HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF EYNESBURY ROVERS FC

The club were formed in 1897 and played friendly matches before joining the Biggleswade & District League and then the St Neots Junior League, which they won in 1910/11. They lifted the Huntingdonshire Senior Cup for the first time in 1914 and won the County Junior Cup in 1921, 1927 and 1932. Rovers competed in the Bedford & District League and in 1934 they joined the South Midlands League. Promotion was achieved at the first attempt whilst the Scott-Gatty Cup was won, while Senior Cup finals in 1937 and 1939 ended in defeat. The post war era began with Rovers joining the United Counties League and they enjoyed spectacular cup success winning the Hunts Senior Cup and Hinchingsbrooke Cup four times each in a five year period. In the 1950-51 campaign a Premier Cup success made it a cup hat trick.

In 1952 Eynesbury joined the Eastern Counties League finishing fourth in their second season. Three years later a crowd of 4,000 packed into Hall Road to watch a friendly against Fulham with the legendary Stanley Matthews guesting for Rovers. The club continued to enjoy cup success lifting the Senior Cup in 1955 and 1957, the Hinchingsbrooke Cup in 1959 and Cambs Invitation Cup in 1962, but they were finding life difficult in the league. In 1963 they rejoined the UCL.

Successes in the Hinchingsbrooke Cup in 1967 and Hunts Senior Cup in 1970 masked a continued decline and relegation was suffered in 1972. A top flight place was regained in 1977 and floodlights were installed in 1981 with Luton Town providing the opposition for the official opening in front of a four figure crowd. The Hunts Senior Cup was won in 1985 before the club enjoyed a successful spell finishing a best ever third place in the league, two Hunts Senior Cup wins, a Premier Cup success and two East Anglian Cup finals, and a 1993 Senior Cup success.

Barry Cavilla led Eynesbury to fifth in the league and wins in both the Senior and Premier Cups. Peter Schofield took over and done well to keep the team in the Premier Division on a small budget. Neil King enjoyed success in the Hunts Senior Cup in 2000 but was followed by relegation a year later. Steve Galbraith took over and in 2002 Rovers again won the Senior Cup beating St Neots 3-0 in the final, while the 2003-04 campaign saw them reach the Premier Cup final only to lose 4-2 to Wootton Blue Cross.

In the summer of 2005 Dean Shipp took charge and the following season Rovers reached the final of the South Midlands Floodlit Cup losing 2-1 to Saffron Walden. In December 2007 Rovers appointed the management duo of Al Lenihan and former player Pat O'Keeffe. Season 2008/09 saw Rovers near the top of the table for most of the season but had to settle for 9th place after being deducted six points. Al & Pat resigned at the end of that season and Eynesbury appointed Matt Plumb to take charge for the start of the 2009/10 campaign and with Martin Field he guided Rovers back to the Premier Division in 2013/14. In a record breaking season they finished with a record number of points (98) and goals (118) and recorded a club record 11 consecutive wins.

Matt Plumb took on the role of chairman in the summer of 2015 before Martin Field resigned in October. Mark Duckett was appointed as manager and in four campaigns he led Rovers to three Hunts Senior Cup Finals, winning 1-0 against St Neots Town in 2017, whilst in the same season recording 119 league goals and equaling their second best ever league placing finishing fifth. In 2019/20 Rovers joined the Spartan South Midlands League and enjoyed their best ever run in the FA Vase reaching the 4th Round. In January 2020 Mark Duckett left to manage Bedford Town and Rovers appointed Steve Kuhne as his replacement. After two aborted seasons in the Spartan South Midlands League Rob Sinclair led Rovers to a ninth placed finish back in the UCL but moved on at the end of that season.

After a few years of struggling against relegation with a number of different managers the club turned their fortunes around last season under the management of Darren Fairbrass and Neil Morris. They led the club to a fifth-place finish and a play-off place whilst lifting the UCL KO Cup for the first time in the club's long history. This season Darren has moved on and Steve Kuhne joined as Neil's assistant.

BOROUGH JUNIORS MASCOT MOMENTS

★ Oliver's Big Matchday Experience ★

We were thrilled to welcome Oliver as our mascot against Tring Athletic on Saturday 1st November 🏆. Oliver had a brilliant time exploring behind the scenes at Haringey Borough FC, meeting the players and getting a real taste of what a matchday is like.

One of the highlights of his day was meeting goalkeeper Dillon Barnes - as Oliver is a goalkeeper for his school team. Dillon gave him plenty of inspiration to keep chasing his football dreams 🙌★

To make the day even more special, the referee presented Oliver with the match ball just before kick-off - an unforgettable moment for our young mascot! 🏆

With a big smile and plenty of confidence, Oliver proudly led the team out onto the pitch - a true Boro moment to treasure. Thank you Oliver for being an amazing mascot - we loved having you with us! 🙌

★ Want to be a mascot too?

If you'd like to experience a special matchday just like Oliver, speak to Chloe or Emma at the sweet stall, or scan the QR code to find out more!

THE SECRETARY'S MUSINGS

We offer a warm welcome to Eynesbury Rovers, their players, supporters and committee, we also welcome our officials, referee Thomas Fogden and assistants Bright Amedonu and Gage Deitsch.

There have been a few games where we have drawn or lost this season and I've felt we deserved to win, on Saturday it was the opposite a game we won that we probably should not have. Tring Athletic on their showing are far from the eleventh best team in the league, which is their current position. An early goal from Adrian and a belter from Herson on the stroke of half time gave us a two nil lead at half time but the second half we were under the cosh, when Tring pulled one back after 68 minutes it looked like we would be lucky to hold on, the last twenty minutes were very nervy and they even managed to hit the outside of the post. It also proved once again how important Dillon is to the team and his versatility replacing Ashlee for the last ten minutes, I thought it was great he wore goalkeepers sky blue shirt and shorts but yellow socks as if an outfield player. He might play where he wants, he also wears what he wants. The relief at the end was there for all to see, it felt like a big result given we had not played that well and Tring had.

The league table remains tight, we are sitting in fifth place, three points off the top having played the same number of games as top team Winslow United, On Saturday, Arlesey Town who were second, got beat away to Wormley Rovers and in recent weeks Kings Langley have been on a good run and have taken over second place. Next week we are back in league action away to Aylesbury Vale Dynamos and then on the 22nd November we are at home to Biggleswade United. There is a new fixture in the calendar with us visiting Potten United on Tuesday 25th November in the 3rd Round of the Gladwish Challenge Trophy.

Today is a break from the league as we continue the quest for FA Vase glory, having won three games in the competition already, all away from home, today we host our first FA Vase game since November 2014. That day we drew with Northampton Spencer 1-1 and lost the replay on penalties, as there are no replays in the competition nowadays the game will be decided today, no extra time, straight to penalties if the scores are level after 90 minutes. Eynesbury Rovers three games so far in the competition have all been at home, having beaten Kirkley & Pakefield, Diss Town and Biggleswade United. Whoever is successful today will be in Monday's draw with the next round being played on Saturday 6th December.

We are still supporting the Wrap Up London initiative so please if you have any coats, scarfs or gloves please see Trey Francis or any of the volunteers who will gladly accept donations and pass onto this worthy charity. We are also supporting Foot Bank Aid who are looking for toiletries to distribute to Food Banks in and around North London, they support many food banks within Haringey. In the programme there is a checklist of products but they are looking for, soap, deodorants, shampoo and toothpaste, there is an online shop where goods can be purchased for donations too. Thank you for helping us support these initiatives.

It a big game today, let's get behind the team and do our bit to get them into the next round. Come on Boro!!

Women's Team

A disappointing one nil loss in a close game was the outcome of Sunday's home game to Wroxham, this Sunday the team are at home again to Enfield Town for the bragging rights over the A10, kick off is 2pm.

Reserves

Last Saturday the Reserves had a great win against the team who were second in the league Saint City, a 3-1 win with two goals from Rashid Bangura and a goal from Damaine Campbell, please take a bow, Ronnie Lane, Jadon Anderson, Jonnie Lilley, Kamran Narvani, Maksym Bobyliak, Nacer Ahmed, Rashid Bangura, Ziya Ahmet, Damanie Campbell, William Gutierrez, Kal-El Fenton, Bilal Depart, Luke Von Herkomer, Oscar Cameron, Adrian Anumba.

The win takes us up to tenth place in the league. It's been a struggle this season so far so very pleased to see the hard work pay off with a fine win.

Today the team are away to Chadwell Heath Spartans and next Friday they are at home to Ongar Town, kick off 7.45pm

U18s

The U18s game on Monday night was postponed as the opposition couldn't get a team out, their next game is being arranged but will take place week commencing 16th November away at Edgware & Kingsbury.

THE (FORMER) SECRETARY'S MUSINGS

Although Eynesbury Rovers were formed in 1897, thus pre-dating us by 10 years, there has been only one previous meeting between the Clubs. Until they joined the South Midlands League with its wider catchment area in 1934 they had always played in local Leagues. After the 2nd World War they joined the United Counties League in which they have stayed except for an 11 year spell starting in 1952 in the Eastern Counties League and two seasons (2019/20 and 2020/21) in the Spartan South Midlands League - but we were not in it at that time. The previous meeting was in season 2000/01 at Eynesbury in the 2nd Qualifying Round of the FA Vase and Borough won 1-0. Last season our Under 18 teams were both in the Nemean Division of the Southern Counties Floodlit Youth League. On 16th December we won 3-2 at Coles Park and Rovers won their home game on 27th March by 7-0.

IN A funny way, Kevin Horlock's quote after Maldon & Tiptree's defeat to Port Vale encapsulated what the FA Cup is all about.

"We had them on the ropes for five minutes – we probably scored 85 minutes too soon," the Jammers boss said of Anisius Lewis' very early strike that put the Step 4 side ahead, "but what a magical moment."

Less than 20 minutes later and Horlock's side were 4-1 down to the League One Valiants, the lowest-ranked team in the first round's FA Cup adventure was coming to an end.

But it's those moments that make the FA Cup. For a few minutes, nine to be more precise, their travelling fans would have been wondering 'what if'.

We all know about the financial rewards that comes with the FA Cup – the TV cash to boost the coffers, the benefit of prize money, extra sponsorship and ticket sales. But, also, it gives unforgettable moments.

Think of Havant & Waterlooville all those years ago when they led the mighty Liverpool not once but twice at Anfield. Think of Kidderminster Harriers taking West Ham to the final moments before Declan Rice bailed the Premier League side out.

Think of Tamworth last season as they took Tottenham into extra-time but almost won it in the dying stages of the 90 minutes.

At the weekend Chelmsford City caused the first upset of round one when they beat Braintree Town at Saturday lunchtime – a feat repeated by fellow Step 2 sides Weston-super-Mare, who knocked out Aldershot Town, and Slough Town as they piled the woe on Altrincham.

There were some all Non-League ties that brought Sutton United, Wealdstone and Buxton success and a place in the second round.

We also saw Gateshead upset League One AFC Wimbledon, Brackley Town beat Notts County on penalties and Boreham Wood take, what feels like, their annual EFL scalp in Crawley Town.

Carlisle United looked to be on their way out at Reading before Regan Linney scored two stoppage-time goals to force extra-time – where he then scored the winner to complete his hat-trick.

"It was a good three points," he accidentally said live on Match of the Day the next day. "I've crumbled here!" Thankfully the striker doesn't crumble when he's in the box!

"Where's the matchball?" presenter Jason Mohammad asked. "It's still in my car," Linney responded with a smile. That's the magic of the FA Cup!

BEFORE YOU CURSE

MIND YOUR LANGUAGE

Respect

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
