MESSAGE FROM THE GAFFER

With only 2 league games in December, we were able to have a good rest over the festive period.

We've had a great start to the year getting seven points in the first three games despite having a few changes in personnel due to injury and absence.

Looking forward to starting February with the quarter-finals of the League Plate and trying to progress to win some silverware 🏆

We've been trying a few new things and ideas on the training pitch enable us to push to the end of the season and get as high up the table as possible.

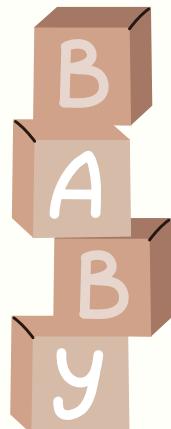

Watch this space! 🎈👑

CONGRATULATIONS ADEM & JIANNA

Huge congratulations to Adem and his wife Jianna on the birth of their beautiful daughter Bella-Rose!

HARINGEY GIRLS ACADEMY

It's been an engaging few months for the academy girls with all girls continuing their progress in the leagues.

The u13s have been relentless in winning every league game and making the final of the league cup.

The u14s have made giant strides and are into the quarter final of the JPL cup after some brilliant gritty performances.

The u16s (with the youngest squad boasting double figures girls playing a year up) are really developing and learning each week.

The u18s which feature 7 first team players are still unbeaten in the league and into the quarter final of their respective cup along with the semi final of the London cup.

This year 11 girls have stepped up to make a first team appearance for the women's side giving the girls academy a total of 28 girls that have come through the academy to represent the first team showing the true pathway!

Shout out to Harry Garrett who are also working in Partnership with the Haringey Girls Academy!

Remembering Steve Browne: A Lasting Legacy Across Grassroots Football

Eight years on, we continue to honour and feel the influence of Steve Browne, former manager of the women's team, who passed away after a battle with cancer.

During his time with Haringey Borough Women, Steve played a pivotal role in strengthening the squad both competitively and culturally. His leadership helped guide the team through promotions, cup successes, and periods of significant growth. His work in identifying and nurturing young talent contributed to improved team performance and broader opportunities for players to progress in the sport.

The success of the women's team in the period surrounding his tenure, including a league title dedicated to him following his passing, stands as a testament to the foundations he helped build and the standards he set.

Steve's influence extended far beyond Haringey. He earned respect throughout non-league football, serving at numerous clubs and contributing to the development of young players across the region. His dedication to supporting and uplifting others remained constant throughout his illness, demonstrating the depth of his commitment to the sport and its communities.

The London FA formally recognised Steve's impact, highlighting his work both with Haringey Borough Women and the S & T Academy. Their acknowledgement underscored the significance of his contribution to the development of women's and girls' football and the positive influence he had on so many within the game.

In 2017, Steve's family established the [Steve Browne Foundation](#) to carry forward his passion for empowering young people. The Foundation focuses on creating opportunities for growth, confidence, and community connection, particularly for young people up to the age of 18.

Today, the Foundation continues to uphold his philosophy that every young person deserves encouragement, structure, and the belief that they can shape a positive future.

On behalf of Haringey Borough Women and the wider club, I want to express our deepest gratitude to Steve for everything he did for the team and for grassroots football as a whole. His work transformed our women's programme, strengthened our community, and created opportunities that continue to shape the lives of players long after his passing.

Steve Browne's legacy remains firmly embedded in the spirit of our club—a legacy of commitment, inclusion, and belief in the potential of every young person who steps onto the pitch.

MORE THAN A TEAM: Special moments

Football clubs are built on far more than results and league tables. They're built on people — the supporters who turn up in the cold, who bring their voices, their belief, and their hearts. Every so often, something happens that reminds us exactly why what we do matters.

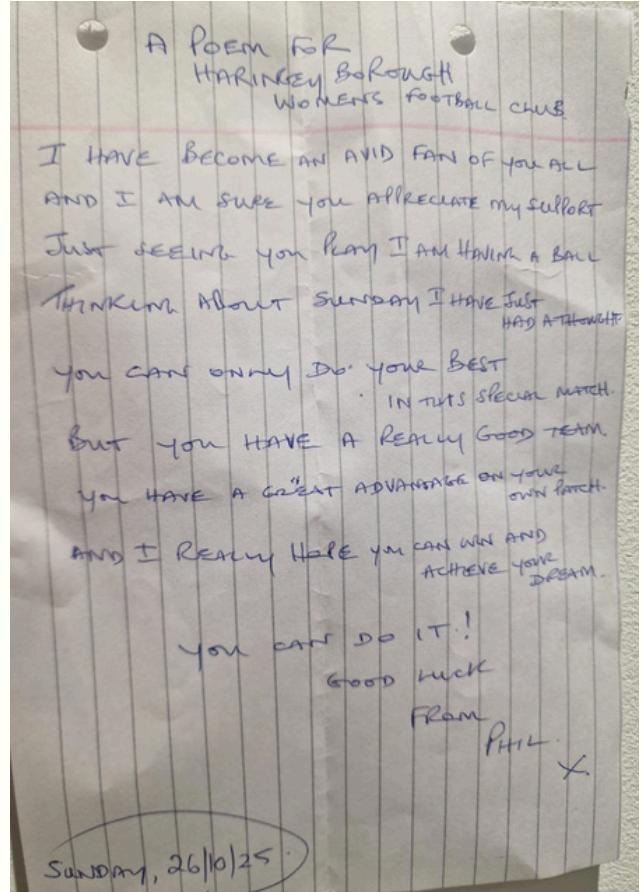

Recently, we were deeply touched to receive a handwritten poem from Phil, a proud Haringey Borough WFC supporter and a passionate advocate for women's football. Written ahead of a big Sunday match, Phil's words speak about becoming an avid fan, the joy of watching the team play, believing in doing your best, and daring to dream of victory on home turf. It's a simple, honest message of encouragement — and that's what makes it so powerful.

Moments like this are special because they show the real impact of women's football at a community level. Our matches aren't just games; they're shared experiences. They inspire creativity, connection, and belief. Phil's poem is a reminder that when players step onto the pitch, they're carrying the hopes of people who genuinely care.

And if you're reading this and haven't yet come down to support us in person, consider this your invitation. There's nothing quite like watching the team play at home, feeling the atmosphere, and being part of a community that truly believes. Whether you're a lifelong football fan or brand new to the women's game, you'll be warmly welcomed.

Thank you, Phil, for reminding us what football is really about.

Watch a video of Phil reading the poem to players before the match 

Celebrating Bobby Cato – Recognised for Outstanding Contribution to Grassroots and Community Football

We are incredibly proud to celebrate a special moment for one of our own, as our Gaffer, Bobby Cato, was honoured for his contribution to grassroots and community football at the Football Black List Regional Awards in London, held at Brixton House Theatre and supported by the FA.

This recognition places Bobby among a prestigious group of individuals celebrated for making a meaningful difference to football and communities beyond the pitch.

The Football Black List shines a light on Black excellence across the game, particularly highlighting role models who inspire the next generation through their work in coaching, community programmes, administration, media and leadership.

Bobby's award is a reflection of years of dedication, passion and selfless commitment to using football as a force for good. Grassroots football is the foundation of the game, and community leaders like Bobby play a vital role in creating safe, inclusive and inspiring spaces for players, families and volunteers.

We see first-hand the impact of Bobby's work — whether that's supporting young players, encouraging participation, mentoring others, or helping create opportunities that extend far beyond football.

Bobby, you represent everything that grassroots football should stand for — commitment, leadership, and community.

We are proud to have you as part of the HBWFC family, and we look forward to seeing your impact continue to grow.

Congratulations, Bobby — this recognition is richly deserved.

Elevating others - Meet Tijen

Tijen's Lense is something that I started as a passion that grew into a business.

This is a huge part of my life, I love capturing moments and memories through my lens, its. It isn't just taking a picture to me, it's telling a story through my work. Whether this be interviews with professional players or capturing memories and magical moments through photography or videography. I have had opportunities to work on Alex Iwobi's Project 17, and collaborate with legends Ian Wright and Robert Pires.

Alongside content creation and photography/videography I've also been a coach at Pro Elite Football Academy. At pro elite we work closely with young players and develop them into athletes on and off of the pitch.

Coaching football is a way for me to give back and help young players to reach their full potential. Pro Elite has made such a positive impact in my life and i love working here (Big thank you to Ali and H)

While growing the business, I completed my Level 5 Sports Coaching Diploma. Whilst doing this i was also battling realities of working in a competitive and male dominated industry. Breaking into professional spaces hasn't always been easy, but facing those challenges has helped shape me into the young woman i am today. One of the most meaningful moments was hosting a charity football tournament for my younger brother, using the platform to give back and support a cause close to home — something that truly reflects what Through Tijen's Lense stands for.

You can find me on instagram under the handle [@throughtijenslense](#)

Help to empower women and forge an equal playing field through football sponsorship

More than 365 million people watched the 2022 UEFA Women's Euro football championship and 50 million watched England beat Germany in the final.

Sponsoring women's sport involves much more than a financial investment in players because it demonstrates an investment in equality and meaningful change within the sporting arena. With such large audiences of women's sporting events, sponsorships can help leverage equal visibility – and this can help drive further female participation in sport.

By supporting early talent and grassroots clubs, companies help increase the number of girls participating in sport – and this has both a long-term benefit of creating star players and also a short-term benefit in increasing confidence, teamwork and health.

OUR HISTORY

Although Haringey Borough FC was formed in 1973, the Women's team wasn't formed until the start of season 1999/2000 and played only occasional "friendlies" in that first season.

In the summer of 2000 we merged with Mill Hill United and were accepted into Division 2 of the Eastern Region League for season 1999/2000, gaining promotion to Division 1 as runners-up to Saffron Walden Town while based at the rather bleak Donkey Lane Playing Fields in Enfield.

The merged Club adopted the name of Haringey Borough and re-located to the Coles Park stadium of the Spartan South Midlands League club, founded in 1907, in White Hart Lane, Tottenham.

2000/2001 – 16 unbeaten League matches but finished third on goal difference. Eliminated two Greater London League sides in the Women's FA Cup.

2001/2002 – 9 unbeaten League games and promotion to the Premier Division as runners-up. The League Plate was garnered with a 4-1 victory over Cottenham United and a regional 5-a-side trophy.

2002/03 – we led the League for two weeks in mid-season, before finishing a comfortable 4th, retaining the regional 5-a-side trophy.

2003/04 – the team were rocked by a sudden spate of long-term injuries and departures of erstwhile regular players but with a late burst succeeded in preserving its Premier Division status.

2004/05 – the team appeared in the finals of five small sided competitions and finished in a safe mid-table position.

2005/06 – the Club progressed through two preliminary rounds of the Women's FA Cup finishing mid-table again and were finalists in the League Cup losing by a late goal against the League Champions Norwich City Canaries.

2006/07 – the team finished third despite a slow start and early dismissal from all knock-out competitions.

2007/08 – the team lost three long serving players to National Premier Division sides and played most of the season with a very small squad. Despite that the team had three London County Cup victories including victory over local rivals Tottenham Hotspur in the quarter final. We went on to reach another semi-final in the League Cup.

2008/09 – an extraordinary season where in mid-March relegation looked a likely outcome but an astonishing turnaround saw the team suffer only one defeat in the remaining 12 games and had that game been won, the runners-up spot would have been secured instead of 4th place.

2009/10 – notable for the 5-match run in the Women's FA Cup. In December, the team led the Premier Division and looked favourites to win the Championship but an unexpected deterioration in form finally resulted in a mid-table finish.

OUR HISTORY CONTINUED...

2010/11 – a very challenging season including loss of established players and a series of long-term injuries. The team saw several successful rounds in the Women's FA Cup but the lack of depth in the squad meant that relegation could not be avoided.

2011/12 – a slow start in Division One but as our campaign gathered pace we eventually finished second and thus earned promotion back to the Premier Division at the first attempt.

2013/14 – a major development took place when the Club was struggling midway through this season with the appointment of Steve Browne as Manager and he brought with him his highly successful S & T Academy Girls who in their mid and late teens were becoming too old to continue in Youth football.

2015/16 – mid-table position was easily secured.

2016/17 – the team were runaway League leaders only to be thrown off course at Christmas by the tragic early death of Manager Steve Browne on New Year's Day. After a shaky period we re-asserted ourselves to win the League Championship on the last day of the season and with it, promotion to the Women's Premier League. We followed that up by adding the League Cup with a 5-1 win to complete the double.

2017/18 – several of the top players were lost to USA Scholarships and other Premier League teams and a torrid time ensued in Division One South-East and the team returned to the Eastern Region League.

2018/19 – the team began to rebuild only to see the newly appointed manager accept a role in his home Country of Greece at Christmas. A new manager was appointed and the coronavirus pandemic put a premature end to the season with results being deemed null and void.

2019/20 – The appointment of Bob Cato, formerly of Derby County Ladies, Leicester City WFC and a former Haringey Borough player, has brought about much needed leadership and strategy to the team's play. A refreshed side with new players brought in though partnership with Haringey Girls Academy means that there is a now a full pathway from Wildcats to Women's football and much needed depth in the squad with 30+ players at training every week.

2022/23 – the season started strong with a team consisting of predominantly under 18s. Borough remain a contender to win the league as well as reaching the quarter finals of the Capital Women's Cup having beaten tier 4 side London Seaward en-route. Borough narrowly lost out to tier 3 side London Bees whose clinical finishing in front of goal proved to be the deciding factor.

2023/24 - another strong season saw Borough finish 3rd place in the league convincingly beating league winners Real Bedford and Capital Womens Senior Cup runners up in addition to winning the 106 Yeomanry Regiment Royal Artillery Community 6-a-side Cup in the summer break.

2024/25 - an early exit from the WFA Cup meant a focus on league games. Despite injury, Boro finished 4th with striker Shawna Harvey scoring 25 goals. Boro also won the Harry Garrett 5 aside tournament in the close season.
