in the St. Mary's Cup.

SEASON 2025/2026 Onwards and upwards for all!

THE SECRETARY'S MUSINGS

We offer a warm welcome to Tring Athletic, their players, supporters and committee, we also welcome our officials, referee Robert Poole assistants Noel Glavin and Lior Koskas.

Tuesday night felt like two points dropped as opposed to one gained, behind for most of the game, Jorge's 86th minute equaliser was all we had to show for peppering the Harlow goal for most of the game. There are positives to be taken it's not that long ago that conceding first would have meant an inevitable defeat, to be fair it's not that long ago that scoring first would have meant an inevitable defeat. I'm joking! This season has brought a different mindset, I would imagine like many others, I turn up to a game and expect us to win, maybe that's why Tuesday was disappointing. You will have seen from our line up that a number of enforced changes were needed as a result of injuries and illness, hopefully we can get a couple of those missing back today. Having established players missing did give opportunities for a few of our reserve team players to get into the first team and despite being unused substitutes it will have still given them valuable experience of being with the first team. I hope Tom's half time team talk at one nil down hasn't left them traumatised. The Harlow goal was scored by Stefanos Georgiou who came back to haunt us, I thought Stef was their best player and he caused us problems playing on the wing particularly in the first half.

Onto today's game, the league is incredibly tight with not much separating the top nine teams albeit Arlesey Town and Winslow United have an advantage over the other seven currently. We sit fifth with Tring Athletic tenth. We have some big league games coming up and by Christmas we should have a good idea of whether we'll be fighting for automatic promotion or playoffs, personally I think we are good enough to compete for top spot and I expect us to, consistency is key, we are on an eleven game unbeaten run, seven wins, four draws and although some of those have been cup games, if we convert a few of those draws into wins we will be there or thereabouts in terms of being in contention for top spot. Including Tring today, we have seven of the teams in the top ten at home.

You will see if the programme that we are supporting a number of charities, Wrap Up London are collecting coats to keep people warm this winter and we have been provided with sacks to take much needed donations, thank you to Trey Francis for promoting and bringing this to our attention, I hope you will have a look to see if you have any items you can offer. Also, we have been in touch with Food Bank Aid who are looking for donations of toiletries, working with numerous food banks around the North London area including many within Haringey, there is a list of needed items or you can donate via the link on the poster. Thank you for supporting these initiatives it means a lot to us to be able to provide support these charities in their endeavours.

Back to the game. Let's get behind the team and Come on Boro!!

Women's Team

John has covered the game against Bristol Rovers in the FA Cup later in the programme all I would like to add is that it sounds like we gave as good as we got and that everyone is incredibly proud of the team. Given the number of media requests, we had leading up to the game, they have promoted themselves and the name of the club incredibly well. Good luck to Bristol Rovers in the next round.

This Sunday the team are at home to Wroxham in the league and that is a 2pm kick off.

Reserves

The Reserves were without a game last weekend but are away today to second in the league, Saint City. Next Saturday they are again away this time to Chadwell Heath Spartans.

U18s

FORTUNE DOES NOT ALWAYS FAVOUR THE BRAVE !.....

(repeat of article in last Tuesdays programme for those not at that match)

.....as our WOMEN found to their chagrin last Sunday when National League Division 1 South West BRISTOL ROVERS visited Coles Park in the 1st Round Proper of the WFA Cup. Unfortunately we conceded a soft goal after 2 minutes but if the visitors thought they were in a "just need to turn up" fixture they were soon divorced from that belief as we shrugged off the reverse and for the remainder of the first half an unknowing spectator would have been unable to work out which was the National and which the Regional team. An enthralling end to end game ensued with plenty of chances created in roughly equal numbers by both teams but two stubborn well organised defences held firm. The second half continued in the same vein and we looked quite capable of forcing at least a penalty shoot out but mid-half Rovers scored a second goal, this time without any assistance from us, leaving a mountain to be climbed. Of course we gave it a go but hope was more or less extinguished some 15 minutes or so before the end when injury reduced us to ten players after all substitutes had been used. Naturally Rovers took advantage of their numerical superiority and we did well to restrict them to just one more goal. So 0-3 it finished – a harsh and unjust margin given our overall performance. Astonishingly our goalkeeper was a player we met for the first time at the previous midweek training session, Vicky Kariuki and our current problems in that position meant that she was well and truly thrown in at the deep end a few days later. Vicky was not at fault for any of the goals and how many 'keepers can say they made their Club debut against a team from the highest level the Club had ever previously met. Secretary Karla was highly relieved by her recruitment as otherwise she would have been drafted in to deputise for the second match running. The squad was Vicky Kariuki; Summer Young; Lexi Wade; Tayla Dennis; Vedhika Walia; Chloe Ions; Zara Kerstein; Connie Wakeford; Nia Garwood; Jada Pollendine; Renea Jarrett + Substitutes Fatima Husein; Amy Haynes; Ronnell Humes; Shanice Taylor Newsam; Elisia Huetson; Shanique Brown; Karla Parker – substitute keeper (unused). After the match several people, including the Match Officials, expressed how our girls were a credit to themselves, the Club and of course our dedicated management team of Bobby, Adem, Karla and Kiki. Finally a thank you to our noisy, musically minded supporters who turned out in force to spur on the team by creating the good natured atmosphere they always do - win, lose or draw - which did so much to make it a day which will long be fondly remembered despite the outcome.

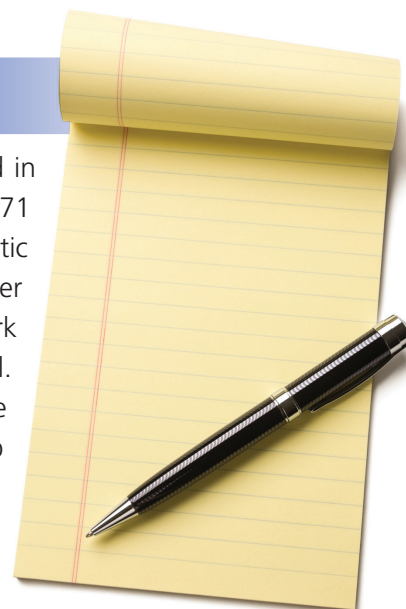

A POEM FOR HARINGEY BOROUGH WOMENS FOOTBALL CLUB

*I have become an avid fan of you all too,
and I am sure you appreciate my support,
Just seeing you play I am having a ball,
Thinking about Sunday I have just had a thought,
You can only do your best in this special match,
But you have a really good team,
You have a great advantage on your own patch, and I really hope
you can win and achieve your dream,
You can do it!
Good Luck from Phil xxx

THE (FORMER) SECRETARY'S MUSINGS

Tring Athletic was formed in 1958 as Tring Athletic Youth FC and played in the West Herts Saturday League. When the age limit was dropped in 1971 they became just Tring Athletic. Our first meeting with them as Tring Athletic was not until season 2004/05 when they had won promotion to the Premier Division of the Spartan South Midlands League and their visit to Coles Park on the opening Saturday of that season was their first game at that level. To obtain promotion they had absorbed Tring Town in 2003 so as to gain the use of Town's Pendley Sports Centre in Cow Lane. Tring Town was a Club with which the Wood Green Town branch of our merged Club had played on numerous occasions as Tring Town joined us in the Spartan League in 1953 and matches continued until we lost our Spartan membership after the 1966/67 season. As Haringey Borough we first played Tring Town in the 3rd Round of the FA Vase in season 1978/79. The 28 results against both Town and Athletic since we became Haringey Borough are charted below.

THE NON-LEAGUE PAPER

ESSENTIAL READING FOR FOLLOWERS OF THE NATIONAL GAME

THE week leading up to Halloween proved to be something of a horror show for Non-League bosses everywhere as the managerial merry-go-round clicked into overdrive.

As a result, it caused endless nightmares for us at NLP Towers as the news pages had to be constantly updated and, in the case of John Coleman's Friday afternoon arrival at Aldershot Town, ripped up and rewritten completely.

We were perhaps given a sign of what was to come when Kettering Town announced the departure of Simon Hollyhead just minutes after their 4-0 defeat at Redditch United on Saturday with the former assistant at Champions League side Malmö having resigned from his Poppies' post at two days previous.

It's fair to say it wasn't a good week for Isthmian League bosses with a high percentage of departures coming in and around the M25.

Club legend Drew Cooney left East Grinstead Town after four years in charge.

Cooney made over 500 appearances for the Wasps before taking over the hotseat in 2021.

He quit after picking up just one win from his opening 11 games in charge of the Isthmian South East club.

League rivals Hastings United also made a change with former Whitehawk boss David Altendorff replacing Lee Carey in the U's hotseat, while former England manager Peter Taylor stood down at Isthmian North side Canvey Island after five months in charge following the Gulls' midweek defeat to Benfleet in the Essex Senior Cup.

Tilbury too have new joint-bosses with George Christou and Jack Toghli coming in for Marc Harrison and Liam Wallace, who left the Dockers by mutual consent.

It was all change also at Lewes after it was announced that popular former boss Craig Nelson had returned to the Dripping Pan hotseat after six months away, replacing Bradley Pritchard.

Nelson steered the Rooks to their best league start in over a decade last season before being snapped up by Tonbridge Angels.

There's no busier owner in English football right now than Bracknell Town's Kayne Steinborn-Busse. He is looking for his FIFTH manager in the space of just 17 league games after dispensing with former Wealdstone and Notts County assistant Matt Saunders.

Saunders had just one point and an FA Cup win over Tadley Calleva to show for his seven games in charge of the Robins – a tenure which will be remembered for releasing the club's two longest serving players after questioning the commitment of the senior members of the squad.

Perhaps the highest profile departure last week was that of Altrincham chief Phil Parkinson after eight years at Moss Lane.

The 44-year-old led the Robins to two promotions in three seasons, from the NPL Premier to the National League, and then a play-off campaign in 2023–24, where they finished fourth before falling to Bromley in the semi-finals.

However, after losing a plethora of key players in the summer, including the likes of Regan Linney, Justin Amaluzor and Alex Newby, the Robins have struggled to find the same consistency this season and Parkinson leaves after a seven-match unbeaten league run.

Altrincham will now be looking to appoint a new man in charge, much like league rivals Aldershot Town, who brought in John Coleman to replace Tommy Widdrington, who left a fortnight ago, and has since rejoined Eastbourne Borough.

Harsh perhaps on Alan Dowson, who took interim charge of team affairs for Saturday's trip to Scunthorpe and told The NLP of his desire to make the most of his opportunity in the Shots hotseat.

Dowson, the former Woking, Hampton & Richmond Borough and Kingstonian boss, has now left the EBB Stadium and looking for his next challenge.

At Step 5, Richard Brodie left Glossop North End after two years in charge of North West Counties League side and is now back playing with former club Skelmersdale United at the age of 38.

Dan Bailey quit as player/manager and coach of Combined Counties Premier North strugglers Virginia Water, Mark Scott resigned from South West Peninsula Premier East side Axminster Town after a 12th successive defeat and Clay Cross Town's management team of Ian Cotton, his assistant Ian Birtley and player/coach Kieran Coupe joined United Counties Premier North rivals AFC Mansfield.

Aaannnndd breathe. Until the next instalment anyway.

Happy Halloween everyone.

BEFORE YOU CURSE

MIND YOUR LANGUAGE

Respect

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
