## HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women reasserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

Recorded highest win in FA Vase (4-1) when we beat Edgware Town away in Round 2.

2005—Early in the year saw the death of two stalwarts of the club. Derek Inskip passed away in January having completed 50 years as Secretary And Terry King passed away in February—he was associated with the club for 40 years as player and then Manager. Reached Round Four of FA Vase before losing 2-1 at Bury Town. Finished runners-up to Cogenhoe United. A league match at Potton against Cogenhoe had to be abandoned due to floodlight failure and the rearranged match was the last of the season and Cogenhoe held on to a draw to secure the title by one point in front of a crowd over 300. Won League Knock Out Cup beating Woodford United in the final. Joint Managers Dick Newman and Roy Bloxham won 3 Manager of the Month awards as well as Manager of the Season award. We reached the Fourth Round of the FA Vase before losing 2-1 to eventual finalists AFC Totton. Finished fourth in league.

2008—After finishing our league programme early in April we had a nervous wait for other clubs to finish their programme of matches and escaped relegation by one point. Dean Chapman resigned as Manager and was replaced by Dean Shipp. Another rebuilding of the squad with the emphasis on youth and local players. Constitution of Potton Sports & Social Club revised to now incorporate as members—Potton United FC, Potton Town CC, Potton Tennis Club and Woodentops Playgroup.

2012-13—In lower level of both UCL and Bedfordshire County Leagues. Reached final of Beds FA Senior Trophy but lost 1-0 to Bedford FC. In March 2013 ground improvements finished that included fencing round the pitch, hard standing now all the way round the pitch and pay hut.

Reserves enter UCL Reserve Division under management of Nicky Stocks and a Potton United Under 18 has been entered in the Royston Crow League and will play their home matches at The Hollow on Sundays. The 1st team finished in 3rd place in Div 1, just missing out on promotion and got to the UCL knock-out cup final, losing 3-0 to AFC Rushden & Diamonds.

2016-17 – The club enter a reserve side back in the UCL under the management of Matt Gedney, Steve Maddix and Brad Smith and they make their way to the final of the Beds Intermediate Cup, losing on penalties to AFC Dunstable U21s. Laurence Revell takes over the role of 1st team Manager in October 2016 with Darren Staniforth stepping up to Football General Manager to oversee all teams within the club. The 1st team finish in 6th position in Division One which earns them a place in the FA Cup for the 2017-18 season.

2017-18 – The club runs an under 18 team for only the second time in the clubs history, which was entered in the Northants Senior Youth League. Laurence resigns as manager in December 2016 and former Potton

striker Steve Kuhne takes over the role assisted by Lee Pyke. The 1st team go on a great run in February/March which sees them finish as runners up and promoted back to Step 5 of the football pyramid. They also feature in the final of the North Beds Charity Cup, beating Bedford FC 2-0. The reserves management resign in January and are replaced by senior players James Jordan and Joe Wills.

2018-19 – The FA laterally moved the 1st team to the Spartan South Midlands League but the reserves remain in the UCL. The 1st team finished a creditable 7th place in the league and made the final of the league challenge trophy. Steve Kuhne resigns at the end of the season and Laurence Revell returns to the club as manager.

2019-20 – Jimmy Martin joins management team as coach then takes over when Revell resigns in February. Reached final of Bedfordshire Senior Cup but the season was abandoned in March due to global pandemic Coronavirus.

2020-21 – another season abandoned due to Coronavirus. In May the club were advised they would be laterally moved back to the UCL. An unsuccessful appeal means we will be heading north for all our league fixtures.

2021-22 – after a difficult start finished in 10th place in UCL Premier. Runners up in Hinchingbrooke Cup, losing to Harborough Town in final. Request to be laterally moved back to SML for 22-23 granted by FA.

2022-23 – back in the SML and the team finished in mid table. At the end of the season the club parted company with Jimmy Martin.

2023-24 – Gary Jackson was appointed as manager at the start of the season and took the team to 9th place in the SMP Premier.

# BOROUGH JUNIORS MASCOT MOMENTS

## ★ A Day to Remember for Ayaan! ★

Matchday at Cole's Park had an extra touch of magic as young supporter Ayaan proudly took on the role of Haringey Borough mascot for our match against Risborough Rangers, which ended in a 1-1 draw 🤝⚽.

Ayaan's day began with a special behind-the-scenes tour of Cole's Park, including a visit to the players' gym and time spent in the changing room with the squad before kick-off. One of the highlights of the day was meeting his favourite player, Jorge Sambu ☀️.

With excitement building, Ayaan then joined the players out on the pitch for the warm-up 🤸♂️⚽.

Just before the teams emerged, Ayaan was handed the match ball by the referee, a special moment that signalled his important role in the day.

Leading the players out onto the pitch to a warm reception from the crowd, Ayaan truly felt part of the team. It was a brilliant mascot experience and a day that captured everything special about football at Haringey Borough ❤️💙

## THE SECRETARY'S MUSINGS

We offer a warm welcome to Potton United, their players, supporters and committee, we also welcome our officials, referee Tom Fogden, and assistants Lyn McGregor and John Wynne.

Three games in a week to cover in this edition of the musings, starting with Tuesday night and a 3-1 away victory at Colney Heath in the Spartan South Midlands Premier Division Cup which saw us progress to the semi final stage. An early goal from Jakai Bascoe-Fisher was cancelled out by an equaliser soon after. Boro had a few chances through Alex Nicolaides leading up to half time but as it was, we went in all square. The second half was fairly even with neither goalkeeper having much to do, that was until Adrian forced his way through in the 75th minute and with a deflected shot made it 2-1 and then in injury time Matt Young bursting from midfield slotted home to make it 3-1. A very enjoyable night, given there was concern with the game going ahead leading up to the game, as it was Boro did well on a wet heavy pitch. We do not have details of the semi-final yet but as soon as we do, we'll ensure this is communicated. The subject of heavy pitches leads onto last Saturday's game away at Tring Athletic, where we didn't really come to terms with the playing conditions until we were two nil down. Tring were clever in terms of always using a fast winger as their outlet down the left and with him scoring one and assisting another, we left ourselves a mountain to climb. In the second half we did play a lot of better without creating much, we were given hope with a stroke of good fortune following a goal in the 90th minute by Alex, following an error by the Tring goalkeeper, but it was short lived as with us pushing forward a long ball out of defence by Tring saw them one on one with Ashlee from which they scored. That result together with our other results since Christmas have severely dented our aspirations to go up. There have also been a few players released in Ashlee Jones, Bilal Sayoud and Coree Wilson. We wish all three well and there was immediate interest in a couple of them once news broke. I know we are working actively to recruit replacements. Just another week at the Boro!

Last Tuesday we were knocked out of the London Senior Cup by Cheshunt in what was a game for the attack rather than defence, with Cheshunt winning 6-4. We did have our moments and led twice at 1-0 and 4-3 but sadly conceding goals late on was our undoing. The highlight of the game was a hat-trick from Jakai Bascoe-Fisher with a couple being entries for goal of the season, cutting in from the left and curling them into the top corner. I don't know the answer, but now I've typed it will look it up, who was the last Boro player to score a hat-trick and end up on the losing side, if you know contact me.

After today's game we travel to Kings Langley on Tuesday night and then return home next Saturday against Aylesbury Vale Dynamos. Including today we have sixteen league games left, seven at home and nine away. Should we go on a good run and secure a play off spot these will take place on Wednesday 29th April with the final on Monday 4th May, which is a bank holiday. They are worked out with 2nd at home to 5th and 3rd at home to 4th, Whoever finished highest in the league out of the semi final winners hosts the final.

To finish forgive me for two personal things, firstly after the Tring game when drowning our sorrows, supporter Happy Days Bob didn't believe I wrote the musings, so I wanted to say hello Bobby! And lastly, I can't make today's game so can I ask that you give the boys a cheer from me please, I hate missing games as I'm a nightmare round others not knowing what's going on. Come on Boro!

### Women's Team

The team will be looking to bounce back tomorrow from a disappointing 4-0 loss to Bowers & Pitsea Ladies, they are in the quarter final of the league plate cup against Dunstable Town Lionesses 2pm kick off at Coles Park.

### Reserves

Like the first team last Saturday the Reserves were beaten 3-1 by Greengate District, last night they played FC Petrocub losing 2-0.

### U18s

The U18s were also at it emulating the first team by losing 6-4 to Takeley Youth on Monday, there next game is due to be week commencing 8th February against West Essex date and time yet to be arranged.

## THE (FORMER) SECRETARY'S MUSINGS

This will be the fourth meeting of the Clubs. Although Potton were formed in 1943, the first was not until the Preliminary Round of the FA Cup on 26th August 1995 when Potton visited Coles Park and lost by the only goal. 1995/96 was the season when we reverted to our original name of Tufnell Park for just that season so the first meeting between us playing as Haringey Borough was not until this season. On 25th November last we visited them for a Gladwish Trophy (i.e the League Cup) tie and it was our turn to lose by the only goal. On December 13th we went there again for the away League match and were 3-0 winners. There was nothing particularly remarkable about either match but what we will remember is the superb hospitality they provided on both occasions so apart from winning todays game, which is obviously vital if we are to maintain our promotion push, we will certainly seize the opportunity to reciprocate in that respect.

To subscribe, visit [www.thenonleaguefootballpaper.com/subscriptions](http://www.thenonleaguefootballpaper.com/subscriptions)

WE ARE officially at the stage of both the Isuzu FA Trophy and FA Vase competitions where we can say: the Wembley arch is on the horizon.

Over the next two weekends, the final eight in each cup will become clear (weather permitting) and then it really is time to start dreaming.

Trophy holders Aldershot Town are out but, in the Vase, Whitstable Town are still in with a chance of going back-to-back.

As always, the Vase feels wide open but so does the Trophy with eight of the last 16 from Step 1. The rest are all Step 2 apart from Walton & Hersham, who host Woking this weekend, and Chatham Town. The Isthmian Premier Chats host Southend United having seen off another National League big hitter in Carlisle United last time out.

"I'm getting laughed at a little less now! I'm a Manchester United fan so to have Mark Hughes come down to the Bauvill with his team who are top of the National League and come away with the win, it was a real pinch-yourself moment," their chairman and manager Kevin Hake told The NLP.

"These clubs coming down to us, it's quite surreal when you think about it. Southend and Carlisle are massive clubs and it shows how far we have come in such a short space of time. It wasn't so long ago we were playing county-league football."

Kevin Wilkin has experienced the highs and lows of the competition. His Wrexham side famously fell to North Ferriby United on penalties in the final but he returned a few years later with Brackley Town, then of the National League North, to beat Bromley – also on spot-kicks.

Wilkin is in charge of AFC Telford United now and they are set to welcome Yeovil Town.

"The further you get down the line, I wouldn't say the more you want to win, but the more serious it gets," Wilkin told The NLP. "There are some real big hitters left in there. We know we've got a real tough tie against Yeovil. "It's great for the supporters to still be in the competition at this stage outside of what we're trying to do in the league.

"The club has maybe been a little bit starved off it late. I know they got to the semi-final a few years back but outside of that I don't think there's been too many other than when you look way back. We've got a great game to look forward to."

The Vase hopefuls have to wait a little longer for their games, which take places on the February 7 weekend. The competition still has Step 6 representatives with Eastern Counties League Division One South Lymore Gardens – a relatively new name on the Non-League scene – dreaming big.

Founded by chairman/manager Lee Benjamin ten years ago, the self-sustained club have progressed through the grass-roots leagues in Essex with players playing solely for the love of the shirt. And it's been the place to go for a game too.

"We get a lot of groundhoppers," Benjamin revealed. "And they are now starting to enjoy it because we try and make a big experience of everything, on and off the field.

"We make some jerk chicken for them at half-time and they seem to enjoy eating the food and watching some good football, as I do myself.

"Then, on top of that, we've been getting a lot of foreign groundhoppers too;

We've had people from Germany, France and Poland, loads of them.

"It's swelled our average numbers to around 120-150, which, bearing in mind we were playing in a park team not very long ago, is incredible." Who will be playing on the greatest park of all come May?

# SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

## HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

### EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

## DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:  
**1st half:** Continues into the 2nd half  
**2nd half:** Continues into extra time  
**Extra time:** Players can participate in the penalty shoot out

## THE MATCH DAY PROCESS

Dissent

Dissent caution:  
Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

**Offensive, insulting or abusive language and/or actions is still a Red Card offence!**
