HARINGEY BOROUGH FC - A BRIEF HISTORY

The origins of the Club go back to 1907 and the formation of Tufnell Park FC from which the Reserve team broke away in 1911 to form Tufnell Spartans and two name change in 1920 and 1930 saw them playing as Wood Green Town. It was not until 1970 that a team competed under the name of Haringey Borough when WOOD GREEN TOWN who had played at Coles Park since 1930 changed their name to Haringey Borough. A merger with EDMONTON FC in 1973 resulted in a brief change of name to Edmonton & Haringey FC until 1976 when the present name was re-adopted. The merged Club played in the Athenian League until it ceased to operate at the end of the 1983/84 season and then played for 4 seasons in Division 2 North of the Isthmian League. After a period of instability culminating in a year in the wilderness away from Senior football in 1988/89 they were admitted to the Spartan League in 1989/90 retaining Premier Division membership throughout until the South Midlands League merger in season 1997/98 when they finished 7th.in the Premier Division South to secure membership of the new "combined" Premier Division for 1998/99 as well as being runners up in the League's Premier Division Cup. In 2004 after an unsuccessful attempt to move the Club to the nearby New River Sports stadium and a walk out of the existing Committee Aki Achillea who had commenced his association with the Club in 1995 was appointed to lead the Club forward and together with George Kilikita and Secretary John Bacon the club sought to engage more with the local community and tap into the talent locally. The senior men's team having been relegated to Division One of the Spartan South Midlands League in 2006/7 bounced back with promotion at the very first attempt and a fine season ended with both promotion and the winning of the Division One Cup. Back in the Premier Division for the season 2008/09 the Club again quickly found itself among the relegation strugglers leading to the appointment of the current Manager – the vastly experienced Tom Loizou. Tom and his excellent loyal team of coaching staff have been instrumental in turning around the Club's fortunes in the intervening years. In 2011/12 a highest ever 5th place was achieved and the League Challenge Trophy won. After massive stadium improvements in the close season with the erection of a new Clubhouse and new dressing rooms hopes were high for 2012/13 but the poor weather and the problematic pitch led to a massive fixture backlog which negated any chance of a serious challenge for honours and the Club finished 9th. In 2013/14 the Club's challenge for promotion took place in the Essex Senior League following a sideways switch imposed by the FA. The Club had what was then its most successful season ever finishing runners up by just a solitary point to Great Wakering Rovers and ended the season with 20 wins and one draw from the final 21 League games. The League title was nevertheless secured at the second attempt in 2014/15 with a haul of 103 points from 38 games and with it promotion to Step 4 in which we were allocated to the Ryman League Division One North.

The first season at the higher level was a baptism of fire when only 7 points were garnered from the first 17 games but by the close of the season a further 43 points had been amassed from the remaining 29 games and the Club finished in a comfortable 15th place. The first season in the FA Trophy produced two fine victories before a replay loss to Hitchin Town of the Evostik South Premier Division. The summer of 2016 saw yet further investment in the close season in the form of a 3G synthetic main pitch and added improvements to the perimeter, the spectator rails and the floodlights which has created a facility of which the Club can be proud; and has afforded a greater opportunity for the Club to move forward in all aspects. The first team in 2016/17 improved markedly on the previous season and had an excellent all round campaign although rather unfortunate not to finish the season on a high having ended with the "double heartbreak" of missing out on promotion through a 4-5 closely fought semi final play-off defeat at Maldon & Tiptree FC after finishing 5th in the Division and an odd goal 2-3 London Senior Cup semi-final loss at Metropolitan Police. That was also the season when our Free Season Ticket offer was introduced, and will continue for 2025/26, which has increased our then modest attendances to several hundred. But 2017/18 was to be the Club's best ever and culminated in promotion to Step 3 via the play-off route with a 3-1 win over Canvey Island after automatic promotion had been missed by just two points. And in FA Competitions the 4th and final round of the

Qualifying rounds for the FA Cup was reached, although that ended in disappointment with a 2-4 home defeat by Heybridge Swifts who then enjoyed a visit to Exeter City in the First Round Proper. In the FA Trophy we went right through the qualifying campaign and were lucky enough to draw Leyton Orient in the First Round Proper which brought a record attendance of 1,133 to Coles Park and "The O's" left mightily relieved at having come back to win 2-1 after going a goal down in the fifth minute. 2018/19 was another great but ultimately disappointing season with an FA Cup run which took us into the First Round Proper where it was ended rather cruelly by AFC Wimbledon's last minute goal at Coles Park in front of a record crowd of 2,710. Having led the Premier Division for several weeks in mid-season it was somewhat surprising that we dropped from 2nd to 3rd on the last day of the season after a poor late run but still enjoyed home advantage in the Play-Off Semi-final in which a 45 minute second half onslaught on the Tonbridge Angels goal produced only one goal in response to the two they had scored before the interval. The 2019/20 season's early termination was less of a disappointment for us than for many other Isthmian Premier Division Clubs as we were marooned in mid-table with no realistic prospect of entering either the promotion or relegation zones. The highlight of the season should have been the visit of National League Yeovil Town in the Final Qualifying Round of the Emirates FA Cup but, as is well known, appalling crowd behaviour brought that game to an early end and the second game seemed something of an anti-climax. In fact, without making excuses, that unpleasant episode seems to have adversely affected our players for some time for, whereas we had been well in the promotion places mix, thereafter we just drifted downwards. The early termination of League Fixtures for 2020/21 was more of a blow than was the previous seasons voiding as we were well placed to make a charge towards a play-off place at least. However the Buildbase FA Trophy continued and we enjoyed a run through to the 4th Round Proper when Oxford City of the National League South finally eliminated us 4-2 after we had been two up; en route we had overcome Faversham Town, Bishops Stortford, Eastbourne Borough and Dartford, the last two also being National League South Clubs. The London Senior Cup also carried on and due to withdrawals, we reached the quarter-final without playing a game but lost a penalty shoot out to Hanwell Town after a 2-2 draw. The 2021/22 season was more or less a non-event as regards any real challenge for the League top spots but the semi-finals of The League Cup and the London Senior Cup were reached with both games ending in odd goal defeats in the space of a week. We may well have set a Club record for the highest number of injuries sustained in any season and that even led to an outside chance of relegation towards the end of the season but the failings of others meant we were never in serious danger. 2022/23 was a disappointment in League terms as we lost our way quite early after a start which gave rise to play-off hopes and 15th place was the final outcome. But we did reach the London Senior Cup final where we faced Charlton Athletic Under 23s at Hendon's Silver Jubilee Park. Three down after half an hour we looked dead and buried but fought back ferociously to level with three goals all from set pieces (2 direct free kicks and a penalty) finally going down to a 3-5 defeat after extra time. Season 2023/24 will live long in the memory but for all the wrong reasons. A disastrous start which saw only one point in the bag after nine League games meant there was a mountain to be climbed if the four relegation spots were to be avoided. As the season wore on it seemed that there was just a possibility that we might claw our way to safety but garnering only three points from the final nine League games put paid to any lingering optimism. So we now return to the North Division after six seasons in the Premier Division in which we had come within a whisker of promotion to the National League. Early exits from three of the four Cups entered meant that reaching the semi-final of the other - the League Cup - provided some cheer to an otherwise dismal season. The Under 23s having switched to the Essex Alliance following the winding up of the Isthmian League Development section reached the semi-final of their League Cup where they encountered the runaway League Champions. The Womens Team went one better and provided the highlight of the Clubs season by reaching the Final of the Capital Womens Senior Cup and gave National League Ashford Town a serious challenge before losing 4-2. 2024/25 will also long be remembered for similar reasons as it ended with the team in 19th position and so relegated back to the Spartan South Midlands League from which we had departed in 2013. A poor start to the League campaign was camouflaged by early successes in The FA Cup and Trophy competitions but, after elimination from both, league points continued to be scarce until a stirring comeback with an unbeaten run in the last 9 games rekindled hope only to leave us one point from safety. Had just one of several efforts

thwarted by the framework in our last two games found the net we would have been saved. The Under 23s did well to finish 3rd in the Essex Alliance and will play more accurately under the name of "Reserves" this season for there are no age restrictions in that League's Rules. The Women went through the season without drawing a single game and finished 4th with a record of 12 wins and 10 defeats also reaching the Semi-Final of the Capital Womens Senior Cup where Arsenal Academy were a little too strong for them. The Under 18s started well especially in Cups but fell away as the season wore on.

2016/17 saw the introduction of a much needed "second" team, formed to compete in the Ryman Development League it being basically intended for Under 21 players but with the facility to include up to 4 older players in every squad. The team held their own comfortably in the League finishing a very creditable 6th place and the benefits of the Club's participation were all too evident with the introduction of a number of players into the first team squad throughout the season and the opportunity for first team squad players to keep fresh and those who were returning from injury had a platform to get fit. Thereby proving the benefits of having such a side. The age restriction was amended to Under 23 for 2017/18 and the team which had always been near the top of the table, continued to do well in the following seasons and won the North Division Championship in 2021/22 but lost to South Division Champions Hastings United in the "Champion of Champions" play off. 2022/23 saw the North Division reduced to just 6 teams playing each other 3 times following withdrawals and the League decided not to run an Under 23 (Development) Section at all hence the switch to the very well run Essex Alliance.

Youth teams were commenced and run successfully for many years at various age levels with some considerable success particularly at the older age groups including progress into the 2nd round proper of the FA Youth Cup in 2006/07. They were Divisional winners of the Southern Counties Floodlit Youth League in 2004/05 and 2009/10 They were winners of the League's Colwyn Cup in 2004/05 and runners up in 2008/09. After a few seasons absence from Youth football the Under 18s rejoined the Southern Counties competition in 2017/18, winning its Divisional Championship at the first attempt and finishing towards the top of the table in the following seasons until falling away somewhat and finishing mid-table in 2022/23 and 2023/24. This will again provide a pathway for talented local boys to make their way into the first team squad and ultimately the first team itself. The Women's Team was formed in 1999 and competed in the Eastern Region Womens League winning promotion in its first season and then to its Premier Division for 2002/03; and there they have remained save for two seasons, the first being in 2011/12 following relegation to Division 1 from which they made an immediate Premier Division return as runners-up. Steady improvement began and we were extremely fortunate to have been approached midway through the 2014/15 season by renowned coach and former professional footballer Steve Browne who at the time was involved in the highly successful S & T Academy Girls football. Steve was duly appointed Manager and preserved the Women's Premier Division status. In 2015/16 a mid table position was easily secured from an uneven campaign which included convincing away wins at the top 2 Clubs and some surprisingly disappointing performances against lower placed teams. In 2017/18, by Christmas the team were runaway League leaders only to be thrown off course by the tragic early death of Steve on New Years Day but after a shaky period the Women re-asserted themselves to win the League Championship with their last League game of the Season and with it, promotion to the Women's Premier League and followed that up by adding the League Cup with a 5-1 win over Cambridge City to complete the double which was a fitting, lasting legacy for their Manager. The loss of many of the successful squad, several to American University Scholarships, proved too much of a handicap at the higher level and relegation back to the Eastern Regional League was an unsurprising outcome. Now under the stewardship of Bobby Cato significant steps forward seem certain and promotion is again a realistic prospect. An exceptionally young and talented squad was unlucky to find itself in danger of relegation towards the end of the 2021/22 season due to a high number of odd goal defeats but pulled clear with 4 vital points from the last two games. They look capable of going places if they stick together when experience is added to their armoury. The tie up with the Haringey Girl's Academy run by Adem Ali has proved massively successful and for the first time we are in a situation where talented young teenagers are ready and eager to compete for a place in the Women's squad as soon as they turn 16, although being a team substantially

composed of schoolgirls in an adult League is not without its problems, but that did not stop them reaching the Final of The Capital Womens Senior Cup in 2023/24 and the Semi-final in 2024/25

The foundations are in place for us to make a swift return to the Isthmian League after major strengthening of the Men's Senior side and an exciting season is in prospect in which a challenge for at least a Play-off position is a realistic target as we renew our determination to eventually achieve National League status. The facilities and structures are also in place for the Club's other teams to improve and enhance on recent successes.

The Directors and Committee of *HARINGEY BOROUGH FOOTBALL CLUB* take pleasure in extending a warm welcome to all visitors to Coles Park and hope that they will make use of the bar and refreshment facilities available to increase their enjoyment of the occasion.

HISTORY OF A.F.C. WELWYN

AFC Welwyn was founded in 2023 by Tawhid Juneja and Richard James following the rebrand of the former Welwyn Garden City FC Development Team. The club was created with a clear vision: to build a progressive, community-focused football club with strong ambitions both on and off the pitch.

The club entered the Spartan South Midlands League Division Two for the 2023–24 season, beginning life at Step 7 of the English football pyramid. Playing initially at Hens Way, AFC Welwyn made an immediate impression, recording an 8–1 victory in their first-ever competitive fixture and going on to enjoy a remarkable debut season.

That inaugural campaign proved historic, as AFC Welwyn secured a league and cup double, winning the Division Two title and the Division Two League Cup. The momentum continued into the 2024–25 season, with the club achieving a second consecutive promotion by lifting the Division One title, reaching Step 5 in just two seasons.

For the 2025–26 season, AFC Welwyn compete in the Spartan South Midlands League Premier Division, with first-team home fixtures currently played at Hemel Hempstead. Alongside on-field progress, the club continues to develop its structure, supporter involvement, and long-term plans for a permanent home within the Welwyn area.

Known as “The Romans”, AFC Welwyn take inspiration from the historic Welwyn Roman Baths, reflected in the club’s identity and motto, Sic Parvis Magna — Greatness from Small Beginnings.

BOROUGH JUNIORS MASCOT MOMENTS

★ A Special Matchday for Magnus! ★

Magnus (7) was our matchday mascot as Haringey Borough FC celebrated a fantastic 5-0 victory over Arlesey Town on Saturday 21st February - a memorable day both on and off the pitch.

A naturally shy young fan, Magnus took everything in quietly, growing in confidence as the day went on. One particularly special moment came before kick-off when Magnus completely won over the referee, who invited him to take part in the pre-match coin toss - a wonderful experience and one he will remember for a long time.

From standing pitchside to leading the team out, Magnus played his part in a brilliant matchday, watching Boro dominate and secure an impressive result. It was a joy to have Magnus with us, and we loved seeing him enjoy the day in his own way. Thank you, Magnus, for being part of such a special Boro win! 🎉

THE SECRETARY'S MUSINGS

We offer a warm welcome to AFC Welwyn, their players, supporters and committee, we also welcome our officials, referee Daniel Merrall, and assistants Newton Gordon and Michael Davis.

Well, that was some week, two comprehensive victories and we find ourselves second in the league. Whilst there are still three teams that if they win their games in hand can overtake us and there's still Winslow United above us, we are very much in the mix. It's that time to ask the perennial question, would you rather have points on the board or games in hand? It should also be said that we still have to play Risborough Rangers and Cockfosters, two of the three teams that can overtake us, and there is also Kings Langley who we have to visit, who currently occupy fourth. Bring it on, it will certainly be an interesting last couple of months of the season. 10 games to go, we can't afford to drop many or any points.

Last Saturday against a fairly inexperienced Arlesey Town team we stormed into a 3-0 lead, Johnny Cash with two and Cliff with the other. I've mentioned this before but both have brought so much to the team this season, Cashey, enthusiasm and smiles, Cliff, class and recently, goals. It took time for us to further extend the lead in the game with Reo, getting two, in the 87th and 90th minutes, the latter being a penalty. The game finishing 5-0. What has been impressive in the past few weeks, well since the loss away at Tring and Tom feeling we needed a change, has been the players that have joined or come in have just slotted in and taken their chances. This is particularly true of Reo Griffiths who has been making appearances off the bench and has bagged four goals in doing so. He looks a good player and has come in at a time when we needed a boost. Leonardo Pola and Arnold Mengi have both joined from Hackney Wick and whilst it is early days in their Boro careers, they look keen to impress and certainly provide pace out wide. Another player Marco Mugunga has stepped up from the U23s and looks comfortable at this level and again looks very pacy. Two players that benefitted from others leaving have been Dillon, who after flirting with being a forward and a centre half, has returned to be a goalkeeper and a very good one at that, and Matt Young who has found a new sense of freedom and created and scored a few recently.

Onto Tuesday and an away game at Harlow Town. Backed by a large number of supporters the team again stormed into a significant first half lead. Matt started the onslaught with a rocket of a shot from outside the area, Johnny Cash made it 2-0. Jorge Sambu with a looping header at the far post 3-0 and an own goal sent us in at half time 4-0. It was probably too much of an ask to expect the second half to be of the same quality of what we'd already seen and that was the case, Harlow pulled one back almost straight from the kick off to make it 4-1, Matt Young restored the four goal lead for 5-1, then from a corner and a free kick Harlow pulled it back to 5-3. We completed the scoring in the 68th minute when Reo ran through to slot home. We've set high standards so despite scoring six, conceding three was a disappointment.

The games continue to come thick and fast with 8 games in March, for the next two weeks, Tuesday's and Saturday's we are away from home facing Kings Langley, Baldock Town, Aylesbury Vale Dynamos and Colney Heath. Our next home game is Tuesday 17th March the Premier Division Cup Semi Final game with Biggleswade United. Despite this being a cup game season tickets are valid as we do not need to share the gate with the opposition, with this being a league cup game.

Today we are supporting Football v Homophobia who promote a simple message "Football for Everyone". I hope through all of us we can continue to make Coles Park and Haringey Borough Football Club a welcoming inclusive environment where football is for everyone. Well done, to the club and volunteers for bringing this to everyone's attention and supporting it by offering free entry into today's game.

Aki says "As Chairman of Haringey Borough Football Club, I am incredibly proud that our club stands firmly for inclusion, respect and equity. We are a community club in the truest sense, welcoming players, staff, volunteers and supporters from all backgrounds, including the LGBTQ+ community. Football should be a game for everyone, and our support for Football v Homophobia reflects our unwavering belief that discrimination has no place in our sport or our society. Together, we will continue to create an environment where everyone feels valued, safe and proud to belong."

Let's get behind the team, continue our good run and help get the 3 points. Come on Boro!!

THE (FORMER) SECRETARY'S MUSINGS

Few, if any, Clubs can have risen through the Pyramid to be playing at Step 5 level in what is only their 3rd year of existence. Formed in 2023 the authorities deemed them worthy of immediate entry at Step 7 and they justified that decision by winning Division 2 of the Spartan South Midlands League in season 2023/24 so earning promotion to Step 6 for 2024/25 when they duly won the SSMFL Division 1 title and a second promotion. So it was obviously going to be the first meeting of the Clubs this season and on 25th August last year the 5th Premier Division game for both teams saw us visiting Potters Bar Town's Lantern Stadium where they then ground-shared. Foolishly, we turned in what was a contender for our worst performance of the season "award" to suffer our first League defeat of the season and "The Romans" well deserved their 2-0 win. We know that subsequently they encountered off the field problems which de-railed their bid for a third promotion but we are pleased that they seem to have overcome them and will no doubt strive to resume their upward trajectory next season if they can secure a season long tenancy at a suitable ground. And who would bet against them doing so! Like so many Clubs, their motto is expressed in Latin (Sic Parva Magna) and was well chosen for it translates as "Greatness from Small Beginnings". If we are to avoid competing with them next season we must live up to our own Latin motto and duly "Carpe Diem" for there can be no further below par performances either today or in our remaining 9 League matches if we are to fulfil our ambition to return to Step 4 at the first attempt.

WOMENS TEAM UPDATE

Sadly, the wheels have come off the wagon as regards the League campaign of which earlier in the season hopes of the top spot did not seem too fanciful. Now, even if we won all our last four games, that is no longer mathematically possible. But should we lose all of them we could find ourselves in the drop zone if the present incumbent of the bottom spot (Enfield Town) put together a successful run in their remaining fixtures. We would have 27 points and to reach 28 Enfield would need to win at least 6 of their remaining 8 fixtures. A tall order but not impossible. Our decline can readily be assessed by a comparison of our first game of 2026 with last weeks fixture. We started the new year with a comfortable 5-2 win at bottom club Hutton who still remained there but left with the three points which lifted them up a place having won 3-2 at Coles Park last Sunday. Yes, they were lucky in that the cross bar saved them three times but a team of our known ability should not be losing to table footers. For the amount of effort they put in Hutton's win was deserved for they defended stubbornly and in numbers making it difficult for us to fashion gilt edged chances in a crowded penalty area. "Crowded" is not an adjective to be applied to our defence as Hutton sliced through it far too easily and cover was there none. The previous week we had lost 1-2 at home to Dussindale & Hellesdon Rovers who we had despatched 8-1 in the corresponding fixture last season. Our visit to them is the first of our remaining 4 Fixtures. Following the opening win at Hutton we went to Harpenden Town and picked up 3 points with a 4-2 win. If only we could play them every week for that was our third winning tussle with them this season, as we were paired in the WFA Cup, and all were won but not easily by a 2 goal margin. The first sign of what was to come followed the next week when we visited Watford Development and having dominated the first half to lead 2-0 contrived to let them win the second half by the same margin. That was to be the last point picked up as all 3 subsequent League fixtures have been lost starting with a 4-0 defeat at Bowers & Pitsea – a team we had beaten in each of our 5 previous meetings with them, scoring 21 goals and conceding only 3 in the process. Doubtless there are many reasons for our slump but it is frustrating to know that among our compliment of 39 players there is a squad who would likely be a "shoo-in" for the top spot if only they were all "football prioritisers" on Sundays. Every Club obviously dreams of that luxury but for us it is exceptionally difficult to achieve given that our recruitment is so geared towards players still in full time education. However, its not all gloom and doom for among this years disappointments there was

an 11-1 League Plate victory when Dunstable Town Lionesses visited us. Which gives rise to a semi-final tie tomorrow against another Division 1 Club, Brentwood Town. Thus, a win will give us a chance to pick up some silverware to conclude the season and the other finalist will be either Wroxham, who have already completed a League double over us this season, or Real Bedford Reserves. Date will be late in May probably at the Herts County HQ Stadium in Letchworth. So a large and noisy supporters turn out tomorrow would be very welcome. We actually won the League Plate in 2001/02 when we were an up and coming Division 1 side and did not really expect to have another chance to win what is the League's secondary knock-out Competition given our upward progress since then which has included 2 appearances in the Final of the main Cup Competition the more recent being the win in 2016/17. The entrants are the Division 1 sides and the Premier Division losers in the first and second Rounds of the League plate so some consolation for our horror show in the Cup game at Chelmsford City may yet materialise.

THE NON-LEAGUE PAPER

EVERY so often, a story breaks in Non-League where you have to not just double take but triple. That was the feeling we had at NLP towers when Bury FC announced they'd appointed manager Anthony Johnson – as SOLE manager. Now, in case you don't know, Johnson has formed one half of, arguably, Non-League's most successful management duo in recent years. Alongside his best mate Bernard Morley, the duo have spent 17 years in the dug-out together since landing the job at North West Counties League Ramsbottom United. They were in their mid-20s then and have since gone on to win two promotions with Rammy, followed by three promotions in three-and-a-half years at Salford City under the Class of 92 microscope. Spells at Chester, who they took to the National League North play-offs, and Spennymoor Town followed before returning to the dug-out May 2023 to take charge of then-NPL Premier Radcliffe. The duo delivered their sixth promotion as a pair to take Boro to Step 2 for the first time in club history. The only surprise is they're yet to manage in Non-League's top flight. From a journalist's point of view, there aren't many better duos to interview either. They're open, honest, to the point, funny – and clearly knowledgeable. Their love for the game – and each other – shines through as well. So that's why it would have surprised many to see them branch out separately. Johnson has always dreamed of the Bury job. It's his club and even though it means dropping two levels, he just couldn't turn down the chance to try and lead his team back up the Pyramid. He wanted Morley to join him but he's happy at Radcliffe – a club on his own doorstep – and decided to stay on, signing a new contract. Johnson joined us on a recent episode of The NLP's Non-League Goalmouth for a fascinating chat on, among many other great stories, the decision. Johnson told The NLP: "The biggest thing for me – apart from all the other stuff we're aware of that I'm a Bury lad and a Bury fan – was that, and I've got to be honest because that's how I do things, I thought, 'If someone else took the job, it wouldn't become available again for a few years'." "I don't want to start throwing names out there but if managers with real quality, locally to us, took the gig, I just didn't think the job would come up again." "Whatever you call that, it sort of bothered me because I always thought down the line at some point me and Bern would take the Bury job." "I was saying to him, 'Look, we've got to take it now. If we don't take it now it's something I, especially, will regret'." "Because it will be one of those things when I finish and look back I can say, good or bad, right or wrong, I did it, I gave it a go. That was probably the overriding reason for it. Added to all the other factors – it's a club I've supported since I was a young boy." Johnson and Morley have been through more than just football management together and that's what made the decision so tough. "Our daughters were born within a couple of weeks of each other, he was the best man at my wedding," Johnson, who will remain in his day job at Radcliffe, said. "We're friends. From a friendship point of view, nothing changes." "I've really made peace with the fact I've got to give this a go – however it pans out. Hopefully it pans out

as I've dreamed and imagined. If it doesn't, I've taken an opportunity I've waited for 17 years for and given it the best shot I can.

"Unfortunately to do that I've had to turn a few lives upside down. And I mean that. I know it might sound like I am exaggerating the point but our families, our lives, are so intertwined.

"I spent two hours at Bernard's mum's house. Bern was working, he didn't even know I went round. His brother was there, his step-dad, I sat down and explained my situation.

"They were all buzzing for me. You can imagine, very emotional too."

And that's the thing about football. Sometimes the decisions are tough. You can bet they will both be each other's biggest supporters from the sidelines.

FULL INTERVIEW IS LIVE NOW: Watch Anthony Johnson on his Bury decision, how he and best mate Bernard Morley got started, working under relentless Gary Neville and the characters they've managed down the years - Search Non-League Paper on YouTube.

SIN BINS

Temporary Dismissals - otherwise known as 'sin bins' - are mandatory for acts of dissent across all of grassroots football.

HOW DO YOU FIND YOURSELF IN THE SIN BIN?

Players will only go into the sin bin for dissent cautions

For use of words, gestures, questioning or undermining the referee's decisions

EXAMPLES OF DISSENT:

Shouting at the referee, questioning the referee's ability, slamming the ball into the ground and sarcastically clapping a decision

DURATION OF A SIN BIN

For matches of 90 minutes, players spend 10 minutes in the sin bin

For matches of all other lengths, players spend 8 minutes in the sin bin

If the sin bin period has not expired at the end of:
1st half: Continues into the 2nd half
2nd half: Continues into extra time
Extra time: Players can participate in the penalty shoot out

THE MATCH DAY PROCESS

Dissent

Dissent caution: Referee issues a Yellow Card and directs the player to the touchline

Whilst in the sin bin, if the player commits a Yellow or Red Card offence they are sent off and can not be substituted

A player can only return to the field of play with the referee's permission at a stoppage in play

If a player receives a second Yellow Card for any type of offence, they will be shown a Red Card and dismissed from the field of play

Sin bins only apply to a player's first Yellow Card. If they receive a second Yellow Card they are dismissed from the field of play.

Offensive, insulting or abusive language and/or actions is still a Red Card offence!
