HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women reasserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF HARPENDEN TOWN FC

Harpden Football Club was established in 1891 and were founder members of the Herts County League in 1898. In 1908, the club added Town to the name and joined the Herts County League Western Division. The club won the Herts County League Western Division championship in 1911, 1912 and 1921.

In the 1950s, Harpenden Town won the Herts County League title three times (1951, 1953 and 1955) before joining the South Midlands League in 1957.

Two South Midlands League titles followed in 1961-62 and 1964-65 and the club Charity Shield and South Midlands League Shield in 1968.

In 1981-82, Harpenden were relegated to Division One and it wasn't until 1989-90 that they won the title and returned to the Premier Division.

In 1991 the Centenary Stand was built and floodlights were installed at Rothamsted Park for the first time. The club were founder members of the Spartan South Midlands League's Premier Division when the two leagues merged in 1997 and Harpenden Town entered the FA Cup for the first time in 1998-99, beating Burnham in their first tie.

After relegation in 2005-06, the club spent 11 seasons in Division One, gradually getting closer to regaining Premier League status. They were eighth in 2013-14, then sixth, then fourth before edging out Baldock Town by a single point to finish runners-up to Biggleswade and claim promotion in 2016-17 under manager Danny Plumb.

The team's impact on the Premier Division during the 2017-18 season was immediate as they challenged Berkhamsted for the runners-up spot behind runaway champions Welwyn Garden City. Harpenden fell just short, missing out on promotion to Step 4 by three points. The club also won the Spartan South Midlands League Premier Division Cup. Hopes of another promotion push faded the following season with a 14th-place finish, then came two seasons curtailed by the Covid pandemic.

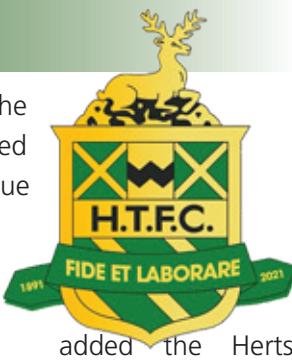

Micky Nathan, who was appointed manager shortly before lockdown, then steered Harpenden to fifth place in 2021-22 and 11th in 2022-23.

To mark the 130th anniversary in 2021, the team adopted green and gold stripes – which had been the club's colours in its early days – as the new home kit.

Oaklands Ladies joined the club in summer 2022, becoming Harpenden Town Women. They reached the first round proper of the FA Cup in the 2023-24 season before losing to Luton Town and missed out of the promotion to the Eastern Region Women's Football League Premier Division by a single point when Dussindale and Hellesdon Rovers pipped them to the title.

In summer 2023, the club embarked on the biggest project in its history, overseen by chairman Roman Motyczak, who has been at the helm for a decade. Harpenden Town played their final game on the grass pitch at Rothamsted Park in March before installation of a state-of-the-art 3G pitch. The creation of terracing, a covered standing area and new seating in the Centenary Stand have transformed the ground. Six months after their final home game on grass, Harpenden Town welcomed Dunstable Town for our first match on the new pitch in September 2023. A big crowd of 427 enjoyed sun-kissed conditions and a 4-0 home win. Harpenden Town finished the 2023-2024 season with a run of seven consecutive league games to finish third in the Spartan South Midlands League Premier Division equalling their highest finish since the league was founded in 1997

Season 2024-2025 was not quite so successful, the club finishing just below the play-off places but the Team had success in the West Herts St Mary's Cup, retaining the Trophy by defeating Tring Athletic 2-1.

BOROUGH JUNIORS MASCOT MOMENTS

★ A Special Matchday for Nico! ★

Eight-year-old Nico was our mascot on Saturday 7th February, cheering Haringey on to a brilliant 3-0 win against Aylesbury Vale Dynamos FC

For Nico, the day was a big and memorable experience, and one that came with lots to take in. From the moment he arrived, he was welcomed as part of the Boro family and given the chance to meet members of the Haringey Borough board, offering him a unique glimpse into the club beyond the pitch.

Nico also joined the players for a gentle kick-about during the warm-up, standing alongside them on the pitch and taking in the occasion at his own pace. A behind-the-scenes tour gave him the opportunity to see how matchday comes together, adding to what was a very full and exciting afternoon.

Big matchdays can feel overwhelming — and that's okay. Nico took everything in quietly, and his mascot experience was very much his own, filled with new sights, sounds, and moments to remember. Thank you, Nico, for being part of our matchday — we were delighted to have you with us.

THE SECRETARY'S MUSINGS

We offer a warm welcome to Harpenden Town, their players, supporters and committee, we also welcome our officials, referee Matty Wood, and assistants Chris Bodell and Philip Mayer.

Saturday was a hard fought away win and if we are to push for promotion then we are going to have to recreate that many more times. Having the majority of the possession throughout the game it wasn't until the 82nd minute that Cliff scored the winning goal. The goal came just 2 minutes after a penalty was given by the referee which would get overturned on the advice of the assistant, this followed Reo Griffiths being tripped in the area but consensus and the assistants view was, he tripped himself. I definitely had my Boro glasses on as I could have sworn, he was tripped by the defender. Reo coming off the subs bench made a big impact and drove us forward, certainly looking forward to seeing more of him in a Boro shirt. Another player who had a good game was Stef, overlapping down the right, he forced Kempston into an early substitution after only 30 minutes, as their left back already booked would have seen red if he'd have stayed on such was Stef's impact. If there was a prize for the performance of the afternoon it must go to whoever tends to Kempston's pitch as Friday afternoon we received a video of the pitch and it had puddles and looked drenched, yet 24 hours later it was fine and better than some others we have played on this season. Another postponement would have been a nightmare for the fixture calendar with not many midweeks left to squeeze games in. In terms of games left we have 13 league games – 5 at home, 8 away and a Premier Cup semi final against Biggleswade United at home on the 17th March.

Our last home game saw us beat Aylesbury Vale Dynamos 3-0 and I doubt there's been many games where all the goals have been of such a high standard. In order, 1-0 Matt Young slid a ball from outside the area into the bottom corner, 2-0 Sydney then volleyed an unstoppable shot into the top corner which had everyone gasping with awe and then 3-0, and in my opinion the best of the bunch was Cliff picking the ball up just outside his own area and then running with the ball under total control the length of the pitch beating defender after defender to then slot home once arriving in the Aylesbury penalty area. How good was it, all I can say is Cliff started further back in his own half than Maradona!

A pleasing aspect of the last three games has been the fact we have been solid at the back, three games, no goals conceded. It was also great to see Scott back on Saturday and that the recent injuries to Sami and Keir were not serious.

Tonight sees us take on Harpenden Town who knocked us out of the FA Vase in December, hopefully that gives us some incentive, looking back it was an opportunity missed we gave early goals away and despite dominating the second half couldn't find an equaliser. We are back here on Saturday against another team that we have suffered a loss to this season Arlesey Town, back in September they were top of the league when we faced them and lost 1-0, they now find themselves below us and again it is vital we get the 3 points. Let's get behind the team and keep this run going, we're fifth in the league but could see ourselves third with the 3 points tonight, come on Boro!

Women's Team

Their game against St Albans was postponed on Saturday due to a waterlogged pitch, this Sunday they are at home to Hutton, 2pm kick off.

Reserves

Their game was postponed on Saturday again due to a waterlogged pitch, this Friday they take on Ryan FC at Coles Park with a 7.45pm kick off.

U18s

This Thursday the team take on Cockfosters away, 7.45 kick off, Cockfosters are top of the league by a considerable margin so will be a very tough game for the boys.

TRAVEL AND PUBS BY GERARD WALKER

Harlow Town v HBFC 7.45pm Tuesday 24 February 2026.

The Harlow Arena, Elizabeth Way, Harlow, Essex, CM19 5BE

Travel

Stansted Express from Tottenham Hale, every 15 minutes, some trains stop at Cheshunt, otherwise 2 stops 18 minutes to Harlow Town.

Bus 14 at 18.00, 18.20, 18.33 last one at 18.55. Ride 11 stops 10 minutes to National Institute for Health Protection (NIHP) then 7 minute walk to ground.

Return is less easy, probably best way is 30 minute walk back to station.

Pub

There really isn't a convenient pub between the railway and the football club. On the occasion I'd suggest using the Harlow Town FC Clubhouse.

Kings Langley FC v HBFC 7.45pm Tuesday 3 March 2026.

The Orbital Fasteners Stadium, Hempstead Road, Kings Langley, Hertfordshire, WD4 8BS

This is doable by public transport, but the journey back is tight and may mean a long wait for a train.

Travel

Trains from London Euston to Apsley at 09, 34, 39 and 54 minutes past the hour, journey time 29/39 minutes. Bus number 322 towards Berry Hill Estate from Station Stop B at 17.29, 18.04, 18.39 and 19.28 (3 stops 4 minutes) to Coniston Road, 3 minute walk to ground. THE (FORMER) SECRETARY'S MUSINGS

Many have been our encounters with todays visitors HARPENDEN TOWN and todays game is the 6th meeting this season for as well as the League matches for both our Mens and Womens' teams, Harpenden eliminated us from the FA Vase on 6th December after we had eliminated their Women from the WFA Cup on 5th October. On both occasions the Home team won - the Men by 3-2, The Women by 4-2. Although formed as Harpenden FC in 1891, adding the suffix Town in 1908, they had played in Hertfordshire only Leagues until being admitted to the South Midlands League in 1957. They have since had unbroken membership of it, and then the enlarged League created by the Spartan merger. Previously they had been founder members of the Hertfordshire County League in 1898 and remained in membership of it (apart from an eight year spell in the Mid-Herts League starting in 1900) until 1957. The first meeting of the Clubs was in the 1997/98 season and there have also been seasons when both Clubs Women's and Under 18 teams were in the same Leagues as well as FA Vase and Womens FA Cup ties. Individual details of all such matches are shown in the chart below. When Borough fielded a Reserve team for a few seasons early in this Century there were also SSMFL Reserve Division games not included in the chart.

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution:
Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
